

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN OR INTO OR TO ANY PERSON LOCATED OR RESIDENT IN THE UNITED STATES, ITS TERRITORIES AND POSSESSIONS (INCLUDING PUERTO RICO, THE U.S. VIRGIN ISLANDS, GUAM, AMERICAN SAMOA, WAKE ISLAND AND THE NORTHERN MARIANA ISLANDS), ANY STATE OF THE UNITED STATES OR THE DISTRICT OF COLUMBIA (THE “UNITED STATES”) OR TO ANY U.S. PERSON OR IN OR INTO ANY OTHER JURISDICTION WHERE IT IS UNLAWFUL TO DISTRIBUTE THIS DOCUMENT.

THIS ANNOUNCEMENT IS FOR INFORMATION ONLY AND IS NOT AN OFFER TO PURCHASE OR A SOLICITATION OF AN OFFER TO SELL ANY NOTES.

Tender Offer by SoftBank Group Corp. with respect to its outstanding \$2,750,000,000 6.000% Undated Subordinated NC6 Resettable Notes.

September 28, 2022. **SoftBank Group Corp.** (the “**Offeror**”) hereby announces an invitation to the Eligible Holders (as defined herein) of its outstanding \$2,750,000,000 6.000% Undated Subordinated NC6 Resettable Notes (the “**Notes**”), to tender such Notes for purchase by the Offeror for cash at prices to be determined pursuant to an unmodified Dutch auction procedure up to (and including) \$750,000,000 in aggregate principal amount of the Notes (the “**Offer**”), on the terms and subject to the conditions set out in the tender offer memorandum dated September 28, 2022 (the “**Tender Offer Memorandum**”) prepared in connection with the Offer.

Simultaneously with the Offer, the Offeror is inviting eligible holders of certain of its outstanding U.S. dollar and euro denominated senior notes: (i) 4.750% USD-denominated senior notes due September 2024; (ii) 2.125% euro-denominated senior notes due July 2024; (iii) 6.125% USD-denominated senior notes due April 2025; (iv) 3.125% USD-denominated senior notes due January 2025; (v) 3.125% euro-denominated senior notes due September 2025; (vi) 4.500% euro-denominated senior notes due April 2025; (vii) 4.000% USD-denominated senior notes due July 2026; (viii) 5.125% USD-denominated senior notes due September 2027; (ix) 2.875% euro-denominated senior notes due January 2027; (x) 6.250% USD-denominated senior notes due April 2028; (xi) 4.625% USD-denominated senior notes due July 2028; (xii) 5.000% euro-denominated senior notes due April 2028; (xiii) 3.375% euro-denominated senior notes due July 2029; (xiv) 4.000% euro-denominated senior notes due September 2029; (xv) 5.250% USD-denominated senior notes due July 2031; and (xvi) 3.875% euro-denominated senior notes due July 2032 (together, the “**Senior Notes**”), to tender such Senior Notes for purchase by the Offeror for cash at prices to be determined pursuant to an unmodified Dutch auction procedure (the “**Concurrent Senior Notes Tender Offers**”), subject to subject to the conditions set out in a separate tender offer memorandum with respect to the Senior Notes dated September 28, 2022 (the “**Concurrent Senior Notes Tender Offer Memorandum**”).

The Offeror proposes to accept for purchase Notes and Senior Notes in the Offer and the Concurrent Senior Notes Tender Offers, taken together, up to a maximum cash consideration of (and including) **\$1,750,000,000** (or the equivalent thereof), excluding any accrued interest payments on the Notes and the Senior Notes accepted for purchase (the “**Global Tender Consideration Amount**”), provided that in no event will the amount of Notes accepted for purchase in the Offer exceed \$750,000,000 in aggregate principal amount of the Notes (the “**Maximum Acceptance Amount**”).

The Global Tender Consideration Amount applies across the Offer and the Concurrent Senior Notes Tender Offers, taken together, and the Offeror reserves the right to apply the Global Tender Consideration Amount to any or all of the Offer (subject to the Maximum Acceptance Amount) and the Concurrent Senior Notes Tender Offers, in such amounts or proportions as it will determine in its sole and absolute discretion in accordance with the conditions set out in the Tender Offer Memorandum and the Concurrent Senior Notes Tender Offer Memorandum. For the avoidance of doubt, the Offeror reserves the right, in its sole discretion, to significantly increase or significantly decrease the Global Tender Consideration Amount (subject to the Maximum Acceptance Amount).

Capitalized terms used in this announcement but not otherwise defined have the meanings given to them in the Tender Offer Memorandum.

Rationale for the Offer

The purpose of the Offer is for the Offeror to support the secondary trading market for the Notes and provide a

liquidity event to the current Holders of the Notes.

Summary of the Offer

Description of Notes	ISIN/Common Code	Outstanding Principal Amount	Denomination of the Notes	Purchase Consideration	Minimum Purchase Price	Maximum Acceptance Amount
\$2,750,000,000 6.000% Undated Subordinated NC6 Resettable Notes	XS1642682410/ 164268241	\$2,750,000,000	\$200,000	To be determined pursuant to an Unmodified Dutch Auction Procedure	93.500%	\$750,000,000 in aggregate principal amount of the Notes (for the avoidance of doubt, the Offeror reserves the right, in its sole discretion, to accept significantly less than such amount of Notes pursuant to the Offer)

Purchase Price – Unmodified Dutch Auction Procedure

The amount the Offeror will pay for Notes validly tendered and accepted for purchase pursuant to the Offer will be determined pursuant to an unmodified Dutch auction procedure (the “**Unmodified Dutch Auction Procedure**”), as described in the Tender Offer Memorandum.

The cash consideration that the Offeror will pay for any Notes (the “**Purchase Consideration**”) validly tendered by an Eligible Holder and accepted for purchase pursuant to the Offer shall be equal to the product of (i) the aggregate principal amount of the Notes of such Eligible Holder accepted for purchase pursuant to the Offer and (ii) the particular purchase price (a “**Purchase Price**”) specified (or deemed to be specified, as set out below) by the relevant Eligible Holder in his or her tender instruction (the “**Tender Instruction**”), provided that if the specified Purchase Price is lower than the Minimum Purchase Price (as defined below), or if no Purchase Price is specified, the Offeror will pay the Minimum Purchase Price.

Under the Unmodified Dutch Auction Procedure, the Offeror will determine, in its sole discretion, following expiration of the Offer, the aggregate principal amount of Notes (if any) it will accept for purchase pursuant to the Offer (the “**Final Acceptance Amount**”) and the maximum Purchase Price (the “**Maximum Purchase Price**”), taking into account the aggregate principal amount of Notes tendered in the Offer and the Purchase Prices specified (or deemed to be specified, as set out below) by tendering Eligible Holders (the aggregate cash consideration, excluding any Accrued Interest Payments, to be paid by the Offeror to purchase the Final Acceptance Amount of the Notes being the “**Tender Consideration**”). The Offeror proposes that the Final Acceptance Amount will be in an aggregate principal amount of Notes of up to (and including) \$750,000,000, although the Offeror reserves the right, in its sole discretion, to accept significantly less than such amount of Notes pursuant to the Offer.

Simultaneously with the Offer, the Offeror is making the Concurrent Senior Notes Tender Offers, subject to the conditions set out in the Concurrent Senior Notes Tender Offer Memorandum. The Offeror proposes to accept for purchase Notes and Senior Notes in the Offer and the Concurrent Senior Notes Tender Offers, taken together, up to a maximum cash consideration of (and including) the Global Tender Consideration Amount, provided that in no event will the Notes accepted for purchase in the Offer exceed the Maximum Acceptance Amount.

The Global Tender Consideration Amount applies across the Offer and the Concurrent Senior Notes Tender Offers, taken together, and the Offeror reserves the right to apply the Global Tender Consideration Amount to any or all of the Offer (subject to the Maximum Acceptance Amount) and the Concurrent Senior Notes Tender Offers, in such amounts or proportions as it will determine in its sole and absolute discretion in accordance with the conditions set out in the Tender Offer Memorandum and the Concurrent Senior Notes Tender Offer Memorandum. For the avoidance of doubt, the Offeror reserves the right, in its sole discretion, to significantly increase or significantly decrease the Global Tender Consideration Amount (subject to the Maximum Acceptance Amount).

The Purchase Price for the Notes will not be less than 93.500% (the “**Minimum Purchase Price**”).

In addition to each Purchase Consideration, the Offeror will also make an Accrued Interest Payment in respect of Notes accepted for purchase pursuant to the Offer.

Final Acceptance Amount

The Offeror proposes to accept Notes for purchase pursuant to the Offer of up to (and including) \$750,000,000 in aggregate principal amount of the Notes, although the Offeror reserves the right, in its sole discretion, to accept significantly less than such amount of Notes pursuant to the Offer (the final aggregate principal amount of Notes accepted for purchase pursuant to the Offer being the Final Acceptance Amount).

Priority of Acceptance

The Offeror intends to accept Notes validly tendered for purchase pursuant to the Offer in the following order of priority:

- (i) the Offeror will first accept for purchase an aggregate principal amount of Notes validly tendered pursuant to the Offer by way of Non-Competitive Tender Instructions (as described below) up to (and including) the Final Acceptance Amount; and
- (ii) if the aggregate principal amount of such Notes validly tendered pursuant to the Offer by way of Non-Competitive Tender Instructions is less than the Final Acceptance Amount, the Offeror may then, in its sole discretion, accept for purchase any Notes validly tendered pursuant to the Offer by way of Competitive Tender Instructions (as described below), such that the aggregate principal amount of Notes accepted for purchase pursuant to the Offer is equal to the Final Acceptance Amount.

Scaling

If the Offeror decides to accept Notes for purchase pursuant to the Offer and:

- (i) the aggregate principal amount of Notes validly tendered pursuant to Non-Competitive Tender Instructions is greater than the Final Acceptance Amount, the Offeror intends to accept such Notes for purchase on a pro-rata basis such that the aggregate principal amount of such Notes accepted for purchase is no greater than the Final Acceptance Amount. In such circumstances, the Maximum Purchase Price for all of the Notes will be set at the Minimum Purchase Price and the Offeror will not accept for purchase any Notes tendered pursuant to Competitive Tender Instructions; or
- (ii) the aggregate principal amount of Notes validly tendered (i) pursuant to Non-Competitive Tender Instructions and (ii) pursuant to Competitive Tender Instructions that specify a Purchase Price that is less than or equal to the Maximum Purchase Price, is greater than the Final Acceptance Amount, the Offeror intends to accept for purchase (A) first, all Notes tendered pursuant to Non-Competitive Tender Instructions in full, (B) second, all Notes tendered pursuant to Competitive Tender Instructions that specify a Purchase Price below the Maximum Purchase Price in full and (C) third, all Notes tendered at the Maximum Purchase Price on a pro rata basis such that the aggregate principal amount of such Notes accepted for purchase is no greater than the Final Acceptance Amount.

In the event that Notes validly tendered pursuant to the Offer are to be accepted on a pro rata basis, each such tender of such Notes will be scaled by a factor (a “**Scaling Factor**”) equal to (i) the Final Acceptance Amount less the aggregate principal amount of such Notes that have been validly tendered and accepted for purchase pursuant to the Offer, and are not subject to acceptance on a pro rata basis (if any), divided by (ii) the aggregate principal amount of such Notes that have been validly tendered and accepted for purchase pursuant to the Offer, and are subject to acceptance on a pro rata basis (subject to adjustment to allow for the aggregate principal amount of Notes accepted for purchase, following the rounding of tenders of such Notes described in the next sentence, to equal the Final Acceptance Amount exactly). Each tender of such Notes that is scaled in this manner will be rounded down to the nearest \$1,000 in principal amount. The Offeror reserves the right, in its sole discretion, to apply a different Scaling Factor to any of such Notes.

In addition, in the event of any such scaling, the Offeror intends to apply pro rata scaling to each valid tender of such Notes in such a manner as will result in the relevant Eligible Holder transferring Notes to the Offeror in an aggregate principal amount of at least \$200,000 (being the “**Minimum Denomination**” of the Notes). The Offeror may at its sole discretion not accept the tender of Notes for purchase pursuant to the Offer, where the relevant Eligible Holder's residual amount of Notes (being the principal amount of the Notes the subject of the relevant Tender Instruction that are not accepted for purchase by virtue of such scaling) amount to less than the Minimum Denomination.

Tender Instructions may be submitted on a “non-competitive” or a “competitive” basis as follows:

- (i) a “**Non-Competitive Tender Instruction**” is a Tender Instruction which specifies the aggregate principal amount of the Notes tendered pursuant to such Tender Instruction (such principal amount being at least the Minimum Denomination), and either (i) does not specify a Purchase Price for such Notes, or (ii) specifies a Purchase Price less than or equal to the Minimum Purchase Price. Each Non-Competitive

Tender Instruction, whether falling within (i) or (ii) above, will be deemed to have specified the Minimum Purchase Price for the tendered Notes; and

- (ii) a “**Competitive Tender Instruction**” is a Tender Instruction which specifies (i) the aggregate principal amount of the Notes tendered pursuant to such Tender Instruction (such principal amount being at least the Minimum Denomination), and (ii) a Purchase Price greater than the Minimum Purchase Price (which Purchase Price must be specified in increments of 0.10% above the Minimum Purchase Price). In the event that any Competitive Tender Instruction specifies a Purchase Price that is not an integral multiple of 0.10% above the Minimum Purchase Price, the Purchase Price so specified shall be rounded up to the nearest 0.10% integral multiple, and the Competitive Tender Instruction shall be deemed to have specified such rounded figure as the Purchase Price.

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must be submitted in respect of a minimum principal amount of Notes of no less than the Minimum Denomination.

A separate Tender Instruction must be completed on behalf of each beneficial owner. For the purposes of the Tender Offer Memorandum, the term “beneficial owner” of any Notes shall mean any Holder that exercises sole investment discretion with respect to such Notes.

Conditions to the Offer

The Offer are subject to the satisfaction or waiver of certain conditions described in the Tender Offer Memorandum. These conditions precedent to the Offer are for the Offeror’s benefit only and may be asserted or waived by the Offeror in its sole discretion (including any action or inaction by the Offeror giving rise to any such condition precedent in whole or in part at any time and from time to time until, and including, the Settlement Date) without extending the Expiration Deadline, except as required by law.

Only Eligible Holders who have, or on whose behalf their brokers, dealers, custodians, trust companies or other nominees have, completed the procedures described in the Tender Offer Memorandum are eligible to participate in the Offer.

Holders who are not Eligible Holders may not participate in the Offer or otherwise rely on the information provided in the Tender Offer Memorandum.

The Offer is subject to certain conditions summarized below and described in further detail in the Tender Offer Memorandum.

The Offer commences on the date hereof. The “Expiration Deadline”, being the deadline for the receipt of all valid tenders of the Notes in the Offer will be 4:00 P.M., London Time, on October 7, 2022, unless extended or terminated earlier at the Offeror’s sole discretion.

Eligible Holders

The Offer is being made only to Eligible Offerees who hold Notes through Euroclear or Clearstream (the “**Clearing Systems**”) and who, in each case, have represented to the Offeror pursuant to the deemed representations described in the Tender Offer Memorandum that they are eligible to participate in the Offer (“**Eligible Holders**”). “**Eligible Offerees**” are herein defined as persons who satisfy all of the following criteria:

- non-U.S. persons located outside the United States or dealers or other professional fiduciaries in the United States acting on a discretionary basis only for the benefit or account of non-U.S. persons located outside the United States, as those terms are defined in Regulation S under the United States Securities Act of 1933, as amended; and
- persons into whose possession the Tender Offer Memorandum may be lawfully delivered in accordance with the laws of the jurisdiction in which they are located and who are not a Sanctions Restricted Person or acting on behalf, or for the benefit of a Sanctions Restricted Person, and who will not use, directly or indirectly, the

Purchase Consideration and the related Accrued Interest Payment received for the purpose of financing or making funds available directly or indirectly to or for the benefit of a Sanctions Restricted Person.

Expected Timetable of Events

The following summarizes the key dates for the Offer. This is an indicative timetable and is subject to change. This summary is qualified in its entirety by, and should be read in conjunction with, the more detailed information appearing in the Tender Offer Memorandum.

Event	Date	Description
Launch Date	September 28, 2022	The Offeror makes an announcement to commence the Offer. The Tender Offer Memorandum is made available to Eligible Holders by the Tender Agent.
Expiration Deadline	October 7, 2022 (4:00 p.m., London time)	Deadline for the receipt of all valid tenders of Notes in the Offer (subject to the right of the Offeror to extend, re-open, amend and/or terminate the Offer in its sole discretion).
Announcement of Acceptance and Results	As soon as reasonably practicable after the Expiration Deadline	Announcement by the Offeror of whether the Offeror will accept valid tenders of Notes pursuant to the Offer and if so accepted, the announcement of (i) the Final Acceptance Amount and (ii) any Scaling Factor.
Settlement Date	October 12, 2022	Subject to the conditions set forth in the Tender Offer Memorandum, payment of the Tender Consideration and Accrued Interest Payments to the validly tendering Eligible Holders.

All references to times herein are to London time unless stated otherwise. The above dates are indicative only.

The Offeror reserves the right to extend any of the dates and times set forth above in its sole discretion, and may extend or terminate earlier the Expiration Deadline. The above dates and times are subject, where applicable, to the right of the Offeror to extend, re-open, amend, and/or terminate the Offer (subject to applicable law and as provided in the Tender Offer Memorandum). For the avoidance of doubt, the Offeror may be extended, re-opened, amended, waived or terminated at the Offeror's sole discretion.

In relation to the times and dates indicated herein, beneficial owners of Notes who hold such Notes through one of the Clearing Systems should note the particular practices and policies of the relevant Clearing System regarding their communication deadlines, which will determine the latest time at which tenders of the Notes for tender may be delivered to the relevant Clearing System (which may be earlier than the deadlines herein) so that they are received by the Tender Agent in respect of the Offer within the deadlines set forth herein.

All announcements in connection with the Offer may be made to Eligible Holders (a) via SGXNET, (b) through publication of a notice on Bloomberg, (c) by the delivery of notices to the Clearing Systems for communication to Direct Participants, and/or (d) on the Tender Offer Website: <https://deals.is.kroll.com/softbank>.

Further Information

Questions about the terms of the Offer should be directed to the Sole Dealer Manager. If you require additional copies of the Tender Offer Memorandum, please contact the Tender Agent.

Beneficial owners of Notes may also contact their brokers, dealers, commercial banks, trust companies or other nominee for assistance concerning the Offer.

DISCLAIMER

This announcement must be read in conjunction with the Tender Offer Memorandum. The Tender Offer Memorandum contains important information which should be read carefully before any decision is made with respect to the Offer. Each Eligible Holder is recommended to seek its own financial and legal advice, including in respect of any tax consequences, immediately from its stockbroker, bank manager, solicitor, accountant or other independent financial, tax or legal adviser. Any individual or Offeror whose Notes are held on its behalf by a broker, dealer, bank, custodian, trust Offeror or other nominee must contact such entity if it wishes to tender its Notes in connection with the Offer. None of the Sole Dealer Manager, the Trustee or the Tender Agent is making any recommendation as to whether or not any individual or Offeror should tender its Notes in connection with the Offer.

OFFER RESTRICTIONS WITH RESPECT TO THE OFFER

None of the Tender Offer Memorandum or this announcement constitutes an offer to buy or the solicitation of an offer to sell Notes, (and tenders of Notes will not be accepted from Holders) in any circumstances in which it is unlawful to do so. In those jurisdictions where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer and the Sole Dealer Manager or any of their respective affiliates is such a licensed broker or dealer in any such jurisdiction, the Offer shall be deemed to be made by the Sole Dealer Manager or such affiliate, as the case may be, on behalf of the Offeror in such jurisdictions.

Each Eligible Holder participating in the Offer will be deemed to have represented to various matters described in the Tender Offer Memorandum, including that it is an Eligible Holder as described in the Tender Offer Memorandum. Each direct participant in the Clearing Systems, by tendering their Notes, will be deemed to have given authority to the relevant Clearing System to provide details concerning such direct participant's identity to the Tender Agent.

By giving Tender Instructions, Eligible Holders will be deemed to make a series of representations, warranties and undertakings, which are set out in the Tender Offer Memorandum. Only Eligible Holders who have, or on whose behalf their brokers, dealers, custodians, trust companies or other nominees have, completed the procedures described in the Tender Offer Memorandum are eligible to participate in the Offer.
