## **Rationale for the Offers**

The Issuer is making the Offers (subject to the New Financing Condition (as defined below)) as part of the Kingdom of Saudi Arabia's effective debt management, which, among other things, includes the pro-active management of its refinancing risk and debt maturity profile.

## **Purchase Prices and Accrued Interest**

In respect of each Series, the Issuer will pay, for any Notes of that Series accepted by it for purchase pursuant to the relevant Offer, a purchase price (each a **Purchase Price**) to be determined at or around 10.00 a.m. New York City time (the **Pricing Time**) on 25 October 2022 (the **Pricing Date**) in the manner described in the Tender Offer Memorandum by reference to:

- (a) in the case of the 2023 Notes, the sum of the purchase spread of 0 bps and the relevant Benchmark Security Rate;
- (b) in the case of the April 2025 Notes, the sum of the purchase spread of 55 bps and the relevant Benchmark Security Rate;
- (c) in the case of the October 2025 Notes, the sum of the purchase spread of 55 bps and the relevant Benchmark Security Rate; and
- (d) in the case of the 2026 Notes, the sum of the purchase spread of 70 bps and the relevant Benchmark Security Rate.

The calculation of the Purchase Price will, in the absence of manifest error, be final and binding on all parties.

The Issuer will also pay an Accrued Interest Payment in respect of any Notes accepted for purchase pursuant to the relevant Offer(s).

## **New Financing Condition**

The Issuer is not under any obligation to accept for purchase any Notes tendered pursuant to the Offers. The acceptance for purchase by the Issuer of Notes tendered pursuant to the relevant Offer is at the sole discretion of the Issuer and tenders may be rejected by the Issuer for any reason.

The Issuer announced on 18 October 2022 its intention to issue a series of new U.S.\$-denominated fixed rate notes (the **New Notes**) under its Global Medium Term Note Programme (the **GMTN Programme**) and the issue of a series of new U.S.\$-denominated fixed rate trust certificates (the **New Trust Certificates**, and together with the New Notes, the **New Securities**) by KSA Sukuk Limited (**KSA Sukuk**) under the Trust Certificate Issuance Programme of KSA Sukuk and the Issuer (the **Trust Certificate Programme** and, together with the GMTN Programme, the **Programmes**), subject to market conditions. Whether the Issuer will accept for purchase Notes validly tendered in the relevant Offer is subject (unless such condition is waived by the Issuer in its sole discretion), without limitation, to the successful completion (in the sole determination of the Issuer) of the issue of the New Securities (the **New Financing Condition**).

Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in (i) the offering circular dated 18 October 2022 (the **Offering Circular**) prepared by the Issuer in connection with the GMTN Programme and (ii) the pricing supplement relating to the New Notes (the **Pricing Supplement**), and no reliance is to be placed on any representations other than those contained in the Offering Circular. Any investment decision to purchase any New Trust Certificates should be made solely on the basis of the information contained in (i) the base prospectus to be dated on or about 18 October 2022 (the **Base Prospectus**) prepared by KSA Sukuk and the Issuer in connection with the Trust Certificate Programme and (ii) the Final Terms relating to the New Trust Certificates (the **Final Terms**), and no reliance is to be placed on any representations other than those contained in the Base Prospectus.

## **Priority allocation of the New Securities**

When considering allocation of the New Securities, the Issuer may give preference to those Noteholders who, prior to such allocation, have validly tendered or given a firm intention to any Dealer Manager that they intend to tender their Notes for purchase pursuant to the relevant Offer. Therefore, a Noteholder who wishes to subscribe for New Securities in addition to tendering its existing Notes for purchase pursuant to the relevant Offer may be eligible to receive, at the sole and absolute discretion of the Issuer, priority in the allocation of the New Securities, subject to the issue of the New Securities and such Noteholder making a separate application for the purchase of such New Securities to a Dealer Manager (in its capacity as a bookrunner of the issue of the New Securities) in accordance with the standard new issue procedures of such Dealer Manager. Any such preference will, subject to the sole and absolute discretion of the Issuer, be applicable up to the aggregate principal amount of Notes in respect of which a firm indication of its intention to tender has been given to a Dealer Manager by such Noteholder pursuant to the relevant Offer. However, the Issuer is not obliged to allocate any New Securities to a Noteholder who has indicated a firm intention to tender its Notes for purchase pursuant

to the relevant Offer and, if New Securities are so allocated, the principal amount thereof may be less or more than the principal amount of Notes tendered by such Noteholder and accepted for purchase by the Issuer pursuant to the relevant Offer. Any such allocation will also, among other factors, take into account the minimum denomination of the New Securities.

All allocations of the New Securities, while being considered by the Issuer as set out above, will be made in accordance with customary new issue allocation processes and procedures. In the event that a Noteholder validly tenders Notes pursuant to the relevant Offer, such Notes will remain subject to such tender and the conditions of the relevant Offer as set out in the Tender Offer Memorandum irrespective of whether that Noteholder receives all, part or none of any allocation of New Securities for which it has applied.

Noteholders should note that the pricing and allocation of the New Securities is expected to take place prior to the Expiration Deadline for the Offers, and any Noteholder who wishes to subscribe for New Securities in addition to tendering their Notes for purchase pursuant to the relevant Offer should therefore provide, as soon as practicable and prior to the pricing and allocation of the New Securities, to any Dealer Manager, an indication of its firm intention to tender its Notes for purchase (or that it has validly tendered its Notes) and the principal amount of the Notes that it intends to tender (or has tendered) pursuant to the relevant Offer.

### **Tender Instructions**

In order to participate in, and be eligible to receive the Purchase Price (and Accrued Interest Payment) pursuant to, the relevant Offer, Noteholders must validly tender their Notes by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender and Information Agent by 5.00 p.m. (New York City time) on 24 October 2022 (the **Expiration Deadline**). The deadlines set by any intermediary or Clearing System will be earlier than this deadline. See "*Procedures for Participating in the Offers*" in the Tender Offer Memorandum.

**Tender Instructions will be irrevocable** except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must be submitted in respect of a minimum nominal amount of Notes of the relevant Series of no less than the minimum denomination of each Series (being U.S.\$200,000), and may be submitted in integral amounts of U.S.\$1,000 thereafter. A separate Tender Instruction must be completed on behalf of each beneficial owner and in respect of each Series.

### **Maximum Acceptance Amount and Scaling**

The Issuer proposes to accept Notes validly tendered for purchase pursuant to the relevant Offer(s) up to a maximum aggregate principal amount to be announced by the Issuer following pricing of the New Securities (the **Maximum Acceptance Amount**), subject to the right of the Issuer, in its sole and absolute discretion and for any reason, to increase or decrease the Maximum Acceptance Amount (the final aggregate principal amount of Notes accepted for purchase pursuant to the Offers is referred to in this announcement as the **Final Acceptance Amount**). The Issuer will determine the allocation of the Final Acceptance Amount between the Notes of each Series in its sole discretion, and reserves the right to accept significantly more or significantly less than (or none of) the Notes of one or more Series as compared to the Notes of one or more of the other Series. The final aggregate principal amount of the Notes of each Series (if any) accepted for purchase pursuant to the relevant Offer is referred to in this announcement as a **Series Acceptance Amount**.

If the Issuer decides to accept valid tenders of Notes of a Series for purchase pursuant to the relevant Offer and the aggregate principal amount of the Notes of such Series validly tendered is greater than the relevant Series Acceptance Amount, the Issuer intends to accept such Notes for purchase (subject to satisfaction or waiver of the New Financing Condition on or prior to the Settlement Date) on a pro rata basis such that the aggregate principal amount of such Notes accepted for purchase is no greater than the relevant Series Acceptance Amount. See "*Further Information and Terms and Conditions - Scaling of Tenders*" in the Tender Offer Memorandum.
