(i) for or on account of:

(A) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note, and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(B) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(ii) to a Holder that is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

(b) Whenever there is mentioned in any context the payment of principal of, and any premium or interest on, any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

4.25 Permitted Pari Passu Secured Indebtedness

On or after the Original Issue Date and subject to the Indenture, the Company and each Pledgor may create Liens on the Collateral and the ICL Collateral *pari passu* with the Lien for the benefit of the Holders to secure Indebtedness of the Company (including Additional

(c) Such covenants shall be reinstituted and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants shall not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of this Indenture during the continuance of the Suspension Event, and following reinstatement the calculations under the covenant summarized under Clause 4.6 shall be made as if such covenant had been in effect since the date of this Indenture except that no Default shall be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

4.27 Further Instruments and Acts

Upon the request of the Trustee, but without any affirmative duty on the Trustee to do so, the Company and each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

6.3 Other Remedies

If an Event of Default occurs and is continuing, the Trustee may but will not be obligated to pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or the Indenture. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreements, the Trustee shall upon written direction of Holders of at least 25% in aggregate principal amount of outstanding Notes, subject to being indemnified and/or secured and/or prefunded to its satisfaction, direct the Collateral Agent to foreclose on the Collateral and/or the ICL Collateral in accordance with the terms of the Security Documents and/or the ICL Assignment Deed and take such further action on behalf of the Holders of the Notes with respect to the Collateral and/or the ICL Collateral as the Collateral Agent or the Trustee, as the case may be, deems appropriate.

Upon such waiver, the Default will cease to exist or the default under the Deed of Undertaking and Subordination, the ICL Assignment Deed, the ICL Subordination Deed or the Scheme Creditor CVR Deed will cease to exist (subject to the requirements of the Common Security Intercreditor Agreement), and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or default under the Deed of Undertaking and Subordination, the ICL Assignment Deed, the ICL Subordination Deed or the Scheme Creditor CVR Deed or impair any right consequent thereon.

6.5 Control by Majority

(a) The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders.

(b) In connection with the exercise of its functions (including but not limited to those referred to herein) the Trustee shall have regard to the interests of Holders of Notes as a class and shall not have regard to the consequences of such exercise for individual Holders.

6.6 Limitation on Suits

No Holder may institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

(a) the Holder has previously given the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;

(c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;

(d) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity and/or security and/or prefunding satisfactory to the Trustee; and

(e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

6.7 Rights of Holders to Receive Payment

Notwithstanding anything to the contrary, the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes shall not be impaired or affected without the consent of Holders of not less than 75% of the principal amount of the Notes then outstanding in accordance with Clause 6.4 and/or Clause 9.2.

6.8 Compliance Certificate

The Company shall submit an Officers' Certificate to the Trustee, in substantially the form of Exhibit I hereto and attaching a report from the Monitoring Accountant in respect of the most recent full fiscal year, on or before a date not more than 120 days after the end of each fiscal year, certifying that a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Subsidiary Guarantors' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof.

6.9 Collection Suit by Trustee

If an Event of Default in payment specified in paragraph (a) or (b) of Clause 6.1 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

6.10 Trustee May File Proofs of Claim

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement,

adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

6.11 Priorities

Subject to the Intercreditor Agreements, if the Trustee collects any money pursuant to this Clause, it shall pay out the money in the following order:

(a) *First*, to the Trustee and the Agents (as applicable) and their respective custodian, agent, delegate or nominee appointed under this Indenture to the extent necessary to reimburse the Trustee and the Agents (as applicable) for any fees, costs and expenses incurred in connection with this Indenture (including without limitation remuneration payable to it) and indemnity or prefunding payments and the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and/or the ICL Assignment Deed and preserving the Collateral and/or the ICL Collateral and all amounts for which the Trustee and the Agents (as applicable) are entitled to indemnification under this Indenture, the Security Documents and the ICL Assignment Deed;

(b) *Second*, to the Trustee for the benefit of Holders, ratably (with respect to the principal, interest and premium on the outstanding Notes); and

(c) *Third*, any surplus remaining after such payments shall be paid to the Company, or the Pledgors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Clause 6.11.

6.12 Restoration of Rights and Remedies

If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders shall continue as though no such proceeding had been instituted.

6.13 Undertaking for Costs

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Clause 6.13 does not apply to a suit by a Holder to enforce payment of principal of or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

6.14 Rights and Remedies Cumulative

No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies

are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or exercise of any other right or remedy.

6.15 Delay or Omission Not Waiver

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or acquiescence therein. Every right and remedy given by this Clause 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

6.16 Waiver of Stay, Extension or Usury Laws

The Company and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, as the case may be, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. The Company and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted. The Trustee is entitled to require all Agents to act under its direction following the occurrence of an Event of Default.

7 The Trustee

7.1 General

(a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Clause.

(b) Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Clause 7.5, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. The Trustee need not do anything to ascertain whether any Event of Default or Default has occurred or is continuing and shall not be responsible to the Holders or any other person for any loss arising from any failure by it to do so, and, the Trustee may assume that no such event has occurred and that the Company is performing all of its obligations under this Indenture and the Notes unless the Trustee has received written notice of the occurrence of such events of facts establishing that the Company is not performing all of its obligations under this Indenture and the Notes. The Trustee is entitled to rely on any Opinion of Counsel or Officer's Certificate regarding whether an Event of

Default or Default has occurred. During the continuance of an Event of Default, the Trustee shall act only upon the written direction of the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding subject to receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise shall be limited. The Trustee is permitted to engage in other transactions with the Company and their Affiliates and to benefit from them without being obliged to account for profit, if any; *provided*, *however*, that if it acquires any conflict of interest, it must eliminate such conflict within 90 days of it arising or resign.

(d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own gross negligence or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Clause 7.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Clause 6.5 hereof.

(e) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or the ICL Assignment Deed or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document or the ICL Assignment Deed and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(f) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in any other agreement or other document, including the Security Documents and the ICL Assignment Deed, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as the Company may have to the property charged or assigned pursuant to the Security Documents or the ICL Assignment Deed or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy. Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of and investigation into the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any

Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

(g) The Trustee shall not be under any obligation to exercise any rights or powers conferred under this Indenture for the benefit of the Holders, unless such Holders of at least 25% or more in aggregate principal amount of the outstanding Notes have instructed the Trustee in writing and have offered to the Trustee prefunding, indemnity and/or security satisfactory to the Trustee against any loss, liability or expense.

(h) The Trustee is entitled to assume without enquiry, that each of the Company and the Restricted Subsidiaries has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

7.2 Certain Rights of Trustee

Subject to Clause 7.1:

(a) The Trustee may conclusively rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). The Trustee need not make further inquiry or investigation into such facts or matters.

(b) Before the Trustee acts or refrains from acting, it shall require an Officers' Certificate or an Opinion of Counsel or both, in each case conforming to Clauses 12.3 and 12.4 and the Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may, in the conduct of its trust business, instead of acting personally, act through its attorneys, delegates and agents and shall not be responsible for the misconduct or negligence of any attorney, delegate or agent appointed with due care by it hereunder.

(d) Notwithstanding any other provision of this Indenture, the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by, or to enforce any of the provisions of, this Indenture at the request or direction of any of the Holders, unless such Holders of at least 25% in aggregate principal amount of Notes then outstanding have instructed it in writing and have provided to the Trustee indemnity and/or security and/or prefunding satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such written request or direction.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers conferred upon it by this Indenture, including without limitation, any action it takes or omits to take in accordance with the direction of the Holders in accordance with Clause 6.5 relating

to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of its rights or powers.

(h) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Clause 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution.

(i) The Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity or enforceability of any security interest or the Collateral or the ICL Collateral or any arrangement or agreement between Company and any Person with respect thereto, or the perfection or priority of any security interest or the Collateral or the ICL Collateral created in any of the Security Documents or the ICL Assignment Deed or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of any security interest or Collateral or the ICL Collateral following an Event of Default.

(j) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any of the covenants contained in Article 4.

(k) The Trustee is entitled to rely conclusively on all instructions, notices, declarations and certifications received pursuant to this Indenture, the Security Documents and the ICL Assignment Deed without investigating or being responsible for the accuracy, authenticity and validity of these instructions, notices, declarations and certifications.

(l) The Trustee shall be under no obligation to exercise any rights or powers conferred under this Indenture for the benefit of the Holders unless such Holders have provided to the Trustee indemnity and/or security and/or prefunding satisfactory to it against any loss, liability or expense. In the exercise of its duties, the Trustee shall not be responsible for the verification of the accuracy or completeness of any certification or legal opinion submitted to it by the Company and is entitled to rely exclusively on, and take action based on the information contained in, the certification or legal opinion. Notwithstanding anything described herein, the Trustee has no duty to monitor the financial performance of the Company or the compliance of the Company in the fulfillment of the Company's obligations under this Indenture.

(m) Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise specified in this Indenture.

(n) Subject to the other provisions of this Indenture, in all instances in which the Trustee is called upon to exercise its discretion, such discretion shall be absolute.

(o) Notwithstanding anything else herein contained, the Trustee or the Agents may refrain without liability from doing anything that would or might in its reasonable

opinion be contrary to any relevant law of any state or jurisdiction (including but not limited to the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(p) In the event the Trustee receives inconsistent or conflicting requests and indemnity and/or security from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole and absolute discretion, may determine what action, if any, will be taken. The Trustee shall be entitled to refrain from acting in the absence of any, or any clear, instructions and shall not be liable for not acting in such circumstances. The Trustee shall be entitled to seek written directions from Holders and to seek clarification of any instruction previously given.

(q) The Trustee shall not have, and shall not be deemed to have, any duty, obligation or responsibility to, or relationship of trust or agency with, the Company or the Subsidiary Guarantors.

(r) Except as otherwise required by law, in determining the identity of the Holders or considering their interests, the Trustee may rely solely on the Register save where the Notes are evidenced by the Global Notes, in which case the Trustee may, to the extent it considers it appropriate to do so in the circumstances, (i) have regard to such information as may have been made available to it by or on behalf of the relevant clearing system or its operator as to the identity of its accountholders (either individually or by way of category) with entitlements in respect of the Global Notes and (ii) consider such interests on the basis that such accountholders were the holders of the Global Notes.

7.3 Individual Rights of Trustee

The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee, and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

7.4 Trustee's Disclaimer

The Trustee (a) makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee of any Subsidiary Guarantor, (b) is not accountable for the Company's use or application of the proceeds from the Notes and (c) is not responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. This provision shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

7.5 Notice of Default

If any Default occurs and is continuing and is known to the Trustee, the Trustee shall send notice of the Default to each Holder within 90 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured. The Trustee shall not be deemed to have knowledge of a Default or Event of Default unless and until it obtains actual knowledge of such Default or Event of Default through written notification describing the

circumstances of such, and identifying the circumstances constituting such Default or Event of Default. The Trustee is not responsible for determining whether a Work Fee Non-Payment Event or a Work Fee Selective Payment Acceleration Event has occurred and is entitled to assume no such event has occurred unless it has received express notice to the contrary.

7.6 Compensation and Indemnity

(a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and shall pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all properly incurred expenses, costs, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the properly incurred compensation and expenses of the Trustee's agents and counsel.

(b) Each of the Company and the Subsidiary Guarantors agree to be jointly and severally responsible for and shall indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without gross negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture and the Notes, including the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture, the Notes and the Subsidiary Guarantees.

(c) To secure the Company's payment obligations in this Clause 7.6, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes. Such lien shall survive satisfaction and discharge of this Indenture.

(d) If the Trustee is required to perform duties that are not expressly contemplated under this Indenture, the Security Documents or the ICL Assignment Deed, or if the Trustee is requested to undertake duties which are of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under this Indenture, the Security Documents or the ICL Assignment Deed, the Company and the Trustee shall agree on such additional remuneration to be paid by the Company to the Trustee before the Trustee shall perform or undertake such duties. Following a Default or an Event of Default, the Company and the Subsidiary Guarantors agree to jointly and severally pay such additional remuneration calculated by reference to the Trustee's normal hourly rates in force from time to time.

(e) All compensation, costs, expenses and indemnity payments made by the Company and/or the Subsidiary Guarantors to the Trustee for the sole account of the Trustee under this Indenture shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or other governmental charges of whatever nature (including related penalties, interest and other liabilities) (hereinafter, "**Taxes**") imposed or levied by or on behalf of the government of the Relevant Jurisdiction or any political subdivision or any authority or agency therein or thereof having power to tax, or any other jurisdiction in which

the Company or each Subsidiary Guarantor is organized or is otherwise resident for tax purposes, or any jurisdiction from or through which payment is made. If the Company or any Subsidiary Guarantor is so required by law or by regulation or governmental policy having the force of law to withhold or deduct any amount for or on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to such payments to the Trustee, the Company, such Subsidiary Guarantor shall pay such additional amounts as may be necessary so that the net amount received by the Trustee (including such additional amounts) after such withholding or deduction will not be less than the amount the Trustee would have received if such Taxes had not been withheld or deducted.

(f) Under no circumstances shall the Trustee be liable to the Company or any other party to this Indenture for any special, punitive, indirect or consequential loss or damage (being loss of business, goodwill, opportunity or profit), even if advised of the possibility of such loss or damage and regardless of the form of action. The indemnities provisions shall remain in full force and effect notwithstanding discharge, termination or expiry of this Indenture.

(g) This Clause 7.6 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

7.7 Replacement of Trustee

(a)

(i) The Trustee may resign without giving any reason at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or an insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Clause 7.7.

(b) If the Trustee has been removed by the Holders, Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. If no successor is appointed by the Company within 30 days of the resignation or removal of the Trustee, (i) the retiring Trustee may without consent of the Holders (at the expense of the Company) appoint a successor Trustee, subject to the Company's approval, *provided* that the Company's approval shall not be unreasonably withheld or delayed, and/or (ii) the retiring Trustee or the Company or the Holders of a majority in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided

for in Clause 7.6, (ii) the resignation or removal of the retiring Trustee shall become effective, and (iii) the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company shall execute any and all instruments for fully and vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company shall give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Clause 7.7, the Company's obligations under Clause 7.6 shall continue for the benefit of the retiring Trustee.

7.8 Successor Trustee by Consolidation, Merger, Conversion or Transfer

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act shall be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

7.9 Money Held in Trust

The Trustee shall not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

7.10 Waiver of Conflicts

The Company hereby irrevocably waives, in favor of the Trustee, any conflict of interest which may arise by virtue of the Trustee acting in various capacities under this Indenture or for other customers of the Trustee. The Company acknowledges that the Trustee and its affiliates (together, the "**Trustee Parties**") may have interests in, or may be providing or may in the future provide financial or other services to other parties with interests which the Company may regard as conflicting with its interests and may possess information (whether or not material to the Company) other than as a result of acting as Trustee hereunder, that the Trustee may not be entitled to share with the Company. Consistent with its long-standing policy to hold in confidence the affairs of its customers, the Trustee will not disclose confidential information obtained from the Company (without its consent) to any of the Trustee's other customers nor will it use on the Company's behalf any confidential information obtained from any other customer. Without prejudice to the foregoing, the Company agrees that the Trustee Parties may deal (whether for its own or its customers' account) in, or advise on, securities of any party and that such dealing or giving of advice, will not constitute a conflict of interest for the purposes of this Indenture.

8 Defeasance and Discharge

8.1 Defeasance and Discharge of Indenture

(a) The Company shall be deemed to have paid, and shall be discharged from any and all obligations in respect of the Notes, on the 183rd day after the deposit referred to in clause (i) of this paragraph (a) of Clause 8.1 has been made, and the provisions of this Indenture, the Security Documents and the ICL Assignment Deed shall no

longer be in effect with respect to the Notes (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except as to (1) rights of registration of transfer and exchange; (2) substitution of apparently mutilated, defaced, destroyed, lost or stolen Notes; (3) obligations to maintain paying agencies; and (4) the rights of the Holders as beneficiaries hereof with respect to the monies so deposited with the Trustee payable to all or any of them; *provided*, that the following conditions shall have been satisfied:

(i) the Company (A) has deposited with the Trustee (or its agent), in trust, money and/or U.S. Government Obligations that, through the payment of interest and principal in respect thereof in accordance with their terms, shall provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of this Indenture and the Notes and (B) delivers to the Trustee an Opinion of Counsel or a certificate of an internationally-recognized firm of independent accountants to the effect that the amount deposited by the Company is sufficient to provide payment for the principal of, premium, if any, and accrued interest on, the Notes on the Stated Maturity of such payment in accordance with the terms of this Indenture;

(ii) the Company has delivered to the Trustee an Opinion of Counsel of recognized international standing to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law; and

(iii) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company or any of its Restricted Subsidiaries is a party or by which the Company or any of its Restricted Subsidiaries is bound.

(b) In the case of either discharge or defeasance, each of the Subsidiary Guarantees shall terminate.

(c) Prior to the end of the 183-day period following the deposit referred to in paragraph (a) of this Clause 8.1, none of the Company's obligations under this Indenture shall be discharged. Thereafter, the Company shall deliver an Officers' Certificate confirming its compliance with the conditions for such discharge. The Trustee is entitled to rely conclusively without liability to any person on the opinions and certificates delivered to it pursuant to this Clause 8.1. In addition, nothing in this Clause 8.1 will be deemed to discharge those provisions of Clause 7.6 hereof and those obligations, by their terms, survive the satisfaction and discharge of this Indenture.

8.2 Covenant Defeasance

The Company may omit to comply with any term, provision or condition set forth in, and this Indenture shall no longer be in effect with respect to, sub-paragraphs (iii), (iv), (v)(x) and (vii) of paragraph (a) of Clause 5.1 and sub-paragraphs (iii), (iv), (v)(A) and (vi) of paragraph (b) of Clause 5.1, any covenant in Clause 4 (other than Clause 4.3 and Clause 4.21), paragraph (c) of Clause 6.1 with respect to sub-paragraphs (iii), (iv), (v)(x) and (vii) of paragraph (a) of Clause 5.1 and sub-paragraphs (iii), (iv), (v)(A) and (vi) of paragraph (b) of Clause 5.1, paragraph (d) of Clause 6.1 with respect to such other covenants and paragraphs (e) and (f) of Clause 6.1 shall be deemed not to be Events of Default; *provided*, that the following conditions have been satisfied:

(a) the Company has deposited with the Trustee, in trust, of money, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of this Indenture and the Notes;

(b) the Company has delivered to the Trustee an Opinion of Counsel of recognized international standing to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 123 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law; and

(c) the Company has delivered to the Trustee an Opinion of Counsel of recognized standing with respect to U.S. federal income tax matters, to the effect that the beneficial owners will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance of certain covenants and Events of Default and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred.

The Trustee is entitled to rely conclusively without liability to any person on the opinions and certificates delivered to it pursuant to this Clause 8.2. In addition, nothing in this Clause 8.2 will be deemed to discharge those provisions of Clause 7.6 hereof and those obligations, by their terms, survive the satisfaction and discharge of this Indenture.

8.3 Application of Trust Money

Subject to Clause 8.4, the Trustee shall hold in trust the money or U.S. Government Obligations deposited with it pursuant to Clause 8.1 or 8.2, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

8.4 Repayment to Company

Subject to Clauses 7.6, 8.1 and 8.2, the Trustee shall promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee shall pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes

that remains unclaimed for two years; *provided*, that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money shall be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money shall cease.

8.5 Reinstatement

If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Clauses 8.1 or 8.2 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of or interest on any Notes because of the reinstatement of its obligations, it shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

(v) reduce the above-stated percentage of outstanding Notes the consent of whose Holders is necessary to modify or amend this Indenture, the Notes, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and Subordination or the Scheme Creditor CVR Deed;

(xi) amend, change or modify any provision of any Security Document, the ICL Assignment Deed, any Intercreditor Agreement or any provision of this Indenture relating to the Collateral or the ICL Collateral or the Deed of Undertaking and Subordination, the ICL Subordination Deed or the Scheme Creditor CVR Deed, in a manner that adversely affects the Holders, except in accordance with the other provisions of this Indenture;

(xii) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from any Asset Sale or change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of

provided, *further*, that no amendment pursuant to this Clause 9.2 shall become effective unless the Company shall have offered an analogous proposal to the Holders of the [2032 Facility][88]/[2034 Facility][89]/[2036 Facility][90] and held such proposal open for at least the minimum period (if any) required by the [2032 Facility][91]/[2034 Facility][92]/[2036 Facility][93]; *provided*, *further*, that no amendment pursuant to this Clause 9.2 to the foregoing proviso, to the proviso to Clause 9.1 or to this proviso shall become effective unless the same amendment shall have been made to the [2032 Facility][94]/[2034 Facility][95]/[2036 Facility][96] pursuant to, and in accordance with, its terms.

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof, and the Holders, by consenting to the relevant proposed amendment, supplement or waiver, authorizes the Trustee to enter into any documentation including any supplemental indenture to effect such proposed amendment, supplement or waiver as is necessary.

(c) An amendment, supplement or waiver under this Clause 9.2 shall become effective on receipt by the Company or its agent of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes, subject to the provisos in Clause 9.2(a) above. this Clause 9.2 becomes effective, the Company shall send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company shall send supplemental indentures to Holders upon request. Any failure of the Company to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

9.3 Effect of Consent

(a) After an amendment, supplement or waiver becomes effective, it shall bind every Holder. Upon a waiver of a Default, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Holder shall deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee shall also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

9.4 Trustee's Rights and Obligations

The Trustee is entitled to receive, and shall be fully protected in relying upon, an Officers' Certificate and Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Clause is authorized or permitted by this Indenture (including, for the avoidance of doubt, the compliance of such amendment, supplement or waiver with the provisos in Clause 9.1(a) or Clause 9.2(a) above). If the Trustee has received such an Officers' Certificate and Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights, duties, liabilities or immunities of the Trustee.

10 Security to be Granted

10.1 Security to be Granted

(a) The Company has pledged, or caused the Common Security Pledgors or the pledgors under the ICL Assignment Deed to pledge, as the case may be, the Common Security Collateral and the ICL Collateral on a first priority basis (subject to Permitted Liens and the Common Security Intercreditor Agreement) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the obligations of the Company under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee. The Company has pledged, or caused the Tiered Security Pledgors to pledge, as the case may be, the Tiered Security Collateral (subject to Permitted Liens and the Tiered Security Intercreditor Agreement, which among other things shall govern the relative priority with regard to the security interests in the Tiered Security Collateral as between the holders of the SCA Loan and the holders of the other Scheme Instruments) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the

obligations of the Company under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(b) On the Original Issue Date, the Trustee shall, for the benefit of the Holders of the Notes, execute the Intercreditor Agreements, and accordingly, on the Original Issue Date,

(i) subject to the terms of the Common Security Intercreditor Agreement, (A) the Common Security Collateral and the ICL Collateral will be shared on a *pari passu* basis by (1) the Trustee (for the benefit of the Holders of the Notes), (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of the other Scheme Instruments), and (3) the holders of the Permitted Pari Passu Secured Indebtedness (or their respective trustee or agents), (B) any CVR Recoveries will be shared on a *pro rata* basis by (1) the Trustee (for the benefit of the Holders of the Notes) and (2) the trustees or agents of the other Scheme Instruments other than the MCBs (for the benefit of the holders of such other Scheme Instruments other than the MCBs), and (C) any Subordination Recoveries will be shared on a *pro rata* basis by (1) the Trustee (for the benefit of the Holders of the Notes) and (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of such other Scheme Instruments), in each case in accordance with the terms of the Common Security Intercreditor Agreement; and

(ii) subject to the terms of the Tiered Security Intercreditor Agreement, the Tiered Security Collateral will be shared by (A) the agent of the SCA Loan (for the benefit of the holders of the SCA Loan) on a first priority basis, (B) the trustees or agents of the Scheme Instruments other than the SCA Loan (for the benefit of the holders of such Scheme Instruments) on a second priority basis, and (C) the holders of the Permitted Pari Passu Secured Indebtedness (or their respective trustee or agents) on a second priority basis.

(c) The Company shall, or shall cause each of the Pledgors or the pledgors under the ICL Assignment Deed, as the case may be, for the benefit of the Holders of the Notes, to:

(i) execute one or more Common Security Documents and the ICL Assignment Deed granting to the Collateral Agent, for the benefit of the Holders of the Notes, first priority Liens on the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) (the "**First Priority Lien**");

(ii) execute one or more Tiered Security Documents granting to the Collateral Agent, for the benefit of the Holders of the Notes, second priority Liens on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) (the "**Second Priority Lien**"); and

(iii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting and perfection (if relevant) of the First Priority Lien on the Common Security Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) and the Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement).

(d) The initial Pledgors are named in Schedule II hereto.

(e) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the ICL Assignment Deed and this Indenture (for the avoidance of doubt, including Clause 4.15(b), Clause 4.16(d) and Clause 4.17(b) which require cash proceeds of any dividends or distributions received by a member of the Group which is wholly owned, directly or indirectly, by the Company that is attributable to revenue or income generated by any of the assets of an Offshore Asset Holdco and any Designated Onshore Project or attributable to any CGVC Portfolio Assets (as the case may be) to be applied in the manner specified in those relevant clauses), the Company, the Pledgors and/or the pledgors under the ICL Assignment Deed, as the case may be, shall be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions or repayments (whether similar or dissimilar to the foregoing) in respect of Capital Stock or receivables constituting Collateral or ICL Collateral.

(f) Each Holder of the Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents and the ICL Assignment Deed (including, without limitation, the provisions providing for foreclosure and release of Collateral or ICL Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(g) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral and the ICL Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Security Documents and the ICL Assignment Deed, and that the Lien of this Indenture, the Security Documents and the ICL Assignment Deed in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and the ICL Assignment Deed and actions that may be taken thereunder.

(h) Notwithstanding (i) anything to the contrary contained in this Indenture, the Security Documents, the Notes or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Company and the Pledgors shall ensure that:

(i) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(ii) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in the Common Security Intercreditor Agreement and the Tiered Security Intercreditor Agreement.

10.2 Future Security

(a) The Company shall (i) execute, or shall cause the Onshore Proceeds Account Holder (if not the Company) to execute, such Onshore Proceeds Security Documents (in form and substance satisfactory to the Trustee and the Collateral Agent) as are necessary to create a security interest in favor of the Collateral Agent in the Onshore Proceeds Account, and (ii) to the extent that such Onshore Proceeds Account Holder is not then a party to the Common Security Intercreditor Agreement, cause such Onshore Proceeds Account Holder to accede to the Common Security Intercreditor Agreement to provide that the security interest in the Onshore Proceeds Account granted in favor of the Collateral Agent is held on trust for the Holders of the Notes (to the extent provided by the Common Security Intercreditor Agreement), in each case by the date falling one month prior to the Onshore Cash Sweep Start Date.

(b) In the event that:

(i) any security created in respect of the Collateral is required to be released pursuant to Clause 10.6(a)(iii) below as a result of a CGVC Portfolio Asset Sale; and

(ii) such CGVC Portfolio Asset Sale is consummated for non-cash consideration,

such non-cash consideration to be constituted a CGVC Portfolio Asset or any replacement CGVC Portfolio Asset designated by the Company pursuant to sub-paragraph (c)(1) of the "Disposal Protocol" definition (collectively, each a "**Replacement CGVC Portfolio Asset**"), shall be pledged by the Company or any relevant member of the Group to secure, among others, the obligations of the Company under the Notes and this Indenture, and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(c) In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the shares of the holding company directly holding such new project outside the PRC shall be pledged by the Company or any relevant member of the Group to secure, among others, the obligations of the Company under the Notes and this Indenture, and of each Subsidiary Guarantor under its Subsidiary Guarantee, subject to the Security and Guarantee Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Company shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Company has used its commercially reasonable endeavours, the Company shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

(d) Each member of the Group that pledges a Replacement CGVC Portfolio Asset after the Original Issue Date is referred to as a "**Future Tiered Security Pledgor**" and, upon giving such pledge, will be a "**Tiered Security Pledgor**".

(e) Each Restricted Subsidiary that pledges Capital Stock of the holding company directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or of any other Restricted Subsidiary or the Onshore Proceeds Account after the Original Issue Date is referred to as a "**Future Common Security Pledgor**" and, upon giving such pledge, shall be a "**Common Security Pledgor**"

(f) Upon each pledge by a Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary or of the Onshore Proceeds Account and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, in each case, in accordance with Clause 10.2, the Company shall deliver to the Trustee an Officers' Certificate stating that entry into the applicable pledge agreement has been duly and validly authorized and an Opinion of Counsel to the effect that (A) in the opinion of such counsel, such action has been taken with respect to the recording, registering and filing of or with respect to this Indenture and the applicable pledge agreement and all other instruments of further assurance as are necessary to make effective the First Priority Lien (subject to Permitted Liens and the Common Security Intercreditor Agreement) created by such pledge agreement in the Capital Stock or Onshore Proceeds Account referenced in paragraph (e) of Clause 10.2 and/or to make effective the Second Priority Lien (subject to Permitted Liens and the Tiered Security Intercreditor Agreement) created by such pledge agreement in a Replacement CGVC Portfolio Asset referenced in paragraph (d) of Clause 10.2, and referencing the details of such action; or (B) in the opinion of such counsel, no such action is necessary to make such First Priority Lien or Second Priority Lien, as the case may be, effective; *provided*, that any such Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact. The Trustee is entitled to rely conclusively on the Opinion of Counsel and Officers' Certificate or certificates of public officials referred to in this Clause 10.2(e) and shall not be liable to any person for so doing.

(g) All Opinions of Counsel delivered pursuant to paragraph (e) of Clause 10.2 may contain assumptions, qualifications, exceptions and limitations as are appropriate and customary for similar opinions relating to the nature of the Capital Stock, Onshore Proceeds Account or Replacement CGVC Portfolio Asset pledged.

(h) Upon each pledge by any Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary or of the Onshore Proceeds Account and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, the Company shall give notice, file, register or record any supplemental indentures, financing statements, continuation statements, pledge agreements or other instruments or cause each such Future Common Security Pledgor and/or such Future Tiered Security Pledgor to give notice, file, register or record any supplemental indentures, financing statements, continuation statements, pledge agreements or other instruments and take any other actions necessary in order to perfect and protect the First Priority Lien or Second Priority Lien, as the case may be, thereby created.

10.3 Certificates of the Company and Each of the Pledgors

(a) On or before a date not more than 120 days after the end of each fiscal year, as required by Clause 6.8 hereof, the Company shall furnish to the Trustee a Compliance Certificate in the form of Exhibit I hereto.

(b) The Company shall furnish to the Trustee on or prior to any proposed release of Collateral or ICL Collateral by the Company, any Pledgor or any pledgor under the ICL Assignment Deed an Officers' Certificate certifying and an Opinion of Counsel stating that such release shall comply with the terms of this Indenture and the relevant Security Documents or ICL Assignment Deed.

10.4 Authorization of Actions to be Taken by the Trustee Under the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed (if applicable).

(b) Subject to the terms of the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed (if applicable), the Trustee shall upon request of Holders of at least 25% in aggregate principal amount of outstanding Notes, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, on behalf of the Holders of the Notes, instruct the Collateral Agent to take all actions it deems necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed (if applicable) and (B) receive any and all amounts payable from the Collateral or the ICL Collateral or under the Deed of Undertaking and Subordination in respect of the obligations of the Company and the Subsidiary Guarantors hereunder or under the Scheme Creditor CVR Deed (if applicable).

(c) Subject to the terms of the Security Documents and the ICL Assignment Deed and paragraph (d) of Clause 7.2, the Trustee shall have the power, but is not obliged, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral or the ICL Collateral by any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral or the ICL Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens, Collateral or ICL Collateral contemplated by Clause 10.6 hereof or by the terms of the Security Documents and or ICL Assignment Deed. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Deed of Undertaking and

Subordination, the Scheme Creditor CVR Deed (if applicable) or this Indenture unless and until it obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) Notwithstanding the provisions of this Clause 10.4, the Trustee may, in its sole discretion and without the consent of the Holders of the Notes, relinquish its responsibilities as the representative on behalf of the Holders of the Notes under the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, if and when the Company incurs any Permitted Pari Passu Secured Indebtedness.

(e) The Trustee shall not be responsible for the adequacy of the Collateral or the ICL Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

10.5 Authorization of Receipt of Funds by the Trustee Under the Security Documents, the ICL Assignment Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed

The Trustee is authorized to receive and distribute any funds for the benefit of the Holders of the Notes under the Security Documents and the ICL Assignment Deed, and to make further distributions of such funds to the Holders of the Notes according to the provisions of this Indenture, the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed (if applicable).

10.6 Release of Security

(a) Subject to the terms of the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, the security created in respect of the Collateral granted under the Security Documents and in respect of the ICL Collateral granted under the ICL Assignment Deed may be released in certain circumstances, including:

(i) upon repayment in full of the Notes;

(ii) upon defeasance and discharge of the Notes as provided above under Clause 8.1;

(iii) subject to Clause 10.2, upon dispositions of certain types of Collateral or ICL Collateral in compliance with Clause 4.9 or Clause 4.13, Clause 4.15, Clause 4.16, Clause 4.17 or in accordance with Clause 5.1;

(iv) with respect to security granted by a Pledgor who is a Subsidiary Guarantor, upon the release of the Subsidiary Guarantee of such Pledgor in accordance with the terms of this Indenture;

(v) with respect to any security over any Capital Stock of any Subsidiary Guarantor, upon the release of the Subsidiary Guarantee of such Subsidiary Guarantor;

(vi) with respect to any pledge over any Capital Stock of any Subsidiary Guarantor, upon the designation by the Company of such Subsidiary Guarantor as an Unrestricted Subsidiary, and in accordance with the terms of the Indenture; or

(vii) with respect to the Lien over the Collateral or the ICL Collateral (or any portion thereof) pledged to secure the Notes, either upon (i) the repayment in full of all amounts owing by the Company or any Subsidiary Guarantors under the Scheme Instruments and any Permitted Pari Passu Secured Indebtedness or (ii) the prior or concurrent release of the Lien on the Collateral or the ICL Collateral securing all Existing Pari Passu Secured Indebtedness and any Permitted Pari Passu Secured Indebtedness; *provided*, that in each case, no Default has occurred and is continuing on such date and no Default would have occurred as a result of such release, and each of the Trustee and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in the Indenture and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Company, and the Trustee and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of the Indenture and the Security Documents, as applicable. In the exercise of their duties, the Trustee and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of the Officers' Certificate submitted to it by the Company and are entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Clauses 4.9, 4.13, 4.15, 4.16, 4.17 or 5.1 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral or ICL Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed and the Trustee shall receive full payment therefore from the Company for any costs incurred thereby; *provided*, that the Company or the relevant Pledgor or pledgor under the ICL Assignment Deed delivers to the Trustee an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and that the conditions precedent to any such release have been fulfilled. The Trustee is entitled to rely conclusively without liability to any person on the opinions and certificates delivered to it pursuant to this Clause 10.6. In addition, nothing in this Clause 10.6 will be deemed to discharge those provisions of Clause 7.6 hereof and those obligations, by their terms, survive the satisfaction and discharge of this Indenture.

(c) Any release of Collateral or ICL Collateral made in compliance with this Clause 10.6 shall not be deemed to impair the Lien under the Security Documents or the ICL Assignment Deed or the Collateral or ICL Collateral thereunder in contravention of the provisions of this Indenture, the Security Documents or the ICL Assignment Deed.

(d) No purchaser or grantee of any property or rights purporting to be released herefrom shall be bound to ascertain the authority of the Trustee to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority; nor shall any purchaser or grantee of any property or rights permitted by this Indenture to be sold or otherwise disposed of by the Company and the

Subsidiary Guarantors be under any obligation to ascertain or inquire into the authority of the Company or any Subsidiary Guarantor to make such sale or other disposition.

11 Subsidiary Guarantees

11.1 The Subsidiary Guarantees

Subject to the provisions of this Clause 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee, the Registrar or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

11.2 Guarantee Unconditional

The obligations of each Subsidiary Guarantor hereunder are unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;

(b) any modification or amendment of or supplement to this Indenture or any Note;

(c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;

(d) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided*, that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

11.3 Discharge; Reinstatement

Each Subsidiary Guarantor's obligations hereunder shall remain in full force and effect until its Subsidiary Guarantee is released pursuant to Clause 11.11 hereof. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment shall be

reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees shall be made in U.S. dollars.

11.4 Waiver by Each Subsidiary Guarantor

Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under the Subsidiary Guarantee.

11.5 Subrogation and Contribution

Upon making any payment with respect to any obligation of the Company under this Clause, the Subsidiary Guarantor making such payment shall be subrogated to the rights of the payee against the Company with respect to such obligation; *provided*, that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

11.6 Stay of Acceleration

If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

11.7 Limitation on Amount of Subsidiary Guarantee

Notwithstanding anything to the contrary in this Clause, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction or fraudulent transfer or similar laws affecting the rights of creditors generally. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited to an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

11.8 Ranking of Subsidiary Guarantees

The Subsidiary Guarantee of each Subsidiary Guarantor: (a) is a general obligation of such Subsidiary Guarantor; (b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to the Subsidiary Guarantee; (c) ranks at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsubordinated Indebtedness pursuant to applicable law); and (d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value

of the assets serving as security therefor. Pursuant to the pledge of the Collateral and the ICL Collateral by the Company, the Pledgors and the pledgors under the ICL Assignment Deed, as the case may be, as set forth in Clause 10 hereof and subject to the limitations described therein, the Subsidiary Guarantee of each Subsidiary Guarantor (a) is entitled to a first ranking security interest in the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) pledged by the Company, the Common Security Pledgors and the pledgors under the ICL Assignment Deed and a Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) pledged by the Company and such Tiered Security Pledgor and (b) ranks effectively senior in right of payment to the unsecured obligations of such Subsidiary Guarantor with respect to the value of the Collateral and ICL Collateral securing such Subsidiary Guarantee (subject to any priority rights of such unsecured obligations pursuant to applicable law).

11.9 Further Subsidiary Guarantors

(a) In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the holding company directly holding such new project outside the PRC shall guarantee the Notes, subject to the Security and Guarantee Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Company shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Company has used its commercially reasonable endeavours, the Company shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

(b) Each Restricted Subsidiary directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or any other Restricted Subsidiary that guarantees the Notes after the Original Issue Date is referred to as a "**Future Subsidiary Guarantor**" and, upon execution of the applicable supplemental indenture, shall be a "**Subsidiary Guarantor**."

(c) In the case of a Subsidiary Guarantor with respect to which the Company or any of its Restricted Subsidiaries is proposing to sell, whether through the sale of existing shares or the issuance of new shares, no less than 20% of the Capital Stock of such Subsidiary Guarantor, the Company may concurrently with or after the consummation of such sale or issuance of Capital Stock, (A) instruct the Trustee to release the Subsidiary Guarantees provided by such Subsidiary Guarantor and each of its Restricted Subsidiaries organized outside the PRC, and upon such release such Subsidiary Guarantor and its Restricted Subsidiaries organized outside the PRC will become "**New Non-Guarantor Restricted Subsidiaries**" (such that each New Non-Guarantor Restricted Subsidiary will no longer Guarantee the Notes) and (B) instruct the Collateral Agent to (i) discharge the pledge of the Capital Stock granted by each such New Non-Guarantor Restricted Subsidiary (if relevant) and (ii) discharge the pledge of Capital Stock made by the Company or any Subsidiary Guarantor over the shares it owns in such New Non-Guarantor Restricted Subsidiary (if relevant), (in each case, without any requirement to seek the consent or approval of the Holders of the Notes), provided that after the release of such Subsidiary

Guarantees, the Consolidated Assets of all Restricted Subsidiaries organized outside the PRC (other than Exempted Subsidiaries or Listed Subsidiaries) that are not a Subsidiary Guarantor (including the New Non-Guarantor Restricted Subsidiaries) do not account for more than 20% of Total Assets. A Subsidiary Guarantee of a Subsidiary Guarantor may only be released pursuant to this clause (b) if as of the date of such proposed release, no document exists that is binding on the Company or any of the Restricted Subsidiaries that would have the effect of (x) prohibiting the Company or any of the Restricted Subsidiaries from releasing such Subsidiary Guarantee or (y) requiring the Company or such Subsidiary Guarantor to deliver or keep in place a guarantee of other Indebtedness of the Company by such Subsidiary Guarantor.

11.10 Execution and Delivery of Guarantee

The execution by each Subsidiary Guarantor of this Indenture (or a supplemental indenture in the form of Exhibit H) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee or the Registrar after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

11.11 Release of the Subsidiary Guarantees

(a) A Subsidiary Guarantee given by a Subsidiary Guarantor shall be released upon:

(i) repayment in full of the Notes;

(ii) a defeasance as provided in Clause 8.1;

(iii) the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Indenture;

(iv) the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Clauses 4.9, 4.13, 4.15, 4.16, 4.17 and 5.1) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the net proceeds from such sale or disposition are used for the purposes permitted or required by this Indenture;

(v) in the case of a Subsidiary Guarantor that becomes a New Non-Guarantor Restricted Subsidiary, in compliance with the terms of this Indenture; or

(vi) when such Subsidiary Guarantor no longer Guarantees, or the Guarantee provided by such Subsidiary Guarantor is concurrently released with respect to, any Scheme Instruments and/or any Permitted Pari Passu Secured Indebtedness in compliance with the terms of the Indenture; *provided*, that each of the Trustee and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in the Indenture and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Company, and the Trustee and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of the Indenture and the Security Documents, as

applicable. In the exercise of their duties, the Trustee and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of the Officers' Certificate submitted to it by the Company and is entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

(b) No release and discharge of the Subsidiary Guarantee shall be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge is authorized and permitted under this Indenture and the Security Documents. At the request of the Company, the Trustee shall execute and deliver an instrument evidencing such release and discharge.

12.1 Ranking

The Notes are (a) general obligations of the Company, (b) guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Clause 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsubordinated Indebtedness pursuant to applicable law); (e) effectively subordinated to the other secured obligations of the Company and the Subsidiary Guarantors, to the extent of the value of the assets (other than the Collateral and the ICL Collateral) serving as security therefor; and (f) effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries, including all existing and future obligations of the PRC Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral and the ICL Collateral by the Company, the Pledgors and the pledgors under the ICL Assignment Deed, as the case may be, as set forth in Clause 10 and subject to the limitations described therein, the Notes (a) are entitled to a First Priority Lien on the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) and a Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver shall be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an

officer or officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, as the case may be, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, as the case may be, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints [●] as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at [●]. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Law Debenture Corporate Service Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(e) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

12.7 No Adverse Interpretation of Other Agreements

Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

12.14 Sanctions

Each of the Company and the Subsidiary Guarantors represents and warrants to the Trustee on behalf of the Holders as of the date hereof that:

(a) no Sanctionable Practice or Improper Act has been engaged in by (or on behalf of) the Company, any Subsidiary Guarantor or any Pledgor or (to the best knowledge of the Company, such Subsidiary Guarantor or such Pledgor) any of their respective Subsidiaries or any of their respective officers, directors or employees or representatives (in each case, when acting on behalf of the Company, a Subsidiary Guarantor or a Pledgor) to, or for the benefit of, any individual or corporate person, including any public authority (or any official, officer, director, agent or employee of, or other person in, any Governmental Agency, public authority or corporation), nor has the Company, any Subsidiary Guarantor or any Pledgor authorized or knowingly permitted any such person to engage in any Sanctionable Practice or Improper Act in connection with any of the assets or businesses of the Group.

SUBSIDIARY GUARANTEE

Each of the undersigned (the "**Subsidiary Guarantors**") hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee, the Registrar or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided*, that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

This Subsidiary Guarantee shall not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as shall result in receipt by the holder of this Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Clause 11 of the Indenture, and reference is hereby made to such Clause and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee, the Registrar or an Authenticating Agent under the Indenture by manual or facsimile signature of one of its authorized officers.

SUBSIDIARY GUARANTEE

Each of the undersigned (the "**Subsidiary Guarantors**") hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee, the Registrar or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided*, that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

This Subsidiary Guarantee shall not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as shall result in receipt by the holder of this Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Clause 11 of the Indenture, and reference is hereby made to such Clause and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee, the Registrar or an Authenticating Agent under the Indenture by manual or facsimile signature of one of its authorized officers.

survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of an Agent.

(b) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or holders of the Notes. All funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on the Notes shall be applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(g) Each Agent and any of its Affiliates, in its individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that it would have if it were not an Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, trustee or agent for, any committee or body of holders of Notes or other obligations of the Company, as freely as if it were not an Agent.

(h) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or the Subsidiary Guarantees) to make any payment of the principal, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent shall pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(i) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(j) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against the such Agent. (k) Each may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided*, that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove an Agent and appoint a successor agent, by written instrument in triplicate signed on behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of an Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, an Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all properly incurred out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as an Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder. If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor Agent

to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended Agent or appoint another successor Agent of its own choice and obtain written acceptance of appointment from such other successor Agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor Agent.

(l) Each Agent may take and instruct any delegate to take any action which they in their discretion (acting properly in accordance with applicable laws and each Agent's internal policies and guidelines) consider necessary so as to comply with any applicable law, regulation, request of a public or regulatory authority which relates to the prevention of fraud, money laundering, terrorism or other criminal activities or the provision of financial and other services to sanctioned persons or entities. Such action may include but is not limited to the interception and investigation of transactions on the Company's accounts (particularly those involving the international transfer of funds) including the source of the intended recipient of fund paid into or out of the Company's accounts. To the extent permitted by law and regulation and if possible, each Agent shall notify the Company as early as possible of the existence of any such circumstance prior to taking any action, provided that if such notification is not possible to be made prior to the taking of such action, as soon as possible thereafter if permitted by law and regulation.

(m) The obligations and duties of each Agent under the agreement set forth in this letter are several and not joint.

(n) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(o) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(p) Each party shall, within 20 business days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with Applicable Law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided*, *however*, that no party shall be required to provide any forms, documentation or other information pursuant to this paragraph to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) The Company shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive

payments free from FATCA Withholding, and the extent to which the relevant payment is so treated, provided, however, that the Company's obligation under this paragraph shall apply only to the extent that such payments are so treated by virtue of characteristics of the Company, the Notes, or both.

(r) In acting under the Indenture and in connection with the Notes, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Indenture for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Agent shall make such payment after such deduction or withholding has been made (and Additional Amount will be paid for any such withholding or deductions if and to the extent required under Clause 4.23 of the Indenture) and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Company the amount so deducted or withheld, in which case, the Company shall so account to the relevant Authority for such amount.

(s) In the event that the Company determines in its sole discretion that withholding for or on account of any Tax will be required by Applicable Law in connection with any payment due to any of the Agents on any Notes, then the Company will be entitled to redirect or reorganize any such payment in any way that it sees fit in order that the payment may be made without such deductions or withholding provided that, any such redirected or reorganized payment is made through a recognized institution of international standing and otherwise made in accordance with this Description of the Notes and the Indenture. The Company will promptly notify the Agents and the Trustee of any such redirection or reorganization.

(t) The Paying and Transfer Agent may deal with moneys paid to it under the Indenture in the same manner as other moneys paid to it as a banker by its customers and as a result, the money will not be held in accordance with any applicable client money rules and guidance from time to time, except that (i) it may not exercise any lien, right of set-off or similar claim in respect of them and (ii) it shall not be liable to anyone for interest on any sums held by it under the Indenture.

(u) Any notice or communication to an Agent shall be deemed given when sent by electronic transmission. Any notice to an Agent shall be effective only upon receipt. Notices or communications should be addressed to the Paying and Transfer Agent and the Registrar at:

(B) with respect to any Interest Period commencing on or after 31 December 2026 up to (but excluding) 31 December [2030][55]/[2031][56], up to [1.75][57]/[0.75][58] per cent. per annum; and

(C) with respect to any Interest Period thereafter, zero per cent. per annum.

(d) If the Company elects to pay [all or][59] a portion of the Cash Pay Interest that will be due and payable in PIK Interest instead of Cash Pay Interest in accordance with this Clause 6.3 (*PIK Toggle Right*), then the aggregate of any PIK Interest Rate and Cash Pay Interest Rate for that relevant Interest Period shall be [5.00][60]/[2.25][61]/[1.25][62] per cent. per annum.

6.4 **Capitalisation of Interest**

(a) If the Borrower makes an election in accordance with Clause 6.3 (*PIK Toggle Right*) above by delivering a duly completed Toggle Election Notice to the Agent:

(i) interest shall accrue from day to day at the Cash Pay Interest Rate (specified by the Borrower in that Toggle Election Notice) on the Loan on each day during the Interest Period specified in that Toggle Election Notice;

8.2 Interim fee

(a) Subject to paragraph (b) below, the Borrower shall pay to the Agent (for the account of the Lenders) on the first Interest Payment Date after the date of this Agreement an amount equal to the amount of interest that would have accrued on the Loan where (a) the principal amount is

US$[*Total Commitments*] and (b) the rate of interest on such Loan is at [2.50][63]/[2.00][64]/[1.00][65] per cent. per annum, for the period from and including 30 June 2025 to but excluding the date of this Agreement (the "**Interim Fee**").

SECTION 6

ADDITIONAL PAYMENT OBLIGATIONS

9. TAX GROSS-UP AND INDEMNITIES

9.1 Tax definitions

In this Clause 9:

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"**Tax Payment**" means an increased payment made by an Obligor to a Finance Party under Clause 9.2 (*Tax gross-up*) or a payment under Clause 9.3 (*Tax indemnity*).

Unless a contrary indication appears, in this Clause 9 a reference to "**determines**" or "**determined**" means a determination made in the absolute discretion of the person making the determination.

9.2 Tax gross-up

(a) All payments to be made by an Obligor to any Finance Party under the Finance Documents shall be made free and clear of and without any Tax Deduction unless such Obligor is required to make a Tax Deduction, in which case the sum payable by such Obligor (in respect of which such Tax Deduction is required to be made) shall, subject to paragraph (a) of this Clause 9.2, be increased to the extent necessary to ensure that such Finance Party receives a sum net of any deduction or withholding equal to the sum which it would have received had no such Tax Deduction been made or required to be made.

(b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

(c) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(d) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) the appropriate payment paid to the relevant taxing authority.

9.3 Tax indemnity

(a) Without prejudice to Clause 9.2 (*Tax gross-up*), if any Finance Party is required to make any payment of or on account of Tax on or in relation to any sum received or receivable under the Finance Documents (including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party whether or not actually received or receivable) or if any liability

in respect of any such payment is asserted, imposed, levied or assessed against any Finance Party, the Borrower shall, within 10 Business Days of demand of the Agent, promptly indemnify the Finance Party which suffers a loss or liability as a result against such payment or liability, together with any interest, penalties, costs and expenses payable or incurred in connection therewith, **provided that** this Clause 9.3 shall not apply:

(i) to any Tax imposed on and calculated by reference to the net income actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which such Finance Party is incorporated or, if different, the jurisdiction in which that Finance Party is treated as resident for tax purposes;

(ii) any Tax imposed on and calculated by reference to the net income of the Facility Office of such Finance Party actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which its Facility Office is located; or

(iii) to the extent a loss, liability or cost:

(A) is compensated for by an increased payment under Clause 9.2 (*Tax gross-up*) or would have been so compensated but was not so compensated solely because one or more of the exclusions contained in Clause 9.2 (*Tax gross-up*) applied; or

(B) relates to a FATCA Deduction required to be made by a Party.

(b) A Finance Party intending to make a claim under paragraph (a) above shall notify the Agent of the event giving rise to the claim, whereupon the Agent shall notify the Borrower thereof.

(c) A Finance Party shall, on receiving a payment from an Obligor under this Clause 9.3, notify the Agent.

9.4 **Tax credit**

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

9.5 **Stamp taxes**

The Borrower shall:

(a) pay when required by law all stamp duty, registration and other similar Taxes payable in respect of any Finance Document; and

(b) within 10 Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to any stamp duty, registration or other similar Tax paid or payable in respect of any Finance Document.

9.6 **Indirect tax**

(a) All amounts set out or expressed in a Finance Document to be payable by any Party to a Finance Party shall be deemed to be exclusive of any Indirect Tax. If any Indirect Tax is chargeable on any supply made by any Finance Party to any Party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the Indirect Tax.

(b) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party against all Indirect Tax incurred by that Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment in respect of the Indirect Tax.

9.7 **FATCA information**

(a) Subject to paragraph (c) below, each Party shall, within 10 Business Days of a reasonable request by another Party:

(i) confirm to that other Party whether it is:

(A) a FATCA Exempt Party; or

(B) not a FATCA Exempt Party;

(ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

(iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

(i) any law or regulation;

(ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall

be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

9.8 **FATCA Deduction**

(a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

(b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Borrower and the Agent and the Agent shall notify the other Finance Parties.

10. INCREASED COSTS AND MITIGATION BY THE LENDERS

10.1 **Increased Costs**

(a) Subject to Clause 10.3 (*Exceptions*), the Company shall, within 10 Business Days of demand by the Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of this Agreement. The terms "law" and "regulation" in this paragraph (a) shall include any law or regulation concerning capital adequacy, prudential limits, liquidity, reserve assets or Tax.

(b) In this Agreement, "**Increased Costs**" means:

(i) a reduction in the rate of return from the Facility or on a Finance Party's (or its Affiliate's) overall capital (including as a result of any reduction in the rate of return on capital brought about by more capital being required to be allocated by such Finance Party);

(ii) an additional or increased cost; or

(iii) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by a Finance Party or any of its Affiliates to the extent that it is attributable to the undertaking, funding or performance by such Finance Party of any of its obligations under any Finance Document or any participation of such Finance Party in the Loan or Unpaid Sum.

10.2 **Increased Cost claims**

(a) A Finance Party (other than the Agent) intending to make a claim pursuant to Clause 10.1 (*Increased Costs*) shall notify the Agent of the event giving rise to the claim, following which the Agent shall promptly notify the Company.

(b) Each Finance Party (other than the Agent) shall, as soon as practicable after a demand by the Agent, provide a certificate confirming the amount of its Increased Costs.

10.3 **Exceptions**

Clause 10.1 (*Increased Costs*) does not apply to the extent any Increased Cost is:

(a) attributable to a Tax Deduction required by law to be made by an Obligor;

(b) attributable to a FATCA Deduction required to be made by a Party;

(c) compensated for by Clause 9.3 (*Tax indemnity*) (or would have been compensated for under Clause 9.3 (*Tax indemnity*) but was not so compensated solely because any of the exclusions in paragraph (a) of Clause 9.3 (*Tax indemnity*) applied); or

(d) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation.

10.4 **Mitigation**

(a) Each Finance Party shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 5.1 (*Illegality*), Clause 9 (*Tax Gross-up and Indemnities*) or Clauses 10.1 to 10.3 above, including:

(i) providing such information as the Borrower may reasonably request in order to permit the Borrower to determine its entitlement to claim any exemption or other relief (whether pursuant to a double taxation treaty or otherwise) from any obligation to make a Tax Deduction; and

(ii) in relation to any circumstances which arise following the date of this Agreement, transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Transaction Obligor under the Finance Documents.

10.5 **Limitation of liability**

(a) The Borrower shall, within 10 Business Days of demand, promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a direct result of steps taken by it under Clause 10.4 (*Mitigation*).

(b) A Finance Party is not obliged to take any steps under Clause 10.4 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so could reasonably be expected to be prejudicial to it.

10.6 **Conduct of business by the Finance Parties**

No provision of this Agreement will:

(a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;

(b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or

(c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

11. OTHER INDEMNITIES

11.1 Currency indemnity

(a) If any sum due from an Obligor under the Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(i) making or filing a claim or proof against that Obligor; or

(ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within 10 Business Days of demand, indemnify each Finance Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

(b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

11.2 Other indemnities

The Borrower shall (or shall procure that an Obligor will), within 10 Business Days of demand, indemnify each Finance Party against any cost, loss or liability incurred by that Finance Party as a direct result of:

(a) the occurrence of any Event of Default;

(b) any information produced or approved by any Transaction Obligor being or being alleged to be misleading and/or deceptive in any material respect;

(c) a failure by an Obligor to pay any amount due under a Finance Document on its due date or in the relevant currency, including any cost, loss or liability arising as a result of Clause 22 (Sharing among the Finance Parties); or

(d) the Loan (or part of the Loan) not being prepaid in accordance with a notice of prepayment given by or on behalf of the Borrower.

11.3 Indemnity to the Agent

The Borrower shall within 10 Business Days of demand, indemnify the Agent against any cost, loss or liability incurred by the Agent (acting reasonably) as a result of:

(a) investigating any event which it reasonably believes is an Event of Default;

(b) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised; or

(c) instructing lawyers, accountants, tax advisers, surveyors or other professional advisers or experts as permitted under this Agreement.

12. COSTS AND EXPENSES

12.1 Transaction expenses

The Borrower shall, within 10 Business Days of demand, pay the Agent the amount of all costs and expenses (including legal fees) reasonably incurred by the Agent in connection with the negotiation, preparation, printing, execution and syndication of:

(a) this Agreement and any other documents referred to in this Agreement; and

(b) any other Finance Documents executed after the date of this Agreement.

12.2 Amendment costs

If:

(a) a Transaction Obligor requests an amendment, waiver or consent; or

(b) an amendment is required pursuant to Clause 23.9 (*Change of currency*),

the Borrower shall, within 10 Business Days of demand, reimburse the Agent for the amount of all costs and expenses (including legal fees) reasonably incurred by the Agent in responding to, evaluating, negotiating or complying with that request or requirement.

12.3 Enforcement costs

The Borrower shall, within 10 Business Days of demand, pay to each Finance Party the amount of all costs and expenses (including legal fees) incurred by that Finance Party in connection with the enforcement of, or the preservation of any rights under, any Finance Document.

SECTION 7

GUARANTEE

13. GUARANTEE AND INDEMNITY

13.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Finance Party punctual performance by the Borrower of all the Borrower's payment obligations under the Finance Documents;

(b) undertakes with each Finance Party that whenever the Borrower does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(c) agrees with each Finance Party that if any payment obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 13 if the amount claimed had been recoverable on the basis of a guarantee.

13.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

13.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 13 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

13.4 Waiver of defences

The obligations of each Guarantor under this Clause 13 will not be affected by an act, omission, matter or thing which, but for this Clause 13, would reduce, release or prejudice any of its obligations under this Clause 13 (without limitation and whether or not known to it or any Finance Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, execute, take up or enforce, any rights against, or security over assets of, any

Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;

(g) any insolvency or similar proceedings; or

(h) this Agreement or any other Finance Document not being executed by or binding upon any other party.

13.5 **Immediate recourse**

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 13. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

13.6 **Appropriations**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

(b) hold in a suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 13,

in each case, unless and until such moneys are sufficient in aggregate to discharge in full all amounts then due and payable under this guarantee or any other Finance Document.

13.7 **Deferral of Guarantors' rights**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise or otherwise enjoy the benefit of any right which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 13:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any other guarantor of or provider of security for any Obligor's obligations under the Finance Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 13.1 (*Guarantee and indemnity*);

(e) to exercise any right of set-off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If any Guarantor shall receive any benefit, payment or distribution in relation to any such right it shall hold that benefit, payment or distribution (or so much of it as may be necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be paid in full) on trust for the Finance Parties, and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 23 (*Payment Mechanics*).

13.8 **Release of Guarantors' right of contribution**

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of this Agreement then on the date such Retiring Guarantor ceases to be a Guarantor:

(i) assign any of its rights; or

(ii) transfer by novation any of its rights and obligations,

under the Finance Documents to a bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the "**New Lender**").

(b) For the avoidance of doubt, a Lender may without the consent of any Transaction Obligor make such arrangement as such Lender thinks fit for any person to participate in funding or maintaining any part of the Loan.

18.2 Conditions of assignment or transfer

(a) The consent of the Transaction Obligors is not required for any assignment or transfer by any Existing Lender pursuant to this Clause 18.

(b) A transfer will be effective only if the procedure set out in Clause 18.5 (*Procedure for transfer*) is complied with.

(c) Other than in the case of an assignment permitted by paragraph (a) of Clause 19.1 (*Permitted Debt Purchase Transactions*), an assignment will be effective only if the procedure and conditions set out in Clause 18.6 (*Procedure for assignment*) are complied with.

(d) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms that:

(i) the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or before the date on which the transfer or assignment becomes effective in accordance with this Agreement; and

(ii) it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

18.3 Assignment or transfer fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Agent (for its own account) a fee of USD3,500.

18.4 Limitation of responsibility of Existing Lenders

(a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

(i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents or any other documents;

(ii) the financial condition of any Transaction Obligor;

(iii) the performance and observance by any Transaction Obligor of its obligations under the Finance Documents or any other documents; or

(iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law are excluded.

(b) Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

(i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities (including the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender in connection with any Finance Document; and

(ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.

(c) Nothing in any Finance Document obliges an Existing Lender to:

(i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 18; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Finance Documents or otherwise.

18.5 **Procedure for transfer**

(a) Subject to the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

(b) The Agent shall not be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender unless it is satisfied that it has completed all "know your customer" and other similar procedures that it is required (or deemed desirable by a Finance Party) to conduct in relation to the transfer to such New Lender.

(c) On the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and their respective rights against one another under the Finance Documents shall be cancelled (being the "**Discharged Rights and Obligations**");

(ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;

(iii) the Agent, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Agent and the Existing Lender shall each be released from further obligations to each other under the Finance Documents; and

(iv) the New Lender shall become a Party as a "**Lender**".

(d) Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Agent to enter into and deliver any duly completed Transfer Certificate on its behalf.

(e) The procedure set out in this Clause 18.5 shall not apply to any right or obligation under any Finance Document (other than this Agreement) if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of transfer of such right or obligation or prohibit or restrict any transfer of such right or obligation, unless such prohibition or restriction shall not be applicable to the relevant transfer or each condition of any applicable restriction shall have been satisfied.

18.6 **Procedure for assignment**

(a) Subject to the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*), an assignment may be effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

(b) The Agent shall not be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender unless it is satisfied that it has completed all "know your customer" and other similar procedures that it is required (or deems desirable) to conduct in relation to the assignment to such New Lender.

(c) On the Transfer Date:

(i) the Existing Lender will assign absolutely to the New Lender the rights under the Finance Documents expressed to be the subject of the assignment in the Assignment Agreement;

(ii) the Existing Lender will be released by each Transaction Obligor and the other Finance Parties from the obligations owed by it (the "**Relevant Obligations**") and expressed to be the subject of the release in the Assignment Agreement;

(iii) if the assignment relates only to part of the Existing Lender's participation in the outstanding Loan, that part will be separated from the Existing Lender's participation in the outstanding Loan, made an independent debt and assigned to the New Lender as a whole debt;

(iv) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations; and

(v) the Borrower's execution of the Assignment Agreement as agent for the Transaction Obligors will constitute notice to the Transaction Obligors of the assignment.

(d) Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Agent to enter into and deliver any duly completed Assignment Agreement on its behalf.

(e) Lenders may utilise procedures other than those set out in this Clause 18.6 to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with Clause 18.5 (*Procedure for transfer*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*).

(f) The procedure set out in this Clause 18.6 shall not apply to any right or obligation under any Finance Document (other than this Agreement) if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of assignment of such right or release or assumption of such obligation or prohibit or restrict any assignment of such right or release or assumption of such obligation, unless such prohibition or restriction shall not be applicable to the relevant assignment, release or assumption or each condition of any applicable restriction shall have been satisfied.

18.7 **Copy of Transfer Certificate, Assignment Agreement to Borrower**

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrower a copy of that Transfer Certificate or Assignment Agreement.

18.8 **Existing consents and waivers**

A New Lender shall be bound by any consent, waiver, election or decision given or made by the relevant Existing Lender under or pursuant to any Finance Document prior to the coming into effect of the relevant assignment or transfer to such New Lender.

18.9 **Exclusion of Agent's liability**

In relation to any assignment or transfer pursuant to this Clause 18, each Party acknowledges and agrees that the Agent shall not be obliged to enquire as to the accuracy of any representation or warranty made by a New Lender in respect of its eligibility as a Lender.

18.10 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 18, each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including:

(a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

(b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

(i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or

(ii) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

18.11 **Pro Rata settlement**

(a) If the Agent has notified the Lenders that it is able to distribute interest payments on a "*pro rata* basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 18.5 (*Procedure for transfer*) or any assignment pursuant to Clause 18.6 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

(i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six-monthly intervals after the first day of that Interest Period); and

(ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:

(A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender;

(B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 18.11, have been payable to it on that date, but after deduction of the Accrued Amounts; and

(C) any amendment or waiver that has the effect of changing or which relates to the Accrued Amounts or the date of payment of the Accrued Amounts shall not be made without the prior consent of the Existing Lender.

(b) In this Clause 18.11, references to "**Interest Period**" shall be construed to include a reference to any other period for accrual of fees.

(c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 18.11 but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents. Any such Existing Lender may rely on this Clause 18.11 subject to Clause 1.4 (*Third party rights*) and the provisions of the Third Parties Ordinance.

(ii) such Debt Purchase Transaction and the related extinguishment referred to in paragraph (i) above shall not constitute a prepayment of the Facility;

(iii) the Obligor Affiliate which is the assignee shall be deemed to be an entity which fulfils the requirements of Clause 18.1 (*Assignments and transfers by the Lenders*) to be a New Lender;

(iv) Clause 22 (*Sharing among the Finance Parties*) shall not be applicable to the consideration paid under such Debt Purchase Transaction; and

(v) for the avoidance of doubt, any extinguishment of any part of the Loan shall not affect any amendment or waiver which prior to such extinguishment had been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement.

19.2 **Disenfranchisement of Obligor Affiliates**

(a) For so long as an Obligor Affiliate:

(i) beneficially owns a Commitment; or

(ii) has entered into a sub-participation agreement relating to a Commitment or other agreement or arrangement having a substantially similar economic effect and such agreement or arrangement has not been terminated,

in ascertaining

(A) the Majority Lenders, the Specified Majority Lenders or the Super Majority Lenders; or

(B) whether:

1. any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments; or

2. the agreement of any specified group of Lenders,

has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents such Commitment and the participation of such Obligor Affiliate in the outstanding principal amount of the Loan shall be deemed to be zero and such Obligor Affiliate or the person with whom it has entered into such sub-participation, other agreement or arrangement shall be deemed not to be a Lender for the purposes of paragraphs (A) and (B) above (unless in the case of a person not being an Obligor Affiliate it is a Lender by virtue otherwise than by beneficially owning the relevant Commitment).

(b) Each Lender shall, unless such Debt Purchase Transaction is an assignment or transfer, promptly notify the Agent in writing if it knowingly enters into a Debt Purchase Transaction with an Obligor Affiliate (a "**Notifiable Debt Purchase Transaction**"), such notification to be substantially in the form set out in Part I of Schedule 12 (*Forms of Notifiable Debt Purchase Transaction Notice*).

(c) A Lender shall promptly notify the Agent if a Notifiable Debt Purchase Transaction to which it is a party:

(i) is terminated; or

(ii) ceases to be with an Obligor Affiliate,

such notification to be substantially in the form set out in Part II of Schedule 12 (*Forms of Notifiable Debt Purchase Transaction Notice*).

(d) Each Obligor Affiliate that is a Lender agrees that:

(i) in relation to any meeting or conference call to which all the Lenders are invited to attend or participate, it shall not attend or participate in the same if so requested by the Agent or, unless the Agent otherwise agrees, be entitled to receive the agenda or any minutes of the same; and

(ii) in its capacity as Lender, unless the Agent otherwise agrees, it shall not be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Agent or one or more of the Lenders.

19.3 **Obligor Affiliates' notification to other Lenders of Debt Purchase Transactions**

Any Obligor Affiliate which is or becomes a Lender and which enters into a Debt Purchase Transaction as a purchaser or a participant shall, by 5:00 pm on the Business Day following the day on which it entered into that Debt Purchase Transaction, notify the Agent of the extent of the Commitment(s) or amount outstanding to which that Debt Purchase Transaction relates. The Agent shall promptly disclose such information to the Lenders.

20. CHANGES TO THE OBLIGORS

20.1 **Assignments and transfers by Transaction Obligors**

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents, except with the prior written consent of all the Lenders.

20.2 **Additional Guarantors**

(a) The Borrower shall ensure that each of its Restricted Subsidiaries which is required to become a Future Subsidiary Guarantor under Section 4.5 (*Further Subsidiary Guarantors*) of Schedule 8 (*Covenants*) becomes an Additional Guarantor under the Loan in accordance with this Clause. That Restricted Subsidiary shall become an Additional Guarantor if:

(i) the Borrower delivers to the Agent a duly completed and executed Accession Letter;

(ii) the Agent has received all the documents listed in, and appearing to comply with, the requirements of Part II (*Conditions Precedent Required to be Delivered by an Additional Guarantor*) of Schedule 2 (*Conditions Precedent*); and

(iii) each relevant Finance Party has completed all "know your customer" checks or other similar checks under all applicable laws and regulations referred to in paragraph (c) of Clause 15.3 (*"Know your customer" checks*),

in each case, in respect of that Restricted Subsidiary.

(b) The Agent shall notify the Borrower and the Lenders promptly upon receiving all the documents and other evidence listed in, and appearing to comply with the requirements of, Schedule 2 (*Conditions Precedent*). The relevant member of the Group will become an Additional Guarantor upon the giving of such notification by the Agent, whereupon such Additional Guarantor shall be bound by the provisions of this Agreement.

(c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

20.3 **Repetition of Representations**

Delivery of an Accession Letter constitutes confirmation by the relevant Additional Guarantor that the Repeating Representations are true and correct in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

20.4 **Resignation of a Guarantor**

(a) The Borrower may request that a Guarantor ceases to be a Guarantor by delivering to the Agent a Resignation Letter.

(b) Subject to Paragraph (c) of Section 4.5 (*Further Subsidiary Guarantors*) and Section 4.6 (*Release of the Subsidiary Guarantees*) of Schedule 8 (*Covenants*), the Agent shall accept a Resignation Letter and notify the Borrower and the Lenders of its acceptance if the Agent receives an instruction from the Borrower to release the guarantee provided by such Guarantor in accordance with Paragraph (c) of Section 4.5 (*Further Subsidiary Guarantors*) and Section 4.6 (*Release of the Subsidiary Guarantees*) of Schedule 8 (*Covenants*).

SECTION 10

THE FINANCE PARTIES

21. ROLE OF THE AGENT

21.1 Appointment of the Agent

(a) Each Lender appoints the Agent to act as its agent under and in connection with the Finance Documents.

(b) Each Lender authorises the Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

21.2 Instructions

(a) The Agent shall:

(i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by:

(A) all Lenders if the relevant Finance Document stipulates the matter is an all-Lender decision;

(B) the Super Majority Lenders if the relevant Finance Document stipulates the matter is a Super Majority Lender decision;

(C) the Specified Majority Lenders if the relevant Finance Documents stipulates the matter is a Specified Majority Lender decision; and

(D) in all other cases, the Majority Lenders; and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above.

(b) The Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion. The Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.

(c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.

(d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may

include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.

(e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

(f) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document, unless the legal or arbitration proceedings relate to the perfection, preservation or protection of rights under the Security Documents or the enforcement of any Transaction Security.

21.3 **Duties of the Agent**

(a) The Agent's duties under the Finance Documents are solely mechanical and administrative in nature.

(b) Subject to paragraph (c) below, the Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.

(c) Without prejudice to Clause 18.7 (*Copy of Transfer Certificate, Assignment Agreement to Borrower*), paragraph (b) above shall not apply to any Transfer Certificate or any Assignment Agreement.

(d) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(e) If the Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(f) If the Agent is aware of the non-payment of any principal or other fee payable to a Finance Party (other than to the Agent) under this Agreement, it shall promptly notify the other Finance Parties.

(g) The Agent shall provide to the Borrower, within ten Business Days of a request by the Borrower (but no more frequently than once per calendar month), a list (which may be in electronic form) setting out the names of the Lenders as at the date of that request, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the transmission of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Agent to that Lender under the Finance Documents.

(h) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

21.4 **No fiduciary duties**

(a) Nothing in any Finance Document constitutes the Agent as a trustee or fiduciary of any other person.

(b) The Agent shall not be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

21.5 **Business with the Group**

The Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

21.6 **Rights and discretions of the Agent**

(a) The Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) assume that:

(A) any instructions received by it from the Majority Lenders, any Lender or any group of Lenders are duly given in accordance with the terms of the Finance Documents; and

(B) unless it has received notice of revocation, those instructions have not been revoked; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:

(i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 17.1 (*Non-payment*));

(ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised;

(iii) any notice or request made by the Borrower is made on behalf of and with the consent and knowledge of all the Transaction Obligors; and

(iv) no Notifiable Debt Purchase Transaction has been entered into, has been terminated or has ceased to be with an Obligor Affiliate.

(c) The Agent may engage, and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be necessary.

(e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Agent may act in relation to the Finance Documents through its officers, employees and agents.

(g) Unless a Finance Document expressly provides otherwise the Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.

(h) Notwithstanding any other provision of any Finance Document to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(i) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

21.7 **Responsibility for documentation**

The Agent is not responsible or liable for:

(a) the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Agent, an Obligor or any other person given in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

21.8 **No duty to monitor**

The Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

(c) whether any other event specified in any Finance Document has occurred.

21.9 **Exclusion of liability**

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document, other than by reason of its gross negligence or wilful misconduct; or

(iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including for negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document and any officer, employee or agent of the Agent may rely on this paragraph (b) subject to Clause 1.4 (*Third party rights*) and the provisions of the Third Parties Ordinance.

(c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Agent to conduct:

(i) any "know your customer" or other procedures in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender or for any Affiliate of any Lender,

on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any such procedures or check it is required to conduct and that it shall not rely on any statement in relation to such procedures or check made by the Agent.

(e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document shall be limited to the amount of actual loss which has been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

21.10 **Lenders' indemnity to the Agent**

Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Agent, within 10 Business Days of demand, against any cost, loss or liability (including for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 23.10 (*Disruption to payment systems etc.*), notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent under the Finance Documents (unless the Agent has been reimbursed by an Obligor pursuant to a Finance Document).

21.11 **Resignation of the Agent**

(a) The Agent may resign and appoint one of its Affiliates acting through an office in Hong Kong as successor by giving notice to the other Finance Parties and the Borrower.

(b) Alternatively, the Agent may resign by giving 30 days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders (after consultation with the Borrower) may appoint a successor Agent.

(c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 30 days after notice of resignation was given, the retiring Agent (after consultation with the Borrower) may appoint a successor Agent (acting through an office in Hong Kong).

(d) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents. The Company shall, within 10 Business Days of demand, reimburse the retiring Agent for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.

(e) The Agent's resignation notice shall only take effect upon the appointment of a successor.

(f) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e)

above) but shall remain entitled to the benefit of Clause 11.3 (*Indemnity to the Agent*) and this Clause 21 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations among themselves as they would have had if such successor had been an original Party.

(g) After consultation with the Borrower, the Majority Lenders may, by notice to the Agent, require it to resign in accordance with paragraph (b) above. In this event, the Agent shall resign in accordance with paragraph (b) above.

(h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents:

(i) the Agent fails to respond to a request under Clause 9.7 (*FATCA information*) and the Borrower or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Agent pursuant to Clause 9.7 (*FATCA information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Agent notifies the Borrower and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Borrower or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Borrower or that Lender, by notice to the Agent, requires it to resign.

21.12 **Confidentiality**

(a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

(c) The Agent shall not be obliged to disclose to any Finance Party any information supplied to it by the Borrower or any Affiliates of the Borrower on a confidential basis and for the purpose of evaluating whether any waiver or amendment is or may be required or desirable in relation to any Finance Document.

21.13 **Relationship with the Lenders**

(a) The Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

(i) entitled to or liable for any payment due under any Finance Document on that day; and

(ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

(b) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and (where communication by electronic mail or other electronic means is permitted under Clause 24.5 (*Electronic communication*)) electronic mail address and/or any other information required to enable the transmission of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address (or such other information), department and officer by that Lender for the purposes of Clause 24.2 (*Addresses*) and paragraph (a)(ii) of Clause 24.5 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

21.14 **Credit appraisal by the Lenders**

Without affecting the responsibility of any Transaction Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to the Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(c) whether that Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the transactions contemplated by the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(d) the adequacy, accuracy and/or completeness of any other information provided by the Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document.

21.15 **Deduction from amounts payable by the Agent**

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and

apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

21.16 **Amounts paid in error**

(a) If the Agent pays an amount to another Party and within 10 Business Days of the date of payment the Agent notifies that Party that such payment was an Erroneous Payment then the Party to whom that amount was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

(b) Neither:

(i) the obligations of any Party to the Agent; nor

(ii) the remedies of the Agent,

(whether arising under this Clause 21.16 or otherwise) which relate to an Erroneous Payment will be affected by any act, omission, matter or thing which, but for this paragraph (b), would reduce, release or prejudice any such obligation or remedy (whether or not known by the Agent or any other Party).

(c) All payments to be made by a Party to the Agent (whether made pursuant to this Clause 21.16 or otherwise) which relate to an Erroneous Payment shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

(d) In this Agreement, "**Erroneous Payment**" means a payment of an amount by the Agent to another Party which the Agent determines (in its sole discretion) was made in error.

21.17 **Management time of the Agent**

Any amount payable to the Agent under Clause 11.2 (*Other indemnities*) and 11.3 (*Indemnity to the Agent*) and Clause 12 (*Costs and Expenses*) shall include the costs of utilising the Agent's management time as agreed in accordance with the relevant Fee Letter, and is in addition to any fee paid or payable to the Agent under Clause 8 (*Fees*).

22. SHARING AMONG THE FINANCE PARTIES

22.1 **Payments to Finance Parties**

If a Finance Party (a "**Recovering Finance Party**") receives or recovers (whether by set-off or otherwise) any amount from a Transaction Obligor other than in accordance with Clause 23 (*Payment Mechanics*) (a "**Recovered Amount**") and applies that amount to a payment due under the Finance Documents then:

(a) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery to the Agent;

(b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 23 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and

(c) the Recovering Finance Party shall, within 10 Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 23.5 (*Partial payments*).

22.2 **Redistribution of payments**

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 23.5 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

22.3 **Recovering Finance Party's rights**

(a) On a distribution by the Agent under Clause 22.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

(b) If and to the extent that the Recovering Finance Party is not able to rely on its rights under paragraph (a) above, the relevant Obligor shall be liable to the Recovering Finance Party for a debt equal to the Sharing Payment which is immediately due and payable.

22.4 **Reversal of redistribution**

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**");

(b) at the time of the request by the Agent under paragraph (a) above, the Sharing Finance Party will be subrogated to the rights of the Recovering Finance Party in respect of the relevant Redistributed Amount; and

(c) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

22.5 **Exceptions**

(a) This Clause 22 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause 22, have a valid and enforceable claim against the relevant Obligor.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

(i) it notified that other Finance Party of the legal or arbitration proceedings; and

(ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

SECTION 11

ADMINISTRATION

23. PAYMENT MECHANICS

23.1 Payments to the Agent

(a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.

(b) Payment shall be made to such account as the Agent specifies.

23.2 Distributions by the Agent

(a) Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 23.3 (*Distributions to an Obligor*) and Clause 23.4 (*Clawback*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party.

(b) The Agent shall distribute payments received by it in relation to all or any part of the Loan to the Lender indicated in the records of the Agent as being so entitled on that date **provided that** the Agent is authorised to distribute payments to be made on the date on which any transfer becomes effective pursuant to Clause 18 (*Changes to the Lenders*) to the Lender so entitled immediately before such transfer took place regardless of the period to which such sums relate.

23.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

23.4 Clawback

(a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) If the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

23.5 Partial payments

(a) If the Agent receives (i) a payment that is insufficient to discharge all the amounts then due and payable by a Transaction Obligor under the Finance Documents or (ii) any Subordination

Recovery, the Agent shall apply that payment towards the obligations of the Transaction Obligors under the Finance Documents in the following order:

(i) **first**, in or towards payment *pro rata* of any unpaid amount owing to the Agent under the Finance Documents;

(ii) **secondly**, in or towards payment *pro rata* of any accrued interest (including accrued but uncapitalised PIK Interest), fee (other than as provided in paragraph (i) above) or commission due but unpaid under the Finance Documents;

(iii) **thirdly**, in or towards payment *pro rata* of any principal due but unpaid under this Agreement; and

(iv) **fourthly**, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.

(b) The Agent shall, if so directed by the Majority Lenders, vary the order set out in paragraphs (a)(ii) to (a)(iv) above.

(c) Paragraphs (a) and (b) above will override any appropriation made by a Transaction Obligor.

23.6 **No set-off by Transaction Obligors**

All payments to be made by a Transaction Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

(ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).

(b) If a change in any currency of a country occurs, the Finance Documents will, to the extent the Agent (acting reasonably and after consultation with the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

23.10 **Disruption to payment systems etc.**

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Borrower that a Disruption Event has occurred:

(a) the Agent may, and shall if requested to do so by the Borrower, consult with the Borrower with a view to agreeing with the Borrower such changes to the operation or administration of the Facility as the Agent may deem necessary in the circumstances;

(d) any such changes agreed upon by the Agent and the Borrower shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 28 (*Amendments and Waivers*);

(e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 23.10; and

25. **CALCULATIONS AND CERTIFICATES**

27. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Finance Party, any right or remedy under a Finance Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Finance Documents. No election to affirm any Finance Document on the part of any Finance Party shall be effective unless it is in writing. (i) the Borrower shall have no right to replace the Agent or Security Agent;

(ii) neither the Agent nor the Lender shall have any obligation to the Borrower to find a Replacement Lender;

(iii) in the event of a replacement of a Non-Consenting Lender such replacement must take place no later than 60 days after the date on which that Lender is deemed a Non-Consenting Lender; and

(iv) the Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (a) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer.

(c) A Lender shall perform the checks described in paragraph (b)(iv) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (a) above and shall notify the Agent and the Borrower when it is satisfied that it has complied with those checks.

(d) In the event that:

(i) the Borrower or the Agent (at the request of the Borrower) has requested the Lenders to give a consent in relation to, or to agree to a waiver or amendment of, any provisions of the Finance Documents;

(ii) the consent, waiver or amendment in question requires the approval of all Lenders, the Specified Majority Lenders or the Super Majority Lenders; and

(iii) Lenders whose Commitments aggregate more than 50 per cent. of the Total Commitments (or, if the Total Commitments have been reduced to zero, aggregated more than 50 per cent. of the Total Commitments prior to that reduction) have consented or agreed to such waiver or amendment,

then any Lender who does not and continues not to consent or agree to such waiver or amendment shall be deemed a "**Non-Consenting Lender**".

(ii) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in the Common Security Intercreditor Agreement and the Tiered Security Intercreditor Agreement.

The Agent is entitled to rely conclusively on the Opinion of Counsel and Officers' Certificate or certificates of public officials referred to in this Section 4.2(f)and shall not be liable to any person for so doing.

(g) All Opinions of Counsel delivered pursuant to paragraph (e) of Section 4.2 may contain assumptions, qualifications, exceptions and limitations as are appropriate and customary for similar opinions relating to the nature of the Capital Stock, Onshore Proceeds Account or Replacement CGVC Portfolio Asset pledged.

(iv) in the case of a Subsidiary Guarantor that becomes a New Non-Guarantor Restricted Subsidiary, in compliance with the terms of this Agreement; or

(v) when such Subsidiary Guarantor no longer Guarantees, or the Guarantee provided by such Subsidiary Guarantor is concurrently released with respect to, any Scheme Instruments and/or any Permitted Pari Passu Secured Indebtedness in compliance with the terms of this Agreement; *provided*, that each of the Agent and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in this Agreement and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Company, and the Agent and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of this Agreement and the Security Documents, as applicable. 2.2.1 subject to the provisions of Clause 2.4, payment of any sum due in respect of the Bonds made to the Principal Agent as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the relevant Bondholders under the Conditions; and

2.2.2 a payment made after the due date or pursuant to Condition 11 (*Events of Default*) will be deemed to have been made when the full amount due has been received by the Principal Agent or the Trustee and notice to that effect has been given to the Bondholders (if required under Clause 11.9), except to the extent that there is failure in its subsequent payment to the relevant Bondholders under the Conditions.

The Trustee will hold the benefit of this covenant on trust for itself and the Bondholders.

2.3 **Discharge:** Subject to Clause 2.4, any payment to be made in respect of the Bonds by the Issuer, the Subsidiary Guarantors or the Trustee may be made as provided in the Conditions and any payment so made will (subject to Clause 2.4) to that extent be a good and complete discharge to the Issuer, the Subsidiary Guarantors or the Trustee, as the case may be.

2.4 **Payment after a Default:** At any time after an Event of Default or a Default has occurred the Trustee may:

2.4.1 by notice in writing to the Issuer, Subsidiary Guarantors and the Agents, require the Agents or any of them, until notified by the Trustee to the contrary, so far as permitted by Applicable Law:

(i) to act as agents of the Trustee under this Trust Deed and the Bonds on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Agents will be limited to the amounts for the time being held by the Trustee in respect of the Bonds on the terms of this Trust Deed) and thereafter to hold all Certificates and all monies, documents and records held by them in respect of Bonds (including any Shares to be delivered on conversion or settlement of the Bonds) to the order of the Trustee; or

(ii) to deliver all Certificates and all monies, documents and records held by them in respect of the Bonds (including any Shares to be delivered on conversion or settlement of the Bonds) to the Trustee or as the Trustee directs in such notice or subsequently, provided that this Clause 2.4.1(ii) shall not apply to any documents or records which the relevant Agent is obliged not to release by any Applicable Law; and

3 Form of the Bonds

3.1 **Global Certificates:** Bonds offered and sold outside the United States in reliance on Regulation S shall be represented initially by the Non-restricted Bond Global Certificate in registered form in the principal amount of U.S.$[●]; Bonds offered and sold within the United States to Qualified Institutional Buyers (as defined in Rule 144A under the Securities Act) in reliance on Section 4(a)(2) of the Securities Act or Accredited Investors (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D) in reliance on Rule 506 of Regulation D shall be represented initially by the Restricted Bond Global Certificate in registered form in the principal amount of U.S.$[●]. Each Global Certificate will be deposited with the Common Depositary and registered in the name of a nominee of the Common Depositary. Each Global Certificate will be exchangeable for Certificates only as set out in the relevant Global Certificate and by written application to the Registrar substantially in the form of Schedule 2 and upon surrender of the Bonds to be exchanged to the Registrar.

3.2 **Form of Certificates:** The Certificates, if issued, will be substantially in the form set out in Schedule 2 and endorsed with the Conditions.

3.3 **Signature:** The Certificates shall be signed manually or in facsimile by an Authorised Signatory of the Issuer duly authorised for the purpose and authenticated manually by or on behalf of the Registrar. The Issuer may use a facsimile signature of a person who at the date of this Trust Deed is such an Authorised Signatory even if at the time of issue of any Bonds he no longer holds that office. Bonds represented by Certificates (including the Global Certificates) so executed and authenticated will be binding and valid obligations of the Issuer.

3.4 **Entitlement to treat holder as owner:** The holder of any Bond will (except as ordered by a court of competent jurisdiction or save as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on or the theft or loss of the Certificate issued in respect of it) and no person will be liable for so treating such holder, and neither the Trustee nor any Agent shall be affected by any notice to the contrary.

4 Stamp Duties and Taxes

4.1 **Stamp Duties:** The Issuer, failing whom the Subsidiary Guarantors, will pay any stamp, issue, registration, documentary, transfer or other taxes, duties, assessments or government charges, including interest and penalties, payable in the Cayman Islands, Hong Kong, the PRC and any other relevant jurisdiction in respect of the creation, issue, and initial offering or sale of the Bonds and the execution or delivery of this Trust Deed. The Trustee shall not be liable to pay any such taxes and duties in any jurisdiction and shall not be concerned with, or obligated or required to enquire into, the sufficiency of any amount paid by the Issuer or any Bondholder for this purpose and shall not be liable for any losses as a result of any non-payment by the Issuer or any Bondholder. Each of the Issuer and each Subsidiary Guarantor on a joint and several basis will also indemnify the Trustee and the Bondholders from and against all stamp, issue, registration, documentary, transfer or other taxes paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Bondholders (where in the case of the Bondholders, permitted under this Trust Deed so to do) to enforce the Issuer's or the

Subsidiary Guarantors' obligations under this Trust Deed or the Bonds. The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Trustee or the termination of this Trust Deed and/or the Bonds no longer being outstanding.

4.2 **Change of Taxing Jurisdiction:** If the Issuer or any Subsidiary Guarantor becomes subject generally to the taxing jurisdiction of a territory or a taxing authority of or in that territory with power to tax other than or in addition to the Cayman Islands, Hong Kong, the PRC, the relevant jurisdiction of incorporation of each relevant Subsidiary Guarantor or any such authority of or in such territory then the Issuer or, as the case may be, any Subsidiary Guarantor, will notify the Trustee as soon as practicable after it becomes aware and give the Trustee an undertaking satisfactory to the Trustee in terms corresponding to the terms of Condition 10 (*Taxation*) with the substitution for, or (as the case may require) the addition to, the references in that Condition to the Cayman Islands, Hong Kong, the PRC or the relevant jurisdiction of incorporation of each relevant Subsidiary Guarantor of references to that other or additional territory or authority to whose taxing jurisdiction the Issuer or any Subsidiary Guarantor has become so subject. In such event this Trust Deed and the Bonds will be read accordingly.

5 Guarantees and Indemnity

5.1 **Guarantees:** Each Subsidiary Guarantor unconditionally and irrevocably guarantees that if the Issuer does not pay any sum expressed to be payable by it under this Trust Deed or the Bonds by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), each Subsidiary Guarantor will pay that sum to or to the order of the Trustee, in the manner provided in Clause 2.2 before close of business on that date in the city to which payment is so to be made. Clauses 2.2.1 and 2.2.2 will apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 12.4. All payments under the Guarantees by each Subsidiary Guarantor will be made subject to Condition 10 (*Taxation*) and Clause 4. All payments under the Guarantees shall be made in U.S. dollars.

5.2 **Guarantors as Principal Debtor:** As between each Subsidiary Guarantor, the Trustee and the Bondholders but without affecting the Issuer's obligations, each Subsidiary Guarantor will be liable under this Clause 5 as if it were the sole principal debtor and not merely a surety. Accordingly, each Subsidiary Guarantor will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if each Subsidiary Guarantor were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to the Issuer or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on the Issuer or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed or the Bonds or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed or the Bonds or any of the Issuer's obligations under any of them).

5.3 **Guarantors' Obligations Continuing:** Each Subsidiary Guarantor's obligations under this Trust Deed are and will remain in full force and effect as continuing obligations until no sum remains payable under this Trust Deed or the Bonds. Furthermore, the obligations of each Subsidiary Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from each Subsidiary Guarantor or otherwise and may be enforced without first having recourse to the Issuer, any other person, any security or any other guarantee or indemnity. Each Subsidiary Guarantor irrevocably waives all notices and demands of any kind in relation to payments under the Guarantees.

5.4 **Subrogation and Contribution:** Upon making any payment with respect to any obligation of the Issuer under this Clause 5.4, the Subsidiary Guarantor making such payment shall be subrogated to the rights of the payee against the Issuer with respect to such obligation; provided, that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Issuer hereunder or under the Bonds remains unpaid.

5.5 **Exercise of the Guarantors' Rights:** So long as any sum remains payable under this Trust Deed or the Bonds:

5.5.1 any right of any Subsidiary Guarantor by reason of the performance of any of its obligations under this Clause 5.5, to be indemnified by the Issuer or to take the benefit of or to enforce any security or other guarantee or indemnity will be exercised and enforced by each Subsidiary Guarantor only in such manner and on such terms as the Trustee may require or approve; and

5.5.2 any amount received or recovered by each Subsidiary Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of the Issuer will be held on trust for the Trustee and promptly paid to the Trustee and the Trustee will hold such amount on the trusts set out in Clause 10 but so that nothing in this Clause 5.5 shall be construed as creating a charge or any other security interest.

5.6 **Suspense Accounts:** Any amount received or recovered by the Trustee (otherwise than as a result of a payment by the Issuer to the Trustee in accordance with Clause 2) in respect of any sum payable by the Issuer under this Trust Deed or the Bonds may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

5.7 **Avoidance of Payments:** Each Subsidiary Guarantor shall on demand indemnify the Trustee and each Bondholder against any cost, loss, expense or liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution, or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by the Issuer under this Trust Deed or any Bond and shall in any event pay to the Trustee or the relevant Bondholder on demand the amount as refunded by it.

5.8 **Debts of Issuer:** If any moneys become payable by each Subsidiary Guarantor under the Guarantees, so long as any such moneys remain unpaid, the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive

payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment and the Issuer will not, pay any moneys for the time being due from the Issuer to each Subsidiary Guarantor.

5.9 **Stay of Acceleration:** If acceleration of the time for payment of any amount payable by the Issuer under this Trust Deed or the Bonds is stayed upon the insolvency, bankruptcy or reorganization of the Issuer, all such amounts otherwise subject to acceleration under the terms of this Trust Deed are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Bondholders.

5.10 **Indemnity:** As separate, independent and alternative stipulations, each Subsidiary Guarantor, jointly and severally, unconditionally and irrevocably agrees (1) that any sum which, although expressed to be payable by the Issuer under this Trust Deed or the Bonds, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, each Subsidiary Guarantor, the Trustee or any Bondholder) not recoverable from each Subsidiary Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Trustee on demand and (2) as a primary obligation to indemnify the Trustee and each Bondholder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under this Trust Deed or the Bonds not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of the Issuer under this Trust Deed or the Bonds being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Trustee, any Bondholder), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum.

5.11 **Ranking of the Guarantee**: Each Subsidiary Guarantee constitutes direct, unsubordinated, unconditional and secured obligations of each Subsidiary Guarantor, and shall at all times rank *pari passu* and without any preference or priority among themselves. Pursuant to the pledge of the Collateral and the ICL Collateral by the Issuer, the Pledgors and the pledgors under the ICL Assignment Deed, as the case may be, as set forth in Clause 6 and subject to the limitations described therein, the Subsidiary Guarantee of each Subsidiary Guarantor (a) is entitled to a first ranking security interest in the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) pledged by the Issuer, the Common Security Pledgors and the pledgors under the ICL Assignment Deed and a Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) pledged by the Issuer and such Tiered Security Pledgor and (b) ranks effectively senior in right of payment to the unsecured obligations of such Subsidiary Guarantor with respect to the value of the Collateral and ICL Collateral securing such Subsidiary Guarantee (subject to any priority rights of such unsecured obligations pursuant to applicable law).

5.12 **Future Subsidiary Guarantors**:

5.12.1 In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the holding company directly holding such new project outside the PRC shall guarantee the Bonds, subject to the Security and Guarantee

Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Issuer shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Issuer has used its commercially reasonable endeavours, the Issuer shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

5.12.2 Each Restricted Subsidiary directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or any other Restricted Subsidiary that guarantees the Bonds after the Issue Date is referred to as a "**Future Subsidiary Guarantor**" and, upon execution of the applicable supplemental trust deed in the form set out in Schedule 6, shall be a "**Subsidiary Guarantor**".

5.12.3 In the case of a Subsidiary Guarantor with respect to which the Issuer or any of its Restricted Subsidiaries is proposing to sell, whether through the sale of existing shares or the issuance of new shares, no less than 20 per cent, of the Capital Stock of such Subsidiary Guarantor, the Issuer may concurrently with or after the consummation of such sale or issuance of Capital Stock, (A) instruct the Trustee to release the Subsidiary Guarantees provided by such Subsidiary Guarantor and each of its Restricted Subsidiaries organised outside the PRC, and upon such release such Subsidiary Guarantor and its Restricted Subsidiaries organised outside the PRC will become "**New Non-Guarantor Restricted Subsidiaries**" (such that each New Non-Guarantor Restricted Subsidiary will no longer Guarantee the Bonds) and (B) instruct the Collateral Agent to (1) discharge the pledge of the Capital Stock granted by each such New Non-Guarantor Restricted Subsidiary (if relevant) and (2) discharge the pledge of Capital Stock made by the Issuer or any Subsidiary Guarantor over the shares it owns in such New Non-Guarantor Restricted Subsidiary (if relevant), (in each case, without any requirement to seek the consent or approval of the holders of the Bonds), *provided* that after the release of such Subsidiary Guarantees, the Consolidated Assets of all Restricted Subsidiaries organised outside the PRC (other than Exempted Subsidiaries or Listed Subsidiaries) that are not a Subsidiary Guarantor (including the New Non-Guarantor Restricted Subsidiaries) do not account for more than 20 per cent. of Total Assets. A Subsidiary Guarantee of a Subsidiary Guarantor may only be released pursuant to this Clause 5.12.3 if as of the date of such proposed release, no document exists that is binding on the Issuer or any of the Restricted Subsidiaries that would have the effect of (x) prohibiting the Issuer or any of the Restricted Subsidiaries from releasing such Subsidiary Guarantee or (y) requiring the Issuer or such Subsidiary Guarantor to deliver or keep in place a guarantee of other Indebtedness of the Issuer by such Subsidiary Guarantor.

5.13 Release of Guarantee:

5.13.1 A Subsidiary Guarantee given by a Subsidiary Guarantor shall be released upon:

(i) repayment in full of the Bonds;

(ii) the designation by the Issuer of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Conditions and this Trust Deed;

(iii) the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of other Scheme Instruments resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Issuer's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the net proceeds from such sale or disposition are used for the purposes permitted or required by the Conditions, this Trust Deed and terms of other Scheme Instruments;

(iv) in the case of a Subsidiary Guarantor that becomes a New Non-Guarantor Restricted Subsidiary, in compliance with the terms of the Conditions and this Trust Deed; or

(v) when such Subsidiary Guarantor no longer Guarantees, or the Guarantee provided by such Subsidiary Guarantor is concurrently released with respect to, any Scheme Instruments and/or any Permitted Pari Passu Secured Indebtedness in compliance with the terms of the Conditions and this Trust Deed; *provided*, that each of the Trustee and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in the Conditions, this Trust Deed and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Issuer, and the Trustee and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of the Conditions, this Trust Deed and the Security Documents, as applicable. In the exercise of their duties, the Trustee and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of the Officers' Certificate submitted to it by the Issuer and is entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

5.13.2 No release and discharge of the Subsidiary Guarantee shall be effective against the Trustee, any Agent or the holders of Bonds (i) if a Default or Event of Default shall have occurred and be continuing under the Conditions or this Trust Deed as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Issuer shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Trust Deed and the Security Documents relating to such release and discharge have been complied with and that such release and discharge is authorised and permitted under this Trust Deed and the Security Documents. At the request of the Issuer, the Trustee shall execute and deliver an instrument evidencing such release and discharge.

5.14 **Payments set aside**: If any payment received from the Issuer or any Subsidiary Guarantor by the Trustee or the Principal Agent or any Bondholder pursuant to the provisions of this Trust Deed or the Agency Agreement or the Bonds shall, on the subsequent bankruptcy, liquidation, winding-up, insolvency or corporate reorganisation of the Issuer or such Subsidiary Guarantor on the occurrence of any other similar event relating to the Issuer, be set aside or avoided under any laws relating to bankruptcy, dissolution, liquidation, winding-up, insolvency, corporate reorganisation or other such similar events, such payment shall not be considered as discharging or diminishing the liability of the Issuer or, as the case may be, the Subsidiary Guarantors and the Guarantees shall continue to apply as if such payment had at all times remained owing by the Issuer, and the Subsidiary Guarantors shall indemnify the Trustee, the Principal Agent and/or the Bondholder, as the case may be, in respect thereof.

6.1.1 The Issuer has pledged, or caused the Common Security Pledgors or the pledgors under the ICL Assignment Deed to pledge, as the case may be, the Common Security Collateral and the ICL Collateral on a first priority basis (subject to Permitted Liens and the Common Security Intercreditor Agreement) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the obligations of the Issuer under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee. The Issuer has pledged, or caused the Tiered Security Pledgors to pledge, as the case may be, the Tiered Security Collateral (subject to Permitted Liens and the Tiered Security Intercreditor Agreement, which among other things shall govern the relative priority with regard to the security interests in the Tiered Security Collateral as between the holders of the SCA Loan and the holders of the other Scheme Instruments) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the obligations of the Issuer under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee.

6.1.2 On the Issue Date, the Trustee shall, for the benefit of the holders of the Bonds, execute the Intercreditor Agreements, and accordingly, on the Issue Date,

(i) subject to the terms of the Common Security Intercreditor Agreement, (A) the Common Security Collateral and the ICL Collateral will be shared on a *pari passu* basis by (1) the Trustee (for the benefit of the holders of the Bonds), (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of the other Scheme Instruments), and (3) the holders of the Permitted Pari Passu Secured Indebtedness (or their respective trustee or agents) and (B) any CVR Recoveries will be shared on a *pro rata* basis among the

CVR Beneficiaries, and (C) any Subordination Recoveries will be shared on a *pro rata* basis by (1) the Trustee (for the benefit of the holders of the Bonds) and (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of such other Scheme Instruments), in each case in accordance with the terms of the Common Security Intercreditor Agreement; and

6.1.3 The Issuer shall, or shall cause each of the Pledgors or the pledgors under the ICL Assignment Deed, as the case may be, for the benefit of the holders of the Bonds, to:

(i) execute one or more Common Security Documents and the ICL Assignment Deed granting to the Collateral Agent, for the benefit of the holders of the Bonds, first priority Liens on the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) (the "**First Priority Lien**");

(ii) execute one or more Tiered Security Documents granting to the Collateral Agent, for the benefit of the holders of the Bonds, second priority Liens on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) (the "**Second Priority Lien**"); and

(iii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting and perfection (if relevant) of the First Priority Lien on the Common Security Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) and the Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement).

6.1.4 The initial Pledgors are named in Schedule 5-2 to this Trust Deed.

6.1.5 So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the ICL Assignment Deed, the Conditions and this Trust Deed, the Issuer, the Pledgors and/or the pledgors under the ICL Assignment Deed, as the case may be, shall be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions or repayments (whether similar or dissimilar to the foregoing) in respect of Capital Stock or receivables constituting Collateral or ICL Collateral.

6.1.6 Each holder of the Bonds, by its acceptance thereof, consents and agrees to the terms of the Security Documents and the ICL Assignment Deed (including, without limitation, the provisions providing for foreclosure and release of Collateral or ICL Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorises and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

6.1.7 The Trustee and each holder, by accepting the Bonds and the Subsidiary Guarantees, acknowledges that the Collateral and the ICL Collateral as now or hereafter constituted shall be held for the benefit of all the holders under the Security Documents and the ICL Assignment Deed, and that the Lien of the Conditions, this Trust Deed, the Security Documents and the ICL Assignment Deed in respect of the Trustee and the holders is subject to and qualified and limited in all respects by the Security Documents and the ICL Assignment Deed and actions that may be taken thereunder.

6.1.8 Notwithstanding (1) anything to the contrary contained in the Conditions, this Trust Deed, the Security Documents, the Bonds or any other instrument governing, evidencing or relating to any Indebtedness, (2) the time, order or method of attachment of any Liens, (3) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (4) the time of taking possession or control over any Collateral or (5) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Issuer and the Pledgors shall ensure that:

(i) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under the Conditions or this Trust Deed to exist and to rank equally and ratably with the Bonds and the Subsidiary Guarantees; and

(ii) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in the Common Security Intercreditor Agreement and the Tiered Security Intercreditor Agreement.

6.2 Future Security

6.2.1 In the event that:

(i) any security created in respect of the Collateral is required to be released pursuant to Clause 6.6.1(ii) as a result of a CGVC Portfolio Asset Sale; and

(ii) such CGVC Portfolio Asset Sale is consummated for non-cash consideration,

such non-cash consideration to be constituted a CGVC Portfolio Asset or any replacement CGVC Portfolio Asset designated by the Issuer pursuant to sub-

6.2.2 In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the shares of the holding company directly holding such new project outside the PRC shall be pledged by the Issuer or any relevant member of the Group to secure, among others, the obligations of the Issuer under the Bonds, the Conditions and this Trust Deed, and of each Subsidiary Guarantor under its Subsidiary Guarantee, subject to the Security and Guarantee Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Issuer shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Issuer has used its commercially reasonable endeavours, the Issuer shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

6.2.3 Each member of the Group that pledges a Replacement CGVC Portfolio Asset after the Issue Date is referred to as a "**Future Tiered Security Pledgor**" and, upon giving such pledge, will be a "**Tiered Security Pledgor**".

6.2.4 Each Restricted Subsidiary that pledges Capital Stock of the holding company directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or of any other Restricted Subsidiary after the Issue Date is referred to as a "**Future Common Security Pledgor**" and, upon giving such pledge, shall be a "**Common Security Pledgor**"

6.2.5 Upon each pledge by a Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, in each case, in accordance with this Clause 6.2, the Issuer shall deliver to the Trustee an Officers' Certificate stating that entry into the applicable pledge agreement has been duly and validly authorized and an Opinion of Counsel to the effect that (A) in the opinion of such counsel, such action has been taken with respect to the recording, registering and filing of or with respect to the Conditions or this Trust Deed and the applicable pledge agreement and all other instruments of further assurance as are necessary to make effective the First Priority Lien (subject to Permitted Liens and the Common Security Intercreditor Agreement) created by such pledge agreement in the Capital Stock and/or to make effective the Second Priority Lien (subject to Permitted Liens and the Tiered Security Intercreditor Agreement) created by such pledge agreement in a Replacement CGVC Portfolio Asset referenced in Clause 6.2.3, and referencing the details of such action; or (B) in the opinion of such

counsel, no such action is necessary to make such First Priority Lien or Second Priority Lien, as the case may be, effective; *provided*, that any such Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact. The Trustee is entitled to rely conclusively on the Opinion of Counsel and Officers' Certificate or certificates of public officials referred to in this Clause 6.2.5 and shall not be liable to any person for so doing.

6.2.6 All Opinions of Counsel delivered pursuant to Clause 6.2.5 may contain assumptions, qualifications, exceptions and limitations as are appropriate and customary for similar opinions relating to the nature of the Capital Stock or Replacement CGVC Portfolio Asset pledged.

6.2.7 Upon each pledge by any Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, the Issuer shall give notice, file, register or record any supplemental trust deeds, financing statements, continuation statements, pledge agreements or other instruments or cause each such Future Common Security Pledgor and/or such Future Tiered Security Pledgor to give notice, file, register or record any supplemental trust deeds, financing statements, continuation statements, pledge agreements or other instruments and take any other actions necessary in order to perfect and protect the First Priority Lien or Second Priority Lien, as the case may be, thereby created.

6.3.1 On or before a date not more than 120 days after the end of each fiscal year, as required under Clause 11.4, the Issuer shall furnish to the Trustee a compliance certificate in the form set out in Schedule 4.

6.3.2 The Issuer shall furnish to the Trustee on or prior to any proposed release of Collateral or ICL Collateral by the Issuer, any Pledgor or any pledgor under the ICL Assignment Deed an Officers' Certificate certifying and an Opinion of Counsel stating that such release shall comply with the terms of the Conditions and this Trust Deed and the relevant Security Documents or ICL Assignment Deed.

6.4 Authorisation of Actions to be Taken by the Trustee Under the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination

6.4.1 The Trustee shall be the representative on behalf of the holders of the Bonds and shall act upon the written direction of the holders of the Bonds, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, with regard to all voting, consent and other rights granted to the holders of the Bonds under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination.

6.4.2 Subject to the terms of the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination, the Trustee shall upon request of holders of

at least 25 per cent. in aggregate principal amount of outstanding Bonds, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, on behalf of the holders of the Bonds, instruct the Collateral Agent to take all actions it deems necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the holders of the Bonds under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination and (B) receive any and all amounts payable from the Collateral or the ICL Collateral or under the Deed of Undertaking and Subordination in respect of the obligations of the Issuer and the Subsidiary Guarantors hereunder.

6.4.3 Subject to the terms of the Security Documents, the ICL Assignment Deed and this Trust Deed, the Trustee shall have the power, but is not obliged, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral or the ICL Collateral by any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed, the Conditions or this Trust Deed, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the holders of the Bonds in the Collateral or the ICL Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the holders of the Bonds or the Trustee). The Trustee is hereby irrevocably authorised by each holder of the Bonds to effect any release of Liens, Collateral or ICL Collateral contemplated by Clause 6.6 hereof or by the terms of the Security Documents and or ICL Assignment Deed. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Conditions, the Deed of Undertaking and Subordination or this Trust Deed unless and until it obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

6.4.4 Notwithstanding the provisions of this Clause 6.4, the Trustee may, in its sole discretion and without the consent of the holders of the Bonds, relinquish its responsibilities as the representative on behalf of the holders of the Bonds under the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, if and when the Issuer incurs any Permitted Pari Passu Secured Indebtedness.

6.4.5 The Trustee shall not be responsible for the adequacy of the Collateral or the ICL Collateral in respect of the obligations of the Issuer and the Subsidiary Guarantors hereunder.

6.5 Authorisation of Receipt of Funds by the Trustee Under the Security Documents, the ICL Assignment Deed and the Deed of Undertaking and Subordination

The Trustee is authorised to receive and distribute any funds for the benefit of the holders of the Bonds under the Security Documents and the ICL Assignment Deed, and to make further distributions of such funds to the holders of the Bonds according to the provisions of the Conditions, this Trust Deed, the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed and the Deed of Undertaking and Subordination.

6.6.1 Subject to the terms of the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, the security created in respect of the Collateral granted under the Security Documents and in respect of the ICL Collateral granted under the ICL Assignment Deed may be released in certain circumstances, including:

(i) upon repayment in full of the Bonds;

(ii) subject to Clause 6.2, upon dispositions of certain types of Collateral or ICL Collateral in compliance with other Scheme Instruments;

In the exercise of their duties, the Trustee and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of

the Officers' Certificate submitted to it by the Issuer and are entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

6.6.2 Upon written request of the Issuer or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by other Scheme Instruments, the Trustee shall (without notice to, or vote or consent of, any Bondholder) take such actions as shall be required to release its security interest in any Collateral or ICL Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with the Conditions, this Trust Deed, the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed and the Trustee shall receive full payment therefore from the Issuer for any costs incurred thereby; *provided*, that the Issuer or the relevant Pledgor or pledgor under the ICL Assignment Deed delivers to the Trustee an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of the Conditions and this Trust Deed and that the conditions precedent to any such release have been fulfilled. The Trustee is entitled to rely conclusively without liability to any person on the opinions and certificates delivered to it pursuant to this Clause 6.6. In addition, nothing in this Clause 6.6 will be deemed to discharge those provisions of Clause 12 and those obligations, by their terms, survive the satisfaction and discharge of this Trust Deed.

6.6.3 Any release of Collateral or ICL Collateral made in compliance with this Clause 6.6 shall not be deemed to impair the Lien under the Security Documents or the ICL Assignment Deed or the Collateral or ICL Collateral thereunder in contravention of the provisions of the Conditions, this Trust Deed, the Security Documents or the ICL Assignment Deed.

6.6.4 No purchaser or grantee of any property or rights purporting to be released herefrom shall be bound to ascertain the authority of the Trustee to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority; nor shall any purchaser or grantee of any property or rights permitted by the Conditions and this Trust Deed to be sold or otherwise disposed of by the Issuer and the Subsidiary Guarantors be under any obligation to ascertain or inquire into the authority of the Issuer or any Subsidiary Guarantor to make such sale or other disposition.

6.7 Permitted Pari Passu Secured Indebtedness

On or after the Issue Date and subject to the Conditions and this Trust Deed, the Issuer and each Pledgor may create Liens on the Collateral and the ICL Collateral *pari passu* with the Lien for the benefit of the Bondholders to secure Indebtedness of the Issuer or any Subsidiary Guarantor and any Pari Passu Subsidiary Guarantee of a Subsidiary Guarantor with respect to such Indebtedness (such Indebtedness of the Issuer or any Subsidiary Guarantor and any such Pari Passu Subsidiary Guarantee, "**Permitted Pari Passu Secured Indebtedness**"); *provided*, that (i) the Issuer or such Subsidiary Guarantor is permitted to Incur such Indebtedness under other Scheme Instruments and the net proceeds of such Indebtedness are used to

The Trustee shall be permitted and authorised, without the consent of any Bondholder, to enter into any amendments to the Security Documents, the ICL Assignment Deed, the Conditions or this Trust Deed and take any other action necessary to permit the creation and registration of First Priority Liens on the Common Security Collateral, the ICL Collateral and the Onshore Proceeds Account (if applicable) and Second Priority Liens on the Tiered Security Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this Clause 6.7 (including, without limitation, the appointment of any collateral agent under the Intercreditor Agreements to hold the Collateral, the ICL Collateral and the Onshore Proceeds Account (if applicable) on behalf of the holders and the holders of Permitted Pari Passu Secured Indebtedness).

7 Covenants relating to Conversion

As provided for and in accordance with the Conditions, each Bond will have a Voluntary Conversion Right that will entitle the Bondholder, during the Voluntary Conversion Period, to convert such Bond for Shares as set out in the Conditions. In addition, unless previously redeemed, converted or purchased and cancelled as provided in the Conditions and without prejudice to each Bondholder's Voluntary Conversion Right, all Bonds outstanding will be subject to the Trigger Conversion, the Periodic Mandatory Conversion and the Maturity Mandatory Conversion on the terms and subject to the Conditions. So long as any Bond remains outstanding, save with the approval of the Bondholders in accordance with the Conditions and this Trust Deed, the Issuer will:

7.1 **Availability of Shares:** reserve, free from any other pre-emptive or other similar rights, out of its authorised but unissued ordinary share capital the full number of Shares liable to be issued on conversion of all the Bonds from time to time remaining outstanding and shall ensure that all Shares delivered on conversion of Bonds will be duly and validly issued as fully-paid and not subject to call for further funds;

7.2 **Par Value:** not make any offer, issue, grant or distribute or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares

unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price below the par value of the Shares into legally issued, fully paid and non-assessable Shares, provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law;

7.3 **Limited Issues of Shares:** not issue or pay up any securities, in either case by way of capitalisation of profits or reserves unless, in any such case, it gives rise (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, give rise) to an adjustment of the Conversion Price, provided that the Issuer may issue or pay up any security by way of capitalisation of profits or reserves (i) by the issue of fully paid Shares to the Shareholders and other persons entitled to them, (ii) by the issue of Shares paid up in full out of profits or reserves in accordance with Applicable Law and issued in lieu of a cash dividend or (iii) by the issue of fully paid equity share capital (other than Shares) to the holders of equity share capital of the same class and other persons entitled thereto, subject in each case to the provisions of Condition 7(C) (*Adjustments to Conversion Price*). For the avoidance of doubt, nothing in this Clause 7.3 shall prevent the issue of any equity share capital by the Issuer in accordance with any Employee Share Scheme or [●][1];

7.4 **Limited Modification of Rights:** not modify the rights attaching to the Shares with respect to voting, dividends or liquidation nor issue any other class of ordinary share capital carrying any rights which are more favourable than the rights attaching to Shares but so that nothing in this Clause 7.4 shall prevent (i) the issue of equity share capital pursuant to any Employee Share Scheme or [●]; (ii) a consolidation or subdivision of the Shares or the conversion of any Shares into stock or *vice versa*; (iii) a modification to the rights attaching to the Shares which is not, in the opinion of an Independent Financial Advisor, materially prejudicial to the interests of the Bondholders; (iv) the conversion of Shares into, or the issue of any Shares in, uncertificated form (or the conversion of Shares in uncertificated form to certificated form) or the amendment of the articles of association of the Issuer to enable title to securities of the Issuer (including Shares) to be evidenced and transferred without a written instrument or any other alteration to the articles of association of the Issuer made in connection with the matters described in this Clause 7.4 or which are supplemental or incidental to any of the foregoing (including amendments made to enable or facilitate procedures relating to such matters and amendments dealing with the rights and obligations of holders of securities (including Shares) dealt with under such procedures) or (v) any issue of equity share capital which results (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, otherwise result) in an adjustment of the Conversion Price or is otherwise taken into account for the purposes of determining whether such an adjustment should be made pursuant to Condition 7(C) (*Adjustments to Conversion Price*);

7.5 **Limited Grant of Rights:** procure that no securities (whether issued by the Issuer or any of its Subsidiaries) issued without rights to convert into or exchange or subscribe for Shares shall subsequently be granted such rights at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the announcement of the proposed inclusion of such rights unless the same gives rise (or would, if the adjustment would be one per cent. or

[1] Note: to be aligned with the terms and conditions

more of the Conversion Price then in effect, give rise) to an adjustment of the Conversion Price and that at no time shall there be in issue Shares of differing par values. For the avoidance of doubt, nothing in this Clause 7.5 shall prevent the issue of any equity share capital by the Issuer pursuant to the any Employee Share Scheme, [●] or any equity share capital (including Shares) pursuant to the conversion provisions of the Bonds as set out in Condition 7 (*Conversion*);

7.6 **Directors' Certificate:** if an event happens as a result of which the Conversion Price may be adjusted pursuant to the Conditions as soon as practicable send the Trustee a certificate signed by one Authorised Signatory of the Issuer on behalf of the Issuer setting out particulars of the event, whether an adjustment to the Conversion Price is to be made and, if so, the Conversion Price prior to such adjustment, the adjusted Conversion Price and the date on which such adjustment takes effect, whether an amount will be carried forward pursuant to Condition 7D(i) (*Minor Adjustments*) and if so the amount to be carried forward and in any case setting out such other information as the Trustee may require;

7.7 **Extend Offer:** if an offer is made to all (or as nearly as may be practicable all) Shareholders, or all (or as nearly as may be practicable all) the Shareholders other than the offeror and/or any associate or associates of the offeror to acquire all or a majority of the issued equity share capital of the Issuer, or if any person proposes a scheme with regard to such acquisition, give notice of such offer or scheme to the Bondholders at the same time as any notice thereof is sent by the Issuer to its Shareholders (or as soon as practicable thereafter), provided that such notice shall comply with the Applicable Law and the applicable listing rules, stating that details concerning such offer or scheme may be obtained from the specified offices of the Agents and provide the Agents with such details and, where such an offer or scheme has been recommended by the board of directors of the Issuer or where such an offer has become or been declared unconditional in all respects, subject to Applicable Law (including, without limitation, the Hong Kong Code on Takeovers and Mergers), use its reasonable endeavours to procure that a like offer or scheme is extended to the Bondholders and the holders of any Shares issued during the period of the offer or scheme arising out of Voluntary Conversion Rights, Mandatory Conversion or Trigger Conversion;

7.8 **Closing of Register of Shareholders:** unless so required by Applicable Law or the bye-laws of the Issuer or the Listing Rules or in order to establish a dividend or other rights attaching to the Shares or entitlements of the Shareholders (including but not limited to the right to attend and vote at general meetings of Shareholders), not close its register of Shareholders or take any other action which prevents the transfer of its Shares generally, nor take any action which prevents the conversion of the Bonds or the issue of Shares in respect of them otherwise than in accordance with the Conditions; and

7.9 **Expenses:** pay the expenses of the issue and delivery of, and all expenses of obtaining the listing for, Shares arising on conversion of the Bonds (except for any expenses, charges or taxes expressed to be payable by the Bondholder in Condition 7(B)(v) (*Stamp Duty etc.*)). For the avoidance of doubt, the Trustee and the Agents shall not bear any expenses in connection with maintaining the listing for the Bonds or Shares arising on conversion of the Bonds.

For the purposes of this Clause 7, "**equity share capital**" means the share capital of a company excluding any part of that capital which, neither as respects dividends nor as respects capital, carries any right to participate beyond a specified amount in a distribution.

The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Trustee or the termination or expiry of this Trust Deed and/or the Bonds no longer being outstanding. Any indemnified party may enforce the provisions of this Clause 12.4 in accordance with the Contracts (Rights of Third Parties) Ordinance (Cap 623).

12.6 **Continuing Effect:** Clauses 12.3, 12.4 and 12.5 will continue in full force and effect as regards the Trustee even if it no longer is Trustee or the Bonds are no longer outstanding or this Trust Deed has been terminated.

13.3 **No obligations to monitor**: The Trustee shall be under no obligation to monitor or supervise the functions of any other person under any Transaction Document, and shall be entitled, in the absence of express notice in writing of a breach of obligation, to assume that each such person is properly and fully performing and complying with its obligations. The Trustee shall be under no obligation to monitor any financial performance of any of the Issuer and the Trustee shall not be responsible to the holders of the Bonds for any loss arising from any failure to do so.

13.4 **Certificate Signed by Authorised Signatories:** If the Trustee, in the exercise of its functions, rights, powers and/or discretions under this Trust Deed, the Agency Agreement, the Bonds or any other document to which the Trustee is a party in its capacity as such, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed by an Authorised Signatory of the Issuer as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and will not be responsible or liable to any Bondholder or any other person for any loss occasioned by relying or acting on such a certificate.

13.5 **Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all properly incurred sums due in respect thereof at the cost of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally) and the Trustee shall not be responsible for or required to insure against any loss incurred in connection with such deposit. The Trustee is not obliged to appoint a custodian of securities payable to bearer.

13.6 **Discretion:** The Trustee will have absolute and unfettered discretion as to the exercise or non-exercise of its functions, rights powers and discretions under any Transaction Document and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or

non-exercise. The Trustee shall not be bound to exercise any discretion or power or act at the request or direction of the Bondholders unless first indemnified and/or secured and/or pre-funded to its satisfaction.

13.7 **Agents:** Whenever it considers it expedient in the interests of the Bondholders, the Trustee may, in the conduct of its trust business, instead of acting personally, without the permission of any other party, employ and pay an agent (at the expense of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally)) selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money), provided that it has exercised due and reasonable care in its selection of such agent.

13.8 **Delegation:** Whenever it considers it expedient in the interests of the Bondholders, the Trustee may (at the expense of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally)) delegate to any person on any terms (including power to sub-delegate) all or any of its functions, provided that it has exercised due and reasonable care in its selection of such delegate.

13.9 **Nominees and Custodians:** In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee or custodian on any terms, provided that it has exercised due and reasonable care in its selection of such nominee or custodian.

13.10 **Confidentiality:** Unless ordered to do so by a court of competent jurisdiction or any regulatory body in any jurisdiction or as required by Applicable Law, the Trustee shall not be required to disclose to any Bondholder or any other person any confidential financial or other information made available to the Trustee by the Issuer, any Subsidiary Guarantor or any of their respective Subsidiaries and no Bondholder shall be entitled to take any action to obtain from the Trustee any such information.

13.11 **Determinations Conclusive:** As between itself and the Bondholders the Trustee may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed, the Agency Agreement and the Bonds. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, will be conclusive and shall bind all other parties and the Bondholders.

13.12 **Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it will (unless otherwise provided hereby, in the Conditions or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified will be binding on the Issuer, the Subsidiary Guarantors and the Bondholders.

13.13 **Events of Default etc.:** The Trustee may, but is not obliged to, determine in its sole and absolute discretion whether or not an Event of Default or Default or any other proposed action or any circumstance is in its opinion capable of remedy and/or materially prejudicial to the interests of the Bondholders. Any such determination will be conclusive and binding on the Issuer, the Subsidiary Guarantors and the Bondholders.

13.14 Bonds Held by the Issuer etc.: In the absence of express written notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under Clause 11.10) that no Bonds are for the time being held by or on behalf of the Issuer or its Subsidiaries.

13.15 Responsibility for Agents etc.: If the Trustee exercises reasonable care in selecting any custodian, agent, delegate or nominee appointed under this Trust Deed (an "**Appointee**"), it will not have any obligation to supervise or monitor the Appointee and shall not be responsible for any loss, liability, cost, claim, action, demand or expense incurred by reason of the Appointee's act, omission, misconduct or default or the act, omission, misconduct or default of any substitute appointed by the Appointee.

13.16 Interests of Holders through the Clearing Systems: In considering the interests of Bondholders while the Global Certificates are held on behalf of, or registered in the name of any nominee for, a clearing system, the Trustee may have regard to any certificate, report or any other information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or sub-accountholders with entitlements to the Global Certificates and may consider such interests as if such accountholders or sub-accountholders were the holders of the Bonds represented by the Global Certificates. The Trustee may call for any certificate or other document to be issued by the relevant clearing system as to the principal amount of Bonds evidenced by the Global Certificate standing to the account of any person. Any such certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to Bondholders, the Issuer, the Subsidiary Guarantors or any other person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by the relevant clearing system and subsequently found to be forged or not authentic or not to be correct.

13.17 Special Damages and Consequential Loss: Notwithstanding any other term or provision of this Trust Deed, the Agency Agreement or the Conditions to the contrary, the Trustee and its directors, officers, employees and duly appointed Appointees shall not be liable under any circumstances for special, punitive, indirect or consequential loss or damage of any kind whatsoever including but not limited to loss of business, goodwill, reputation, opportunity or profits or anticipated saving, in each case howsoever caused or arising and whether arising directly or indirectly and whether or not foreseeable, even if the Trustee is actually aware of or has been advised of the likelihood of such loss or damage and regardless of whether the claim for such loss or damage is made in negligence, for breach of contract, breach of trust, breach of fiduciary obligation or otherwise. The provisions of this Clause 13.17 shall survive the termination or expiry of this Trust Deed and/or the resignation or removal of the Trustee and/or the Bonds no longer being outstanding.

13.18 Interests of Bondholders: In connection with the exercise of its powers, trusts, authorities or discretions (including, but not limited to, those in relation to any proposed modification, waiver or authorisation of any breach or proposed breach of any of the Conditions or any of the provisions of this Trust Deed, the Agency Agreement or the Bonds), the Trustee shall have regard to the general interests of the Bondholders as a class and shall not have regard to any interest arising from circumstances particular to individual Bondholders (whatever their number) and, in

particular but without limitation, shall not have regard to the consequences of such exercise for individual Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or otherwise to the tax consequences thereof and no Bondholder shall be entitled to claim from the Issuer or the Trustee, any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders except to the extent provided for in Condition 10 (*Taxation*) and/or in any undertakings given in addition thereto or in substitution therefor pursuant to this Trust Deed.

13.19 **Illegality**: Nothing in the Transaction Documents or any other documents referred to herein or therein shall require the Trustee to do anything which in its opinion may be illegal or contrary to Applicable Law or cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authority or discretion hereunder or pursuant to the Transaction Documents or any other documents referred to herein or therein.

13.20 **Consolidation, amalgamation etc.**: The Trustee shall not be responsible for any consolidation, amalgamation, merger, reconstruction or scheme of the Issuer or any sale or transfer of all or substantially all of the assets of the Issuer or the form or substance of any plan relating thereto or the consequences thereof to any Bondholder.

13.21 **Issuer's Instructions binding on Subsidiary Guarantors**: The Trustee may act on the instructions of or request from the Issuer which instructions or request shall bind the Subsidiary Guarantors.

13.22 **Conversion Price**: The Trustee shall have no duty or responsibility to determine whether facts exist which may require an adjustment of the Conversion Price or to determine the nature or extent of any such adjustment when made or the method used or to be used in making it and will not be responsible to Bondholders or any other person for loss arising out of any failure by it to do so.

13.23 **The Shares**: The Trustee shall have no duty or responsibility at any time in respect of the validity or value (or the kind or amount) of the Shares or any other property which may at any time be issued or delivered on the conversion of any Bonds or the sale or other disposal of any Shares. The Trustee shall not be responsible for any failure of the Issuer to make available or deliver any Shares, share certificates or any other securities or property or make any payment on conversion of any Bond.

13.24 **No Responsibility for Recitals etc**.: The Trustee shall not be responsible for recitals, statements, warranties, representations, statements or covenants of any other party contained in this Trust Deed or any other Transaction Documents relating to the Bonds. The Trustee shall not be responsible for the execution, delivery, legality, perfection, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of, or any license, consent or other authority of, or for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed or Bonds or any other document or security relating to the Bonds.

13.25 **Professional Charges:** Any Trustee being a banker, lawyer, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by it on matters arising in connection with the trusts of this Trust Deed, the Agency

Agreement, the Bonds, the Conditions and any other documents relating to the Bonds.

13.26 **Force Majeure:** Notwithstanding anything to the contrary in this Trust Deed, the Agency Agreement, the Bonds, the Conditions or in any other Transaction Document, the Trustee shall not be responsible for any loss or damage, or failure to comply or delay in complying with any duty or obligation, under or pursuant to this Trust Deed arising as a direct or indirect result of any Force Majeure Event or any event where, in the reasonable opinion of the Trustee, performance of any duty or obligation under or pursuant to this Trust Deed would or may be illegal or would result in the Trustee being in breach of any law, rule, regulation, or any decree, order or judgment of any court, or practice, request, direction, notice, announcement or similar action (whether or not having the force of law) of any relevant government, government agency, regulatory authority, stock exchange or self-regulatory organisation to which the Trustee is subject. The provisions of this Clause 13.26 shall survive the termination or expiry of this Trust Deed or the Bonds no longer being outstanding or the resignation or removal of the Trustee. "**Force Majeure Event**" means any event (including but not limited to an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; any law, order or regulation of a governmental, supranational or regulatory body; regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; market conditions affecting the execution or settlement of transactions or the value of assets; and breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes) beyond the control of any party which restricts or prohibits the performance of the obligations of such party contemplated by this Trust Deed.

13.27 **Directions from Holders**: Whenever the Trustee is required or entitled by the terms of this Trust Deed or the Conditions to exercise any discretion or power, take any action, make any decision or give any direction, the Trustee is entitled, prior to exercising any such discretion or power, taking any such action, making any such decision, or giving any such direction, to seek directions from the majority Bondholders, and the Trustee is not responsible for any loss or liability incurred by any person as a result of any delay in it exercising such discretion or power, taking such action, making such decision or giving such direction where the Trustee is seeking such directions or in the event that the instructions sought are not provided by the holders of the Bonds.

13.28 **Error of Judgment:** The Trustee shall not be liable for any error of judgment made in good faith by any officer, director, agent or employee of the Trustee assigned by the Trustee to administer its corporate trust matters.

13.29 **Right to Deduct or Withhold:** Notwithstanding anything contained in this Trust Deed, to the extent required by Applicable Laws, if the Trustee is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whensoever made upon the Trustee, and whether in connection with or arising from

any sums received or distributed by it or to which it may be entitled under this Trust Deed (other than in connection with its remuneration as provided for herein) or any investments or deposits from time to time representing the same, including any income or gains arising therefrom or any action of the Trustee in connection with the trusts of this Trust Deed (other than the remuneration herein specified) or otherwise, then the Trustee shall be entitled to make such deduction or withholding or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Trustee to tax from the funds held by the Trustee upon the trusts of this Trust Deed, and the Trustee shall not be liable to gross-up such payments.

13.30 Legal Opinions: The Trustee shall not be responsible to any person for (i) failing to request, require or receive any legal opinion relating to the Bonds, this Trust Deed, the Agency Agreement, the Bonds and/or the Conditions or (ii) checking or commenting upon the content of any such legal opinion or (iii) the content of any such legal opinion, and the Trustee shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience incurred and resulting thereby.

14 Trustee's Duty of Care and Liability

Any statutory duty of care provided for in the Trustee Ordinance shall not apply to any function, right, power, discretion or act of the Trustee, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing in this Trust Deed shall relieve it, or indemnify it against property held under the trusts hereunder, from or against any liability which would otherwise attach to it in respect of a breach of trust arising from any gross negligence, wilful misconduct or fraud of which it may be guilty. Where there are inconsistencies between the Trustee Ordinance and the provisions of this Trust Deed, the provisions of this Trust Deed shall prevail to the extent allowed by law. In the case of an inconsistency with the Trustee Ordinance, the provisions of this Trust Deed shall take effect as a restriction or exclusion for the purpose of the Trustee Ordinance.

15 Enforcement

15.1 Proof of Default: Proof that the Issuer has failed to pay a sum due to the holder of any one Bond will (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Bonds which are then payable.

15.2 Enforcement:

15.2.1 ***Other Remedies*:** If an Event of Default occurs and is continuing, the Trustee may but will not be obligated to pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest (if any) on the Bonds or to enforce the performance of any provision of the Bonds or this Trust Deed. The Trustee may maintain a proceeding even if it does not possess any of the Bonds or does not produce any of them in the proceeding. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreements, the Trustee shall upon written request by the holders of not less than 25 per cent. in principal amount of the Bonds then outstanding, subject to being indemnified and/or secured and/or prefunded to its satisfaction, direct the Collateral Agent to foreclose on the Collateral and/or the ICL

Collateral in accordance with the terms of the Security Documents and/or the ICL Assignment Deed and take such further action on behalf of the Bondholders with respect to the Collateral and/or the ICL Collateral as the Collateral Agent or the Trustee, as the case may be, deems appropriate.

15.2.2 ***Control by Majority****:* The holders of at least a majority in aggregate principal amount of the outstanding Bonds may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or the Conditions or this Trust Deed, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Bondholders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders.

In connection with the exercise of its functions (including but not limited to those referred to herein) the Trustee shall have regard to the interests of holders of Bonds as a class and shall not have regard to the consequences of such exercise for individual holders.

15.2.3 ***Limitation on Suits****:* No holder may institute any proceeding, judicial or otherwise, with respect to the Conditions, this Trust Deed or the Bonds, or for the appointment of a receiver or trustee, or for any other remedy under the Conditions, this Trust Deed or the Bonds unless:

(i) the holder has previously given the Trustee written notice of a continuing Event of Default;

(ii) the holders of at least 25 per cent. in aggregate principal amount of outstanding Bonds make a written request to the Trustee to pursue the remedy;

(iii) such holder or holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity and/or security and/or prefunding satisfactory to the Trustee; and

(v) during such 60-day period, the holders of a majority in aggregate principal amount of the outstanding Bonds do not give the Trustee a direction that is inconsistent with the request.

A holder may not use the Conditions or this Trust Deed to prejudice the rights of another holder or to obtain a preference or priority over another holder.

15.2.4 ***Rights of Holders to Receive Payment****:* Notwithstanding anything to the contrary, the right of any holder of a Bond to receive payment of the principal of such Bond or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Bonds shall not be impaired or affected

without the consent of holders of not less than 75 per cent. of the principal amount of the Bonds then outstanding in accordance with Clause 16.5 and Condition 15E (*Waiver of Past Defaults*) and/or Clause 16.2 and Condition 15B (*Amendments with Consent of Holders*).

15.2.5 ***Collection Suit by Trustee***: If an Event of Default in payment specified in paragraph (i) of Condition 11 (*Events of Default*) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid at the rate specified in the Bonds, and such further amount as is sufficient to cover the costs and expenses of collection, including the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

15.2.6 ***Trustee May File Proofs of Claim****:* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the holders allowed in any judicial proceedings relating to the Issuer or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Bonds or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorised by each holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Trust Deed shall be deemed to empower the Trustee to authorise or consent to, or accept or adopt on behalf of any holder, any plan of reorganisation, arrangement, adjustment or composition affecting the Bonds or the rights of any holder thereof, or to authorise the Trustee to vote in respect of the claim of any holder in any such proceeding.

15.2.7 ***Restoration of Rights and Remedies****:* If the Trustee or any holder has instituted a proceeding to enforce any right or remedy under the Conditions or this Trust Deed and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the holder, then, subject to any determination in the proceeding, the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall continue as though no such proceeding had been instituted.

15.2.8 ***Undertaking for Costs****:* In any suit for the enforcement of any right or remedy under the Conditions or this Trust Deed or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking

to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Clause 15.2.8 does not apply to a suit by a holder to enforce payment of principal of or interest (if any) on any Bond on the respective due dates, or a suit by holders of more than 10 per cent. in principal amount of the outstanding Bonds.

15.2.9 ***Rights and Remedies Cumulative****:* No right or remedy conferred or reserved to the Trustee or to the holders under the Conditions or this Trust Deed is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or exercise of any other right or remedy.

15.2.10 ***Delay or Omission Not Waiver****:* No delay or omission of the Trustee or of any holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or acquiescence therein. Every right and remedy given by this Clause 15.2 or by law to the Trustee or to the holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders, as the case may be.

15.2.11 ***Waiver of Stay, Extension or Usury Laws****:* The Issuer and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer or such Subsidiary Guarantor, as the case may be, from paying all or any portion of the principal of, or premium (if any) or interest (if any) on the Bonds as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of the Conditions or this Trust Deed. The Issuer and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted. The Trustee is entitled to require all Agents to act under its direction following the occurrence of an Event of Default.

After an amendment, supplement or waiver becomes effective, it shall bind every holder. Upon a waiver of a Default, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an amendment, supplement or waiver changes the terms of a Bond, the holder shall deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Bond and return it to the holder, or exchange it for a new Bond that reflects the changed terms. The Trustee shall also place an appropriate notation on any Bond thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Bonds in this fashion.

16.4 Trustee's Rights and Obligations

The Trustee is entitled to receive, and shall be fully protected in relying upon, an Officers' Certificate and Opinion of Counsel stating that the execution of any

amendment, supplement or waiver authorised pursuant to this Clause 16 is authorised or permitted by the Conditions or this Trust Deed. If the Trustee has received such an Officers' Certificate and Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights, duties, liabilities or immunities of the Trustee.

16.5 Waiver of Past Defaults

The holders of at least a majority in principal amount of the outstanding Bonds by written notice to the Issuer and to the Trustee may on behalf of the holders of the Bonds waive all past Defaults (except a Default or Event of Default (i) in respect of the payment of principal; or (ii) in respect of a Reserved Matter under Clause 16.2 cannot be modified, amended or waived without the consent of 75 per cent. in principal amount of the outstanding Bonds; in each case of (i) and (ii), which may only be waived with the consent of the holders of at least 75 per cent. of the principal amount of the Bonds then outstanding) or any default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed (subject to the requirements of the Common Security Intercreditor Agreement) and rescind and annul a declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist or the default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed will cease to exist (subject to the requirements of the Common Security Intercreditor Agreement), and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed or impair any right consequent thereon.

17 Appointment, Retirement and Removal of the Trustee

17.1 Appointment: Subject as provided in Clause 17.2 below, the Issuer has the power of appointing new trustees. A trust corporation will at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee will be notified by the Issuer to the Bondholders as soon as practicable.

17.2 Retirement and Removal: Any Trustee may retire at any time on giving at least 45 days' written notice to the Issuer and the Subsidiary Guarantors without giving any reason or being responsible for any costs or liabilities occasioned by such retirement or the appointment of a new trustee, and the Bondholders of a majority in principal amount of the outstanding Bonds may remove any Trustee provided that the retirement or removal of a sole trust corporation will not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or the Bondholders of a majority in principal amount of the outstanding Bonds resolve to remove the sole trust corporation, the Issuer will use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so by the day falling 15 days prior to the expiry of such 45-days notice period or, as the case may be, by the day falling 45-days after the date of such resolution of the majority Bondholders, the Trustee shall have the power (i) to appoint a new trustee without consent of the Issuer, the Subsidiary Guarantors and the requirement of a resolution of the majority Bondholders or (ii) to petition any court of

competent jurisdiction for its resignation, in each case at the expense of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally).

17.3 **Co-Trustees:** The Trustee may, despite Clause 17.1, by written notice to the Issuer but without consent of the Issuer, the Subsidiary Guarantors or the Bondholders, appoint anyone to act as an additional trustee jointly with the Trustee:

17.3.1 if the Trustee considers the appointment to be in the interests of the Bondholders;

17.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

17.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person remove that person. At the Trustee's request, the Issuer will forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

17.4 **Competence of a Majority of Trustees:** If there are more than two Trustees, the majority of them will be competent to perform the Trustee's functions, provided the majority includes a trust corporation.

17.5 **Successor:** Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor to the Trustee hereunder without the execution or filing of any papers or any further act on the part of any of the parties hereto. Notice shall be given to the Issuer by the Trustee as soon as practicable if any event described in this Clause 17.5 occurs.

18 Currency Indemnity

18.1 **Currency of Account and Payment:** U.S. dollars (the "**Contractual Currency**") is the sole currency of account and payment for all sums payable by the Issuer or any Subsidiary Guarantor under or in connection with the Bonds, this Trust Deed and the Guarantee, including damages.

18.2 **Extent of Discharge:** An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or any Subsidiary Guarantor or otherwise), by the Trustee or any Bondholder in respect of any sum expressed to be due to it from the Issuer will only discharge the Issuer or any Subsidiary Guarantor to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

18.3 **Indemnity:** If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Bonds, this Trust Deed or the Guarantee, the Issuer and each Subsidiary Guarantor will indemnify the recipient against any loss sustained by it as a result. In any event, the Issuer and each Subsidiary Guarantor will indemnify the recipient against the cost of making any such purchase.

18.4 **Indemnity Separate:** The indemnities in this Clause 18 and in Clauses 4.1 and 12.4 constitute separate and independent obligations from the other obligations in this Trust Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and/or any Bondholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Agency Agreement and/or the Bonds or any other judgment or order.

18.5 **Continuing Effect:** Clause 18 will continue in full force and effect as regards the Trustee even if it no longer is Trustee.

GLOBAL CERTIFICATE

This Global Certificate is issued in respect of the U.S.$[●] in aggregate principal amount of the zero coupon secured guaranteed mandatory convertible bonds due [●] (the "**Bonds**") of Country Garden

Holdings Company Limited (the "**Issuer**") and unconditionally and irrevocably guaranteed by the Subsidiary Guarantors (as defined in the Trust Deed (as defined below)). The Bonds will also have the benefit of the Collateral and the ICL Collateral. This Global Certificate certifies that CCB Nominees Limited (the "**Registered Holder**") as nominee of the Common Depository for Euroclear and Clearstream is registered as the holder of such principal amount of the Bonds at the date hereof.

The Bonds are constituted by, are subject to, and have the benefit of, the Trust Deed and the Conditions (each as defined below).

The Bonds will be convertible into fully paid ordinary shares of par value HK$0.10 each in the share capital of the Issuer subject to the Trust Deed and the Conditions.

Interpretation and Definitions

References in this Global Certificate to the "**Conditions**" are to the Terms and Conditions applicable to the Bonds (which are in the form set out in Schedule 3 to the Trust Deed (the "**Trust Deed**") dated [●] between the Issuer, the Subsidiary Guarantors and GLAS Agency (Hong Kong) Limited as trustee (the "**Trustee**"), as such form is supplemented and/or modified and/or superseded by the provisions of this Global Certificate, which in the event of any conflict shall prevail). Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Issuer, for value received, promises to pay to the Registered Holder (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Bonds) on such date or dates as the same may become repayable in accordance with the Conditions, the amount payable upon redemption under the Conditions in respect of the Bonds represented by this Global Certificate and (unless the Bonds represented by this Global Certificate do not bear interest) to pay interest in respect of such Bonds in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Bonds represented by this Global Certificate, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions. Each payment will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the due date for payment, where "**Clearing System Business Day**" means a weekday (Monday to Friday, inclusive) except 25 December and 1 January.

For the purposes of this Global Certificate: (a) the holder of the Bonds represented by this Global Certificate is bound by the provisions of the Trust Deed and those provisions applicable to it of the Agency Agreement; (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Bonds represented by this Global Certificate; (c) this Global Certificate is evidence of entitlement only; (d) title to the Bonds represented by this Global Certificate passes only on due registration on the Register; and (e) only the holder of the Bonds represented by this Global Certificate is entitled to payments in respect of the Bonds represented by this Global Certificate.

The Issuer acknowledges that details of each payment shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System (as defined below) (the "**relevant clearing system(s)**"), as the case may be) and in the case of any payment of principal and upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the

Bonds so redeemed. Any failure to make the entries in the records of the relevant clearing systems referred to herein shall not affect the discharge of the Issuer's obligations in respect of such payments.

The records of the relevant clearing systems (which expression in this Global Certificate means the records that each relevant clearing system holds for its accountholders which reflect the amount of such accountholders' interests in the Bonds) shall be conclusive evidence of the principal amount of the Bonds represented by this Global Certificate and, for these purposes, a statement issued by a relevant clearing system (which statement shall be made available to the Registered Holder upon request) stating the principal amount of Bonds represented by this Global Certificate at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Exchange of Bonds Represented by Global Certificate

Owners of interests in the Bonds in respect of which this Global Certificate is issued will be entitled to have title to the Bonds registered in their names and to receive Certificates if either Euroclear or Clearstream or any other clearing system approved by the Issuer and the Trustee (an "**Alternative Clearing System**") through which the Bonds are cleared is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so. In such circumstances, the Issuer at its own expense will cause sufficient Certificates, printed in accordance with any applicable legal and stock exchange requirements and in, or substantially in, the form set out in the Trust Deed, to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant holders of the Bonds. A person with an interest in the Bonds in respect of which this Global Certificate is issued must provide the Registrar not less than 30 days' notice at its specified office of such holder's intention to effect such exchange and a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Certificates.

The Conditions are modified as follows in so far as they apply to the Bonds in respect of which this Global Certificate is issued.

Notices

So long as the Bonds are represented by this Global Certificate and this Global Certificate is held on behalf of Euroclear and Clearstream or any Alternative Clearing System, notices to be given to Bondholders may be given by their being delivered to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System, for communication by it to accountholders entitled to an interest in the Bonds rather than by publication as required by the Conditions and shall be deemed to have been given on the date of delivery to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System.

Issuer's Redemption

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Bondholders and to Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System) (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that in the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Bonds will be governed by the standard procedures of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System). Following the exercise of any such option, the Issuer shall procure that the principal amount of the Bonds recorded in the records of Euroclear or Clearstream (or, as the case may be, any Alternative Clearing System) and represented by this Global Certificate shall be reduced accordingly.

Bondholder's Redemption

The Bondholder's redemption option in Condition 9C (*Redemption for Relevant Event*) may be exercised by the holder of this Global Certificate giving notice to the Principal Agent of the principal amount of Bonds in respect of which the relevant option is exercised within the time limits specified in and containing the information required by the Conditions.

Notice of exercise received within the time limits specified in the Conditions by the Principal Agent from or on behalf of a holder of a book-entry interest in the relevant Bonds will be accepted by the Issuer as having been given by the holder as to the principal amount of Bonds in respect of which it is given (but without double counting), and whether or not this Global Certificate is presented for endorsement therewith.

Voluntary Conversion

Subject to the requirements of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System), the Voluntary Conversion Rights attaching to the Bonds in respect of which this Global Certificate is issued may be exercised by the presentation thereof to or to the order of the Conversion Agent of one or more Voluntary Conversion Notices duly completed by or on behalf of a holder of a book-entry interest in such Bonds. Deposit of this Global Certificate with the Conversion Agent together with the relevant Voluntary Conversion Notice(s) shall not be required. The exercise of the Voluntary Conversion Right shall be notified by the Conversion Agent to the Registrar and the holder of this Global Certificate.

Mandatory Conversion and Trigger Conversion

Unless previously redeemed, converted or purchased and cancelled as provided in the Conditions and without prejudice to each Bondholder's Voluntary Conversion Right, all remaining Bonds outstanding will be subject to the Trigger Conversion, the Periodic Mandatory Conversion and the Maturity Mandatory Conversion, as the case may be, on the terms and subject to the Conditions.

Transfers

Transfers of beneficial interests in the Bonds represented by this Global Certificate will be effected through the records of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System) and their respective participants in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System) and their respective direct and indirect participants.

Cancellation

On cancellation of any Bond represented by this Global Certificate that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer acknowledges that details of such cancellation shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System, as the case may be) and, upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the Bonds so cancelled.

Trustee's Powers

In considering the interests of Bondholders while this Global Certificate is registered in the name of a nominee for a clearing system or clearing systems, the Trustee may, to the extent it considers it appropriate to do so in the circumstances, but without being obligated to do so, (a) have regard to any information as may have been made available to it by or on behalf of the relevant clearing system or its operator as to the identity of its accountholders (either individually or by way of category) with entitlements in respect of the Bonds; and (b) consider such interests on the basis that

such accountholders were the holders of the Bonds in respect of which this Global Certificate is issued.

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar.

This Global Certificate shall be governed by and construed in accordance with Hong Kong law.

In witness whereof the Issuer has caused this Global Certificate to be signed on its behalf.

the Subsidiary Guarantors

GLOBAL CERTIFICATE

This Global Certificate is issued in respect of the U.S.$[●] in aggregate principal amount of the zero coupon secured guaranteed mandatory convertible bonds due [●] (the "**Bonds**") of Country Garden Holdings Company Limited (the "**Issuer**") and unconditionally and irrevocably guaranteed by the Subsidiary Guarantors (as defined in the Trust Deed (as defined below)). The Bonds will also have the benefit of the Collateral and the ICL Collateral. This Global Certificate certifies that CCB Nominees Limited (the "**Registered Holder**") as nominee of the Common Depository for Euroclear and Clearstream is registered as the holder of such principal amount of the Bonds at the date hereof.

The Bonds are constituted by, are subject to, and have the benefit of, the Trust Deed and the Conditions (each as defined below).

The Bonds will be convertible into fully paid ordinary shares of par value HK$0.10 each in the share capital of the Issuer subject to the Trust Deed and the Conditions.

Interpretation and Definitions

References in this Global Certificate to the "**Conditions**" are to the Terms and Conditions applicable to the Bonds (which are in the form set out in Schedule 3 to the Trust Deed (the "**Trust Deed**") dated [●] between the Issuer, the Subsidiary Guarantors and GLAS Agency (Hong Kong) Limited as trustee (the "**Trustee**"), as such form is supplemented and/or modified and/or superseded by the provisions of this Global Certificate, which in the event of any conflict shall prevail). Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Issuer, for value received, promises to pay to the Registered Holder (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Bonds) on such date or dates as the same may become repayable in accordance with the Conditions, the amount payable upon redemption under the Conditions in respect of the Bonds represented by this Global Certificate and (unless the Bonds represented by this Global Certificate do not bear interest) to pay interest in respect of such Bonds in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Bonds represented by this Global Certificate, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions. Each payment will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the due date for payment, where "**Clearing System Business Day**" means a weekday (Monday to Friday, inclusive) except 25 December and 1 January.

For the purposes of this Global Certificate: (a) the holder of the Bonds represented by this Global Certificate is bound by the provisions of the Trust Deed and those provisions applicable to it of the Agency Agreement; (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Bonds represented by this Global Certificate; (c) this Global Certificate is evidence of entitlement only; (d) title to the Bonds represented by this Global Certificate passes only on due registration on the Register; and (e) only the holder of the Bonds represented by this Global Certificate is entitled to payments in respect of the Bonds represented by this Global Certificate.

The Issuer acknowledges that details of each payment shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System (as defined below) (the "**relevant clearing system(s)**"), as the case may be) and in the case of any payment of principal and upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the Bonds so redeemed. Any failure to make the entries in the records of the relevant clearing systems referred to herein shall not affect the discharge of the Issuer's obligations in respect of such payments.

The records of the relevant clearing systems (which expression in this Global Certificate means the records that each relevant clearing system holds for its accountholders which reflect the amount of such accountholders' interests in the Bonds) shall be conclusive evidence of the principal amount of the Bonds represented by this Global Certificate and, for these purposes, a statement issued by a relevant clearing system (which statement shall be made available to the Registered Holder upon request) stating the principal amount of Bonds represented by this Global Certificate at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Exchange of Bonds Represented by Global Certificate

Owners of interests in the Bonds in respect of which this Global Certificate is issued will be entitled to have title to the Bonds registered in their names and to receive Certificates if either Euroclear or Clearstream or any other clearing system approved by the Issuer and the Trustee (an "**Alternative Clearing System**") through which the Bonds are cleared is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so. In such circumstances, the Issuer at its own expense will cause sufficient Certificates, printed in accordance with any applicable legal and stock

exchange requirements and in, or substantially in, the form set out in the Trust Deed, to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant holders of the Bonds. A person with an interest in the Bonds in respect of which this Global Certificate is issued must provide the Registrar not less than 30 days' notice at its specified office of such holder's intention to effect such exchange and a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Certificates.

The Conditions are modified as follows in so far as they apply to the Bonds in respect of which this Global Certificate is issued.

Notices

So long as the Bonds are represented by this Global Certificate and this Global Certificate is held on behalf of Euroclear and Clearstream or any Alternative Clearing System, notices to be given to Bondholders may be given by their being delivered to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System, for communication by it to accountholders entitled to an interest in the Bonds rather than by publication as required by the Conditions and shall be deemed to have been given on the date of delivery to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System.

Issuer's Redemption

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Bondholders and to Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System) (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that in the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Bonds will be governed by the standard procedures of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System). Following the exercise of any such option, the Issuer shall procure that the principal amount of the Bonds recorded in the records of Euroclear or Clearstream (or, as the case may be, any Alternative Clearing System) and represented by this Global Certificate shall be reduced accordingly.

Bondholder's Redemption

The Bondholder's redemption option in Condition 9C (*Redemption for Relevant Event*) may be exercised by the holder of this Global Certificate giving notice to the Principal Agent of the principal amount of Bonds in respect of which the relevant option is exercised within the time limits specified in and containing the information required by the Conditions.

Notice of exercise received within the time limits specified in the Conditions by the Principal Agent from or on behalf of a holder of a book-entry interest in the relevant Bonds will be accepted by the Issuer as having been given by the holder as to the principal amount of Bonds in respect of which it is given (but without double counting), and whether or not this Global Certificate is presented for endorsement therewith.

Voluntary Conversion

Subject to the requirements of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System), the Voluntary Conversion Rights attaching to the Bonds in respect of which this Global Certificate is issued may be exercised by the presentation thereof to or to the order of the Conversion Agent of one or more Voluntary Conversion Notices duly completed by or on behalf of a holder of a book-entry interest in such Bonds. Deposit of this Global Certificate with the Conversion Agent together with the relevant Voluntary Conversion Notice(s) shall not be required. The exercise

of the Voluntary Conversion Right shall be notified by the Conversion Agent to the Registrar and the holder of this Global Certificate.

Mandatory Conversion and Trigger Conversion

Unless previously redeemed, converted or purchased and cancelled as provided in the Conditions and without prejudice to each Bondholder's Voluntary Conversion Right, all remaining Bonds outstanding will be subject to the Trigger Conversion, the Periodic Mandatory Conversion and the Maturity Mandatory Conversion, as the case may be, on the terms and subject to the Conditions.

Transfers

Transfers of beneficial interests in the Bonds represented by this Global Certificate will be effected through the records of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System) and their respective participants in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System) and their respective direct and indirect participants.

Cancellation

On cancellation of any Bond represented by this Global Certificate that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer acknowledges that details of such cancellation shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System, as the case may be) and, upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the Bonds so cancelled.

Trustee's Powers

In considering the interests of Bondholders while this Global Certificate is registered in the name of a nominee for a clearing system or clearing systems, the Trustee may, to the extent it considers it appropriate to do so in the circumstances, but without being obligated to do so, (a) have regard to any information as may have been made available to it by or on behalf of the relevant clearing system or its operator as to the identity of its accountholders (either individually or by way of category) with entitlements in respect of the Bonds; and (b) consider such interests on the basis that such accountholders were the holders of the Bonds in respect of which this Global Certificate is issued.

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar.

This Global Certificate shall be governed by and construed in accordance with Hong Kong law.

In witness whereof the Issuer has caused this Global Certificate to be signed on its behalf.

the Trustee a copy of the board resolutions giving effect to the designation and submitting to the Trustee and the Monitoring Accountant an Officers' Certificate certifying that the designation complied with the foregoing provisions.

G. ***Undertaking to Pay Work Fees***

The Issuer shall pay, or procure the payment of, the AHG Work Fee and each CoCom Work Fee in such manner and at such time as set forth in the Work Fee Letters.

6. Interest

The Bonds do not bear interest.

7. Conversion

The Bonds are convertible into Shares on the terms and subject to these Conditions.

A. ***Conversion***

(i) *Voluntary Conversion*: Subject as hereinafter provided, each Bondholder has the right (the "**Voluntary Conversion Right**") to convert the Bonds held by it into Shares at any time during the period from the Issue Date up to and including 3:00 pm (at the place where the Certificate evidencing such Bond is deposited for conversion) on the Voluntary Conversion Period End Date at the Conversion Price (the "**Voluntary Conversion**").

(ii) *Maturity Mandatory Conversion*: Subject as hereinafter provided (including the provisions of Condition 7A(v) (*Suspension of Mandatory Conversion and Trigger Conversion*) and Condition 9A (*Maturity*)), each Bond outstanding (excluding any Bond in respect of which a Voluntary Conversion Right has been exercised and the Voluntary Conversion Date falls on or prior to the Maturity Mandatory Conversion Record Date, any Bond which has been called for redemption by the Issuer before the Maturity Date pursuant to Condition 9B (*Redemption at the Option of the Issuer*) and any Bond in respect of which a Relevant Event Redemption Notice has been given by the holder of such Bond pursuant to Condition 9C (*Redemption for Relevant Event*)) on the Maturity Mandatory Conversion Record Date shall be automatically and mandatorily converted into Shares on the Maturity Mandatory Conversion Date at the Conversion Price (the "**Maturity Mandatory Conversion**").

(iii) *Trigger Conversion*: At any time prior to the Maturity Mandatory Conversion Record Date, if the VWAP of a Share (translated into U.S. dollars at the Prevailing Rate on the relevant date) for any 20 Trading Days within a period of 30 consecutive Trading Days, for each such 20 Trading Days, is above 130 per cent. of the Conversion Price (translated into U.S. dollars at the Fixed Exchange Rate) then in effect (the "**Trigger Conversion Event**"), each Bond outstanding (excluding any Bond in respect of which the Voluntary Conversion Date falls prior to the Trigger Conversion Record Date) on the Trigger Conversion Record Date shall be automatically and mandatorily converted into Shares on the Trigger Conversion Date at the Conversion Price (the "**Trigger Conversion**") in accordance with the provisions of Condition 7B (*Conversion Procedure*).

(iv) *Periodic Mandatory Conversion*: Subject as hereinafter provided (including the provisions of Condition 7A(v) (*Suspension of Mandatory Conversion and Trigger Conversion*)), if the Relevant Mandatory Conversion Amount is above zero on any Periodic Mandatory Conversion Record Date, the Bonds in an aggregate principal

amount equal to the Relevant Mandatory Conversion Amount shall be automatically and mandatorily converted into Shares on the relevant Periodic Mandatory Conversion Date at the Conversion Price (each, a "**Periodic Mandatory Conversion**") in accordance with the provisions of Condition 7B (*Conversion Procedure*). The principal amount of each U.S.$1,000 in principal amount of Bonds to be converted pursuant to the relevant Periodic Mandatory Conversion shall be calculated on a *pro rata* basis according to the following formula:

$$P = \frac{A}{B} \, x \, C$$

Where:

P is, with respect to U.S.$1,000 in principal amount of each Bond, the principal amount to be converted pursuant to the relevant Periodic Mandatory Conversion;

A is the Relevant Mandatory Conversion Amount;

B is the aggregate principal amount of the Bonds outstanding on the relevant Periodic Mandatory Conversion Record Date, which, for the avoidance of doubt, shall not include the principal amount of Bonds in respect of which the Voluntary Conversion Date falls prior to such Periodic Mandatory Conversion Record Date; and

C is U.S.$1,000.

(v) *Suspension of Mandatory Conversion and Trigger Conversion*:

(a) Notwithstanding anything to the contrary in this Condition 7 (*Conversion*), but subject to paragraph (b) below, no Mandatory Conversion and/or Trigger Conversion shall occur and the provisions of Condition 7A(ii) (*Maturity Mandatory Conversion*), Condition 7A(iii) (*Trigger Conversion*) and Condition 7A(iv) (*Periodic Mandatory Conversion*) shall be suspended:

(I) automatically without Acceleration, upon the occurrence of an Insolvency EOD until such Insolvency EOD is cured or waived by the holders of the Bonds (the "**Insolvency EOD Related Suspension Period**");

(II) automatically without Acceleration, upon the occurrence of an Event of Default (other than an Insolvency EOD) until the earlier of (1) the end of the four-month period from and including the date on which notice is given to Bondholders pursuant to Condition 17 (*Notices*) by the Issuer and by writing to the Trustee in respect of the occurrence of such Event of Default and (2) the date on which such Event of Default is cured or waived by the holders of or lenders under the relevant Scheme Instruments (the "**EOD Related Suspension Period**");

(III) upon an Acceleration until such Acceleration is annulled and rescinded pursuant to these Conditions or the Trust Deed (the "**Acceleration Related Suspension Period**")

(IV) if the Shares cease to be listed or admitted to trading, or are suspended for trading on the Hong Kong Stock Exchange or, if applicable, the Alternative Stock Exchange until the later of (x) Shares resume trading on the relevant stock exchange and (y) to the extent the foregoing constitutes a "Relevant Event" based on prongs (i) and (ii) of its definition, the expiry of the Relevant Event Redemption Notice Period (the "**Trading Suspension Period**"); or

(V) when there is a Change of Control, until the expiry of the Relevant Event Redemption Notice Period (the "**Change of Control Suspension Period**"),

(each such event, an "**MCB Suspension Event**"), provided that with respect to paragraphs (I), (II), (IV) and (V) above, upon an Acceleration during an Insolvency EOD Related Suspension Period, an EOD Related Suspension Period, a Trading Suspension Period or a Change of Control Suspension Period, the MCB Suspension Event shall continue to apply until (if the Acceleration is annulled and rescinded) the end of the Acceleration Related Suspension Period. For the avoidance of doubt, no MCB Suspension Event shall affect any holder's Voluntary Conversion Right.

(b) On the Trading Day following the expiry of the Insolvency EOD Related Suspension Period, the EOD Related Suspension Period, the Acceleration Related Suspension Period, the Trading Suspension Period or the Change of Control Suspension Period (as the case may be), the provisions of Condition 7A(ii) (*Maturity Mandatory Conversion*), Condition 7A(iii) (*Trigger Conversion*) and Condition 7A(iv) (*Periodic Mandatory Conversion*) shall revive and any Mandatory Conversion(s) or Trigger Conversion(s) which would have occurred but for the occurrence of an MCB Suspension Event shall take effect on such date.

(c) If an Acceleration occurs on a Periodic Mandatory Conversion Record Date or such date on which any Periodic Mandatory Conversion(s) would have occurred in accordance with Condition 7A(iv) (*Periodic Mandatory Conversion*) but for such Acceleration, such Acceleration shall not affect the Periodic Mandatory Conversion(s) on such date and the suspension shall apply only to the remaining principal amount of Bonds not subject to the relevant Periodic Mandatory Conversion(s).

(vi) *Cancellation of Bonds*: Upon a Maturity Mandatory Conversion, any Periodic Mandatory Conversion or Trigger Conversion, the principal of Bonds to be converted as a result thereof shall be cancelled and marked down by the Agents on the relevant Conversion Date without any further instruction from any person and thereafter the entitlement of a holder in respect of such principal amount shall be limited to delivery of Shares by the Issuer in accordance with and in the circumstances required under these Conditions. None of the Trustee and the Agents shall be responsible for the conversion of or monitoring or ensuring the conversion and delivery of the Bonds into Shares pursuant to Condition 7A(ii) (*Maturity Mandatory Conversion*) to Condition 7A(iv) (*Periodic Mandatory Conversion*), which shall be the sole responsibility of the Issuer.

(vii) *Calculation of Conversion Shares*: The number of Shares to be issued on conversion of a Bond will be determined by dividing the principal amount of the Bond to be converted (translated into Hong Kong dollars at the Fixed Exchange Rate) by the Conversion Price in effect on the relevant Conversion Date. The Voluntary Conversion Right may only be exercised in respect of one or more Bonds. If more than one Bond is converted pursuant to any one Voluntary Conversion Notice or Mandatory Conversion Reply Form such that the Shares to be issued on conversion are to be registered in the same name, the number of Shares to be issued upon such conversion will be calculated on the basis of the aggregate principal amount of the Bonds to be converted.

(viii) *Fractions of Shares:* Fractions of Shares will not be issued on conversion and no cash adjustments will be made in respect thereof. However, if a Conversion in respect of more than one Bond is exercised pursuant to any one Voluntary Conversion Notice or Mandatory Conversion Reply Form such that the Shares to be issued on conversion are to be registered in the same name, the number of such Shares to be issued in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares. Notwithstanding the foregoing, in the event of a consolidation, reclassification or redesignation of Shares by operation of law or otherwise occurring after [●] which reduces the number of Shares outstanding, the Issuer will, upon conversion of Bonds pay in cash in U.S. dollars a sum (but only if such sum exceeds U.S.$100.00) equal to the product (rounded down to the nearest integral multiple of U.S.$1.00) of (I) any such fraction of a Share so rounded down and (II) the higher of (a) the Closing Price on the Trading Day immediately preceding the relevant Conversion Date and (b) the Conversion Price on such Conversion Date. Any such sum shall be due and payable on the date the Shares are delivered pursuant to Condition 7B(vi) (*Delivery of Shares*).

(ix) *No duty to monitor*: Neither the Trustee nor any Agent shall be required to take any steps to ascertain whether any event leading to Trigger Conversion, Periodic Mandatory Conversion or MCB Suspension Event and will not be responsible or liable to any person for any loss arising from any failure by it to do so.

B. *Conversion Procedure*

(i) *Voluntary Conversion*:

(a) To exercise the Voluntary Conversion Right attaching to any Bond, the holder thereof must complete, execute and deposit (at his own expense) at the specified office of any Conversion Agent between 9:00 am and 3:00 pm on any business day (at the place where the Certificate evidencing such Bond is deposited for conversion) a notice of conversion (a "**Voluntary Conversion Notice**") falling on or before the Voluntary Conversion Period End Date, with a copy to the Calculation Agent in duplicate in the form (for the time being current) obtainable from the specified office of each Conversion Agent, together with the relevant Certificate in respect of such Bond and confirmation that any amounts required to be paid by the Bondholder under Condition 7B(v) (*Stamp Duty etc.*) have been so paid. Voluntary Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in

which the specified office of the Conversion Agent to whom the relevant Voluntary Conversion Notice is delivered is located.

(b) The conversion date in respect of a Bond subject to Voluntary Conversion (the "**Voluntary Conversion Date**") must fall at a time when the Voluntary Conversion Right attaching to that Bond is expressed in these Conditions to be exercisable and will be deemed to be the Trading Day immediately following the later of the date of the surrender of the Certificate in respect of such Bond and delivery of such Voluntary Conversion Notice (if they are not surrendered and delivered on the same day) to the relevant Conversion Agent and, if applicable, the date of making any payment or giving any indemnity under these Conditions in connection with the exercise of such Voluntary Conversion Right. A Voluntary Conversion Notice deposited outside the hours specified above or on a day which is not a business day at the place of the specified office of the relevant Conversion Agent shall for all purposes be deemed to have been deposited with that Conversion Agent during the hours specified above on the next business day as aforesaid following such day. Any Bondholder who deposits a Voluntary Conversion Notice during a Closed Period will not be permitted to convert the Bonds into Shares (as specified in the Voluntary Conversion Notice) until the next business day at the place of the specified office of the relevant Conversion Agent after the end of the Closed Period, which (if all other conditions to the conversion have been fulfilled) will be the Voluntary Conversion Date for such Bonds provided that such date is no later than the Voluntary Conversion Period End Date. A Voluntary Conversion Notice once delivered shall be irrevocable unless Issuer consents in writing to its withdrawal or the Issuer fails to deliver Shares in accordance with these Conditions.

(ii) *Conversion other than Voluntary Conversion*:

(a) The Issuer shall deliver a duly executed mandatory conversion notice in the form attached to the Agency Agreement to the Bondholders in accordance with Condition 17 (*Notices*) and to the Trustee and the Agents in writing, by no later than,

(I) the second Trading Day after the Maturity Mandatory Conversion Record Date, in the case of the Maturity Mandatory Conversion (the "**Maturity Mandatory Conversion Notice**");

(II) the second Trading Day after the relevant Periodic Mandatory Conversion Record Date, in the case of a Periodic Mandatory Conversion (the "**Periodic Mandatory Conversion Notice**");

(III) the second Trading Day after the Trigger Conversion Record Date, in the case of the Trigger Conversion (the "**Trigger Conversion Notice**");

provided that such mandatory conversion notice shall contain a confirmation by the Issuer signed by any of its Officers that no MCB Suspension Event has occurred and is continuing as of the date of such notice.

(b) Upon receiving such Maturity Mandatory Conversion Notice, Periodic Mandatory Conversion Notice or Trigger Conversion Notice, as the case may be, by no later than:

(I) the fifth Trading Day after the date of the Maturity Mandatory Conversion Notice (the "**Maturity Mandatory Conversion Reply Form Cut-Off Date**"), in the case of the Maturity Mandatory Conversion;

(II) the fifth Trading Day after the date of the relevant Periodic Mandatory Conversion Notice (the "**Periodic Conversion Reply Form Cut-Off Date**"), in the case of a Periodic Mandatory Conversion; or

(III) the fifth Trading Day after the date of the Trigger Conversion Notice (the "**Trigger Conversion Reply Form Cut-Off Date**"), in the case of the Trigger Conversion,

each Bondholder must complete, execute and deposit (at its own expense) at the specified office of any Conversion Agent between 9:00 am and 3:00 pm on any business day (at the place where the Certificate(s) evidencing the Bonds the subject of the relevant Mandatory Conversion Reply Form is surrendered), a reply form (the "**Mandatory Conversion Reply Form**"), with a copy to the Calculation Agent, in the form (for the time being current) obtainable from the specified office of each Conversion Agent, together with the relevant Certificate and confirmation that any amounts required to be paid by the Bondholder under Condition 7B(v) (*Stamp Duty etc.*) have been so paid (the "**Replied Bonds**").

(c) In the event that a Bondholder fails to comply with the foregoing requirements on or before the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date or the Trigger Conversion Reply Form Cut-Off Date, as the case may be (the principal amount of Bonds being mandatorily converted and in respect of which the relevant holder has failed to comply with the foregoing requirements, being the "**Unreplied Bonds**"), the Issuer will as soon as reasonably practicable thereafter send a notice in accordance with Condition 17 (*Notices*) to notify holders of the Unreplied Bonds. Notwithstanding Condition 7B(ii)(b) above, a holder of the Unreplied Bonds may complete, execute and deposit (at its own expense) at the specified office of any Conversion Agent during the usual office hours in the city at the specified office of any Conversion Agent between 9:00 am and 3:00 pm on any business day (at the place where the Certificate(s) evidencing the Bonds the subject of the relevant Mandatory Conversion Reply Form is surrendered) a Mandatory Conversion Reply Form by no later than the 60th day after the date of such notice (the "**Delayed Cut-Off Date**"). Subject to Condition 7B(vi)(b) (*Conversion other than Voluntary Conversion*) below in respect of those holders who have delivered a validly completed Mandatory Conversion Reply Form by the Delayed Cut-Off Date, the obligations of the Issuer in respect of the Unreplied Bonds in respect of which no Mandatory Conversion Reply Form has been completed, executed and deposited as aforesaid on or before Delayed Cut-Off Date shall be deemed to be fully discharged and

all rights of each holder of Unreplied Bonds to delivery of Shares or payment of any amounts shall be extinguished following the Delayed Cut-Off Date.

(iii) *Calculations by the Calculation Agent*:

(a) As soon as practicable, and in any case within three Trading Days of the date of the relevant Conversion Date, the Calculation Agent shall (pursuant to and subject as provided in the Calculation Agency Agreement, and further subject as provided in Condition 7D(iii) (*Decision of an Independent Financial Advisor*)) calculate and determine the applicable Conversion Price at which Shares are to be issued in respect of each conversion and the number of Shares to be so issued and it shall notify the Trustee, the Principal Agent, the Conversion Agent, the Transfer Agent and the Issuer in writing of such calculations and determinations.

(b) The Calculation Agent shall (pursuant to and subject as provided in the Calculation Agency Agreement, and further subject as provided in Condition 7D(iii) (*Decision of an Independent Financial Advisor*)) make all calculations and determinations as are expressly specified to be made by it in these Conditions. All calculations and determinations made by the Calculation Agent, or, as the case may be, any Independent Financial Advisor appointed in connection with the Bonds, shall (save in the case of manifest error) be final and binding on the Issuer, the Trustee, the Bondholders and the Agents. The Calculation Agent shall act solely upon the request from, and exclusively as agent of the Issuer and in accordance with these Conditions and the Calculation Agency Agreement. Neither the Calculation Agent (acting in such capacity) nor any Independent Financial Advisor appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in such capacity as against the Trustee, the Bondholders or any Agent.

(c) The Agents may consult, at the expense of the Issuer in accordance with the terms of the Agency Agreement and the Calculation Agency Agreement, as applicable, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and they shall be able to rely upon, and they shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in accordance with that adviser's opinion.

(d) In the event that the Calculation Agent has not notified the Trustee, the Principal Agent, the Conversion Agent and the Transfer Agent or the Issuer of any calculation or determination within the period as required pursuant to Condition 7B(iii)(a), the Issuer shall make a determination of the applicable Conversion Price at which Shares are to be issued in respect of each conversion and the number of Shares to be so issued and any such determination made by the Issuer, in the absence of manifest error, shall be final and conclusive.

(iv) *Conversion Date*:

(a) In respect of a Voluntary Conversion, the Voluntary Conversion Date will be deemed to be the Trading Day immediately following the latest of:

(I) the date of the surrender of the Certificate in respect of such Bond and delivery of such Voluntary Conversion Notice (if they are not surrendered and delivered on the same day); and

(II) if applicable, the date of making any payment or giving any indemnity under these Conditions in connection with the exercise of such Voluntary Conversion Rights.

(b) In respect of a Conversion other than a Voluntary Conversion, the conversion date in respect of a Bond (the "**Maturity Mandatory Conversion Date**" in the case of a Maturity Mandatory Conversion, the "**Periodic Mandatory Conversion Date**" in the case of a Periodic Mandatory Conversion and the "**Trigger Conversion Date**" in the case of a Trigger Conversion) shall be the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date, the Trigger Conversion Reply Form Cut-Off Date, as the case may be; provided that, with respect to any Unreplied Bonds, notwithstanding the fact that such Unreplied Bonds shall be deemed as converted as of the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date or the Trigger Conversion Reply Form Cut-Off Date, as the case may be, holders of Unreplied Bonds shall continue to be entitled to deliver Mandatory Conversion Reply Form to the Conversion Agent and receive the relevant number of Shares (and the Issuer shall continue to be obligated to deliver such Shares) until the Delayed Cut-Off Date.

(v) *Stamp Duty etc.*: A Bondholder delivering a Certificate in respect of a Bond for conversion or whose Bonds shall be converted in accordance with these Conditions must pay to the relevant authorities any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital or stamp duties payable in the Cayman Islands, Hong Kong or in the place of the Alternative Stock Exchange, by the Issuer in respect of the allotment and issue of Shares and listing of the Shares on the Hong Kong Stock Exchange or the Alternative Stock Exchange on conversion) (the "**Taxes**") and such Bondholder (and, if different, the person to whom the Shares are to be issued) must pay all, if any, Taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion and declare in the relevant Voluntary Conversion Notice or Mandatory Conversion Reply Form that any such Taxes have been paid. Neither the Trustee nor the Agent is under any obligation to determine whether a Bondholder is liable to pay any Taxes including capital, stamp, issue, registration or similar taxes and duties or the amounts payable (if any) in connection with this Condition 7B(v) (*Stamp Duty etc.*).

(vi) *Delivery of Shares*:

(a) *Voluntary Conversion*: In respect of any exercise of Voluntary Conversion Rights, as soon as practicable, and in any event not later than five Trading Days after the relevant Voluntary Conversion Date in respect of any Bond, the Issuer will in the case of Bonds converted on exercise of the Voluntary Conversion Right and in respect of which a duly completed Voluntary Conversion Notice has been delivered and the relevant Certificate and amounts payable by the relevant Bondholder deposited or paid as required by Condition 7B(v) (*Stamp Duty etc.*), register the person or persons

designated for such purpose in the Voluntary Conversion Notice as holder(s) of the relevant number of Shares in the Issuer's share register and will, if the Bondholder has also requested in the Voluntary Conversion Notice and to the extent permitted under the rules and procedures of the CCASS effective from time to time, take all necessary actions to procure that Shares are delivered through the CCASS for so long as the Shares are listed on the Hong Kong Stock Exchange; or will make such share certificate or certificates registered in the name of such person or persons available for collection at the office of the Issuer's branch share registrar in Hong Kong (currently [Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong]) as may from time to time be notified to Bondholders in accordance with Condition 17 (*Notices*) or, if so requested in the relevant Voluntary Conversion Notice, will cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate or certificates are sent) such share certificate or certificates to the person and at the place specified in the Voluntary Conversion Notice, together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof.

(b) *Conversion other than Voluntary Conversion*: Subject to Condition 7B(ii) (*Conversion other than Voluntary Conversion*), the Issuer will:

(I) in respect of Replied Bonds to be converted pursuant to the Maturity Mandatory Conversion, as soon as practicable, and in any event not later than the Maturity Date;

(II) in respect of Replied Bonds to be converted pursuant to a Periodic Mandatory Conversion, as soon as practicable, and in any event not later than five Trading Days after the relevant Periodic Conversion Reply Form Cut-Off Date;

(III) in respect of Replied Bonds to be converted pursuant to a Trigger Conversion, as soon as practicable, and in any event not later than five Trading Days after the Trigger Conversion Reply Form Cut-Off Date; or

(IV) in respect of Unreplied Bonds whose holder(s) has delivered a valid Mandatory Conversion Reply Form by the relevant Delayed Cut-Off Date pursuant to these Conditions, as soon as practicable, and in any event not later than five Trading Days after the relevant Delayed Cut-Off Date,

register the person or persons designated for such purpose in the Mandatory Conversion Reply Form as holder(s) of the relevant number of Shares in the Issuer's share register and will, if the Bondholder has also requested in the relevant Mandatory Conversion Reply Form, and to the extent permitted under applicable law and the rules and procedures of the CCASS effective from time to time, take all necessary actions to procure that Shares are delivered through the CCASS for so long as the Shares are listed on the Hong Kong Stock Exchange; or will make such share certificate or

certificates registered in the name of such person or persons available for collection at the office of the Issuer's branch share registrar in Hong Kong (currently [Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong]) as may from time to time be notified to Bondholders in accordance with Condition 17 (*Notices*) or if so requested in the relevant Mandatory Conversion Reply Form, will cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate or certificates are sent) such share certificate or certificates to the person and at the place specified in the Mandatory Conversion Reply Form, together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof.

In all cases, a single share certificate will be issued in respect of all Shares issued on conversion of Bonds subject to (in respect of a Voluntary Conversion) the same Voluntary Conversion Notice, or (in respect of a Conversion other than a Voluntary Conversion) the same Mandatory Conversion Reply Form, as the case may be, which are to be registered in the same name.

(vii) *Registration*: (In respect of a Voluntary Conversion) the person or persons designated in the Voluntary Conversion Notice, or (in respect of a Conversion other than a Voluntary Conversion) the person or persons designated in the Mandatory Conversion Reply Form, will become the holder of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Issuer's register of members (the "**Registration Date**"). The Shares issued upon conversion of the Bonds will be fully paid and will in all respects rank *pari passu* with all other Shares in issue on the relevant Registration Date. Save as set out in these Conditions, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.

(viii) *Retroactive Adjustments*: If (1) the Registration Date in relation to any Bond shall be on or after the record date for, any issue, distribution, grant, offer or other event that gives rise to the adjustment of the Conversion Price pursuant to Condition 7C (*Adjustments to Conversion Price*), and (2) the Conversion Date in relation to such Conversion shall be before the date on which such adjustment to the Conversion Price becomes effective under the relevant Condition (any such adjustment, a "**Retroactive Adjustment**"), upon the relevant adjustment to the Conversion Price becoming effective under the relevant Condition, the Issuer shall procure the issue to (in respect of a Voluntary Conversion) the person or persons designated in the Voluntary Conversion Notice or (in respect of a Conversion other than a Voluntary Conversion) the person or persons designated in the Mandatory Conversion Reply Form, subject to applicable exchange control or other laws or other regulations, such additional number of Shares ("**Additional Shares**") as is, together with the Shares to be issued on conversion of the relevant Bonds (including for this purpose any fraction of a Share rounded down pursuant to Condition 7A(viii) (*Fractions of Shares*)), equal to the number of Shares which would have been required to be issued on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective on or immediately prior to the relevant

Conversion Date, and in such event and in respect of such Additional Shares references in this Condition 7B(viii) (*Retroactive Adjustments*) to the Conversion Date (where the context so requires) shall be deemed to refer to the date upon which the Retroactive Adjustment becomes effective (notwithstanding that the date upon which it becomes effective falls after the Voluntary Conversion Period End Date or the Maturity Date), provided that no Retroactive Adjustment will be made in respect of any Unreplied Bonds.

(ix) In this Condition 7B (*Conversion Procedure*), "**business day**" means, in relation to any place, a day other than a Saturday or Sunday on which commercial banks are open for business in such place.

C. ***Adjustments to Conversion Price***

The Conversion Price will be subject to adjustment (as determined by the Calculation Agent unless otherwise specified) in the following events:

(1) *Consolidation, Subdivision, Redesignation or Reclassification:* If and whenever there shall be an alteration to the nominal value of the Shares resulting in a reduction or increase in the number of Shares outstanding following any consolidation, subdivision, redesignation or reclassification of the Shares by operation of law or otherwise which, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such alteration by the following fraction:

$$\frac{A}{B}$$

Where:

A is the nominal amount of one Share immediately after such alteration; and

B is the nominal amount of one Share immediately before such alteration.

Such adjustment shall become effective on the date such consolidation, subdivision, redesignation or reclassification takes effect or if a record date is fixed therefor, immediately after such record date.

(2) *Capitalisation of Profits or Reserves:*

(i) If and whenever the Issuer shall issue any Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account) including Shares paid up out of distributable profits or reserves and/or share premium account (except for any Scrip Dividend) and which would not have constituted a Capital Distribution, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A}{B}$$

Where:

A is the aggregate nominal amount of the issued Shares immediately before such issue; and

B is the aggregate nominal amount of the issued Shares immediately after such issue.

Such adjustment shall become effective on the date of issue of such Shares or if a record date is fixed therefor, immediately after such record date.

(ii) In the case of a Scrip Dividend where the aggregate value of the Shares comprising such Scrip Dividend as determined by reference to the Current Market Price per Share on the date of announcement of the terms of such Scrip Dividend multiplied by the number of Shares that may be issued exceeds the Fair Market Value of the Relevant Cash Dividend on such date of announcement, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the issue of such Scrip Dividend by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of issued Shares immediately before such issue;

B is the aggregate number of Shares as is equal to such Fair Market Value of the Relevant Cash Dividend divided by such Current Market Price on the date of announcement of the terms of such Scrip Dividend; and

C is the aggregate number of Shares comprising such Scrip Dividend,

or by making such other adjustment as such Independent Financial Advisor shall certify to the Trustee is fair and reasonable.

Such adjustment shall become effective on the date of issue of such Shares issued by way of Scrip Dividend (or, if none, the date of payment of the Relevant Cash Dividend) or if a record date is fixed therefor, immediately after such record date.

(3) *Capital Distributions:* If and whenever the Issuer shall pay or make any Capital Distribution to the Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such Capital Distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which the Capital Distribution is first publicly announced; and

B is the Fair Market Value of the portion of the Capital Distribution attributable to per Share.

Such adjustment shall become effective on the date that such Capital Distribution is actually made or paid or if a record date is fixed therefor, immediately after such record date. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the Capital Distribution is first publicly announced or, if later, the first date on which the Fair Market Value of the relevant Capital Distribution is capable of being determined as provided herein.

In making any calculation pursuant to this Condition 7C(3) (*Capital Distributions*), such adjustments (if any) shall be made as an Independent Financial Advisor may consider appropriate to reflect (a) any consolidation or subdivision of the Shares, (b) issues of Shares by way of capitalisation of profits or reserves, or any like or similar event, (c) the modification of any rights to dividends of Shares or (d) any change in the fiscal year of the Issuer.

(4) *Rights Issues of Shares or Options over Shares*: If and whenever the Issuer shall issue Shares to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, in each case at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of the issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such announcement;

B is the number of Shares which the aggregate consideration receivable for the Shares issued by way of rights or for the options or warrants or other rights issued or granted by way of rights and for the total number of Shares comprised therein would subscribe for, purchase or otherwise acquire at such Current Market Price per Share; and

C is the aggregate number of Shares issued or, as the case may be, comprised in the issue or grant.

Such adjustment shall become effective on the date of issue of such Shares or issue or grant of such options, warrants or other rights (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be.

(5) *Rights Issues of Other Securities:* If and whenever the Issuer shall issue any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares) to all or substantially all Shareholders as a class by way of rights or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for, purchase or otherwise acquire any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which such issue or grant is publicly announced; and

B is the Fair Market Value per Share on the date of such announcement of the portion of the securities, rights, options, warrants or other rights (as the case may be) attributable to one Share.

Such adjustment shall become effective on the date of issue of the securities or grant of such rights, options or warrants (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the terms of such issue or grant are first publicly announced, or if later, the first date on which the Fair Market Value of the aggregate rights attributable to the Shares in relation to such issue or grant is capable of being determined as provided herein.

(6) *Issues at less than Current Market Price:* If and whenever the Issuer shall issue (otherwise than as mentioned in Condition 7C(4) (*Rights Issues of Shares or Options over Shares*) above) any Shares (other than Shares issued pursuant to any Conversion or on the exercise of any other rights of conversion into, or exchange or subscription for, Shares) or shall issue or grant (otherwise than as mentioned in Condition 7C(4) (*Rights Issues of Shares or Options over Shares*) above) any options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares (for the avoidance of doubt including issuance in connection with any deferment, adjustment, restructuring of the indebtedness or any other obligation of the Issuer or any of its Subsidiaries), in each case at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{C}$$

Where:

A is the aggregate number of Shares in issue immediately before the issue of such additional Shares or the grant of such options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares;

B is the number of Shares which the aggregate consideration receivable for the issue of the maximum number of Shares to be issued or the exercise of such options, warrants or other rights would purchase at such Current Market Price per Share; and

C is the aggregate number of Shares in issue immediately after the issue of such additional Shares.

References to additional Shares in the above formula shall, in the case of an issue or grant by the Issuer of options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares, mean such Shares to be issued assuming that such options, warrants or other rights are exercised in full at the initial exercise price on the date of issue or grant of such options, warrants or other rights.

Such adjustment shall become effective on the date of issue of such additional Shares or, as the case may be, the issue or grant of such options, warrants or other rights.

(7) *Other Issues at less than Current Market Price:* Save in the case of an issue of securities arising from a conversion or exchange of other securities in accordance with the terms applicable to such securities themselves falling within this Condition 7C(7) (*Other Issues at less than Current Market Price*), if and whenever the Issuer or any of its Subsidiaries (otherwise than as mentioned in Conditions 7C(4) (*Rights Issues of Shares or Options over Shares*), 7C(5) (*Rights Issues of Other Securities*) or 7C(6) (*Issues at less than Current Market Price*)) or (at the direction or request of or pursuant to any arrangements with the Issuer or any of its Subsidiaries) any other company, person or entity, shall issue (for the avoidance of doubt including issuance in connection with any deferment, adjustment or restructuring of the indebtedness or any other obligation of the Issuer or any of its Subsidiaries) any securities (other than the Bonds) which by their terms of issue carry rights of conversion into, or exchange or subscription for, Shares to be issued by the Issuer upon conversion, exchange or subscription at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such issue;

B is the number of Shares which the aggregate consideration receivable by the Issuer for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to such securities would purchase at such Current Market Price per Share; and

C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the initial conversion, exchange or subscription price or rate on the issue date of such securities.

Such adjustment shall become effective on the date of issue of such securities.

(8) *Modification of Rights of Conversion etc.:* If and whenever there shall be any modification of the rights of conversion, exchange or subscription attaching to any such securities as are mentioned in Condition 7C(7) (*Other Issues at less than Current Market Price*) (other than in accordance with the terms of such securities) so that the Fair Market Value (on the date of the first public announcement of the proposals of such modification) of the consideration per Share (for the number of Shares available on conversion, exchange or subscription following the modification) is reduced and is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the proposals for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such modification by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such modification;

B is the maximum number of Shares which the aggregate consideration receivable by the Issuer for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to the securities so modified would purchase at such Current Market Price per Share or, if lower, the existing conversion, exchange or subscription price of such securities; and

C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the modified conversion, exchange or subscription price or rate but giving credit in such manner as an Independent Financial Advisor considers appropriate (if at all) for any previous adjustment under this Condition 7C(8) (*Modification of Rights of Conversion etc.*) or Condition 7C(7) (*Other Issues at less than Current Market Price*).

Such adjustment shall become effective on the date of modification of the rights of conversion, exchange or subscription attaching to such securities.

(9) *Other Offers to Shareholders:* If and whenever the Issuer or any of its Subsidiaries or (at the direction or request of or pursuant to any arrangements with the Issuer or any of its Subsidiaries) any other company, person or entity issues, sells or

distributes any securities in connection with an offer pursuant to which the Shareholders generally are entitled to participate in arrangements whereby such securities may be acquired by them (except where the Conversion Price falls to be adjusted under Condition 7C(4) (*Rights Issues of Shares or Options over Shares*), Condition 7C(5) (*Rights Issues of Other Securities*), Condition 7C(6) (*Issues at less than Current Market Price*) or Condition 7C(7) (*Other Issues at less than Current Market Price*)), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue, sale or distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which such issue, sale or distribution is first publicly announced; and

B is the Fair Market Value of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue, sale or distribution of the securities or, if a record date is fixed therefor, immediately after such record date or if later, the first date upon which the Fair Market Value of the relevant securities is capable of being determined as provided herein. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the terms of such issue, sale or distribution of securities are first publicly announced or, if later, the first date on which the Fair Market Value of the portion of the aggregate rights attributable to the Shares is capable of being determined as provided herein.

(10) *Other Events*: If the Issuer (in consultation with the Calculation Agent) determines that an adjustment should be made to the Conversion Price as a result of one or more events or circumstances not referred to in this Condition 7 (*Conversion*), the Issuer shall, at its own expense, consult an Independent Financial Advisor to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof, if the adjustment would result in a reduction in the Conversion Price, and the date on which such adjustment should take effect and upon such determination by the Independent Financial Advisor such adjustment (if any) shall be made and shall take effect in accordance with such determination**,** provided that where the events or circumstances giving rise to any adjustment pursuant to any of the above adjustments under this Condition 7C (*Adjustments to Conversion Price*) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of events or circumstances which have already given rise or will give rise to an adjustment to the Conversion Price, such modification (if any) shall be made to the operation of the provisions of this Condition 7 (*Conversion*) as may be advised by the Independent Financial Advisor to be in its opinion appropriate to give the intended result. Notwithstanding the foregoing, the per Share value of any such modification shall not exceed the per Share value of the

dilution in the Shareholders' interest in the Issuer's equity caused by such events or circumstances.

D. *Provisions Relating to Changes in Conversion Price*

(i) *Minor Adjustments*: On any adjustment, the relevant Conversion Price, if not an integral multiple of one Hong Kong cent, shall be rounded down to the nearest Hong Kong cent. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than 1 per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and any amount by which the Conversion Price has been rounded down, pursuant to the forgoing provisions of this paragraph shall be carried forward and taken into account in any subsequent adjustment. Notice of any adjustment shall be given to Bondholders in accordance with Condition 17 (*Notices*) as soon as practicable after the determination thereof.

(ii) *Minimum Conversion Price:* The Conversion Price may not be reduced so that, on the conversion of any Bond, (a) Shares would be issued at a discount to their par value unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price into legally issued, fully paid and non-assessable Shares or (b) Shares would be required to be issued in any other circumstances not permitted by applicable laws then in force in the Cayman Islands and Hong Kong.

(iii) *Decision of an Independent Financial Advisor:* If (a) any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to how an adjustment to the Conversion Price under Conditions 7C (*Adjustments to Conversion Price*) should be made, or (b) the Calculation Agent determines in its sole discretion that it is not able to perform any calculation and determination (as is expressly specified to be made by it in these Conditions) on a purely formulaic basis or for any other reason and in each case following consultation between the Issuer and an Independent Financial Advisor, a written opinion of such Independent Financial Advisor in respect thereof shall be conclusive and binding on the Issuer, the Bondholders, the Calculation Agent and the Trustee, save in the case of manifest error.

(iv) *Multiple Events:* Where more than one event which gives or may give rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of an Independent Financial Advisor, the foregoing provisions would need to be operated subject to some modification in order to give the intended result, such modification shall be made to the operation of the foregoing provisions as may be advised by such Independent Financial Advisor to be in its opinion appropriate in order to give such intended result.

(v) *Upward/Downward Adjustment:* No adjustment involving an increase in the Conversion Price will be made, except in the case of a consolidation, reclassification or redesignation of the Shares by operation of law or otherwise which reduces the number of Shares outstanding as referred to in Condition 7C(1) (*Consolidation, Subdivision, Redesignation or Reclassification*) above. The Issuer may at any time and for a specified period of time only, following notice being given to the Trustee in writing and to the Bondholders in accordance with Condition 17 (*Notices*), reduce the Conversion Price, subject to Condition 7D(ii) (*Minimum Conversion Price*).

(vi) *Employee Share Scheme and Scheme Shares:* Notwithstanding any provision in Condition 7C (*Adjustments to Conversion Price*), no adjustment will be made to the Conversion Price:

(a) when Shares, options or other securities are issued, offered, exercised, allotted, appropriated, modified or granted to or for the benefit of employees (including directors) of the Issuer or any of its Subsidiaries pursuant to any Employee Share Scheme (but not the [*MIP*]) unless any such issue or grant (which, but for this provision, would have required adjustment pursuant to Condition 7C (*Adjustments to Conversion Price*)) would result in the total number of Shares which may be issued upon exercise of all such issues or grants (excluding the [*MIP*]) granted during the 12-month period up to and including the date of such issue or grant representing, in aggregate, more than 3.0 per cent. of the average of the issued and outstanding Shares during such 12-month period, all as determined by the Issuer. For the avoidance of doubt, any Shares issued in excess thereof, and only such Shares issued in excess thereof, shall be taken into account in determining the adjustment (if any) to the Conversion Price in relation to such issue or grant as set out in Condition 7C (*Adjustments to Conversion Price*); or

(b) when Shares, options, rights or other securities are issued, exercised, allotted, appropriated, modified or granted pursuant to [●][3].

(vii) *Certain References*: References to any issue or offer or grant to Shareholders "**as a class**" or "**by way of rights**" shall be taken to be references to an issue or offer or grant to all or substantially all Shareholders, other than Shareholders by reason of the laws of any territory or requirements of any recognised regulatory body or any other stock exchange or securities market in any territory or in connection with fractional entitlements, it is determined not to make such issue or offer or grant.

(viii) *No Obliged to Monitor or Make Calculations*: The Trustee and the Agents (other than the Calculation Agent) shall not be under any duty to monitor whether any event or circumstance has happened or exists which may require an adjustment to be made to the Conversion Price and will not be responsible to Bondholders for any loss arising from any failure by it to do so, it shall be entitled to rely without liability to any Bondholder on any report or certificate of a director of the Issuer in connection therewith.

E. *Undertakings*

The Issuer undertakes that so long as any Bond remains outstanding, save with the approval of the Bondholders in accordance with these Conditions and the Trust Deed:

(i) it will use its best endeavours (a) to maintain a listing for all the issued Shares on the Hong Kong Stock Exchange, and (b) to obtain and maintain a listing for all the Shares issued pursuant to any Conversion on the Hong Kong Stock Exchange, and if the Issuer is unable to obtain or maintain such listing, to use its best endeavours to obtain and maintain a listing for all the issued Shares on an Alternative Stock Exchange as from time to time selected by the Issuer and will as soon as reasonably

(ii) it will pay the expenses of the issue of, and all expenses of obtaining a listing for, Shares arising on conversion of the Bonds;

(iii) it will not make any reduction of its ordinary share capital or any uncalled liability in respect thereof or of any share premium account or capital redemption reserve fund, except in each case where the reduction is permitted by applicable law and all or any part of the corporate action(s) comprising the reduction results in (or would, but for the application of any provisos, carve-outs or conditions set forth or imposed any of Condition 7 (*Conversion*), result in) an adjustment to the Conversion Price in accordance with Condition 7 (*Conversion*) or is otherwise taken into account for the purposes of determining whether such an adjustment should be made pursuant to Condition 7 (*Conversion*);

(iv) it will use its best endeavours to maintain the listing of the Bonds on the SGX and if the Issuer is unable to maintain such listing, to use its best endeavours to obtain and maintain a listing on another internationally recognised stock exchange and will forthwith give notice to the Bondholders in accordance with Condition 17 (*Notices*) below of the listing or delisting of the Bonds by any such stock exchange;

(v) it will reserve, free from any other pre-emptive or other similar rights, out of its authorised but unissued ordinary share capital the full number of Shares liable to be issued on conversion of the Bonds from time to time remaining outstanding and shall ensure that all Shares delivered on conversion of the Bonds will be duly and validly issued as fully-paid; and

(vi) it will not make any offer, issue or distribute or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares of the Issuer unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price below the par value of the Shares into legally issued, fully paid and non-assessable Shares, provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law.

The Issuer has also given certain other undertakings in the Trust Deed for the protection of the Voluntary Conversion Rights.

F. ***Information Undertaking***

(i) *Notice of Change in Conversion Price:* The Issuer shall give notice to the Bondholders in accordance with Condition 17 (*Notices*) and the Trustee in writing of any change in the Conversion Price, as determined by the Calculation Agent (unless otherwise specified) and notified to the Trustee, the Principal Agent and the Issuer in writing in accordance with the Calculation Agency Agreement and the terms of Condition 7C (*Adjustments to Conversion Price*). Any such notice relating to a change in the Conversion Price shall set forth reasonable details of the event giving rise to the adjustment, the Conversion Price prior to such adjustment, the adjusted Conversion Price and the effective date of such adjustment. For the avoidance of doubt, nothing in this Condition 7F (*Information Undertaking*) shall require the Issuer to disclose any information which it is not legally permissible to disclose.

Neither the Trustee nor the Agents (other than the Calculation Agent) shall be under any duty to determine, calculate or verify the adjusted Conversion Price and will not be responsible to Bondholders for any loss arising from any failure by it to do so.

(ii) *Announcement in respect of Periodic Mandatory Conversion*: Upon the occurrence of each Periodic Mandatory Conversion Record Date, as soon as reasonably practicable and within two Trading Days thereafter, the Issuer shall make an announcement on the Hong Kong Stock Exchange or, as the case may be, the Alternative Stock Exchange, informing Bondholders of the following: (1) whether a Periodic Mandatory Conversion will occur with respect to such Periodic Mandatory Conversion Record Date, and if so, the aggregate principal amount of Bonds outstanding as at such Periodic Mandatory Conversion Record Date and the applicable Relevant Mandatory Conversion Amount; (2) if applicable, the Periodic Conversion Reply Form Cut-Off Date for the relevant Periodic Mandatory Conversion; and (3) the prevailing Conversion Price, provided that any failure to make such announcement shall not prejudice the Periodic Mandatory Conversion pursuant to other provisions of this Condition 7 (*Conversion*).

(iii) *Announcement in respect of Trigger Conversion:* Upon the occurrence of a Trigger Conversion Record Date, as soon as reasonably practicable and within two Trading Days thereafter, the Issuer shall make an announcement on the Hong Kong Stock Exchange or, as the case may be, the Alternative Stock Exchange, informing Bondholders of the following: (1) the occurrence of a Trigger Conversion Event; (2) the Trigger Conversion Record Date; (3) the Trigger Conversion Reply Form Cut-Off Date; and (4) the prevailing Conversion Price, provided that any failure to make such announcement shall not prejudice the Trigger Conversion pursuant to other provisions of this Condition 7 (*Conversion*).

8. Payments

A. *Principal and premium (if any)*

Payment of principal, premium (if any) and any other amount due will be in U.S. dollars and will be made by transfer to the registered account of the Bondholder except in the case of any amount payable directly by the Issuer pursuant to Condition 7 (*Conversion*), where any amounts payable consequent upon the exercise of its Conversion will be made by transfer to a U.S. dollar account maintained by the payee in accordance with instructions given by the relevant Bondholder in its Voluntary Conversion Notice or Mandatory Conversion Reply Form. Payment of principal and premium (if any) will only be made after surrender of the relevant Certificate at the specified office of any of the Agents.

If an amount which is due on the Bonds is not paid in full, the Registrar will annotate the Register with a record of the amount (if any) in fact paid.

References in these Conditions, the Trust Deed and the Agency Agreement to principal in respect of any Bond shall, where the context so permits, be deemed to include a reference to any premium payable thereon (if any).

Notwithstanding the foregoing, so long as the Global Certificates are held on behalf of Euroclear, Clearstream or any other clearing system, each payment in respect of the Global Certificates will be made to the person shown as the holder in the Register at the close of business of the relevant clearing system on the Clearing System Business Day before the

*due date for such payments, where "**Clearing System Business Day**" means a weekday (Monday to Friday, inclusive) except 25 December and 1 January.*

B. ***Registered Accounts***

For the purposes of this Condition 8 (*Payments*), a Bondholder's registered account means the U.S. dollar account maintained by or on behalf of it with a bank that processes payments in U.S. dollars, details of which appear on the Register at the close of business on the fifth business day before the due date for payment, and a Bondholder's registered address means its address appearing on the Register at that time.

C. ***Fiscal Laws***

All payments are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 10 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 10 (*Taxation*)) any law implementing an intergovernmental approach thereto. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

D. ***Payment Initiation***

Where payment is to be made by transfer to a registered account, payment instructions (for value on the due date or, if that is not a business day (as defined below), for value on the first following day which is a business day) will be initiated on the due date for payment (or, if it is not a business day, the immediately following business day) or, in the case of a payment of principal, if later, on the business day on which the relevant Certificate is surrendered at the specified office of an Agent.

E. ***Delay in Payment***

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if the due date is not a business day, if the Bondholder is late in surrendering its Certificate (if required to do so) or if a transfer made in accordance with this Condition 8 (*Payments*) arrives after the due date for payment.

F. ***Business Day***

In this Condition 8 (*Payments*), "**business day**" means a day other than a Saturday or Sunday on which commercial banks are open for business in [Hong Kong and New York] and, in the case of the surrender of a Certificate, in the place where the Certificate is surrendered.

G. ***Partial Payment***

If an amount which is due on the Bonds is not paid in full, the Registrar will annotate the Register with a record of the amount (if any) in fact paid.

H. ***Rounding***

When making payments to Bondholders, fractions of one U.S. dollar will be rounded to the nearest U.S. dollar (half a U.S. dollar being rounded upwards).

9. Redemption, Purchase and Cancellation

A. *Maturity*

Unless previously redeemed, converted or purchased and cancelled as provided herein, each Bond will be converted into Shares at the applicable Conversion Price pursuant to the Maturity Mandatory Conversion in accordance with Condition 7 (*Conversion*); provided that if a MCB Suspension Event has occurred (including if a MCB Suspension Event has occurred after the Maturity Mandatory Conversion Record Date and is continuing as of the Maturity Date), the provisions in Condition 7A(v) (*Suspension of Mandatory Conversion and Trigger Conversion*) shall apply to the Maturity Mandatory Conversion and the provisions of Condition 7B (*Conversion Procedure*) with respect to Maturity Mandatory Conversion shall apply following such MCB Suspension Event no longer continuing, with references to "**Maturity Date**" being such date as determined by the Issuer falling at least 10 Trading Days after the date on which such MCB Suspension Event is no longer continuing. Notwithstanding anything to the contrary herein, to the extent any MCB Suspension Event has occurred after the Maturity Mandatory Conversion Record Date, the Issuer and the Agents shall return any Certificate(s), Mandatory Conversion Reply Form and any other documents required to be delivered in connection with the Maturity Mandatory Conversion (to the extent delivered) to the relevant Bondholder within 2 business days upon such Bondholder's request.

B. *Redemption at the Option of the Issuer*

On giving not less than 30 nor more than 60 days' notice (an "**Optional Redemption Notice**") to the Bondholders in accordance with Condition 17 (*Notices*) and to the Trustee and Principal Agent (which notice shall be irrevocable), the Issuer may, at any time prior to the Maturity Date and on one or more occasions, redeem all or some of the Bonds (the "**Optional Redemption**") on the date (the "**Optional Redemption Date**") specified in the Optional Redemption Notice at the relevant Optional Redemption Price, provided that no Event of Default or any event of default under any other Scheme Instruments or any Relevant Event has occurred and is continuing when the Optional Redemption Notice is given or on the Optional Redemption Date. For the purpose of this Condition 9B (*Redemption at the Option of the Issuer*), an Relevant Event ceases to be continuing upon the expiry of the Relevant Event Redemption Notice Period.

If less than all of the Bonds are to be redeemed at any time, the Bonds will be redeemed as follows:

(i) if the Bonds are listed on any recognised securities exchange or are held through a clearing system, in compliance with the requirements of the principal recognised securities exchange on which the Bonds are listed (if any) or the requirements of the clearing system;

(ii) if the Bonds are not listed on any recognised securities exchange, on a *pro rata* basis.

A Bond of U.S.$1,000 in principal amount or less shall not be redeemed in part. If any Bond is to be redeemed in part only, the notice of redemption relating to such Bond will state the portion of the principal amount to be redeemed. A new Certificate in principal amount equal to the unredeemed portion will be issued upon cancelation of the original Certificate.

C. ***Redemption for Relevant Event***

Following the occurrence of a Relevant Event, the holder of each Bond will have the right at such holder's option, to require the Issuer to redeem all or some only of that holder's Bonds on the Relevant Event Redemption Date at a redemption price equal to their principal amount as at such date. To exercise such right, the holder of the relevant Bond must complete, sign and deposit, at his own expense, at the specified office of any Paying Agent, a duly completed and signed notice of redemption, in the form for the time being current, obtainable from the specified office of any Paying Agent (the "**Relevant Event Redemption Notice**") together with the Certificate evidencing the Bond(s) to be redeemed by not later than 30 days following a Relevant Event, or, if later, 30 days following the date upon which notice thereof is given to Bondholders by the Issuer in accordance with Condition 17 (*Notices*) (such period of 30 days, the "**Relevant Event Redemption Notice Period**"). The "**Relevant Event Redemption Date**" shall be the fourteenth day after the expiry of the Relevant Event Redemption Notice Period.

A Relevant Event Redemption Notice, once delivered, shall be irrevocable unless the Issuer consents to its withdrawal and the Issuer shall redeem the Bonds the subject of Relevant Event Redemption Notice delivered as aforesaid on the Relevant Event Redemption Date.

Neither the Trustee nor any Agent shall be required to take any steps to ascertain whether a Relevant Event or any event which could lead to the occurrence of a Relevant Event has occurred and will not be responsible or liable to Bondholders for any loss arising from any failure by it to do so.

The Issuer shall give notice to Bondholders in accordance with Condition 17 (*Notices*) and the Trustee by not later than 14 days following the first day on which it becomes aware of the occurrence of a Relevant Event, which notice shall specify the Relevant Event and the procedure for exercise by holders of their rights to require redemption of the Bonds pursuant to this Condition 9C (*Redemption for Relevant Event*), including (i) the date of such Relevant Event and briefly, the events causing such Relevant Event, (ii) the date by which the Relevant Event Redemption Notice must be given, (iii) the procedures that the Bondholders must follow and the requirements that Bondholders must satisfy in order to exercise their rights under this Condition 9C (*Redemption for Relevant Event*).

D. ***Purchases***

The Issuer or any of its Subsidiaries may, subject to applicable laws and regulations, at any time and from time to time purchase Bonds at any price in the open market or otherwise, provided that any such purchase is not in breach of terms of the other Scheme Instruments as of the Issue Date.

E. ***Cancellation***

All Bonds which are redeemed, converted or purchased by the Issuer or any of its Subsidiaries pursuant to these Conditions, will be cancelled. Certificates in respect of all Bonds cancelled will be forwarded to or to the order of the Registrar and such Bonds may not be reissued or resold.

F. ***Redemption Notices***

All notices to Bondholders given by or on behalf of the Issuer pursuant to this Condition 9 (*Redemption, Purchase and Cancellation*) will be given in accordance with Condition 17 (*Notices*) and will specify (i) the Conversion Price as at the date of the relevant notice, (ii)

the Closing Price of the Share as at the latest practicable date prior to the publication of the notice, (iii) the applicable redemption amount, (iv) the applicable Voluntary Conversion Period End Date, (v) the date for redemption, (vi) the manner in which redemption will be effected, and (vii) the aggregate principal amount of the Bonds outstanding as at the latest practicable date prior to the publication of the notice.

If more than one notice of redemption is given (which shall include any notice given by the Issuer pursuant to Condition 9B (*Redemption at the Option of the Issuer*) and any Relevant Event Redemption Notice is given by a Bondholder pursuant to Condition 9C (*Redemption for Relevant Event*)), the first of such notices to be given shall prevail.

10. Taxation

All payments of principal and premium (if any) made by or on behalf of the Issuer under or in respect of the Bonds, the Trust Deed or the Agency Agreement will be made free from any restriction or condition, be made without set-off or counterclaim, and be made without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Cayman Islands, Hong Kong, the PRC or any authority thereof or therein having power to tax, unless deduction or withholding of such taxes, duties, assessments or governmental charges is compelled by law. In such event, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of the net amounts after such deduction or withholding equal to the amounts which would otherwise have been receivable by them had no such deduction or withholding been required except that no such additional amount shall be payable in respect of any Bond:

(i) to a holder (or to a third party on behalf of a holder) who is subject to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with the Cayman Islands, Hong Kong or the PRC, otherwise than merely by holding the Bond or by the receipt of amounts in respect of the Bond; or

(ii) (in the case of a payment of principal or premium (if any)) if the Certificate in respect of such Bond is surrendered more than 30 days after the relevant date except to the extent that the holder would have been entitled to such additional amount on surrendering the relevant Certificate for payment on the last day of such period of 30 days.

For the purposes hereof, "**relevant date**" means whichever is the later of (a) the date on which such payment first becomes due and (b) if the full amount payable has not been received by the Trustee or the Principal Agent on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders and cheques despatched or payment made.

References in these Conditions to principal and premium (if any) shall be deemed also to refer to any additional amounts which may be payable under this Condition 10 (*Taxation*) or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Trust Deed.

11. Events of Default

A. *Events of Default*

Each of the following events is an "**Event of Default**" with respect to the Bonds:

(i) default in the payment of principal of the Bonds when the same becomes due and payable upon acceleration, redemption or otherwise;

(ii) default in the performance or breach of the provisions of Condition 5G (*Undertaking to Pay Work Fees*) or Condition 13 (*Consolidation, Merger and Sale of Assets*), or the failure by the Issuer to create, or cause its Restricted Subsidiaries to create, a First Priority Lien on the Common Security Collateral and a Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and *pari passu* sharing pursuant to the Intercreditor Agreements) in accordance with Condition 2 (*Security*);

(iii) the Issuer or any Restricted Subsidiary defaults in the performance of or breaches any other covenant or agreement in these Conditions, the Trust Deed or under the Bonds (other than a default specified in paragraph (i) or (ii) of this Condition 11A above) and such default or breach continues for a period of 30 consecutive days after written notice by the Trustee or the Bondholders of 25 per cent. or more in aggregate principal amount of the Bonds;

14. Enforcement

A. ***Other Remedies***

If an Event of Default occurs and is continuing, the Trustee may but will not be obligated to pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of the Bonds or to enforce the performance of any provision of the Bonds or the Trust Deed. The Trustee may maintain a proceeding even if it does not possess any of the Bonds or does not produce any of them in the proceeding. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreements, the Trustee shall upon written direction of holders of at least 25 per cent. in principal amount of the Bonds then outstanding, subject to being indemnified and/or secured and/or prefunded to its satisfaction, direct the Collateral Agent to foreclose on the Collateral and/or the ICL Collateral in accordance with the terms of the Security Documents and/or the ICL Assignment Deed and take such further action on behalf of the Bondholders with respect to the Collateral and/or the ICL Collateral as the Collateral Agent or the Trustee, as the case may be, deems appropriate.

B. ***Control by Majority***

The holders of at least a majority in aggregate principal amount of the outstanding Bonds may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or these Conditions or the Trust Deed, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Bondholders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders.

In connection with the exercise of its functions (including but not limited to those referred to herein) the Trustee shall have regard to the interests of holders of Bonds as a class and shall not have regard to the consequences of such exercise for individual holders.

C. ***Limitation on Suits***

No holder may institute any proceeding, judicial or otherwise, with respect to these Conditions, the Trust Deed or the Bonds, or for the appointment of a receiver or trustee, or for any other remedy under these Conditions, the Trust Deed or the Bonds unless:

(i) the holder has previously given the Trustee written notice of a continuing Event of Default;

(ii) the holders of at least 25 per cent. in aggregate principal amount of outstanding Bonds make a written request to the Trustee to pursue the remedy;

(iii) such holder or holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity and/or security and/or prefunding satisfactory to the Trustee; and

(v) during such 60-day period, the holders of a majority in aggregate principal amount of the outstanding Bonds do not give the Trustee a direction that is inconsistent with the request.

A holder may not use these Conditions or the Trust Deed to prejudice the rights of another holder or to obtain a preference or priority over another holder.

D. ***Rights of Holders to Receive Payment***

Notwithstanding anything to the contrary, the right of any holder of a Bond to receive payment of the principal of such Bond or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Bonds shall not be impaired or affected without the consent of holders of not less than 75 per cent. of the principal amount of the Bonds then outstanding in accordance with Condition 15E (*Waiver of Past Defaults*) and/or Condition 15B (*Amendments with Consent of Holders*).

E. ***Collection Suit by Trustee***

If an Event of Default in payment specified in paragraph (i) of Condition 11 (*Events of Default*) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, at the rate specified in the Bonds, and such further amount as is sufficient to cover the costs and expenses of collection, including the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

F. ***Trustee May File Proofs of Claim***

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the holders allowed in any judicial proceedings relating to the Issuer or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Bonds or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorised by each holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Trust Deed shall be deemed to empower the Trustee to authorise or consent to, or accept or adopt on behalf of any holder, any plan of reorganisation, arrangement, adjustment or composition affecting the Bonds or the rights of any holder thereof, or to authorise the Trustee to vote in respect of the claim of any holder in any such proceeding.

G. ***Restoration of Rights and Remedies***

If the Trustee or any holder has instituted a proceeding to enforce any right or remedy under these Conditions or the Trust Deed and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the holder, then,

subject to any determination in the proceeding, the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall continue as though no such proceeding had been instituted.

H. ***Undertaking for Costs***

In any suit for the enforcement of any right or remedy under these Conditions or the Trust Deed or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Condition 14H (*Undertaking for Costs*) does not apply to a suit by a holder to enforce payment of principal of any Bond on the respective due dates, or a suit by holders of more than 10 per cent. in principal amount of the outstanding Bonds.

I. ***Rights and Remedies Cumulative***

No right or remedy conferred or reserved to the Trustee or to the holders under these Conditions or the Trust Deed is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or exercise of any other right or remedy.

J. ***Delay or Omission Not Waiver***

No delay or omission of the Trustee or of any holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or acquiescence therein. Every right and remedy given by this Condition 14 (*Enforcement*) or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders, as the case may be.

K. ***Waiver of Stay, Extension or Usury Laws***

The Issuer and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer or such Subsidiary Guarantor, as the case may be, from paying all or any portion of the principal of the Bonds as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of these Conditions or the Trust Deed. The Issuer and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted. The Trustee is entitled to require all Agents to act under its direction following the occurrence of an Event of Default.

15. Modification and Waiver

A. *Amendments without Consent of Holders*

The Issuer, the Subsidiary Guarantors, the Trustee and the Collateral Agent, as the case may be, may amend or supplement these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination without notice to or the consent of any holder of Bonds, to:

(x) make any other change that does not materially and adversely affect the rights of any holder.

B. *Amendments with Consent of Holders*

The Issuer, the Subsidiary Guarantors, the Trustee and the Collateral Agent, as the case may be, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Bonds may amend these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination (in the case of the

(i) change the Stated Maturity of the principal of any Bond;

(ii) reduce the principal amount of any Bond;

(iii) change the currency or time of payment of principal of any Bond;

(xii) consent to the assignment or transfer by the Issuer or any Subsidiary Guarantor of any of their rights or obligations under these Conditions, the Trust Deed or the Subsidiary Guarantees, except as permitted pursuant to the provisions described under Condition 13 (*Consolidation, Merger and Sale of Assets*), whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control;

(xiii) change the redemption date or the redemption price of the Bonds from that stated in Condition 9B (*Redemption at the Option of the Issuer*) or Condition 9C (*Redemption for Relevant Event*);

(together, "**Reserved Matters**").

It is not necessary for holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof, and the holders, by consenting to the relevant proposed amendment, supplement or waiver, authorises the Trustee to enter into any documentation including any supplemental trust deed to effect such proposed amendment, supplement or waiver as is necessary.

An amendment, supplement or waiver under this Condition 15B (*Amendments with Consent of Holders*) shall become effective on receipt by the Issuer or its agent of written consents from the holders of the requisite percentage in principal amount of the outstanding Bonds. After an amendment, supplement or waiver under this Condition 15B (*Amendments with Consent of Holders*) becomes effective, the Issuer shall send to the holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Issuer shall send supplemental trust deeds to holders upon request. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental trust deed or waiver.

C. ***Effect of Consent***

After an amendment, supplement or waiver becomes effective, it shall bind every holder. Upon a waiver of a Default, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an amendment, supplement or waiver changes the terms of a Bond, the holder shall deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Bond and return it to the holder, or exchange it for a new Bond that reflects the changed terms. The Trustee shall also place an appropriate notation on any Bond thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Bonds in this fashion.

D. ***Trustee's Rights and Obligations***

The Trustee is entitled to receive, and shall be fully protected in relying upon, an Officers' Certificate and Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorised pursuant to this Condition 15 (*Modification and Waiver*) is authorised or permitted by these Conditions or the Trust Deed. If the Trustee has received such an Officers' Certificate and Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights, duties, liabilities or immunities of the Trustee.

E. ***Waiver of Past Defaults***

The holders of at least a majority in principal amount of the outstanding Bonds by written notice to the Issuer and to the Trustee may on behalf of the holders of the Bonds waive all past Defaults (except a Default or Event of Default (i) in respect of the payment of principal; or (ii) in respect of a Reserved Matter under Condition 15B (*Amendments with Consent of Holders*) cannot be modified, amended or waived without the consent of 75 per cent. in principal amount of the outstanding Bonds; in each case of (i) and (ii), which may only be waived with the consent of the holders of at least 75 per cent. of the principal amount of the Bonds then outstanding) or any default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed (subject to the requirements of the Common Security Intercreditor Agreement) and rescind and annul a declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist or the default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed will cease to exist (subject to the requirements of the Common Security Intercreditor Agreement), and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed or impair any right consequent thereon.

F. ***Interests of Bondholders***

In connection with the exercise of its functions (including but not limited to those in relation to any proposed modification, authorisation or waiver) the Trustee shall have regard to the interests of the Bondholders as a class and shall not have regard to the consequences of such exercise for individual Bondholders and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer or the Trustee, any indemnification or payment in respect of any tax consequences of any such exercise upon individual Bondholders except to the extent provided for in Condition 10 (*Taxation*) and/or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

In the event of any modification, amendment or waiver with consent of the Bondholders in accordance with this Condition 15 (*Modification and Waiver*), the Issuer will procure that the Bondholders be notified in accordance with Condition 17 (*Notices*).

G. ***Certificates/Reports***

Any certificate or report of any expert or other person called for by or provided to the Trustee (whether or not addressed to the Trustee) in accordance with or for the purposes of these Conditions or the Trust Deed may be conclusively relied upon by the Trustee, without verification, as sufficient evidence of the facts therein (and shall, in absence of manifest error, be conclusive and binding on all parties) notwithstanding that such certificate or report

and/or engagement letter or other document entered into by the Trustee, the Issuer and/or the Issuer in connection therewith contains a monetary or other limit on the liability of the relevant expert or person in respect thereof.

16. Replacement of Certificates

If any Certificate is mutilated, defaced, destroyed, stolen or lost, it may be replaced at the specified office of the Registrar or any Agent upon payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer and such Agent may require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

17. Notices

All notices to Bondholders shall be validly given if mailed to them at their respective addresses in the register of Bondholders maintained by the Registrar or published in a leading newspaper having general circulation in Asia (which is expected to be the *Asian Wall Street Journal*). The Issuer shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange or other relevant authority on which the Bonds and/or the Shares are for the time being listed, including that so long as the Bonds are listed on the SGX and if the rules of the SGX so require, published in a leading newspaper having general circulation in Hong Kong (which is expected to be *The Business Times*). Any such notice shall be deemed to have been given on the later of the date of such publication and the seventh day after being so mailed, as the case may be.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of Euroclear or Clearstream or the Alternative Clearing System (as defined in the Global Certificates), notices to Bondholders may be given by delivery of the relevant notice to Euroclear or Clearstream or the Alternative Clearing System, for communication by it to entitled accountholders in substitution for notification as required by the Conditions and such notice shall be deemed to be received by the Bondholders on the date of delivery of such notice to Euroclear, Clearstream and/or the Alternative Clearing System (as applicable).

18. Agents

The names of the initial Agents and the Registrar and their specified offices are listed on the Certificate. The Issuer reserves the right, subject to the prior written approval of the Trustee, at any time to vary or terminate the appointment of any Agent or the Registrar and to appoint additional or other Agents or a replacement Registrar. The Issuer will at all times maintain (a) a Principal Agent, (b) a Registrar which will maintain the Register outside Hong Kong, and (c) a Calculation Agent. Notice of any such termination or appointment, of any changes in the specified offices of any Agent or the Registrar and of any change in the identity of the Registrar or the Principal Agent will be given promptly by the Issuer to the Bondholders.

19. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking any step and/or action and/or instituting any proceeding to enforce repayment unless indemnified and/or secured and/or pre-funded to its satisfaction and entitling the Trustee to be paid or reimbursed for any fees, costs, expenses, indemnity payments and for liabilities incurred by it. The Trustee is entitled to enter into business transactions with the Issuer and any entity related (directly or indirectly) to the Issuer (including any of its affiliates) without accounting for any profit.

The Trustee may rely conclusively and may act or refrain from acting, in each case without liability to Bondholders, the Issuer or any other person on any report, confirmation, certificate or information from or any advice or opinion of any legal counsels, accountants, financial advisers, financial institution or any other expert, whether or not obtained by or addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or any other person in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to conclusively rely on any such report, confirmation, certificate, information, advice or opinion, in which event such report, confirmation, certificate, information, advice or opinion shall be binding on the Issuer and the Bondholders.

Whenever the Trustee is required or entitled by these terms of the Trust Deed or these Conditions to exercise any discretion or power, take any action, make any decision or give any direction, the Trustee is entitled, prior to exercising any such discretion or power, taking or refrain from taking any such action, making any such decision or giving any such direction, to seek directions from the Bondholders, and the Trustee shall not be responsible for any loss or liability incurred by the Issuer, the Bondholders or any other person as a result of any delay in it exercising such discretion or power, taking or refrain from taking such action, making such decision or giving such direction as a result of seeking such direction from the Bondholders or in the event that no direction is given to the Trustee by the Bondholders.

None of the Trustee or any of the Agents shall be responsible for the performance by the Issuer and any other person appointed by the Issuer in relation to the Bonds of the duties and obligations on their part expressed in respect of the same and, unless it has written notice from the Issuer to the contrary, the Trustee and each Agent shall be entitled to assume that the same are being duly performed. None of the Trustee or any Agent shall be liable to any Bondholder, the Issuer or any other person for any action taken by the Trustee or such Agent in accordance with the instructions of the Bondholders. The Trustee shall be entitled to conclusively rely on any direction, request or resolution of Bondholders given by holders of the requisite principal amount of Bonds outstanding or passed at a meeting of Bondholders convened and held in accordance with the Trust Deed. Neither the Trustee nor any of the Agents shall be under any obligation to ascertain whether any Event of Default, Default, Relevant Event or any event giving rise to a redemption has occurred or monitor the performance or compliance of the Issuer in the fulfilment of its obligations under the provisions of the Trust Deed, the Agency Agreement or these Conditions. Each Bondholder shall be solely responsible for making and continuing to make its own independent appraisal and investigation into the financial condition, creditworthiness, condition, affairs, status and nature of the Issuer, and the Trustee shall not at any time have any responsibility for the same and each Bondholder shall not rely on the Trustee in respect thereof. The Trustee shall be entitled to request clarifications of any instructions or directions given to it in relation to how to exercise its rights, powers and discretions, and may refrain from acting on such instructions until such clarifications have been received.

20. Contracts (Rights of Third Parties) Ordinance (Cap 623)

No person shall have any right to enforce any term or condition of the Bonds or any provision of the Trust Deed under the Contracts (Rights of Third Parties) Ordinance (Cap 623) but this shall not affect any right or remedy which exists or is available apart from Ordinance.

21. Governing Law and Submission to Jurisdiction

A. *Governing Law*

The Bonds, the Trust Deed and the Agency Agreement are governed by, and shall be construed in accordance with Hong Kong law.

B. ***Jurisdiction***

The courts of Hong Kong are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Bonds and accordingly any legal action or proceedings arising out of or in connection with the Bonds and/or the Trust Deed ("**Proceedings**") may be brought in such courts. Pursuant to the Trust Deed, each of the Issuer and the Subsidiary Guarantors has irrevocably submitted to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

C. ***Agent for Service of Process***

Pursuant to the Trust Deed, each of the Subsidiary Guarantors has irrevocably appointed in the Trust Deed the Issuer as its agent in Hong Kong, and the Issuer has irrevocably agreed to receive service of process in any Proceedings in Hong Kong based on any of the Bonds at the Issuer's business address in Hong Kong, currently at [Suite 1702, 17/F Dina House, Ruttonjee Centre 11 Duddell Street Central, Hong Kong]. Such service shall be deemed completed on delivery to such address (whether or not, it is received by the Issuer). If for any reason the Issuer no longer has an address in Hong Kong and/or any of the Subsidiary Guarantors does not have such an agent in Hong Kong, the Issuer irrevocably agrees to forthwith appoint a process agent in Hong Kong, notify the Bondholders of such appointment in accordance with Condition 17 (*Notices*) and deliver to the Trustee a copy of the agent's acceptance of that appointment within 30 days of such cessation. Nothing shall affect the right to serve process in any manner permitted by law.

D. ***Waiver of Immunity***

Each of the Issuer and the Subsidiary Guarantors has waived any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence, and has irrevocably consented to the giving of any relief or the issue of any process, including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Proceedings.

except, in each case, (i) any of the foregoing that has been previously disclosed to the Trustee in accordance with the Trust Deed and any relevant Security Document and in respect of which the Issuer and each Subsidiary Guarantor have delivered to the Trustee all required documents and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Trust Deed and the relevant Security Documents and (ii) any of the foregoing described in Attachment 1(1) hereto in respect of which the Issuer or the Subsidiary Guarantor is delivering to the Trustee herewith all required statements and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Trust Deed and the relevant Security Documents.

5 That a review has been conducted of the activities of the Issuer and its Restricted Subsidiaries and the Issuer's and its Restricted Subsidiaries' performance under the Trust Deed, in each case since the Issue Date, [and that the Issuer and the Subsidiary Guarantors have been since the Issue Date and are in compliance with all obligations under the Trust Deed]/[if there has been a default in the fulfillment of any obligation under the Trust Deed, specifying each such default and the nature and status thereof.]

3.4 **Entitlement to treat holder as owner:** The holder of any Bond will (except as ordered by a court of competent jurisdiction or save as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on or the theft or loss of the Certificate issued in respect of it) and no person will be liable for so treating such holder, and neither the Trustee nor any Agent shall be affected by any notice to the contrary.

4 Stamp Duties and Taxes

4.1 **Stamp Duties:** The Issuer, failing whom the Subsidiary Guarantors, will pay any stamp, issue, registration, documentary, transfer or other taxes, duties, assessments or government charges, including interest and penalties, payable in the Cayman Islands, Hong Kong, the PRC and any other relevant jurisdiction in respect of the creation, issue, and initial offering or sale of the Bonds and the execution or delivery of this Trust Deed. The Trustee shall not be liable to pay any such taxes and duties in any jurisdiction and shall not be concerned with, or obligated or required to enquire into, the sufficiency of any amount paid by the Issuer or any Bondholder for this purpose and shall not be liable for any losses as a result of any non-payment by the Issuer or any Bondholder. Each of the Issuer and each Subsidiary Guarantor on a joint and several basis will also indemnify the Trustee and the Bondholders from and against all stamp, issue, registration, documentary, transfer or other taxes paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Bondholders (where in the case of the Bondholders, permitted under this Trust Deed so to do) to enforce the Issuer's or the

Subsidiary Guarantors' obligations under this Trust Deed or the Bonds. The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Trustee or the termination of this Trust Deed and/or the Bonds no longer being outstanding.

4.2 **Change of Taxing Jurisdiction:** If the Issuer or any Subsidiary Guarantor becomes subject generally to the taxing jurisdiction of a territory or a taxing authority of or in that territory with power to tax other than or in addition to the Cayman Islands, Hong Kong, the PRC, the relevant jurisdiction of incorporation of each relevant Subsidiary Guarantor or any such authority of or in such territory then the Issuer or, as the case may be, any Subsidiary Guarantor, will notify the Trustee as soon as practicable after it becomes aware and give the Trustee an undertaking satisfactory to the Trustee in terms corresponding to the terms of Condition 10 (*Taxation*) with the substitution for, or (as the case may require) the addition to, the references in that Condition to the Cayman Islands, Hong Kong, the PRC or the relevant jurisdiction of incorporation of each relevant Subsidiary Guarantor of references to that other or additional territory or authority to whose taxing jurisdiction the Issuer or any Subsidiary Guarantor has become so subject. In such event this Trust Deed and the Bonds will be read accordingly.

5 Guarantees and Indemnity

5.1 **Guarantees:** Each Subsidiary Guarantor unconditionally and irrevocably guarantees that if the Issuer does not pay any sum expressed to be payable by it under this Trust Deed or the Bonds by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), each Subsidiary Guarantor will pay that sum to or to the order of the Trustee, in the manner provided in Clause 2.2 before close of business on that date in the city to which payment is so to be made. Clauses 2.2.1 and 2.2.2 will apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 12.4. All payments under the Guarantees by each Subsidiary Guarantor will be made subject to Condition 10 (*Taxation*) and Clause 4. All payments under the Guarantees shall be made in U.S. dollars.

5.2 **Guarantors as Principal Debtor:** As between each Subsidiary Guarantor, the Trustee and the Bondholders but without affecting the Issuer's obligations, each Subsidiary Guarantor will be liable under this Clause 5 as if it were the sole principal debtor and not merely a surety. Accordingly, each Subsidiary Guarantor will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if each Subsidiary Guarantor were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to the Issuer or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on the Issuer or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed or the Bonds or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed or the Bonds or any of the Issuer's obligations under any of them).

5.3 **Guarantors' Obligations Continuing:** Each Subsidiary Guarantor's obligations under this Trust Deed are and will remain in full force and effect as continuing obligations until no sum remains payable under this Trust Deed or the Bonds. Furthermore, the obligations of each Subsidiary Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from each Subsidiary Guarantor or otherwise and may be enforced without first having recourse to the Issuer, any other person, any security or any other guarantee or indemnity. Each Subsidiary Guarantor irrevocably waives all notices and demands of any kind in relation to payments under the Guarantees.

5.4 **Subrogation and Contribution:** Upon making any payment with respect to any obligation of the Issuer under this Clause 5.4, the Subsidiary Guarantor making such payment shall be subrogated to the rights of the payee against the Issuer with respect to such obligation; provided, that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Issuer hereunder or under the Bonds remains unpaid.

5.5 **Exercise of the Guarantors' Rights:** So long as any sum remains payable under this Trust Deed or the Bonds:

5.5.1 any right of any Subsidiary Guarantor by reason of the performance of any of its obligations under this Clause 5.5, to be indemnified by the Issuer or to take the benefit of or to enforce any security or other guarantee or indemnity will be exercised and enforced by each Subsidiary Guarantor only in such manner and on such terms as the Trustee may require or approve; and

5.5.2 any amount received or recovered by each Subsidiary Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of the Issuer will be held on trust for the Trustee and promptly paid to the Trustee and the Trustee will hold such amount on the trusts set out in Clause 10 but so that nothing in this Clause 5.5 shall be construed as creating a charge or any other security interest.

5.6 **Suspense Accounts:** Any amount received or recovered by the Trustee (otherwise than as a result of a payment by the Issuer to the Trustee in accordance with Clause 2) in respect of any sum payable by the Issuer under this Trust Deed or the Bonds may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

5.7 **Avoidance of Payments:** Each Subsidiary Guarantor shall on demand indemnify the Trustee and each Bondholder against any cost, loss, expense or liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution, or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by the Issuer under this Trust Deed or any Bond and shall in any event pay to the Trustee or the relevant Bondholder on demand the amount as refunded by it.

5.8 **Debts of Issuer:** If any moneys become payable by each Subsidiary Guarantor under the Guarantees, so long as any such moneys remain unpaid, the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive

payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment and the Issuer will not, pay any moneys for the time being due from the Issuer to each Subsidiary Guarantor.

5.9 **Stay of Acceleration:** If acceleration of the time for payment of any amount payable by the Issuer under this Trust Deed or the Bonds is stayed upon the insolvency, bankruptcy or reorganization of the Issuer, all such amounts otherwise subject to acceleration under the terms of this Trust Deed are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Bondholders.

5.10 **Indemnity:** As separate, independent and alternative stipulations, each Subsidiary Guarantor, jointly and severally, unconditionally and irrevocably agrees (1) that any sum which, although expressed to be payable by the Issuer under this Trust Deed or the Bonds, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, each Subsidiary Guarantor, the Trustee or any Bondholder) not recoverable from each Subsidiary Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Trustee on demand and (2) as a primary obligation to indemnify the Trustee and each Bondholder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under this Trust Deed or the Bonds not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of the Issuer under this Trust Deed or the Bonds being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Trustee, any Bondholder), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum.

5.11 **Ranking of the Guarantee**: Each Subsidiary Guarantee constitutes direct, unsubordinated, unconditional and secured obligations of each Subsidiary Guarantor, and shall at all times rank *pari passu* and without any preference or priority among themselves. Pursuant to the pledge of the Collateral and the ICL Collateral by the Issuer, the Pledgors and the pledgors under the ICL Assignment Deed, as the case may be, as set forth in Clause 6 and subject to the limitations described therein, the Subsidiary Guarantee of each Subsidiary Guarantor (a) is entitled to a first ranking security interest in the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) pledged by the Issuer, the Common Security Pledgors and the pledgors under the ICL Assignment Deed and a Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) pledged by the Issuer and such Tiered Security Pledgor and (b) ranks effectively senior in right of payment to the unsecured obligations of such Subsidiary Guarantor with respect to the value of the Collateral and ICL Collateral securing such Subsidiary Guarantee (subject to any priority rights of such unsecured obligations pursuant to applicable law).

5.12 **Future Subsidiary Guarantors**:

5.12.1 In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the holding company directly holding such new project outside the PRC shall guarantee the Bonds, subject to the Security and Guarantee

Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Issuer shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Issuer has used its commercially reasonable endeavours, the Issuer shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

5.12.2 Each Restricted Subsidiary directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or any other Restricted Subsidiary that guarantees the Bonds after the Issue Date is referred to as a "**Future Subsidiary Guarantor**" and, upon execution of the applicable supplemental trust deed in the form set out in Schedule 6, shall be a "**Subsidiary Guarantor**".

5.12.3 In the case of a Subsidiary Guarantor with respect to which the Issuer or any of its Restricted Subsidiaries is proposing to sell, whether through the sale of existing shares or the issuance of new shares, no less than 20 per cent, of the Capital Stock of such Subsidiary Guarantor, the Issuer may concurrently with or after the consummation of such sale or issuance of Capital Stock, (A) instruct the Trustee to release the Subsidiary Guarantees provided by such Subsidiary Guarantor and each of its Restricted Subsidiaries organised outside the PRC, and upon such release such Subsidiary Guarantor and its Restricted Subsidiaries organised outside the PRC will become "**New Non-Guarantor Restricted Subsidiaries**" (such that each New Non-Guarantor Restricted Subsidiary will no longer Guarantee the Bonds) and (B) instruct the Collateral Agent to (1) discharge the pledge of the Capital Stock granted by each such New Non-Guarantor Restricted Subsidiary (if relevant) and (2) discharge the pledge of Capital Stock made by the Issuer or any Subsidiary Guarantor over the shares it owns in such New Non-Guarantor Restricted Subsidiary (if relevant), (in each case, without any requirement to seek the consent or approval of the holders of the Bonds), *provided* that after the release of such Subsidiary Guarantees, the Consolidated Assets of all Restricted Subsidiaries organised outside the PRC (other than Exempted Subsidiaries or Listed Subsidiaries) that are not a Subsidiary Guarantor (including the New Non-Guarantor Restricted Subsidiaries) do not account for more than 20 per cent. of Total Assets. A Subsidiary Guarantee of a Subsidiary Guarantor may only be released pursuant to this Clause 5.12.3 if as of the date of such proposed release, no document exists that is binding on the Issuer or any of the Restricted Subsidiaries that would have the effect of (x) prohibiting the Issuer or any of the Restricted Subsidiaries from releasing such Subsidiary Guarantee or (y) requiring the Issuer or such Subsidiary Guarantor to deliver or keep in place a guarantee of other Indebtedness of the Issuer by such Subsidiary Guarantor.

5.13 Release of Guarantee:

5.13.1 A Subsidiary Guarantee given by a Subsidiary Guarantor shall be released upon:

(i) repayment in full of the Bonds;

(ii) the designation by the Issuer of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of the Conditions and this Trust Deed;

(iii) the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of other Scheme Instruments resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Issuer's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the net proceeds from such sale or disposition are used for the purposes permitted or required by the Conditions, this Trust Deed and terms of other Scheme Instruments;

(iv) in the case of a Subsidiary Guarantor that becomes a New Non-Guarantor Restricted Subsidiary, in compliance with the terms of the Conditions and this Trust Deed; or

(v) when such Subsidiary Guarantor no longer Guarantees, or the Guarantee provided by such Subsidiary Guarantor is concurrently released with respect to, any Scheme Instruments and/or any Permitted Pari Passu Secured Indebtedness in compliance with the terms of the Conditions and this Trust Deed; *provided*, that each of the Trustee and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in the Conditions, this Trust Deed and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Issuer, and the Trustee and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of the Conditions, this Trust Deed and the Security Documents, as applicable. In the exercise of their duties, the Trustee and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of the Officers' Certificate submitted to it by the Issuer and is entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

5.13.2 No release and discharge of the Subsidiary Guarantee shall be effective against the Trustee, any Agent or the holders of Bonds (i) if a Default or Event of Default shall have occurred and be continuing under the Conditions or this Trust Deed as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Issuer shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Trust Deed and the Security Documents relating to such release and discharge have been complied with and that such release and discharge is authorised and permitted under this Trust Deed and the Security Documents. At the request of the Issuer, the Trustee shall execute and deliver an instrument evidencing such release and discharge.

5.14 **Payments set aside**: If any payment received from the Issuer or any Subsidiary Guarantor by the Trustee or the Principal Agent or any Bondholder pursuant to the provisions of this Trust Deed or the Agency Agreement or the Bonds shall, on the subsequent bankruptcy, liquidation, winding-up, insolvency or corporate reorganisation of the Issuer or such Subsidiary Guarantor on the occurrence of any other similar event relating to the Issuer, be set aside or avoided under any laws relating to bankruptcy, dissolution, liquidation, winding-up, insolvency, corporate reorganisation or other such similar events, such payment shall not be considered as discharging or diminishing the liability of the Issuer or, as the case may be, the Subsidiary Guarantors and the Guarantees shall continue to apply as if such payment had at all times remained owing by the Issuer, and the Subsidiary Guarantors shall indemnify the Trustee, the Principal Agent and/or the Bondholder, as the case may be, in respect thereof.

6 Security

6.1 Security to be Granted

6.1.1 The Issuer has pledged, or caused the Common Security Pledgors or the pledgors under the ICL Assignment Deed to pledge, as the case may be, the Common Security Collateral and the ICL Collateral on a first priority basis (subject to Permitted Liens and the Common Security Intercreditor Agreement) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the obligations of the Issuer under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee. The Issuer has pledged, or caused the Tiered Security Pledgors to pledge, as the case may be, the Tiered Security Collateral (subject to Permitted Liens and the Tiered Security Intercreditor Agreement, which among other things shall govern the relative priority with regard to the security interests in the Tiered Security Collateral as between the holders of the SCA Loan and the holders of the other Scheme Instruments) to the Collateral Agent (for the benefit of the Secured Creditors on behalf of holders of Scheme Instruments and each other holder of secured indebtedness permitted thereunder), in order to secure (among others) the obligations of the Issuer under the Scheme Instruments, and of each Subsidiary Guarantor under its Subsidiary Guarantee.

6.1.2 On the Issue Date, the Trustee shall, for the benefit of the holders of the Bonds, execute the Intercreditor Agreements, and accordingly, on the Issue Date,

(i) subject to the terms of the Common Security Intercreditor Agreement, (A) the Common Security Collateral and the ICL Collateral will be shared on a *pari passu* basis by (1) the Trustee (for the benefit of the holders of the Bonds), (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of the other Scheme Instruments), and (3) the holders of the Permitted Pari Passu Secured Indebtedness (or their respective trustee or agents) and (B) any CVR Recoveries will be shared on a *pro rata* basis among the

CVR Beneficiaries, and (C) any Subordination Recoveries will be shared on a *pro rata* basis by (1) the Trustee (for the benefit of the holders of the Bonds) and (2) the trustees or agents of the other Scheme Instruments (for the benefit of the holders of such other Scheme Instruments), in each case in accordance with the terms of the Common Security Intercreditor Agreement; and

(ii) subject to the terms of the Tiered Security Intercreditor Agreement, the Tiered Security Collateral will be shared by (A) the agent of the SCA Loan (for the benefit of the holders of the SCA Loan) on a first priority basis, (B) the trustees or agents of the Scheme Instruments other than the SCA Loan (for the benefit of the holders of such Scheme Instruments) on a second priority basis, and (C) the holders of the Permitted Pari Passu Secured Indebtedness (or their respective trustee or agents) on a second priority basis.

6.1.3 The Issuer shall, or shall cause each of the Pledgors or the pledgors under the ICL Assignment Deed, as the case may be, for the benefit of the holders of the Bonds, to:

(i) execute one or more Common Security Documents and the ICL Assignment Deed granting to the Collateral Agent, for the benefit of the holders of the Bonds, first priority Liens on the Common Security Collateral and the ICL Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) (the "**First Priority Lien**");

(ii) execute one or more Tiered Security Documents granting to the Collateral Agent, for the benefit of the holders of the Bonds, second priority Liens on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement) (the "**Second Priority Lien**"); and

(iii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting and perfection (if relevant) of the First Priority Lien on the Common Security Collateral (subject to any Permitted Liens and the Common Security Intercreditor Agreement) and the Second Priority Lien on the Tiered Security Collateral (subject to any Permitted Liens and the Tiered Security Intercreditor Agreement).

6.1.4 The initial Pledgors are named in Schedule 5-2 to this Trust Deed.

6.1.5 So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the ICL Assignment Deed, the Conditions and this Trust Deed, the Issuer, the Pledgors and/or the pledgors under the ICL Assignment Deed, as the case may be, shall be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions or repayments (whether similar or dissimilar to the foregoing) in respect of Capital Stock or receivables constituting Collateral or ICL Collateral.

6.1.6 Each holder of the Bonds, by its acceptance thereof, consents and agrees to the terms of the Security Documents and the ICL Assignment Deed (including, without limitation, the provisions providing for foreclosure and release of Collateral or ICL Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorises and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

6.1.7 The Trustee and each holder, by accepting the Bonds and the Subsidiary Guarantees, acknowledges that the Collateral and the ICL Collateral as now or hereafter constituted shall be held for the benefit of all the holders under the Security Documents and the ICL Assignment Deed, and that the Lien of the Conditions, this Trust Deed, the Security Documents and the ICL Assignment Deed in respect of the Trustee and the holders is subject to and qualified and limited in all respects by the Security Documents and the ICL Assignment Deed and actions that may be taken thereunder.

6.1.8 Notwithstanding (1) anything to the contrary contained in the Conditions, this Trust Deed, the Security Documents, the Bonds or any other instrument governing, evidencing or relating to any Indebtedness, (2) the time, order or method of attachment of any Liens, (3) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (4) the time of taking possession or control over any Collateral or (5) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Issuer and the Pledgors shall ensure that:

(i) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under the Conditions or this Trust Deed to exist and to rank equally and ratably with the Bonds and the Subsidiary Guarantees; and

(ii) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in the Common Security Intercreditor Agreement and the Tiered Security Intercreditor Agreement.

6.2 Future Security

6.2.1 In the event that:

(i) any security created in respect of the Collateral is required to be released pursuant to Clause 6.6.1(ii) as a result of a CGVC Portfolio Asset Sale; and

(ii) such CGVC Portfolio Asset Sale is consummated for non-cash consideration,

such non-cash consideration to be constituted a CGVC Portfolio Asset or any replacement CGVC Portfolio Asset designated by the Issuer pursuant to sub-

paragraph (c)(1) of the "Disposal Protocol" definition (collectively, each a "**Replacement CGVC Portfolio Asset**"), shall be pledged by the Issuer or any relevant member of the Group to secure, among others, the obligations of the Issuer under the Bonds and this Trust Deed, and of each Subsidiary Guarantor under its Subsidiary Guarantee.

6.2.2 In the event that any Offshore Annual Budget Withholding is reinvested in a new project outside the PRC pursuant to the then-applicable Offshore Annual Budget, the shares of the holding company directly holding such new project outside the PRC shall be pledged by the Issuer or any relevant member of the Group to secure, among others, the obligations of the Issuer under the Bonds, the Conditions and this Trust Deed, and of each Subsidiary Guarantor under its Subsidiary Guarantee, subject to the Security and Guarantee Conditions; *provided*, that for so long as the Security and Guarantee Conditions are not satisfied, the Issuer shall undertake commercially reasonable endeavours to obtain a consent, waiver and/or approval of any applicable regulatory, judicial or governmental agency necessary to satisfy the Security and Guarantee Conditions; *provided*, *further*, that for so long as such consent, waiver and/or approval is not obtained notwithstanding the Issuer has used its commercially reasonable endeavours, the Issuer shall enter into a negative pledge over the shares of the relevant holding company or provide security over proceeds from dividends arising from those shares.

6.2.3 Each member of the Group that pledges a Replacement CGVC Portfolio Asset after the Issue Date is referred to as a "**Future Tiered Security Pledgor**" and, upon giving such pledge, will be a "**Tiered Security Pledgor**".

6.2.4 Each Restricted Subsidiary that pledges Capital Stock of the holding company directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or of any other Restricted Subsidiary after the Issue Date is referred to as a "**Future Common Security Pledgor**" and, upon giving such pledge, shall be a "**Common Security Pledgor**"

6.2.5 Upon each pledge by a Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, in each case, in accordance with this Clause 6.2, the Issuer shall deliver to the Trustee an Officers' Certificate stating that entry into the applicable pledge agreement has been duly and validly authorized and an Opinion of Counsel to the effect that (A) in the opinion of such counsel, such action has been taken with respect to the recording, registering and filing of or with respect to the Conditions or this Trust Deed and the applicable pledge agreement and all other instruments of further assurance as are necessary to make effective the First Priority Lien (subject to Permitted Liens and the Common Security Intercreditor Agreement) created by such pledge agreement in the Capital Stock and/or to make effective the Second Priority Lien (subject to Permitted Liens and the Tiered Security Intercreditor Agreement) created by such pledge agreement in a Replacement CGVC Portfolio Asset referenced in Clause 6.2.3, and referencing the details of such action; or (B) in the opinion of such

counsel, no such action is necessary to make such First Priority Lien or Second Priority Lien, as the case may be, effective; *provided*, that any such Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact. The Trustee is entitled to rely conclusively on the Opinion of Counsel and Officers' Certificate or certificates of public officials referred to in this Clause 6.2.5 and shall not be liable to any person for so doing.

6.2.6 All Opinions of Counsel delivered pursuant to Clause 6.2.5 may contain assumptions, qualifications, exceptions and limitations as are appropriate and customary for similar opinions relating to the nature of the Capital Stock or Replacement CGVC Portfolio Asset pledged.

6.2.7 Upon each pledge by any Future Common Security Pledgor of the Capital Stock of any Restricted Subsidiary and/or a Future Tiered Security Pledgor of any Replacement CGVC Portfolio Asset, the Issuer shall give notice, file, register or record any supplemental trust deeds, financing statements, continuation statements, pledge agreements or other instruments or cause each such Future Common Security Pledgor and/or such Future Tiered Security Pledgor to give notice, file, register or record any supplemental trust deeds, financing statements, continuation statements, pledge agreements or other instruments and take any other actions necessary in order to perfect and protect the First Priority Lien or Second Priority Lien, as the case may be, thereby created.

6.3 Certificates of the Issuer and Each of the Pledgors

6.3.1 On or before a date not more than 120 days after the end of each fiscal year, as required under Clause 11.4, the Issuer shall furnish to the Trustee a compliance certificate in the form set out in Schedule 4.

6.3.2 The Issuer shall furnish to the Trustee on or prior to any proposed release of Collateral or ICL Collateral by the Issuer, any Pledgor or any pledgor under the ICL Assignment Deed an Officers' Certificate certifying and an Opinion of Counsel stating that such release shall comply with the terms of the Conditions and this Trust Deed and the relevant Security Documents or ICL Assignment Deed.

6.4 Authorisation of Actions to be Taken by the Trustee Under the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination

6.4.1 The Trustee shall be the representative on behalf of the holders of the Bonds and shall act upon the written direction of the holders of the Bonds, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, with regard to all voting, consent and other rights granted to the holders of the Bonds under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination.

6.4.2 Subject to the terms of the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination, the Trustee shall upon request of holders of

at least 25 per cent. in aggregate principal amount of outstanding Bonds, subject to indemnity and/or security and/or prefunding satisfactory to the Trustee, on behalf of the holders of the Bonds, instruct the Collateral Agent to take all actions it deems necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the holders of the Bonds under the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination and (B) receive any and all amounts payable from the Collateral or the ICL Collateral or under the Deed of Undertaking and Subordination in respect of the obligations of the Issuer and the Subsidiary Guarantors hereunder.

6.4.3 Subject to the terms of the Security Documents, the ICL Assignment Deed and this Trust Deed, the Trustee shall have the power, but is not obliged, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral or the ICL Collateral by any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed, the Conditions or this Trust Deed, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the holders of the Bonds in the Collateral or the ICL Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the holders of the Bonds or the Trustee). The Trustee is hereby irrevocably authorised by each holder of the Bonds to effect any release of Liens, Collateral or ICL Collateral contemplated by Clause 6.6 hereof or by the terms of the Security Documents and or ICL Assignment Deed. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed, the Conditions, the Deed of Undertaking and Subordination or this Trust Deed unless and until it obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

6.4.4 Notwithstanding the provisions of this Clause 6.4, the Trustee may, in its sole discretion and without the consent of the holders of the Bonds, relinquish its responsibilities as the representative on behalf of the holders of the Bonds under the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, if and when the Issuer incurs any Permitted Pari Passu Secured Indebtedness.

6.4.5 The Trustee shall not be responsible for the adequacy of the Collateral or the ICL Collateral in respect of the obligations of the Issuer and the Subsidiary Guarantors hereunder.

6.5 Authorisation of Receipt of Funds by the Trustee Under the Security Documents, the ICL Assignment Deed and the Deed of Undertaking and Subordination

The Trustee is authorised to receive and distribute any funds for the benefit of the holders of the Bonds under the Security Documents and the ICL Assignment Deed, and to make further distributions of such funds to the holders of the Bonds according to the provisions of the Conditions, this Trust Deed, the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed and the Deed of Undertaking and Subordination.

6.6 Release of Security

6.6.1 Subject to the terms of the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed, the security created in respect of the Collateral granted under the Security Documents and in respect of the ICL Collateral granted under the ICL Assignment Deed may be released in certain circumstances, including:

(i) upon repayment in full of the Bonds;

(ii) subject to Clause 6.2, upon dispositions of certain types of Collateral or ICL Collateral in compliance with other Scheme Instruments;

7 Covenants relating to Conversion

As provided for and in accordance with the Conditions, each Bond will have a Voluntary Conversion Right that will entitle the Bondholder, during the Voluntary Conversion Period, to convert such Bond for Shares as set out in the Conditions. In addition, unless previously redeemed, converted or purchased and cancelled as provided in the Conditions and without prejudice to each Bondholder's Voluntary Conversion Right, all Bonds outstanding will be subject to the Trigger Conversion, the Periodic Mandatory Conversion and the Maturity Mandatory Conversion on the terms and subject to the Conditions. So long as any Bond remains outstanding, save with the approval of the Bondholders in accordance with the Conditions and this Trust Deed, the Issuer will:

7.1 **Availability of Shares:** reserve, free from any other pre-emptive or other similar rights, out of its authorised but unissued ordinary share capital the full number of Shares liable to be issued on conversion of all the Bonds from time to time remaining outstanding and shall ensure that all Shares delivered on conversion of Bonds will be duly and validly issued as fully-paid and not subject to call for further funds;

7.2 **Par Value:** not make any offer, issue, grant or distribute or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares

unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price below the par value of the Shares into legally issued, fully paid and non-assessable Shares, provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law;

7.3 **Limited Issues of Shares:** not issue or pay up any securities, in either case by way of capitalisation of profits or reserves unless, in any such case, it gives rise (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, give rise) to an adjustment of the Conversion Price, provided that the Issuer may issue or pay up any security by way of capitalisation of profits or reserves (i) by the issue of fully paid Shares to the Shareholders and other persons entitled to them, (ii) by the issue of Shares paid up in full out of profits or reserves in accordance with Applicable Law and issued in lieu of a cash dividend or (iii) by the issue of fully paid equity share capital (other than Shares) to the holders of equity share capital of the same class and other persons entitled thereto, subject in each case to the provisions of Condition 7(C) (*Adjustments to Conversion Price*). For the avoidance of doubt, nothing in this Clause 7.3 shall prevent the issue of any equity share capital by the Issuer in accordance with any Employee Share Scheme or [●][1];

7.4 **Limited Modification of Rights:** not modify the rights attaching to the Shares with respect to voting, dividends or liquidation nor issue any other class of ordinary share capital carrying any rights which are more favourable than the rights attaching to Shares but so that nothing in this Clause 7.4 shall prevent (i) the issue of equity share capital pursuant to any Employee Share Scheme or [●]; (ii) a consolidation or subdivision of the Shares or the conversion of any Shares into stock or *vice versa*; (iii) a modification to the rights attaching to the Shares which is not, in the opinion of an Independent Financial Advisor, materially prejudicial to the interests of the Bondholders; (iv) the conversion of Shares into, or the issue of any Shares in, uncertificated form (or the conversion of Shares in uncertificated form to certificated form) or the amendment of the articles of association of the Issuer to enable title to securities of the Issuer (including Shares) to be evidenced and transferred without a written instrument or any other alteration to the articles of association of the Issuer made in connection with the matters described in this Clause 7.4 or which are supplemental or incidental to any of the foregoing (including amendments made to enable or facilitate procedures relating to such matters and amendments dealing with the rights and obligations of holders of securities (including Shares) dealt with under such procedures) or (v) any issue of equity share capital which results (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, otherwise result) in an adjustment of the Conversion Price or is otherwise taken into account for the purposes of determining whether such an adjustment should be made pursuant to Condition 7(C) (*Adjustments to Conversion Price*);

7.5 **Limited Grant of Rights:** procure that no securities (whether issued by the Issuer or any of its Subsidiaries) issued without rights to convert into or exchange or subscribe for Shares shall subsequently be granted such rights at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the announcement of the proposed inclusion of such rights unless the same gives rise (or would, if the adjustment would be one per cent. or

[1] Note: to be aligned with the terms and conditions

more of the Conversion Price then in effect, give rise) to an adjustment of the Conversion Price and that at no time shall there be in issue Shares of differing par values. For the avoidance of doubt, nothing in this Clause 7.5 shall prevent the issue of any equity share capital by the Issuer pursuant to the any Employee Share Scheme, [●] or any equity share capital (including Shares) pursuant to the conversion provisions of the Bonds as set out in Condition 7 (*Conversion*);

7.6 **Directors' Certificate:** if an event happens as a result of which the Conversion Price may be adjusted pursuant to the Conditions as soon as practicable send the Trustee a certificate signed by one Authorised Signatory of the Issuer on behalf of the Issuer setting out particulars of the event, whether an adjustment to the Conversion Price is to be made and, if so, the Conversion Price prior to such adjustment, the adjusted Conversion Price and the date on which such adjustment takes effect, whether an amount will be carried forward pursuant to Condition 7D(i) (*Minor Adjustments*) and if so the amount to be carried forward and in any case setting out such other information as the Trustee may require;

7.7 **Extend Offer:** if an offer is made to all (or as nearly as may be practicable all) Shareholders, or all (or as nearly as may be practicable all) the Shareholders other than the offeror and/or any associate or associates of the offeror to acquire all or a majority of the issued equity share capital of the Issuer, or if any person proposes a scheme with regard to such acquisition, give notice of such offer or scheme to the Bondholders at the same time as any notice thereof is sent by the Issuer to its Shareholders (or as soon as practicable thereafter), provided that such notice shall comply with the Applicable Law and the applicable listing rules, stating that details concerning such offer or scheme may be obtained from the specified offices of the Agents and provide the Agents with such details and, where such an offer or scheme has been recommended by the board of directors of the Issuer or where such an offer has become or been declared unconditional in all respects, subject to Applicable Law (including, without limitation, the Hong Kong Code on Takeovers and Mergers), use its reasonable endeavours to procure that a like offer or scheme is extended to the Bondholders and the holders of any Shares issued during the period of the offer or scheme arising out of Voluntary Conversion Rights, Mandatory Conversion or Trigger Conversion;

7.8 **Closing of Register of Shareholders:** unless so required by Applicable Law or the bye-laws of the Issuer or the Listing Rules or in order to establish a dividend or other rights attaching to the Shares or entitlements of the Shareholders (including but not limited to the right to attend and vote at general meetings of Shareholders), not close its register of Shareholders or take any other action which prevents the transfer of its Shares generally, nor take any action which prevents the conversion of the Bonds or the issue of Shares in respect of them otherwise than in accordance with the Conditions; and

7.9 **Expenses:** pay the expenses of the issue and delivery of, and all expenses of obtaining the listing for, Shares arising on conversion of the Bonds (except for any expenses, charges or taxes expressed to be payable by the Bondholder in Condition 7(B)(v) (*Stamp Duty etc.*)). For the avoidance of doubt, the Trustee and the Agents shall not bear any expenses in connection with maintaining the listing for the Shares arising on conversion of the Bonds.

For the purposes of this Clause 7, "**equity share capital**" means the share capital of a company excluding any part of that capital which, neither as respects dividends nor as respects capital, carries any right to participate beyond a specified amount in a distribution.

In any other case, if the Trustee finds it expedient or necessary or is requested by the Issuer to undertake duties which are agreed by the Trustee and/or the Issuer to be of an exceptional nature or otherwise

outside the scope of the Trustee's normal duties under the Transaction Documents (including but not limited to any requested amendment or waiver with the approval of the Bondholder in accordance with the Conditions), the Issuer (failing whom, the Subsidiary Guarantors jointly and severally) will pay such additional remuneration as they may agree (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time) or, failing agreement as to any of the matters in this Clause 12.2 (or as to such sums referred to in Clause 12.1), as determined by a financial institution or person (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of Hong Kong. or its usual practice, (b) any Transaction Document, or (c) any instruction, certificate, communication, direction or other document upon which the Trustee may rely under any Transaction Document, as well as the properly incurred costs and expenses (including costs and expenses of legal advisers and other experts) incurred by an indemnified party of defending itself against or investigating or disputing any claim or liability with respect of the foregoing, provided that this indemnity shall not apply in respect of an indemnified party to the extent that a court of competent jurisdiction determines that any such Losses incurred by such indemnified party arises from the fraud, wilful misconduct or gross negligence of such indemnified party. The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Trustee or the termination or expiry of this Trust Deed and/or the Bonds no longer being outstanding. Any indemnified party may enforce the provisions of this Clause 12.4 in accordance with the Contracts (Rights of Third Parties) Ordinance (Cap 623).

12.6 **Continuing Effect:** Clauses 12.3, 12.4 and 12.5 will continue in full force and effect as regards the Trustee even if it no longer is Trustee or the Bonds are no longer outstanding or this Trust Deed has been terminated.

13.4 **Certificate Signed by Authorised Signatories:** If the Trustee, in the exercise of its functions, rights, powers and/or discretions under this Trust Deed, the Agency Agreement, the Bonds or any other document to which the Trustee is a party in its capacity as such, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed by an Authorised Signatory of the Issuer as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and will not be responsible or liable to any Bondholder or any other person for any loss occasioned by relying or acting on such a certificate.

13.5 **Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all properly incurred sums due in respect thereof at the cost of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally) and the Trustee shall not be responsible for or required to insure against any loss incurred in connection with such deposit. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, will be conclusive and shall bind all other parties and the Bondholders.

13.12 **Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it will (unless otherwise provided hereby, in the Conditions or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified will be binding on the Issuer, the Subsidiary Guarantors and the Bondholders.

13.13 **Events of Default etc.:** The Trustee may, but is not obliged to, determine in its sole and absolute discretion whether or not an Event of Default or Default or any other proposed action or any circumstance is in its opinion capable of remedy and/or materially prejudicial to the interests of the Bondholders. 13.14 Bonds Held by the Issuer etc.: In the absence of express written notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under Clause 11.10) that no Bonds are for the time being held by or on behalf of the Issuer or its Subsidiaries.

The Trustee may call for any certificate or other document to be issued by the relevant clearing system as to the principal amount of Bonds evidenced by the Global Certificate standing to the account of any person. Any such certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to Bondholders, the Issuer, the Subsidiary Guarantors or any other person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by the relevant clearing system and subsequently found to be forged or not authentic or not to be correct.

particular but without limitation, shall not have regard to the consequences of such exercise for individual Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or otherwise to the tax consequences thereof and no Bondholder shall be entitled to claim from the Issuer or the Trustee, any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders except to the extent provided for in Condition 10 (*Taxation*) and/or in any undertakings given in addition thereto or in substitution therefor pursuant to this Trust Deed.

13.19 **Illegality**: Nothing in the Transaction Documents or any other documents referred to herein or therein shall require the Trustee to do anything which in its opinion may be illegal or contrary to Applicable Law or cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authority or discretion hereunder or pursuant to the Transaction Documents or any other documents referred to herein or therein.

13.20 **Consolidation, amalgamation etc.**: The Trustee shall not be responsible for any consolidation, amalgamation, merger, reconstruction or scheme of the Issuer or any sale or transfer of all or substantially all of the assets of the Issuer or the form or substance of any plan relating thereto or the consequences thereof to any Bondholder.

13.23 **The Shares**: The Trustee shall have no duty or responsibility at any time in respect of the validity or value (or the kind or amount) of the Shares or any other property which may at any time be issued or delivered on the conversion of any Bonds or the sale or other disposal of any Shares. 13.24 **No Responsibility for Recitals etc**.: The Trustee shall not be responsible for recitals, statements, warranties, representations, statements or covenants of any other party contained in this Trust Deed or any other Transaction Documents relating to the Bonds. The provisions of this Clause 13.26 shall survive the termination or expiry of this Trust Deed or the Bonds no longer being outstanding or the resignation or removal of the Trustee. "**Force Majeure Event**" means any event (including but not limited to an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; any law, order or regulation of a governmental, supranational or regulatory body; regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; market conditions affecting the execution or settlement of transactions or the value of assets; and breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes) beyond the control of any party which restricts or prohibits the performance of the obligations of such party contemplated by this Trust Deed.

13.28 **Error of Judgment:** The Trustee shall not be liable for any error of judgment made in good faith by any officer, director, agent or employee of the Trustee assigned by the Trustee to administer its corporate trust matters.

13.29 **Right to Deduct or Withhold:** Notwithstanding anything contained in this Trust Deed, to the extent required by Applicable Laws, if the Trustee is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whensoever made upon the Trustee, and whether in connection with or arising from

any sums received or distributed by it or to which it may be entitled under this Trust Deed (other than in connection with its remuneration as provided for herein) or any investments or deposits from time to time representing the same, including any income or gains arising therefrom or any action of the Trustee in connection with the trusts of this Trust Deed (other than the remuneration herein specified) or otherwise, then the Trustee shall be entitled to make such deduction or withholding or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Trustee to tax from the funds held by the Trustee upon the trusts of this Trust Deed, and the Trustee shall not be liable to gross-up such payments.

13.30 Legal Opinions: The Trustee shall not be responsible to any person for (i) failing to request, require or receive any legal opinion relating to the Bonds, this Trust Deed, the Agency Agreement, the Bonds and/or the Conditions or (ii) checking or commenting upon the content of any such legal opinion or (iii) the content of any such legal opinion, and the Trustee shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience incurred and resulting thereby.

Where there are inconsistencies between the Trustee Ordinance and the provisions of this Trust Deed, the provisions of this Trust Deed shall prevail to the extent allowed by law. In the case of an inconsistency with the Trustee Ordinance, the provisions of this Trust Deed shall take effect as a restriction or exclusion for the purpose of the Trustee Ordinance.

15 Enforcement

15.1 Proof of Default: Proof that the Issuer has failed to pay a sum due to the holder of any one Bond will (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Bonds which are then payable.

15.2 Enforcement:

15.2.1 ***Other Remedies*:** If an Event of Default occurs and is continuing, the Trustee may but will not be obligated to pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest (if any) on the Bonds or to enforce the performance of any provision of the Bonds or this Trust Deed. The Trustee may maintain a proceeding even if it does not possess any of the Bonds or does not produce any of them in the proceeding. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreements, the Trustee shall upon written request by the holders of not less than 25 per cent. in principal amount of the Bonds then outstanding, subject to being indemnified and/or secured and/or prefunded to its satisfaction, direct the Collateral Agent to foreclose on the Collateral and/or the ICL

Collateral in accordance with the terms of the Security Documents and/or the ICL Assignment Deed and take such further action on behalf of the Bondholders with respect to the Collateral and/or the ICL Collateral as the Collateral Agent or the Trustee, as the case may be, deems appropriate.

15.2.2 ***Control by Majority****:* The holders of at least a majority in aggregate principal amount of the outstanding Bonds may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or the Conditions or this Trust Deed, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Bondholders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders.

In connection with the exercise of its functions (including but not limited to those referred to herein) the Trustee shall have regard to the interests of holders of Bonds as a class and shall not have regard to the consequences of such exercise for individual holders.

15.2.3 ***Limitation on Suits****:* No holder may institute any proceeding, judicial or otherwise, with respect to the Conditions, this Trust Deed or the Bonds, or for the appointment of a receiver or trustee, or for any other remedy under the Conditions, this Trust Deed or the Bonds unless:

(i) the holder has previously given the Trustee written notice of a continuing Event of Default;

(ii) the holders of at least 25 per cent. in aggregate principal amount of outstanding Bonds make a written request to the Trustee to pursue the remedy;

(iii) such holder or holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity and/or security and/or prefunding satisfactory to the Trustee; and

(v) during such 60-day period, the holders of a majority in aggregate principal amount of the outstanding Bonds do not give the Trustee a direction that is inconsistent with the request.

A holder may not use the Conditions or this Trust Deed to prejudice the rights of another holder or to obtain a preference or priority over another holder.

15.2.4 ***Rights of Holders to Receive Payment****:* Notwithstanding anything to the contrary, the right of any holder of a Bond to receive payment of the principal of such Bond or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Bonds shall not be impaired or affected

without the consent of holders of not less than 75 per cent. of the principal amount of the Bonds then outstanding in accordance with Clause 16.5 and Condition 15E (*Waiver of Past Defaults*) and/or Clause 16.2 and Condition 15B (*Amendments with Consent of Holders*).

15.2.5 ***Collection Suit by Trustee***: If an Event of Default in payment specified in paragraph (i) of Condition 11 (*Events of Default*) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid at the rate specified in the Bonds, and such further amount as is sufficient to cover the costs and expenses of collection, including the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

15.2.6 ***Trustee May File Proofs of Claim****:* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the holders allowed in any judicial proceedings relating to the Issuer or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Bonds or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorised by each holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Trust Deed shall be deemed to empower the Trustee to authorise or consent to, or accept or adopt on behalf of any holder, any plan of reorganisation, arrangement, adjustment or composition affecting the Bonds or the rights of any holder thereof, or to authorise the Trustee to vote in respect of the claim of any holder in any such proceeding.

15.2.7 ***Restoration of Rights and Remedies****:* If the Trustee or any holder has instituted a proceeding to enforce any right or remedy under the Conditions or this Trust Deed and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the holder, then, subject to any determination in the proceeding, the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall continue as though no such proceeding had been instituted.

15.2.8 ***Undertaking for Costs****:* In any suit for the enforcement of any right or remedy under the Conditions or this Trust Deed or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking

to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Clause 15.2.8 does not apply to a suit by a holder to enforce payment of principal of or interest (if any) on any Bond on the respective due dates, or a suit by holders of more than 10 per cent. in principal amount of the outstanding Bonds.

15.2.9 ***Rights and Remedies Cumulative****:* No right or remedy conferred or reserved to the Trustee or to the holders under the Conditions or this Trust Deed is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or exercise of any other right or remedy.

15.2.10 ***Delay or Omission Not Waiver****:* No delay or omission of the Trustee or of any holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or acquiescence therein. Every right and remedy given by this Clause 15.2 or by law to the Trustee or to the holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders, as the case may be.

15.2.11 ***Waiver of Stay, Extension or Usury Laws****:* The Issuer and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer or such Subsidiary Guarantor, as the case may be, from paying all or any portion of the principal of, or premium (if any) or interest (if any) on the Bonds as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of the Conditions or this Trust Deed. The Issuer and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted. The Trustee is entitled to require all Agents to act under its direction following the occurrence of an Event of Default.

16.2.12 consent to the assignment or transfer by the Issuer or any Subsidiary Guarantor of any of their rights or obligations under the Conditions, this Trust Deed or the Subsidiary Guarantees, except as permitted pursuant to the provisions described under Condition 13 (*Consolidation, Merger and Sale of Assets*), whether through an amendment or waiver of provisions in the

It is not necessary for holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof, and the holders, by consenting to the relevant proposed amendment, supplement or waiver, authorises the Trustee to enter into any documentation including any supplemental trust deed to effect such proposed amendment, supplement or waiver as is necessary.

An amendment, supplement or waiver under this Clause 16.2 shall become effective on receipt by the Issuer or its agent of written consents from the holders of the requisite percentage in principal amount of the outstanding Bonds. After an amendment, supplement or waiver under this Clause 16.2 becomes effective, the Issuer shall send to the holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Issuer shall send supplemental trust deeds to holders upon request. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental trust deed or waiver.

16.3 Effect of Consent

After an amendment, supplement or waiver becomes effective, it shall bind every holder. Upon a waiver of a Default, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an amendment, supplement or waiver changes the terms of a Bond, the holder shall deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Bond and return it to the holder, or exchange it for a new Bond that reflects the changed terms. The Trustee shall also place an appropriate notation on any Bond thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Bonds in this fashion.

16.4 Trustee's Rights and Obligations

The Trustee is entitled to receive, and shall be fully protected in relying upon, an Officers' Certificate and Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorised pursuant to this Clause 16 is

authorised or permitted by the Conditions or this Trust Deed. If the Trustee has received such an Officers' Certificate and Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights, duties, liabilities or immunities of the Trustee.

16.5 Waiver of Past Defaults

The holders of at least a majority in principal amount of the outstanding Bonds by written notice to the Issuer and to the Trustee may on behalf of the holders of the Bonds waive all past Defaults (except a Default or Event of Default (i) in respect of the payment of principal; or (ii) in respect of a Reserved Matter under Clause 16.2 cannot be modified, amended or waived without the consent of 75 per cent. in principal amount of the outstanding Bonds; in each case of (i) and (ii), which may only be waived with the consent of the holders of at least 75 per cent. of the principal amount of the Bonds then outstanding) or any default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed (subject to the requirements of the Common Security Intercreditor Agreement) and rescind and annul a declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist or the default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed will cease to exist (subject to the requirements of the Common Security Intercreditor Agreement), and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed or impair any right consequent thereon.

17 Appointment, Retirement and Removal of the Trustee

17.1 Appointment: Subject as provided in Clause 17.2 below, the Issuer has the power of appointing new trustees. A trust corporation will at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee will be notified by the Issuer to the Bondholders as soon as practicable.

17.2 Retirement and Removal: Any Trustee may retire at any time on giving at least 45 days' written notice to the Issuer and the Subsidiary Guarantors without giving any reason or being responsible for any costs or liabilities occasioned by such retirement or the appointment of a new trustee, and the Bondholders of a majority in principal amount of the outstanding Bonds may remove any Trustee provided that the retirement or removal of a sole trust corporation will not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or the Bondholders of a majority in principal amount of the outstanding Bonds resolve to remove the sole trust corporation, the Issuer will use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so by the day falling 15 days prior to the expiry of such 45-days notice period or, as the case may be, by the day falling 45-days after the date of such resolution of the majority Bondholders, the Trustee shall have the power (i) to appoint a new trustee without consent of the Issuer, the Subsidiary Guarantors and the requirement of a resolution of the majority Bondholders or (ii) to petition any court of

competent jurisdiction for its resignation, in each case at the expense of the Issuer (failing whom, the Subsidiary Guarantors jointly and severally).

17.3 **Co-Trustees:** The Trustee may, despite Clause 17.1, by written notice to the Issuer but without consent of the Issuer, the Subsidiary Guarantors or the Bondholders, appoint anyone to act as an additional trustee jointly with the Trustee:

17.3.1 if the Trustee considers the appointment to be in the interests of the Bondholders;

17.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

17.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person remove that person. At the Trustee's request, the Issuer will forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

17.4 **Competence of a Majority of Trustees:** If there are more than two Trustees, the majority of them will be competent to perform the Trustee's functions, provided the majority includes a trust corporation.

17.5 **Successor:** Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor to the Trustee hereunder without the execution or filing of any papers or any further act on the part of any of the parties hereto. Notice shall be given to the Issuer by the Trustee as soon as practicable if any event described in this Clause 17.5 occurs.

18.3 **Indemnity:** If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Bonds, this Trust Deed or the Guarantee, the Issuer and each Subsidiary Guarantor will indemnify the recipient against any loss sustained by it as a result. In any event, the Issuer and each Subsidiary Guarantor will indemnify the recipient against the cost of making any such purchase.

18.4 **Indemnity Separate:** The indemnities in this Clause 18 and in Clauses 4.1 and 12.4 constitute separate and independent obligations from the other obligations in this Trust Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and/or any Bondholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Agency Agreement and/or the Bonds or any other judgment or order.

18.5 **Continuing Effect:** Clause 18 will continue in full force and effect as regards the Trustee even if it no longer is Trustee.

The Issuer, for value received, promises to pay to the Registered Holder (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Bonds) on such date or dates as the same may become repayable in accordance with the Conditions, the amount payable upon redemption under the Conditions in respect of the Bonds represented by this Global Certificate and (unless the Bonds represented by this Global Certificate do not bear interest) to pay interest in respect of such Bonds in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Bonds represented by this Global Certificate, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions. Each payment will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the due date for payment, where "**Clearing System Business Day**" means a weekday (Monday to Friday, inclusive) except 25 December and 1 January.

For the purposes of this Global Certificate: (a) the holder of the Bonds represented by this Global Certificate is bound by the provisions of the Trust Deed and those provisions applicable to it of the Agency Agreement; (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Bonds represented by this Global Certificate; (c) this Global Certificate is evidence of entitlement only; (d) title to the Bonds represented by this Global Certificate passes only on due registration on the Register; and (e) only the holder of the Bonds represented by this Global Certificate is entitled to payments in respect of the Bonds represented by this Global Certificate.

The Issuer acknowledges that details of each payment shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System (as defined below) (the "**relevant clearing system(s)**"), as the case may be) and in the case of any payment of principal and upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the

Bonds so redeemed. Any failure to make the entries in the records of the relevant clearing systems referred to herein shall not affect the discharge of the Issuer's obligations in respect of such payments.

The records of the relevant clearing systems (which expression in this Global Certificate means the records that each relevant clearing system holds for its accountholders which reflect the amount of such accountholders' interests in the Bonds) shall be conclusive evidence of the principal amount of the Bonds represented by this Global Certificate and, for these purposes, a statement issued by a relevant clearing system (which statement shall be made available to the Registered Holder upon request) stating the principal amount of Bonds represented by this Global Certificate at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Exchange of Bonds Represented by Global Certificate

Owners of interests in the Bonds in respect of which this Global Certificate is issued will be entitled to have title to the Bonds registered in their names and to receive Certificates if either Euroclear or Clearstream or any other clearing system approved by the Issuer and the Trustee (an "**Alternative Clearing System**") through which the Bonds are cleared is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so. In such circumstances, the Issuer at its own expense will cause sufficient Certificates, printed in accordance with any applicable legal and stock exchange requirements and in, or substantially in, the form set out in the Trust Deed, to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant holders of the Bonds. A person with an interest in the Bonds in respect of which this Global Certificate is issued must provide the Registrar not less than 30 days' notice at its specified office of such holder's intention to effect such exchange and a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Certificates.

The Conditions are modified as follows in so far as they apply to the Bonds in respect of which this Global Certificate is issued.

Notices

So long as the Bonds are represented by this Global Certificate and this Global Certificate is held on behalf of Euroclear and Clearstream or any Alternative Clearing System, notices to be given to Bondholders may be given by their being delivered to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System, for communication by it to accountholders entitled to an interest in the Bonds rather than by publication as required by the Conditions and shall be deemed to have been given on the date of delivery to Euroclear and Clearstream or, as the case may be, any Alternative Clearing System.

Bondholder's Redemption

The Bondholder's redemption option in Condition 9B (*Redemption for Relevant Event*) may be exercised by the holder of this Global Certificate giving notice to the Principal Agent of the principal amount of Bonds in respect of which the relevant option is exercised within the time limits specified in and containing the information required by the Conditions.

Notice of exercise received within the time limits specified in the Conditions by the Principal Agent from or on behalf of a holder of a book-entry interest in the relevant Bonds will be accepted by the Issuer as having been given by the holder as to the principal amount of Bonds in respect of which it is given (but without double counting), and whether or not this Global Certificate is presented for endorsement therewith.

Voluntary Conversion

Subject to the requirements of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System), the Voluntary Conversion Rights attaching to the Bonds in respect of which this Global Certificate is issued may be exercised by the presentation thereof to or to the order of the Conversion Agent of one or more Voluntary Conversion Notices duly completed by or on behalf of a holder of a book-entry interest in such Bonds. Deposit of this Global Certificate with the Conversion Agent together with the relevant Voluntary Conversion Notice(s) shall not be required. The exercise of the Voluntary Conversion Right shall be notified by the Conversion Agent to the Registrar and the holder of this Global Certificate.

Mandatory Conversion and Trigger Conversion

Unless previously redeemed, converted or purchased and cancelled as provided in the Conditions and without prejudice to each Bondholder's Voluntary Conversion Right, all remaining Bonds outstanding will be subject to the Trigger Conversion, the Periodic Mandatory Conversion and the Maturity Mandatory Conversion, as the case may be, on the terms and subject to the Conditions.

Transfers

Transfers of beneficial interests in the Bonds represented by this Global Certificate will be effected through the records of Euroclear and Clearstream (or, as the case may be, any Alternative Clearing System) and their respective participants in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System) and their respective direct and indirect participants.

Cancellation

On cancellation of any Bond represented by this Global Certificate that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer acknowledges that details of such cancellation shall be entered in the records of the relevant clearing systems in accordance with the rules and procedures of Euroclear and Clearstream (or any Alternative Clearing System, as the case may be) and, upon any such entry being made, the principal amount of the Bonds recorded in the records of the relevant clearing systems and represented by this Global Certificate shall be reduced by the aggregate principal amount of the Bonds so cancelled.

Trustee's Powers

In considering the interests of Bondholders while this Global Certificate is registered in the name of a nominee for a clearing system or clearing systems, the Trustee may, to the extent it considers it appropriate to do so in the circumstances, but without being obligated to do so, (a) have regard to any information as may have been made available to it by or on behalf of the relevant clearing system or its operator as to the identity of its accountholders (either individually or by way of category) with entitlements in respect of the Bonds; and (b) consider such interests on the basis that such accountholders were the holders of the Bonds in respect of which this Global Certificate is issued.

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar.

This Global Certificate shall be governed by and construed in accordance with Hong Kong law.

In witness whereof the Issuer has caused this Global Certificate to be signed on its behalf.

7. Conversion

The Bonds are convertible into Shares on the terms and subject to these Conditions.

A. *Conversion*

(i) *Voluntary Conversion*: Subject as hereinafter provided, each Bondholder has the right (the "**Voluntary Conversion Right**") to convert the Bonds held by it into Shares at any time during the period from the Issue Date up to and including 3:00 pm (at the place where the Certificate evidencing such Bond is deposited for conversion) on the Voluntary Conversion Period End Date at the Conversion Price (the "**Voluntary Conversion**").

(ii) *Maturity Mandatory Conversion*: Subject as hereinafter provided (including the provisions of Condition 7A(v) (*Suspension of Mandatory Conversion and Trigger Conversion*) and Condition 9A (*Maturity*)), each Bond outstanding (excluding any Bond in respect of which a Voluntary Conversion Right has been exercised and the Voluntary Conversion Date falls on or prior to the Maturity Mandatory Conversion Record Date and any Bond in respect of which a Relevant Event Redemption Notice has been given by the holder of such Bond pursuant to Condition 9B (*Redemption for Relevant Event*)) on the Maturity Mandatory Conversion Record Date shall be automatically and mandatorily converted into Shares on the Maturity Mandatory Conversion Date at the Conversion Price (the "**Maturity Mandatory Conversion**").

(iii) *Trigger Conversion*: At any time prior to the Maturity Mandatory Conversion Record Date, if the VWAP of a Share (translated into U.S. dollars at the Prevailing Rate on the relevant date) for any 20 Trading Days within a period of 30 consecutive Trading Days, for each such 20 Trading Days, is above 130 per cent. of the Conversion Price (translated into U.S. dollars at the Fixed Exchange Rate) then in effect (the "**Trigger Conversion Event**"), each Bond outstanding (excluding any Bond in respect of which the Voluntary Conversion Date falls prior to the Trigger Conversion Record Date) on the Trigger Conversion Record Date shall be automatically and mandatorily converted into Shares on the Trigger Conversion Date at the Conversion Price (the "**Trigger Conversion**") in accordance with the provisions of Condition 7B (*Conversion Procedure*).

(iv) *Periodic Mandatory Conversion*: Subject as hereinafter provided (including the provisions of Condition 7A(v) (*Suspension of Mandatory Conversion and Trigger Conversion*)), if the Relevant Mandatory Conversion Amount is above zero on any Periodic Mandatory Conversion Record Date, the Bonds in an aggregate principal amount equal to the Relevant Mandatory Conversion Amount shall be automatically and mandatorily converted into Shares on the relevant Periodic Mandatory Conversion Date at the Conversion Price (each, a "**Periodic Mandatory Conversion**") in accordance with the provisions of Condition 7B (*Conversion Procedure*). The principal amount of each U.S.$1,000 in principal amount of Bonds to be converted pursuant to the relevant Periodic Mandatory Conversion shall be calculated on a *pro rata* basis according to the following formula:

$$P = \frac{A}{B} \, x \, C$$

Where:

P is, with respect to U.S.$1,000 in principal amount of each Bond, the principal amount to be converted pursuant to the relevant Periodic Mandatory Conversion;

A is the Relevant Mandatory Conversion Amount;

B is the aggregate principal amount of the Bonds outstanding on the relevant Periodic Mandatory Conversion Record Date, which, for the avoidance of doubt, shall not include the principal amount of Bonds in respect of which the Voluntary Conversion Date falls prior to such Periodic Mandatory Conversion Record Date; and

C is U.S.$1,000.

(v) *Suspension of Mandatory Conversion and Trigger Conversion*:

(a) Notwithstanding anything to the contrary in this Condition 7 (*Conversion*), but subject to paragraph (b) below, no Mandatory Conversion and/or Trigger Conversion shall occur and the provisions of Condition 7A(ii) (*Maturity Mandatory Conversion*), Condition 7A(iii) (*Trigger Conversion*) and Condition 7A(iv) (*Periodic Mandatory Conversion*) shall be suspended:

(I) automatically without Acceleration, upon the occurrence of an Insolvency EOD until such Insolvency EOD is cured or waived by the holders of the Bonds (the "**Insolvency EOD Related Suspension Period**");

(II) automatically without Acceleration, upon the occurrence of an Event of Default (other than an Insolvency EOD) until the earlier of (1) the end of the four-month period from and including the date on which notice is given to Bondholders pursuant to Condition 17 (*Notices*) by the Issuer and by writing to the Trustee in respect of the occurrence of such Event of Default and (2) the date on which such Event of Default is cured or waived by the holders of or lenders under the relevant Scheme Instruments (the "**EOD Related Suspension Period**");

(III) upon an Acceleration until such Acceleration is annulled and rescinded pursuant to these Conditions or the Trust Deed (the "**Acceleration Related Suspension Period**")

(IV) if the Shares cease to be listed or admitted to trading, or are suspended for trading on the Hong Kong Stock Exchange or, if applicable, the Alternative Stock Exchange until the later of (x) Shares resume trading on the relevant stock exchange and (y) to the extent the foregoing constitutes a "Relevant Event" based on prongs (i) and (ii) of its definition, the expiry of the Relevant Event Redemption Notice Period (the "**Trading Suspension Period**"); or

(V) when there is a Change of Control, until the expiry of the Relevant Event Redemption Notice Period (the "**Change of Control Suspension Period**"),

(each such event, an "**MCB Suspension Event**"), provided that with respect to paragraphs (I), (II), (IV) and (V) above, upon an Acceleration during an Insolvency EOD Related Suspension Period, an EOD Related Suspension Period, a Trading Suspension Period or a Change of Control Suspension Period, the MCB Suspension Event shall continue to apply until (if the Acceleration is annulled and rescinded) the end of the Acceleration Related Suspension Period. For the avoidance of doubt, no MCB Suspension Event shall affect any holder's Voluntary Conversion Right.

(b) On the Trading Day following the expiry of the Insolvency EOD Related Suspension Period, the EOD Related Suspension Period, the Acceleration Related Suspension Period, the Trading Suspension Period or the Change of Control Suspension Period (as the case may be), the provisions of Condition 7A(ii) (*Maturity Mandatory Conversion*), Condition 7A(iii) (*Trigger Conversion*) and Condition 7A(iv) (*Periodic Mandatory Conversion*) shall revive and any Mandatory Conversion(s) or Trigger Conversion(s) which would have occurred but for the occurrence of an MCB Suspension Event shall take effect on such date.

(c) If an Acceleration occurs on a Periodic Mandatory Conversion Record Date or such date on which any Periodic Mandatory Conversion(s) would have occurred in accordance with Condition 7A(iv) (*Periodic Mandatory Conversion*) but for such Acceleration, such Acceleration shall not affect the Periodic Mandatory Conversion(s) on such date and the suspension shall apply only to the remaining principal amount of Bonds not subject to the relevant Periodic Mandatory Conversion(s).

(vi) *Cancellation of Bonds*: Upon a Maturity Mandatory Conversion, any Periodic Mandatory Conversion or Trigger Conversion, the principal of Bonds to be converted as a result thereof shall be cancelled and marked down by the Agents on the relevant Conversion Date without any further instruction from any person and thereafter the entitlement of a holder in respect of such principal amount shall be limited to delivery of Shares by the Issuer in accordance with and in the circumstances required under these Conditions. None of the Trustee and the Agents shall be responsible for the conversion of or monitoring or ensuring the conversion and delivery of the Bonds into Shares pursuant to Condition 7A(ii) (*Maturity Mandatory Conversion*) to Condition 7A(iv) (*Periodic Mandatory Conversion*), which shall be the sole responsibility of the Issuer.

(vii) *Calculation of Conversion Shares*: The number of Shares to be issued on conversion of a Bond will be determined by dividing the principal amount of the Bond to be converted (translated into Hong Kong dollars at the Fixed Exchange Rate) by the Conversion Price in effect on the relevant Conversion Date. The Voluntary Conversion Right may only be exercised in respect of one or more Bonds. If more than one Bond is converted pursuant to any one Voluntary Conversion Notice or Mandatory Conversion Reply Form such that the Shares to be issued on conversion are to be registered in the same name, the number of Shares to be issued upon such conversion will be calculated on the basis of the aggregate principal amount of the Bonds to be converted.

(viii) *Fractions of Shares:* Fractions of Shares will not be issued on conversion and no cash adjustments will be made in respect thereof. However, if a Conversion in

respect of more than one Bond is exercised pursuant to any one Voluntary Conversion Notice or Mandatory Conversion Reply Form such that the Shares to be issued on conversion are to be registered in the same name, the number of such Shares to be issued in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares. Notwithstanding the foregoing, in the event of a consolidation, reclassification or redesignation of Shares by operation of law or otherwise occurring after [●] which reduces the number of Shares outstanding, the Issuer will, upon conversion of Bonds pay in cash in U.S. dollars a sum (but only if such sum exceeds U.S.$100.00) equal to the product (rounded down to the nearest integral multiple of U.S.$1.00) of (I) any such fraction of a Share so rounded down and (II) the higher of (a) the Closing Price on the Trading Day immediately preceding the relevant Conversion Date and (b) the Conversion Price on such Conversion Date. Any such sum shall be due and payable on the date the Shares are delivered pursuant to Condition 7B(vi) (*Delivery of Shares*).

(ix) *No duty to monitor*: Neither the Trustee nor any Agent shall be required to take any steps to ascertain whether any event leading to Trigger Conversion, Periodic Mandatory Conversion or MCB Suspension Event and will not be responsible or liable to any person for any loss arising from any failure by it to do so.

Voluntary Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Conversion Agent to whom the relevant Voluntary Conversion Notice is delivered is located.

(b) The conversion date in respect of a Bond subject to Voluntary Conversion (the "**Voluntary Conversion Date**") must fall at a time when the Voluntary Conversion Right attaching to that Bond is expressed in these Conditions to be exercisable and will be deemed to be the Trading Day immediately following the later of the date of the surrender of the Certificate in respect of such Bond and delivery of such Voluntary Conversion Notice (if they are not surrendered and delivered on the same day) to the relevant Conversion Agent and, if applicable, the date of making any payment or giving any indemnity under these Conditions in connection with the exercise of such Voluntary Conversion Right. A Voluntary Conversion Notice deposited outside the hours specified above or on a day which is not a business day at

the place of the specified office of the relevant Conversion Agent shall for all purposes be deemed to have been deposited with that Conversion Agent during the hours specified above on the next business day as aforesaid following such day. Any Bondholder who deposits a Voluntary Conversion Notice during a Closed Period will not be permitted to convert the Bonds into Shares (as specified in the Voluntary Conversion Notice) until the next business day at the place of the specified office of the relevant Conversion Agent after the end of the Closed Period, which (if all other conditions to the conversion have been fulfilled) will be the Voluntary Conversion Date for such Bonds provided that such date is no later than the Voluntary Conversion Period End Date. A Voluntary Conversion Notice once delivered shall be irrevocable unless Issuer consents in writing to its withdrawal or the Issuer fails to deliver Shares in accordance with these Conditions.

(ii) *Conversion other than Voluntary Conversion*:

(a) The Issuer shall deliver a duly executed mandatory conversion notice in the form attached to the Agency Agreement to the Bondholders in accordance with Condition 17 (*Notices*) and to the Trustee and the Agents in writing, by no later than,

provided that such mandatory conversion notice shall contain a confirmation by the Issuer signed by any of its Officers that no MCB Suspension Event has occurred and is continuing as of the date of such notice.

(b) Upon receiving such Maturity Mandatory Conversion Notice, Periodic Mandatory Conversion Notice or Trigger Conversion Notice, as the case may be, by no later than:

(I) the fifth Trading Day after the date of the Maturity Mandatory Conversion Notice (the "**Maturity Mandatory Conversion Reply Form Cut-Off Date**"), in the case of the Maturity Mandatory Conversion;

(II) the fifth Trading Day after the date of the relevant Periodic Mandatory Conversion Notice (the "**Periodic Conversion Reply Form Cut-Off Date**"), in the case of a Periodic Mandatory Conversion; or

(III) the fifth Trading Day after the date of the Trigger Conversion Notice (the "**Trigger Conversion Reply Form Cut-Off Date**"), in the case of the Trigger Conversion,

each Bondholder must complete, execute and deposit (at its own expense) at the specified office of any Conversion Agent between 9:00 am and 3:00 pm on any business day (at the place where the Certificate(s) evidencing the Bonds the subject of the relevant Mandatory Conversion Reply Form is surrendered), a reply form (the "**Mandatory Conversion Reply Form**"), with a copy to the Calculation Agent, in the form (for the time being current) obtainable from the specified office of each Conversion Agent, together with the relevant Certificate and confirmation that any amounts required to be paid by the Bondholder under Condition 7B(v) (*Stamp Duty etc.*) have been so paid (the "**Replied Bonds**").

(c) In the event that a Bondholder fails to comply with the foregoing requirements on or before the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date or the Trigger Conversion Reply Form Cut-Off Date, as the case may be (the principal amount of Bonds being mandatorily converted and in respect of which the relevant holder has failed to comply with the foregoing requirements, being the "**Unreplied Bonds**"), the Issuer will as soon as reasonably practicable thereafter send a notice in accordance with Condition 17 (*Notices*) to notify holders of the Unreplied Bonds. Notwithstanding Condition 7B(ii)(b) above, a holder of the Unreplied Bonds may complete, execute and deposit (at its own expense) at the specified office of any Conversion Agent during the usual office hours in the city at the specified office of any Conversion Agent between 9:00 am and 3:00 pm on any business day (at the place where the Certificate(s) evidencing the Bonds the subject of the relevant Mandatory Conversion Reply Form is surrendered) a Mandatory Conversion Reply Form by no later than the 60th day after the date of such notice (the "**Delayed Cut-Off Date**"). Subject to Condition 7B(vi)(b) (*Conversion other than Voluntary Conversion*) below in respect of those holders who have delivered a validly completed Mandatory Conversion Reply Form by the Delayed Cut-Off Date, the obligations of the Issuer in respect of the Unreplied Bonds in respect of which no Mandatory Conversion Reply Form has been completed, executed and deposited as aforesaid on or before Delayed Cut-Off Date shall be deemed to be fully discharged and all rights of each holder of Unreplied Bonds to delivery of Shares or payment of any amounts shall be extinguished following the Delayed Cut-Off Date.

(iii) *Calculations by the Calculation Agent*:

(a) As soon as practicable, and in any case within three Trading Days of the date of the relevant Conversion Date, the Calculation Agent shall (pursuant to and subject as provided in the Calculation Agency Agreement, and further subject as provided in Condition 7D(iii) (*Decision of an Independent Financial Advisor*)) calculate and determine the applicable Conversion Price at which Shares are to be issued in respect of each conversion and the number of Shares to be so issued and it shall notify the Trustee, the Principal Agent, the Conversion Agent, the Transfer Agent and the Issuer in writing of such calculations and determinations.

(b) The Calculation Agent shall (pursuant to and subject as provided in the Calculation Agency Agreement, and further subject as provided in Condition

7D(iii) (*Decision of an Independent Financial Advisor*)) make all calculations and determinations as are expressly specified to be made by it in these Conditions. All calculations and determinations made by the Calculation Agent, or, as the case may be, any Independent Financial Advisor appointed in connection with the Bonds, shall (save in the case of manifest error) be final and binding on the Issuer, the Trustee, the Bondholders and the Agents. The Calculation Agent shall act solely upon the request from, and exclusively as agent of the Issuer and in accordance with these Conditions and the Calculation Agency Agreement. Neither the Calculation Agent (acting in such capacity) nor any Independent Financial Advisor appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in such capacity as against the Trustee, the Bondholders or any Agent.

(c) The Agents may consult, at the expense of the Issuer in accordance with the terms of the Agency Agreement and the Calculation Agency Agreement, as applicable, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and they shall be able to rely upon, and they shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in accordance with that adviser's opinion.

(d) In the event that the Calculation Agent has not notified the Trustee, the Principal Agent, the Conversion Agent and the Transfer Agent or the Issuer of any calculation or determination within the period as required pursuant to Condition 7B(iii)(a), the Issuer shall make a determination of the applicable Conversion Price at which Shares are to be issued in respect of each conversion and the number of Shares to be so issued and any such determination made by the Issuer, in the absence of manifest error, shall be final and conclusive.

(iv) *Conversion Date*:

(a) In respect of a Voluntary Conversion, the Voluntary Conversion Date will be deemed to be the Trading Day immediately following the latest of:

(I) the date of the surrender of the Certificate in respect of such Bond and delivery of such Voluntary Conversion Notice (if they are not surrendered and delivered on the same day); and

(II) if applicable, the date of making any payment or giving any indemnity under these Conditions in connection with the exercise of such Voluntary Conversion Rights.

(b) In respect of a Conversion other than a Voluntary Conversion, the conversion date in respect of a Bond (the "**Maturity Mandatory Conversion Date**" in the case of a Maturity Mandatory Conversion, the "**Periodic Mandatory Conversion Date**" in the case of a Periodic Mandatory Conversion and the "**Trigger Conversion Date**" in the case of a Trigger Conversion) shall be the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date, the Trigger Conversion Reply Form Cut-Off Date, as the case may be; provided that, with respect to any

Unreplied Bonds, notwithstanding the fact that such Unreplied Bonds shall be deemed as converted as of the Maturity Mandatory Conversion Reply Form Cut-Off Date, the Periodic Conversion Reply Form Cut-Off Date or the Trigger Conversion Reply Form Cut-Off Date, as the case may be, holders of Unreplied Bonds shall continue to be entitled to deliver Mandatory Conversion Reply Form to the Conversion Agent and receive the relevant number of Shares (and the Issuer shall continue to be obligated to deliver such Shares) until the Delayed Cut-Off Date.

(v) *Stamp Duty etc.*: A Bondholder delivering a Certificate in respect of a Bond for conversion or whose Bonds shall be converted in accordance with these Conditions must pay to the relevant authorities any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital or stamp duties payable in the Cayman Islands, Hong Kong or in the place of the Alternative Stock Exchange, by the Issuer in respect of the allotment and issue of Shares and listing of the Shares on the Hong Kong Stock Exchange or the Alternative Stock Exchange on conversion) (the "**Taxes**") and such Bondholder (and, if different, the person to whom the Shares are to be issued) must pay all, if any, Taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion and declare in the relevant Voluntary Conversion Notice or Mandatory Conversion Reply Form that any such Taxes have been paid. Neither the Trustee nor the Agent is under any obligation to determine whether a Bondholder is liable to pay any Taxes including capital, stamp, issue, registration or similar taxes and duties or the amounts payable (if any) in connection with this Condition 7B(v) (*Stamp Duty etc.*).

(vi) *Delivery of Shares*:

(a) *Voluntary Conversion*: In respect of any exercise of Voluntary Conversion Rights, as soon as practicable, and in any event not later than five Trading Days after the relevant Voluntary Conversion Date in respect of any Bond, the Issuer will in the case of Bonds converted on exercise of the Voluntary Conversion Right and in respect of which a duly completed Voluntary Conversion Notice has been delivered and the relevant Certificate and amounts payable by the relevant Bondholder deposited or paid as required by Condition 7B(v) (*Stamp Duty etc.*), register the person or persons designated for such purpose in the Voluntary Conversion Notice as holder(s) of the relevant number of Shares in the Issuer's share register and will, if the Bondholder has also requested in the Voluntary Conversion Notice and to the extent permitted under the rules and procedures of the CCASS effective from time to time, take all necessary actions to procure that Shares are delivered through the CCASS for so long as the Shares are listed on the Hong Kong Stock Exchange; or will make such share certificate or certificates registered in the name of such person or persons available for collection at the office of the Issuer's branch share registrar in Hong Kong (currently [Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong]) as may from time to time be notified to Bondholders in accordance with Condition 17 (*Notices*) or, if so requested in the relevant Voluntary Conversion Notice, will cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate

or certificates are sent) such share certificate or certificates to the person and at the place specified in the Voluntary Conversion Notice, together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof.

(b) *Conversion other than Voluntary Conversion*: Subject to Condition 7B(ii) (*Conversion other than Voluntary Conversion*), the Issuer will:

(I) in respect of Replied Bonds to be converted pursuant to the Maturity Mandatory Conversion, as soon as practicable, and in any event not later than the Maturity Date;

(II) in respect of Replied Bonds to be converted pursuant to a Periodic Mandatory Conversion, as soon as practicable, and in any event not later than five Trading Days after the relevant Periodic Conversion Reply Form Cut-Off Date;

(III) in respect of Replied Bonds to be converted pursuant to a Trigger Conversion, as soon as practicable, and in any event not later than five Trading Days after the Trigger Conversion Reply Form Cut-Off Date; or

(IV) in respect of Unreplied Bonds whose holder(s) has delivered a valid Mandatory Conversion Reply Form by the relevant Delayed Cut-Off Date pursuant to these Conditions, as soon as practicable, and in any event not later than five Trading Days after the relevant Delayed Cut-Off Date,

register the person or persons designated for such purpose in the Mandatory Conversion Reply Form as holder(s) of the relevant number of Shares in the Issuer's share register and will, if the Bondholder has also requested in the relevant Mandatory Conversion Reply Form, and to the extent permitted under applicable law and the rules and procedures of the CCASS effective from time to time, take all necessary actions to procure that Shares are delivered through the CCASS for so long as the Shares are listed on the Hong Kong Stock Exchange; or will make such share certificate or certificates registered in the name of such person or persons available for collection at the office of the Issuer's branch share registrar in Hong Kong (currently [Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong]) as may from time to time be notified to Bondholders in accordance with Condition 17 (*Notices*) or if so requested in the relevant Mandatory Conversion Reply Form, will cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate or certificates are sent) such share certificate or certificates to the person and at the place specified in the Mandatory Conversion Reply Form, together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof.

In all cases, a single share certificate will be issued in respect of all Shares issued on conversion of Bonds subject to (in respect of a Voluntary

Conversion) the same Voluntary Conversion Notice, or (in respect of a Conversion other than a Voluntary Conversion) the same Mandatory Conversion Reply Form, as the case may be, which are to be registered in the same name.

(vii) *Registration*: (In respect of a Voluntary Conversion) the person or persons designated in the Voluntary Conversion Notice, or (in respect of a Conversion other than a Voluntary Conversion) the person or persons designated in the Mandatory Conversion Reply Form, will become the holder of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Issuer's register of members (the "**Registration Date**"). The Shares issued upon conversion of the Bonds will be fully paid and will in all respects rank *pari passu* with all other Shares in issue on the relevant Registration Date. Save as set out in these Conditions, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.

(viii) *Retroactive Adjustments*: If (1) the Registration Date in relation to any Bond shall be on or after the record date for, any issue, distribution, grant, offer or other event that gives rise to the adjustment of the Conversion Price pursuant to Condition 7C (*Adjustments to Conversion Price*), and (2) the Conversion Date in relation to such Conversion shall be before the date on which such adjustment to the Conversion Price becomes effective under the relevant Condition (any such adjustment, a "**Retroactive Adjustment**"), upon the relevant adjustment to the Conversion Price becoming effective under the relevant Condition, the Issuer shall procure the issue to (in respect of a Voluntary Conversion) the person or persons designated in the Voluntary Conversion Notice or (in respect of a Conversion other than a Voluntary Conversion) the person or persons designated in the Mandatory Conversion Reply Form, subject to applicable exchange control or other laws or other regulations, such additional number of Shares ("**Additional Shares**") as is, together with the Shares to be issued on conversion of the relevant Bonds (including for this purpose any fraction of a Share rounded down pursuant to Condition 7A(viii) (*Fractions of Shares*)), equal to the number of Shares which would have been required to be issued on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective on or immediately prior to the relevant Conversion Date, and in such event and in respect of such Additional Shares references in this Condition 7B(viii) (*Retroactive Adjustments*) to the Conversion Date (where the context so requires) shall be deemed to refer to the date upon which the Retroactive Adjustment becomes effective (notwithstanding that the date upon which it becomes effective falls after the Voluntary Conversion Period End Date or the Maturity Date), provided that no Retroactive Adjustment will be made in respect of any Unreplied Bonds.

(ix) In this Condition 7B (*Conversion Procedure*), "**business day**" means, in relation to any place, a day other than a Saturday or Sunday on which commercial banks are open for business in such place.

C. ***Adjustments to Conversion Price***

The Conversion Price will be subject to adjustment (as determined by the Calculation Agent unless otherwise specified) in the following events:

(1) *Consolidation, Subdivision, Redesignation or Reclassification:* If and whenever there shall be an alteration to the nominal value of the Shares resulting in a reduction or increase in the number of Shares outstanding following any consolidation, subdivision, redesignation or reclassification of the Shares by operation of law or otherwise which, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such alteration by the following fraction:

$$\frac{A}{B}$$

Where:

A is the nominal amount of one Share immediately after such alteration; and

B is the nominal amount of one Share immediately before such alteration.

Such adjustment shall become effective on the date such consolidation, subdivision, redesignation or reclassification takes effect or if a record date is fixed therefor, immediately after such record date.

(2) *Capitalisation of Profits or Reserves:*

(i) If and whenever the Issuer shall issue any Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account) including Shares paid up out of distributable profits or reserves and/or share premium account (except for any Scrip Dividend) and which would not have constituted a Capital Distribution, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A}{B}$$

Where:

A is the aggregate nominal amount of the issued Shares immediately before such issue; and

B is the aggregate nominal amount of the issued Shares immediately after such issue.

Such adjustment shall become effective on the date of issue of such Shares or if a record date is fixed therefor, immediately after such record date.

(ii) In the case of a Scrip Dividend where the aggregate value of the Shares comprising such Scrip Dividend as determined by reference to the Current Market Price per Share on the date of announcement of the terms of such

Scrip Dividend multiplied by the number of Shares that may be issued exceeds the Fair Market Value of the Relevant Cash Dividend on such date of announcement, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the issue of such Scrip Dividend by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of issued Shares immediately before such issue;

B is the aggregate number of Shares as is equal to such Fair Market Value of the Relevant Cash Dividend divided by such Current Market Price on the date of announcement of the terms of such Scrip Dividend; and

C is the aggregate number of Shares comprising such Scrip Dividend,

or by making such other adjustment as such Independent Financial Advisor shall certify to the Trustee is fair and reasonable.

Such adjustment shall become effective on the date of issue of such Shares issued by way of Scrip Dividend (or, if none, the date of payment of the Relevant Cash Dividend) or if a record date is fixed therefor, immediately after such record date.

(3) *Capital Distributions:* If and whenever the Issuer shall pay or make any Capital Distribution to the Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such Capital Distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which the Capital Distribution is first publicly announced; and

B is the Fair Market Value of the portion of the Capital Distribution attributable to per Share.

Such adjustment shall become effective on the date that such Capital Distribution is actually made or paid or if a record date is fixed therefor, immediately after such record date. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the Capital Distribution is first publicly announced or, if later, the first date on which the Fair Market Value of the relevant Capital Distribution is capable of being determined as provided herein.

In making any calculation pursuant to this Condition 7C(3) (*Capital Distributions*), such adjustments (if any) shall be made as an Independent Financial Advisor may

consider appropriate to reflect (a) any consolidation or subdivision of the Shares, (b) issues of Shares by way of capitalisation of profits or reserves, or any like or similar event, (c) the modification of any rights to dividends of Shares or (d) any change in the fiscal year of the Issuer.

(4) *Rights Issues of Shares or Options over Shares*: If and whenever the Issuer shall issue Shares to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, in each case at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of the issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such announcement;

B is the number of Shares which the aggregate consideration receivable for the Shares issued by way of rights or for the options or warrants or other rights issued or granted by way of rights and for the total number of Shares comprised therein would subscribe for, purchase or otherwise acquire at such Current Market Price per Share; and

C is the aggregate number of Shares issued or, as the case may be, comprised in the issue or grant.

Such adjustment shall become effective on the date of issue of such Shares or issue or grant of such options, warrants or other rights (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be.

(5) *Rights Issues of Other Securities:* If and whenever the Issuer shall issue any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares) to all or substantially all Shareholders as a class by way of rights or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for, purchase or otherwise acquire any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which such issue or grant is publicly announced; and

B is the Fair Market Value per Share on the date of such announcement of the portion of the securities, rights, options, warrants or other rights (as the case may be) attributable to one Share.

Such adjustment shall become effective on the date of issue of the securities or grant of such rights, options or warrants (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the terms of such issue or grant are first publicly announced, or if later, the first date on which the Fair Market Value of the aggregate rights attributable to the Shares in relation to such issue or grant is capable of being determined as provided herein.

(6) *Issues at less than Current Market Price:* If and whenever the Issuer shall issue (otherwise than as mentioned in Condition 7C(4) (*Rights Issues of Shares or Options over Shares*) above) any Shares (other than Shares issued pursuant to any Conversion or on the exercise of any other rights of conversion into, or exchange or subscription for, Shares) or shall issue or grant (otherwise than as mentioned in Condition 7C(4) (*Rights Issues of Shares or Options over Shares*) above) any options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares (for the avoidance of doubt including issuance in connection with any deferment, adjustment, restructuring of the indebtedness or any other obligation of the Issuer or any of its Subsidiaries), in each case at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{C}$$

Where:

A is the aggregate number of Shares in issue immediately before the issue of such additional Shares or the grant of such options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares;

B is the number of Shares which the aggregate consideration receivable for the issue of the maximum number of Shares to be issued or the exercise of such options, warrants or other rights would purchase at such Current Market Price per Share; and

C is the aggregate number of Shares in issue immediately after the issue of such additional Shares.

References to additional Shares in the above formula shall, in the case of an issue or grant by the Issuer of options, warrants or other rights to subscribe for, purchase

or otherwise acquire Shares, mean such Shares to be issued assuming that such options, warrants or other rights are exercised in full at the initial exercise price on the date of issue or grant of such options, warrants or other rights.

Such adjustment shall become effective on the date of issue of such additional Shares or, as the case may be, the issue or grant of such options, warrants or other rights.

(7) *Other Issues at less than Current Market Price:* Save in the case of an issue of securities arising from a conversion or exchange of other securities in accordance with the terms applicable to such securities themselves falling within this Condition 7C(7) (*Other Issues at less than Current Market Price*), if and whenever the Issuer or any of its Subsidiaries (otherwise than as mentioned in Conditions 7C(4) (*Rights Issues of Shares or Options over Shares*), 7C(5) (*Rights Issues of Other Securities*) or 7C(6) (*Issues at less than Current Market Price*)) or (at the direction or request of or pursuant to any arrangements with the Issuer or any of its Subsidiaries) any other company, person or entity, shall issue (for the avoidance of doubt including issuance in connection with any deferment, adjustment or restructuring of the indebtedness or any other obligation of the Issuer or any of its Subsidiaries) any securities (other than the Bonds) which by their terms of issue carry rights of conversion into, or exchange or subscription for, Shares to be issued by the Issuer upon conversion, exchange or subscription at a consideration per Share the Fair Market Value (on the date of the first public announcement of the terms of the issue or grant) of which is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such issue;

B is the number of Shares which the aggregate consideration receivable by the Issuer for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to such securities would purchase at such Current Market Price per Share; and

C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the initial conversion, exchange or subscription price or rate on the issue date of such securities.

Such adjustment shall become effective on the date of issue of such securities.

(8) *Modification of Rights of Conversion etc.:* If and whenever there shall be any modification of the rights of conversion, exchange or subscription attaching to any such securities as are mentioned in Condition 7C(7) (*Other Issues at less than Current Market Price*) (other than in accordance with the terms of such securities) so that the Fair Market Value (on the date of the first public announcement of the proposals of such modification) of the consideration per Share (for the number of

Shares available on conversion, exchange or subscription following the modification) is reduced and is less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the proposals for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such modification by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

A is the aggregate number of Shares in issue immediately before such modification;

B is the maximum number of Shares which the aggregate consideration receivable by the Issuer for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to the securities so modified would purchase at such Current Market Price per Share or, if lower, the existing conversion, exchange or subscription price of such securities; and

C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the modified conversion, exchange or subscription price or rate but giving credit in such manner as an Independent Financial Advisor considers appropriate (if at all) for any previous adjustment under this Condition 7C(8) (*Modification of Rights of Conversion etc.*) or Condition 7C(7) (*Other Issues at less than Current Market Price*).

Such adjustment shall become effective on the date of modification of the rights of conversion, exchange or subscription attaching to such securities.

(9) *Other Offers to Shareholders:* If and whenever the Issuer or any of its Subsidiaries or (at the direction or request of or pursuant to any arrangements with the Issuer or any of its Subsidiaries) any other company, person or entity issues, sells or distributes any securities in connection with an offer pursuant to which the Shareholders generally are entitled to participate in arrangements whereby such securities may be acquired by them (except where the Conversion Price falls to be adjusted under Condition 7C(4) (*Rights Issues of Shares or Options over Shares*), Condition 7C(5) (*Rights Issues of Other Securities*), Condition 7C(6) (*Issues at less than Current Market Price*) or Condition 7C(7) (*Other Issues at less than Current Market Price*)), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue, sale or distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which such issue, sale or distribution is first publicly announced; and

B is the Fair Market Value of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue, sale or distribution of the securities or, if a record date is fixed therefor, immediately after such record date or if later, the first date upon which the Fair Market Value of the relevant securities is capable of being determined as provided herein. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of "**Fair Market Value**") be determined as at the date on which the terms of such issue, sale or distribution of securities are first publicly announced or, if later, the first date on which the Fair Market Value of the portion of the aggregate rights attributable to the Shares is capable of being determined as provided herein.

(10) *Other Events*: If the Issuer (in consultation with the Calculation Agent) determines that an adjustment should be made to the Conversion Price as a result of one or more events or circumstances not referred to in this Condition 7 (*Conversion*), the Issuer shall, at its own expense, consult an Independent Financial Advisor to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof, if the adjustment would result in a reduction in the Conversion Price, and the date on which such adjustment should take effect and upon such determination by the Independent Financial Advisor such adjustment (if any) shall be made and shall take effect in accordance with such determination**,** provided that where the events or circumstances giving rise to any adjustment pursuant to any of the above adjustments under this Condition 7C (*Adjustments to Conversion Price*) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of events or circumstances which have already given rise or will give rise to an adjustment to the Conversion Price, such modification (if any) shall be made to the operation of the provisions of this Condition 7 (*Conversion*) as may be advised by the Independent Financial Advisor to be in its opinion appropriate to give the intended result. Notwithstanding the foregoing, the per Share value of any such modification shall not exceed the per Share value of the dilution in the Shareholders' interest in the Issuer's equity caused by such events or circumstances.

D. ***Provisions Relating to Changes in Conversion Price***

(i) *Minor Adjustments*: On any adjustment, the relevant Conversion Price, if not an integral multiple of one Hong Kong cent, shall be rounded down to the nearest Hong Kong cent. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than 1 per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and any amount by which the Conversion Price has been rounded down, pursuant to the forgoing provisions of this paragraph shall be carried forward and taken into account in any subsequent adjustment. Notice of any adjustment shall be given to Bondholders in accordance with Condition 17 (*Notices*) as soon as practicable after the determination thereof.

(ii) *Minimum Conversion Price:* The Conversion Price may not be reduced so that, on the conversion of any Bond, (a) Shares would be issued at a discount to their par value unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price into legally issued, fully paid and non-assessable Shares

or (b) Shares would be required to be issued in any other circumstances not permitted by applicable laws then in force in the Cayman Islands and Hong Kong.

(iii) *Decision of an Independent Financial Advisor:* If (a) any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to how an adjustment to the Conversion Price under Conditions 7C (*Adjustments to Conversion Price*) should be made, or (b) the Calculation Agent determines in its sole discretion that it is not able to perform any calculation and determination (as is expressly specified to be made by it in these Conditions) on a purely formulaic basis or for any other reason and in each case following consultation between the Issuer and an Independent Financial Advisor, a written opinion of such Independent Financial Advisor in respect thereof shall be conclusive and binding on the Issuer, the Bondholders, the Calculation Agent and the Trustee, save in the case of manifest error.

(iv) *Multiple Events:* Where more than one event which gives or may give rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of an Independent Financial Advisor, the foregoing provisions would need to be operated subject to some modification in order to give the intended result, such modification shall be made to the operation of the foregoing provisions as may be advised by such Independent Financial Advisor to be in its opinion appropriate in order to give such intended result.

(v) *Upward/Downward Adjustment:* No adjustment involving an increase in the Conversion Price will be made, except in the case of a consolidation, reclassification or redesignation of the Shares by operation of law or otherwise which reduces the number of Shares outstanding as referred to in Condition 7C(1) (*Consolidation, Subdivision, Redesignation or Reclassification*) above. The Issuer may at any time and for a specified period of time only, following notice being given to the Trustee in writing and to the Bondholders in accordance with Condition 17 (*Notices*), reduce the Conversion Price, subject to Condition 7D(ii) (*Minimum Conversion Price*).

(vi) *Employee Share Scheme and Scheme Shares:* Notwithstanding any provision in Condition 7C (*Adjustments to Conversion Price*), no adjustment will be made to the Conversion Price:

(a) when Shares, options or other securities are issued, offered, exercised, allotted, appropriated, modified or granted to or for the benefit of employees (including directors) of the Issuer or any of its Subsidiaries pursuant to any Employee Share Scheme (but not the [*MIP*]) unless any such issue or grant (which, but for this provision, would have required adjustment pursuant to Condition 7C (*Adjustments to Conversion Price*)) would result in the total number of Shares which may be issued upon exercise of all such issues or grants (excluding the [*MIP*]) granted during the 12-month period up to and including the date of such issue or grant representing, in aggregate, more than 3.0 per cent. of the average of the issued and outstanding Shares during such 12-month period, all as determined by the Issuer. For the avoidance of doubt, any Shares issued in excess thereof, and only such Shares issued in excess thereof, shall be taken into account in determining the adjustment (if any) to the Conversion Price in relation to such issue or grant as set out in Condition 7C (*Adjustments to Conversion Price*); or

(b) when Shares, options, rights or other securities are issued, exercised, allotted, appropriated, modified or granted pursuant to [●][3].

(vii) *Certain References*: References to any issue or offer or grant to Shareholders "**as a class**" or "**by way of rights**" shall be taken to be references to an issue or offer or grant to all or substantially all Shareholders, other than Shareholders by reason of the laws of any territory or requirements of any recognised regulatory body or any other stock exchange or securities market in any territory or in connection with fractional entitlements, it is determined not to make such issue or offer or grant.

(viii) *No Obliged to Monitor or Make Calculations*: The Trustee and the Agents (other than the Calculation Agent) shall not be under any duty to monitor whether any event or circumstance has happened or exists which may require an adjustment to be made to the Conversion Price and will not be responsible to Bondholders for any loss arising from any failure by it to do so, it shall be entitled to rely without liability to any Bondholder on any report or certificate of a director of the Issuer in connection therewith.

E. *Undertakings*

The Issuer undertakes that so long as any Bond remains outstanding, save with the approval of the Bondholders in accordance with these Conditions and the Trust Deed:

(i) it will use its best endeavours (a) to maintain a listing for all the issued Shares on the Hong Kong Stock Exchange, and (b) to obtain and maintain a listing for all the Shares issued pursuant to any Conversion on the Hong Kong Stock Exchange, and if the Issuer is unable to obtain or maintain such listing, to use its best endeavours to obtain and maintain a listing for all the issued Shares on an Alternative Stock Exchange as from time to time selected by the Issuer and will as soon as reasonably practical give notice to the Bondholders in accordance with Condition 17 (*Notices*) below of the listing or delisting of the Shares (as a class) by any such stock exchange;

(ii) it will pay the expenses of the issue of, and all expenses of obtaining a listing for, Shares arising on conversion of the Bonds;

(iii) it will not make any reduction of its ordinary share capital or any uncalled liability in respect thereof or of any share premium account or capital redemption reserve fund, except in each case where the reduction is permitted by applicable law and all or any part of the corporate action(s) comprising the reduction results in (or would, but for the application of any provisos, carve-outs or conditions set forth or imposed any of Condition 7 (*Conversion*), result in) an adjustment to the Conversion Price in accordance with Condition 7 (*Conversion*) or is otherwise taken into account for the purposes of determining whether such an adjustment should be made pursuant to Condition 7 (*Conversion*);

(iv) it will reserve, free from any other pre-emptive or other similar rights, out of its authorised but unissued ordinary share capital the full number of Shares liable to be issued on conversion of the Bonds from time to time remaining outstanding and shall

[3] Note: to include MIP, SCA Warrants and any other securities to be issued in connection with the Scheme, 2031 CHB MCB and the shareholder loan equitisation

ensure that all Shares delivered on conversion of the Bonds will be duly and validly issued as fully-paid; and

(v) it will not make any offer, issue or distribute or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares of the Issuer unless under applicable law then in effect the Bonds may be converted at such reduced Conversion Price below the par value of the Shares into legally issued, fully paid and non-assessable Shares, provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law.

The Issuer has also given certain other undertakings in the Trust Deed for the protection of the Voluntary Conversion Rights.

F. ***Information Undertaking***

(i) *Notice of Change in Conversion Price:* The Issuer shall give notice to the Bondholders in accordance with Condition 17 (*Notices*) and the Trustee in writing of any change in the Conversion Price, as determined by the Calculation Agent (unless otherwise specified) and notified to the Trustee, the Principal Agent and the Issuer in writing in accordance with the Calculation Agency Agreement and the terms of Condition 7C (*Adjustments to Conversion Price*). Any such notice relating to a change in the Conversion Price shall set forth reasonable details of the event giving rise to the adjustment, the Conversion Price prior to such adjustment, the adjusted Conversion Price and the effective date of such adjustment. For the avoidance of doubt, nothing in this Condition 7F (*Information Undertaking*) shall require the Issuer to disclose any information which it is not legally permissible to disclose.

Neither the Trustee nor the Agents (other than the Calculation Agent) shall be under any duty to determine, calculate or verify the adjusted Conversion Price and will not be responsible to Bondholders for any loss arising from any failure by it to do so.

(ii) *Announcement in respect of Periodic Mandatory Conversion*: Upon the occurrence of each Periodic Mandatory Conversion Record Date, as soon as reasonably practicable and within two Trading Days thereafter, the Issuer shall make an announcement on the Hong Kong Stock Exchange or, as the case may be, the Alternative Stock Exchange, informing Bondholders of the following: (1) whether a Periodic Mandatory Conversion will occur with respect to such Periodic Mandatory Conversion Record Date, and if so, the aggregate principal amount of Bonds outstanding as at such Periodic Mandatory Conversion Record Date and the applicable Relevant Mandatory Conversion Amount; (2) if applicable, the Periodic Conversion Reply Form Cut-Off Date for the relevant Periodic Mandatory Conversion; and (3) the prevailing Conversion Price, provided that any failure to make such announcement shall not prejudice the Periodic Mandatory Conversion pursuant to other provisions of this Condition 7 (*Conversion*).

No commissions or expenses shall be charged to the Bondholders in respect of such payments.

Where payment is to be made by transfer to a registered account, payment instructions (for value on the due date or, if that is not a business day (as defined below), for value on the first following day which is a business day) will be initiated on the due date for payment (or,

if it is not a business day, the immediately following business day) or, in the case of a payment of principal, if later, on the business day on which the relevant Certificate is surrendered at the specified office of an Agent.

E. ***Delay in Payment***

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if the due date is not a business day, if the Bondholder is late in surrendering its Certificate (if required to do so) or if a transfer made in accordance with this Condition 8 (*Payments*) arrives after the due date for payment.

Following the occurrence of a Relevant Event, the holder of each Bond will have the right at such holder's option, to require the Issuer to redeem all or some only of that holder's Bonds on the Relevant Event Redemption Date at a redemption price equal to their principal amount as at such date. To exercise such right, the holder of the relevant Bond must

complete, sign and deposit, at his own expense, at the specified office of any Paying Agent, a duly completed and signed notice of redemption, in the form for the time being current, obtainable from the specified office of any Paying Agent (the "**Relevant Event Redemption Notice**") together with the Certificate evidencing the Bond(s) to be redeemed by not later than 30 days following a Relevant Event, or, if later, 30 days following the date upon which notice thereof is given to Bondholders by the Issuer in accordance with Condition 17 (*Notices*) (such period of 30 days, the "**Relevant Event Redemption Notice Period**"). The "**Relevant Event Redemption Date**" shall be the fourteenth day after the expiry of the Relevant Event Redemption Notice Period.

A Relevant Event Redemption Notice, once delivered, shall be irrevocable unless the Issuer consents to its withdrawal and the Issuer shall redeem the Bonds the subject of Relevant Event Redemption Notice delivered as aforesaid on the Relevant Event Redemption Date.

Neither the Trustee nor any Agent shall be required to take any steps to ascertain whether a Relevant Event or any event which could lead to the occurrence of a Relevant Event has occurred and will not be responsible or liable to Bondholders for any loss arising from any failure by it to do so.

The Issuer shall give notice to Bondholders in accordance with Condition 17 (*Notices*) and the Trustee by not later than 14 days following the first day on which it becomes aware of the occurrence of a Relevant Event, which notice shall specify the Relevant Event and the procedure for exercise by holders of their rights to require redemption of the Bonds pursuant to this Condition 9B (*Redemption for Relevant Event*), including (i) the date of such Relevant Event and briefly, the events causing such Relevant Event, (ii) the date by which the Relevant Event Redemption Notice must be given, (iii) the procedures that the Bondholders must follow and the requirements that Bondholders must satisfy in order to exercise their rights under this Condition 9B (*Redemption for Relevant Event*).

All payments of principal and premium (if any) made by or on behalf of the Issuer under or in respect of the Bonds, the Trust Deed or the Agency Agreement will be made free from any restriction or condition, be made without set-off or counterclaim, and be made without deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Cayman Islands, Hong Kong, the PRC or any authority thereof or therein having power to tax, unless deduction or withholding of such taxes, duties, assessments or governmental charges is compelled by law. In such event, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of the net amounts after such deduction or withholding equal to the amounts which would otherwise have been receivable by them had no such deduction or withholding been required except that no such additional amount shall be payable in respect of any Bond:

(ii) (in the case of a payment of principal or premium (if any)) if the Certificate in respect of such Bond is surrendered more than 30 days after the relevant date except to the extent that the holder would have been entitled to such additional amount on surrendering the relevant Certificate for payment on the last day of such period of 30 days.

For the purposes hereof, "**relevant date**" means whichever is the later of (a) the date on which such payment first becomes due and (b) if the full amount payable has not been received by the Trustee or the Principal Agent on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the Bondholders and cheques despatched or payment made.

References in these Conditions to principal and premium (if any) shall be deemed also to refer to any additional amounts which may be payable under this Condition 10 (*Taxation*) or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Trust Deed.

14. Enforcement

A. ***Other Remedies***

If an Event of Default occurs and is continuing, the Trustee may but will not be obligated to pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of the Bonds or to enforce

the performance of any provision of the Bonds or the Trust Deed. The Trustee may maintain a proceeding even if it does not possess any of the Bonds or does not produce any of them in the proceeding. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreements, the Trustee shall upon written direction of holders of at least 25 per cent. in principal amount of the Bonds then outstanding, subject to being indemnified and/or secured and/or prefunded to its satisfaction, direct the Collateral Agent to foreclose on the Collateral and/or the ICL Collateral in accordance with the terms of the Security Documents and/or the ICL Assignment Deed and take such further action on behalf of the Bondholders with respect to the Collateral and/or the ICL Collateral as the Collateral Agent or the Trustee, as the case may be, deems appropriate.

B. ***Control by Majority***

The holders of at least a majority in aggregate principal amount of the outstanding Bonds may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or these Conditions or the Trust Deed, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Bondholders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders.

In connection with the exercise of its functions (including but not limited to those referred to herein) the Trustee shall have regard to the interests of holders of Bonds as a class and shall not have regard to the consequences of such exercise for individual holders.

C. ***Limitation on Suits***

No holder may institute any proceeding, judicial or otherwise, with respect to these Conditions, the Trust Deed or the Bonds, or for the appointment of a receiver or trustee, or for any other remedy under these Conditions, the Trust Deed or the Bonds unless:

(i) the holder has previously given the Trustee written notice of a continuing Event of Default;

(ii) the holders of at least 25 per cent. in aggregate principal amount of outstanding Bonds make a written request to the Trustee to pursue the remedy;

(iii) such holder or holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity and/or security and/or prefunding satisfactory to the Trustee; and

(v) during such 60-day period, the holders of a majority in aggregate principal amount of the outstanding Bonds do not give the Trustee a direction that is inconsistent with the request.

A holder may not use these Conditions or the Trust Deed to prejudice the rights of another holder or to obtain a preference or priority over another holder.

D. ***Rights of Holders to Receive Payment***

Notwithstanding anything to the contrary, the right of any holder of a Bond to receive payment of the principal of such Bond or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Bonds shall not be impaired or affected without the consent of holders of not less than 75 per cent. of the principal amount of the Bonds then outstanding in accordance with Condition 15E (*Waiver of Past Defaults*) and/or Condition 15B (*Amendments with Consent of Holders*).

E. ***Collection Suit by Trustee***

If an Event of Default in payment specified in paragraph (i) of Condition 11 (*Events of Default*) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, at the rate specified in the Bonds, and such further amount as is sufficient to cover the costs and expenses of collection, including the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

F. ***Trustee May File Proofs of Claim***

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the holders allowed in any judicial proceedings relating to the Issuer or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Bonds or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorised by each holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Trust Deed shall be deemed to empower the Trustee to authorise or consent to, or accept or adopt on behalf of any holder, any plan of reorganisation, arrangement, adjustment or composition affecting the Bonds or the rights of any holder thereof, or to authorise the Trustee to vote in respect of the claim of any holder in any such proceeding.

G. ***Restoration of Rights and Remedies***

If the Trustee or any holder has instituted a proceeding to enforce any right or remedy under these Conditions or the Trust Deed and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the holder, then, subject to any determination in the proceeding, the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Issuer, any Subsidiary Guarantors, the Trustee and the holders shall continue as though no such proceeding had been instituted.

H. ***Undertaking for Costs***

In any suit for the enforcement of any right or remedy under these Conditions or the Trust Deed or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking

to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Condition 14H (*Undertaking for Costs*) does not apply to a suit by a holder to enforce payment of principal of any Bond on the respective due dates, or a suit by holders of more than 10 per cent. in principal amount of the outstanding Bonds.

I. ***Rights and Remedies Cumulative***

No right or remedy conferred or reserved to the Trustee or to the holders under these Conditions or the Trust Deed is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or exercise of any other right or remedy.

J. ***Delay or Omission Not Waiver***

No delay or omission of the Trustee or of any holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or acquiescence therein. Every right and remedy given by this Condition 14 (*Enforcement*) or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders, as the case may be.

K. ***Waiver of Stay, Extension or Usury Laws***

The Issuer and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Issuer or such Subsidiary Guarantor, as the case may be, from paying all or any portion of the principal of the Bonds as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of these Conditions or the Trust Deed. The Issuer and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted. The Trustee is entitled to require all Agents to act under its direction following the occurrence of an Event of Default.

15. Modification and Waiver

A. ***Amendments without Consent of Holders***

The Issuer, the Subsidiary Guarantors, the Trustee and the Collateral Agent, as the case may be, may amend or supplement these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination without notice to or the consent of any holder of Bonds, to:

(i) cure any ambiguity, defect, omission or inconsistency in these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, any

Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination;

(ii) comply with Condition 13 (*Consolidation, Merger and Sale of Assets*);

(iii) evidence and provide for the acceptance of appointment by a successor Trustee;

(iv) add any Subsidiary Guarantor or any Subsidiary Guarantee or release any Subsidiary Guarantor from any Subsidiary Guarantee as provided or permitted by the terms of these Conditions or the Trust Deed;

(v) add any Pledgor or release any Pledgor or any Collateral or ICL Collateral as provided or permitted by the terms of these Conditions or the Trust Deed;

(vi) add additional Collateral to secure the Bonds or any Subsidiary Guarantee;

(vii) in any other case where a supplemental trust deed to the Trust Deed is required or permitted to be entered into pursuant to the provisions of these Conditions or the Trust Deed without the consent of any holder;

(viii) effect any changes to these Conditions, the Trust Deed, the Agency Agreement or the Calculation Agency Agreement in a manner necessary to comply with the procedures of the relevant clearing system;

(ix) permit Permitted Pari Passu Secured Indebtedness (including, without limitation, permitting the Trustee and the Collateral Agent to enter into any amendments to the Security Documents, the ICL Assignment Deed, the Intercreditor Agreements, these Conditions, the Trust Deed or the Agency Agreement and take any other action necessary to permit the creation and registration of Liens on the Collateral and the ICL Collateral to secure Permitted Pari Passu Secured Indebtedness, in accordance with these Conditions or the Trust Deed); or

(x) make any other change that does not materially and adversely affect the rights of any holder.

B. ***Amendments with Consent of Holders***

The Issuer, the Subsidiary Guarantors, the Trustee and the Collateral Agent, as the case may be, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Bonds may amend these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination (in the case of the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination, subject to any additional requirements under the Intercreditor Agreements) and the holders of not less than a majority in aggregate principal amount of the outstanding Bonds may waive any default or compliance by the Issuer, the Subsidiary Guarantors, the Pledgors, the pledgors under the ICL Assignment Deed or the Controlling Shareholder with any provision of the Trust Deed, the Bonds, the Subsidiary Guarantees, any Security Document, any Intercreditor Agreement, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination (in the case of the Intercreditor Agreements, the Security Documents, the ICL Assignment Deed, the ICL Subordination Deed and the Deed of Undertaking and Subordination, subject to any additional requirements under the Intercreditor Agreements); *provided*, *however*, that no such modification, amendment or waiver may, without the

consent of holders which in aggregate hold no less than 75 per cent. of the outstanding Bonds at such time:

(i) change the Stated Maturity of the principal of any Bond;

(ii) reduce the principal amount of any Bond;

(iii) change the currency or time of payment of principal of any Bond;

(iv) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the redemption date) of any Bond;

(v) reduce the above-stated percentage of outstanding Bonds the consent of whose holders is necessary to modify or amend these Conditions, the Trust Deed, the Agency Agreement, the Calculation Agency Agreement, the Bonds, the Subsidiary Guarantees, any Intercreditor Agreement, any Security Document, the ICL Assignment Deed, the ICL Subordination Deed or the Deed of Undertaking and Subordination;

(vi) reduce the above-stated percentage of outstanding Bonds the consent of whose holders is necessary for waiver of compliance with certain provisions of these Conditions or the Trust Deed or for waiver of certain defaults;

(vii) waive a default in the payment of principal of the Bonds;

(viii) release any Subsidiary Guarantor from its Subsidiary Guarantee, except as provided in these Conditions or the Trust Deed;

(ix) release any Collateral or any ICL Collateral, except as provided in these Conditions or the Trust Deed, the Intercreditor Agreements, the Security Documents and the ICL Assignment Deed;

(x) amend, change or modify any Subsidiary Guarantee in a manner that adversely affects the holders, except in accordance with the other provisions of these Conditions or the Trust Deed;

(xi) amend, change or modify any provision of any Security Document, the ICL Assignment Deed, any Intercreditor Agreement or any provision of these Conditions or the Trust Deed relating to the Collateral or the ICL Collateral or the Deed of Undertaking and Subordination or the ICL Subordination Deed, in a manner that adversely affects the holders, except in accordance with the other provisions of these Conditions or the Trust Deed;

(xii) consent to the assignment or transfer by the Issuer or any Subsidiary Guarantor of any of their rights or obligations under these Conditions, the Trust Deed or the Subsidiary Guarantees, except as permitted pursuant to the provisions described under Condition 13 (*Consolidation, Merger and Sale of Assets*), whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control;

(xiii) change the redemption date or the redemption price of the Bonds from that stated in Condition 9B (*Redemption for Relevant Event*);

(xiv) modify (except for a unilateral and unconditional reduction in the Conversion Price by the Issuer) or cancel any of the Conversion;

(xv) amend, change or modify the obligation of the Issuer or any Subsidiary Guarantor to pay Additional Amounts; or

(xvi) amend, change or modify any provision of these Conditions or the Trust Deed or the related definition affecting the ranking of the Bonds or any Subsidiary Guarantee in a manner which adversely affects the holders,

(together, "**Reserved Matters**").

It is not necessary for holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof, and the holders, by consenting to the relevant proposed amendment, supplement or waiver, authorises the Trustee to enter into any documentation including any supplemental trust deed to effect such proposed amendment, supplement or waiver as is necessary.

An amendment, supplement or waiver under this Condition 15B (*Amendments with Consent of Holders*) shall become effective on receipt by the Issuer or its agent of written consents from the holders of the requisite percentage in principal amount of the outstanding Bonds. After an amendment, supplement or waiver under this Condition 15B (*Amendments with Consent of Holders*) becomes effective, the Issuer shall send to the holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Issuer shall send supplemental trust deeds to holders upon request. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental trust deed or waiver.

C. ***Effect of Consent***

After an amendment, supplement or waiver becomes effective, it shall bind every holder. Upon a waiver of a Default, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

If an amendment, supplement or waiver changes the terms of a Bond, the holder shall deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Bond and return it to the holder, or exchange it for a new Bond that reflects the changed terms. The Trustee shall also place an appropriate notation on any Bond thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Bonds in this fashion.

D. ***Trustee's Rights and Obligations***

The Trustee is entitled to receive, and shall be fully protected in relying upon, an Officers' Certificate and Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorised pursuant to this Condition 15 (*Modification and Waiver*) is authorised or permitted by these Conditions or the Trust Deed. If the Trustee has received such an Officers' Certificate and Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights, duties, liabilities or immunities of the Trustee.

E. ***Waiver of Past Defaults***

The holders of at least a majority in principal amount of the outstanding Bonds by written notice to the Issuer and to the Trustee may on behalf of the holders of the Bonds waive all past Defaults (except a Default or Event of Default (i) in respect of the payment of principal; or (ii) in respect of a Reserved Matter under Condition 15B (*Amendments with Consent of Holders*) cannot be modified, amended or waived without the consent of 75 per cent. in principal amount of the outstanding Bonds; in each case of (i) and (ii), which may only be waived with the consent of the holders of at least 75 per cent. of the principal amount of the Bonds then outstanding) or any default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed (subject to the requirements of the Common Security Intercreditor Agreement) and rescind and annul a declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist or the default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed will cease to exist (subject to the requirements of the Common Security Intercreditor Agreement), and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or default under the Deed of Undertaking and Subordination, the ICL Assignment Deed or the ICL Subordination Deed or impair any right consequent thereon.

F. ***Interests of Bondholders***

In connection with the exercise of its functions (including but not limited to those in relation to any proposed modification, authorisation or waiver) the Trustee shall have regard to the interests of the Bondholders as a class and shall not have regard to the consequences of such exercise for individual Bondholders and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer or the Trustee, any indemnification or payment in respect of any tax consequences of any such exercise upon individual Bondholders except to the extent provided for in Condition 10 (*Taxation*) and/or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

In the event of any modification, amendment or waiver with consent of the Bondholders in accordance with this Condition 15 (*Modification and Waiver*), the Issuer will procure that the Bondholders be notified in accordance with Condition 17 (*Notices*).

G. ***Certificates/Reports***

Any certificate or report of any expert or other person called for by or provided to the Trustee (whether or not addressed to the Trustee) in accordance with or for the purposes of these Conditions or the Trust Deed may be conclusively relied upon by the Trustee, without verification, as sufficient evidence of the facts therein (and shall, in absence of manifest error, be conclusive and binding on all parties) notwithstanding that such certificate or report and/or engagement letter or other document entered into by the Trustee, the Issuer and/or the Issuer in connection therewith contains a monetary or other limit on the liability of the relevant expert or person in respect thereof.

16. Replacement of Certificates

If any Certificate is mutilated, defaced, destroyed, stolen or lost, it may be replaced at the specified office of the Registrar or any Agent upon payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity

as the Issuer and such Agent may require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

17. Notices

All notices to Bondholders shall be validly given if mailed to them at their respective addresses in the register of Bondholders maintained by the Registrar or published in a leading newspaper having general circulation in Asia (which is expected to be the *Asian Wall Street Journal*). The Issuer shall also ensure that notices are duly published in a manner that complies with the rules and regulations of any stock exchange or other relevant authority on which the Shares are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the seventh day after being so mailed, as the case may be.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of Euroclear or Clearstream or the Alternative Clearing System (as defined in the Global Certificates), notices to Bondholders may be given by delivery of the relevant notice to Euroclear or Clearstream or the Alternative Clearing System, for communication by it to entitled accountholders in substitution for notification as required by the Conditions and such notice shall be deemed to be received by the Bondholders on the date of delivery of such notice to Euroclear, Clearstream and/or the Alternative Clearing System (as applicable).

18. Agents

The names of the initial Agents and the Registrar and their specified offices are listed on the Certificate. The Issuer reserves the right, subject to the prior written approval of the Trustee, at any time to vary or terminate the appointment of any Agent or the Registrar and to appoint additional or other Agents or a replacement Registrar. The Issuer will at all times maintain (a) a Principal Agent, (b) a Registrar which will maintain the Register outside Hong Kong, and (c) a Calculation Agent. Notice of any such termination or appointment, of any changes in the specified offices of any Agent or the Registrar and of any change in the identity of the Registrar or the Principal Agent will be given promptly by the Issuer to the Bondholders.

19. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking any step and/or action and/or instituting any proceeding to enforce repayment unless indemnified and/or secured and/or pre-funded to its satisfaction and entitling the Trustee to be paid or reimbursed for any fees, costs, expenses, indemnity payments and for liabilities incurred by it. The Trustee is entitled to enter into business transactions with the Issuer and any entity related (directly or indirectly) to the Issuer (including any of its affiliates) without accounting for any profit.

The Trustee may rely conclusively and may act or refrain from acting, in each case without liability to Bondholders, the Issuer or any other person on any report, confirmation, certificate or information from or any advice or opinion of any legal counsels, accountants, financial advisers, financial institution or any other expert, whether or not obtained by or addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or any other person in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to conclusively rely on any such report, confirmation, certificate, information,

advice or opinion, in which event such report, confirmation, certificate, information, advice or opinion shall be binding on the Issuer and the Bondholders.

Whenever the Trustee is required or entitled by these terms of the Trust Deed or these Conditions to exercise any discretion or power, take any action, make any decision or give any direction, the Trustee is entitled, prior to exercising any such discretion or power, taking or refrain from taking any such action, making any such decision or giving any such direction, to seek directions from the Bondholders, and the Trustee shall not be responsible for any loss or liability incurred by the Issuer, the Bondholders or any other person as a result of any delay in it exercising such discretion or power, taking or refrain from taking such action, making such decision or giving such direction as a result of seeking such direction from the Bondholders or in the event that no direction is given to the Trustee by the Bondholders.

None of the Trustee or any of the Agents shall be responsible for the performance by the Issuer and any other person appointed by the Issuer in relation to the Bonds of the duties and obligations on their part expressed in respect of the same and, unless it has written notice from the Issuer to the contrary, the Trustee and each Agent shall be entitled to assume that the same are being duly performed. None of the Trustee or any Agent shall be liable to any Bondholder, the Issuer or any other person for any action taken by the Trustee or such Agent in accordance with the instructions of the Bondholders. The Trustee shall be entitled to conclusively rely on any direction, request or resolution of Bondholders given by holders of the requisite principal amount of Bonds outstanding or passed at a meeting of Bondholders convened and held in accordance with the Trust Deed. Neither the Trustee nor any of the Agents shall be under any obligation to ascertain whether any Event of Default, Default, Relevant Event or any event giving rise to a redemption has occurred or monitor the performance or compliance of the Issuer in the fulfilment of its obligations under the provisions of the Trust Deed, the Agency Agreement or these Conditions. Each Bondholder shall be solely responsible for making and continuing to make its own independent appraisal and investigation into the financial condition, creditworthiness, condition, affairs, status and nature of the Issuer, and the Trustee shall not at any time have any responsibility for the same and each Bondholder shall not rely on the Trustee in respect thereof. The Trustee shall be entitled to request clarifications of any instructions or directions given to it in relation to how to exercise its rights, powers and discretions, and may refrain from acting on such instructions until such clarifications have been received.

20. Contracts (Rights of Third Parties) Ordinance (Cap 623)

No person shall have any right to enforce any term or condition of the Bonds or any provision of the Trust Deed under the Contracts (Rights of Third Parties) Ordinance (Cap 623) but this shall not affect any right or remedy which exists or is available apart from Ordinance.

21. Governing Law and Submission to Jurisdiction

A. *Governing Law*

The Bonds, the Trust Deed and the Agency Agreement are governed by, and shall be construed in accordance with Hong Kong law.

B. *Jurisdiction*

The courts of Hong Kong are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Bonds and accordingly any legal action or proceedings arising out of or in connection with the Bonds and/or the Trust Deed ("**Proceedings**") may be brought in such courts. Pursuant to the Trust Deed, each of the Issuer and the Subsidiary

Guarantors has irrevocably submitted to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

C. ***Agent for Service of Process***

Pursuant to the Trust Deed, each of the Subsidiary Guarantors has irrevocably appointed in the Trust Deed the Issuer as its agent in Hong Kong, and the Issuer has irrevocably agreed to receive service of process in any Proceedings in Hong Kong based on any of the Bonds at the Issuer's business address in Hong Kong, currently at [Suite 1702, 17/F Dina House, Ruttonjee Centre 11 Duddell Street Central, Hong Kong]. Such service shall be deemed completed on delivery to such address (whether or not, it is received by the Issuer). If for any reason the Issuer no longer has an address in Hong Kong and/or any of the Subsidiary Guarantors does not have such an agent in Hong Kong, the Issuer irrevocably agrees to forthwith appoint a process agent in Hong Kong, notify the Bondholders of such appointment in accordance with Condition 17 (*Notices*) and deliver to the Trustee a copy of the agent's acceptance of that appointment within 30 days of such cessation. Nothing shall affect the right to serve process in any manner permitted by law.

D. ***Waiver of Immunity***

Each of the Issuer and the Subsidiary Guarantors has waived any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence, and has irrevocably consented to the giving of any relief or the issue of any process, including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Proceedings.

[*Date*]

Dear Sirs

Country Garden Holdings Company Limited
(*an exempted company incorporated in Cayman Islands with limited liability*)
U.S.$[●] zero coupon secured guaranteed mandatory convertible bonds due [●]

This Compliance Certificate is delivered pursuant to Clause 11.4 of the trust deed dated [●] (as amended, supplemented or modified from time to time, the "**Trust Deed**"), among Country Garden Holdings Company Limited as issuer (the "**Issuer**"), the entities listed on Schedule 5-1 thereto (the "**Subsidiary Guarantors**") and GLAS Agency (Hong Kong) Limited as trustee (the "**Trustee**"). Terms defined in the Trust Deed are used herein as therein defined.

Each of the undersigned hereby certifies to the Trustee as follows:

I am the duly elected, qualified and acting [*title*] or [*title*], as the case may be, of the Issuer.

1 I have reviewed and am familiar with the contents of this Compliance Certificate.

2 I have reviewed the terms of the Trust Deed and the Security Documents and have made or caused to be made under my supervision, a review in reasonable detail of the Collateral and the condition of the Collateral. Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Trust Deed and the Security Documents with at least the priority of such security interest on the Issue Date[, except as set forth below].

3 Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and refiling of all supplemental trust deeds, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

4 Since the Issue Date:

4.1 none of the Issuer nor any Subsidiary Guarantor has changed its jurisdiction of organisation, name, identity or corporate structure to such an extent that any financing statement or other Security Document filed by or on behalf of the Trustee would become misleading;

4.2 the Issuer has provided such assistance to the Trustee with respect to any re-filing, re-recording or continuation of documentation with respect to the Collateral as necessary to maintain such security interest in the Collateral in favor of the Trustee on behalf of the Bondholders,

except, in each case, (i) any of the foregoing that has been previously disclosed to the Trustee in accordance with the Trust Deed and any relevant Security Document and in respect of which the Issuer and each Subsidiary Guarantor have delivered to the Trustee all required documents and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Trust Deed and the relevant Security Documents and (ii) any of the foregoing described in Attachment 1(1) hereto in respect of which the Issuer or the Subsidiary Guarantor is delivering to the Trustee herewith all required statements and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Trust Deed and the relevant Security Documents.

5 That a review has been conducted of the activities of the Issuer and its Restricted Subsidiaries and the Issuer's and its Restricted Subsidiaries' performance under the Trust Deed, in each case since the Issue Date, [and that the Issuer and the Subsidiary Guarantors have been since the Issue Date and are in compliance with all obligations under the Trust Deed]/[if there has been a default in the fulfillment of any obligation under the Trust Deed, specifying each such default and the nature and status thereof.]

IN WITNESS WHEREOF, the undersigned has executed this Compliance Certificate as of the date set forth below.

6.1 Calculation of Interest

The rate of interest on the Loan for an Interest Period is the percentage per annum which is the aggregate of:

(a) the applicable Cash Pay Interest Rate (such cash pay interest being the "**Cash Pay Interest**"); and

(b) subject to Clause 6.3 (*PIK Toggle Right*) below, the applicable PIK Interest Rate.

6.2 Payment of Interest

Subject to Clause 6.3 (*PIK Toggle Right*) and Clause 6.4 (*Capitalisation of Interest*) below, the Borrower shall pay accrued Cash Pay Interest on the Loan on each Interest Payment Date.

6.3 PIK Toggle Right

(a) The Borrower may, at any time and at least five Business Days before an Interest Payment Date, elect by notice to the Agent in a duly completed Toggle Election Notice to pay a portion of the Cash Pay Interest that will be due and payable on that Interest Payment Date in PIK Interest (as defined below) instead of Cash Pay Interest.

(b) Each Toggle Election Notice is irrevocable and will not be regarded as having been duly completed unless it complies with the requirements set out in paragraph (c) below.

(c) Subject to paragraph (d) below, a Toggle Election Notice shall specify, in respect of the Interest Period ending on the Interest Payment Date immediately following the date of that Toggle Election Notice:

(i) the Cash Pay Interest Rate applicable to the Loan during that Interest Period, provided that the Cash Pay Interest Rate shall be no less than 2.50 per cent. per annum; and

(ii) the PIK Interest Rate applicable to the Loan during that Interest Period, provided that the PIK Interest Rate shall be no more than 1.79 per cent. per annum.

(d) If the Borrower elects to pay a portion of the Cash Pay Interest that will be due and payable in PIK Interest instead of Cash Pay Interest in accordance with this Clause 6.3 (*PIK Toggle Right*), then the aggregate of any PIK Interest Rate and Cash Pay Interest Rate for that relevant Interest Period shall be 4.29 per cent. per annum.

6.4 Capitalisation of Interest

(a) If the Borrower makes an election in accordance with Clause 6.3 (*PIK Toggle Right*) above by delivering a duly completed Toggle Election Notice to the Agent:

(i) interest shall accrue from day to day at the Cash Pay Interest Rate (specified by the Borrower in that Toggle Election Notice) on the Loan on each day during the Interest Period specified in that Toggle Election Notice;

(ii) interest shall accrue from day to day at the PIK Interest Rate on the Loan on each day during the Interest Period specified in that Toggle Election Notice and, at the end of that

Interest Period, such accrued interest shall be capitalised and treated for all purposes of the Finance Documents as being added to the outstanding principal amount of the Loan (any interest so accrued from time to time being the "**PIK Interest**"); and

(iii) after the capitalisation of interest in accordance with paragraph (a)(ii) above, PIK Interest shall be treated as part of the principal amount of the Loan for all purposes of the Finance Documents, including for the purposes of accruing Cash Pay Interest and PIK Interest in accordance with this Clause 6 and any PIK Interest so capitalised shall be repayable or prepayable as an amount of the outstanding principal amount of the Loan in accordance with Clause 4 (*Repayment*), Clause 5 *(Prepayment and Cancellation*) and, if applicable, Clause 17.7 (*Acceleration*).

(b) For the avoidance of doubt, any PIK Interest already capitalised and added to the principal amount of the Loan at the end of any previous Interest Period shall constitute and be treated as part of the principal amount of the Loan when calculating any amount due in respect of the Loan, any amount of Cash Pay Interest and any amount of PIK Interest for any subsequent Interest Period.

(c) If an amount of PIK Interest is compounded as set out under this Clause, the Commitments of each Lender under the Loan shall be increased with an amount that bears the same proportion to that amount of PIK Interest as that Lender's Commitments under the Loan bears to the Total Commitments.

(d) The Agent shall promptly notify the Lenders following receipt of any Toggle Election Notice from the Borrower and the increase of the principal amount of the Loan as a result of the capitalisation of any PIK Interest.

7. INTEREST PERIODS

(a) Subject to paragraph (b) below, each Interest Period for the Loan shall (i) in respect of the first Interest Period, start on the date of this Agreement and end on (but excluding) the first Interest Payment Date falling after the date of this Agreement and (ii) in respect of any other Interest Period, commence on and including an Interest Payment Date of the immediately preceding Interest Period and end on but excluding the next Interest Payment Date.

(b) An Interest Period for the Loan shall not extend beyond the Termination Date.

8. FEES

8.1 Agency fee

The Borrower shall pay to the Agent (for its own account) an agency fee in the amount and at the times agreed in a Fee Letter.

8.2 Interim fee

(a) Subject to paragraph (b) below, the Borrower shall pay to the Agent (for the account of the Lenders) on the first Interest Payment Date after the date of this Agreement an amount equal to the amount of interest that would have accrued on a Loan where (a) the principal amount is US$89,000,000 minus the amount of the Voluntary Prepayment (Day 1 Payment) (if any) and (b) the rate of interest on such Loan is 4.29 per cent. per annum, for the period from and including 30 June 2025 to but excluding the date of this Agreement (the "**Interim Fee**").

(b) The Borrower may, at any time and at least five Business Days before the first Interest Payment Date, elect by notice to the Agent to pay the Interim Fee in the following manner:

(i) an amount equal to the amount of interest that would have accrued on the Loan where (a) the principal amount is US$89,000,000 minus the amount of the Voluntary Prepayment (Day 1 Payment) (if any) and (b) the rate of interest on such Loan is the IF Cash Rate, for the period from and including 30 June 2025 to but excluding the date of this Agreement, shall be payable in cash on the first Interest Payment Date after the date of this Agreement; and

(ii) an amount equal to the amount of interest that would have accrued on the Loan where (a) the principal amount is US$89,000,000 minus the amount of the Voluntary Prepayment (Day 1 Payment) (if any)] and (b) the rate of interest on such Loan is the IF PIK Rate, for the period from and including 30 June 2025 to but excluding the date of this Agreement, shall be added to, and thereafter treated for all purposes of the Finance Documents, as part of the principal amount of the Loan and shall be compounded with the outstanding principal amount of the Loan at that time from the date of this Agreement,

where:

(A) "**IF Cash Rate**" means a percentage per annum that is equal to or more than 2.5 per cent. per annum but equal to or less than 4.29 per cent. per annum, at the discretion of the Company, provided that the sum of IF Cash Rate and IF PIK Rate shall be 4.29 per cent. per annum; and

(B) "**IF PIK Rate**" means a percentage per annum that is equal to or more than zero per cent. per annum but equal to or less than 1.79 per cent. per annum, at the discretion of the Company, provided that the sum of IF Cash Rate and IF PIK Rate shall be 4.29 per cent. per annum.

(c) If the principal amount of the Loan is increased pursuant to the Borrower's election under paragraph (b)(ii) above, the Commitments of each Lender under the Loan shall be increased proportionately in the proportion which that Lender's Commitments under the Loan bears to the Total Commitments.

SECTION 6

ADDITIONAL PAYMENT OBLIGATIONS

9. TAX GROSS-UP AND INDEMNITIES

9.1 Tax definitions

In this Clause 9:

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"**Tax Payment**" means an increased payment made by an Obligor to a Finance Party under Clause 9.2 (*Tax gross-up*) or a payment under Clause 9.3 (*Tax indemnity*).

Unless a contrary indication appears, in this Clause 9 a reference to "**determines**" or "**determined**" means a determination made in the absolute discretion of the person making the determination.

9.2 Tax gross-up

(a) All payments to be made by an Obligor to any Finance Party under the Finance Documents shall be made free and clear of and without any Tax Deduction unless such Obligor is required to make a Tax Deduction, in which case the sum payable by such Obligor (in respect of which such Tax Deduction is required to be made) shall, subject to paragraph (a) of this Clause 9.2, be increased to the extent necessary to ensure that such Finance Party receives a sum net of any deduction or withholding equal to the sum which it would have received had no such Tax Deduction been made or required to be made.

(b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

(c) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(d) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) the appropriate payment paid to the relevant taxing authority.

9.3 Tax indemnity

(a) Without prejudice to Clause 9.2 (*Tax gross-up*), if any Finance Party is required to make any payment of or on account of Tax on or in relation to any sum received or receivable under the Finance Documents (including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party whether or not actually received or receivable) or if any liability

in respect of any such payment is asserted, imposed, levied or assessed against any Finance Party, the Borrower shall, within 10 Business Days of demand of the Agent, promptly indemnify the Finance Party which suffers a loss or liability as a result against such payment or liability, together with any interest, penalties, costs and expenses payable or incurred in connection therewith, **provided that** this Clause 9.3 shall not apply:

(i) to any Tax imposed on and calculated by reference to the net income actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which such Finance Party is incorporated or, if different, the jurisdiction in which that Finance Party is treated as resident for tax purposes;

(ii) any Tax imposed on and calculated by reference to the net income of the Facility Office of such Finance Party actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which its Facility Office is located; or

(iii) to the extent a loss, liability or cost:

(A) is compensated for by an increased payment under Clause 9.2 (*Tax gross-up*) or would have been so compensated but was not so compensated solely because one or more of the exclusions contained in Clause 9.2 (*Tax gross-up*) applied; or

(B) relates to a FATCA Deduction required to be made by a Party.

(b) A Finance Party intending to make a claim under paragraph (a) above shall notify the Agent of the event giving rise to the claim, whereupon the Agent shall notify the Borrower thereof.

(c) A Finance Party shall, on receiving a payment from an Obligor under this Clause 9.3, notify the Agent.

9.4 **Tax credit**

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

9.5 **Stamp taxes**

The Borrower shall:

(a) pay when required by law all stamp duty, registration and other similar Taxes payable in respect of any Finance Document; and

(b) within 10 Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to any stamp duty, registration or other similar Tax paid or payable in respect of any Finance Document.

9.6 **Indirect tax**

(a) All amounts set out or expressed in a Finance Document to be payable by any Party to a Finance Party shall be deemed to be exclusive of any Indirect Tax. If any Indirect Tax is chargeable on any supply made by any Finance Party to any Party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the Indirect Tax.

(b) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party against all Indirect Tax incurred by that Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment in respect of the Indirect Tax.

9.7 **FATCA information**

(a) Subject to paragraph (c) below, each Party shall, within 10 Business Days of a reasonable request by another Party:

(i) confirm to that other Party whether it is:

(A) a FATCA Exempt Party; or

(B) not a FATCA Exempt Party;

(ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

(iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

(i) any law or regulation;

(ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall

be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

9.8 **FATCA Deduction**

(a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

(b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Borrower and the Agent and the Agent shall notify the other Finance Parties.

10. INCREASED COSTS AND MITIGATION BY THE LENDERS

10.1 **Increased Costs**

(a) Subject to Clause 10.3 (*Exceptions*), the Company shall, within 10 Business Days of demand by the Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of this Agreement. The terms "law" and "regulation" in this paragraph (a) shall include any law or regulation concerning capital adequacy, prudential limits, liquidity, reserve assets or Tax.

(b) In this Agreement, "**Increased Costs**" means:

(i) a reduction in the rate of return from the Facility or on a Finance Party's (or its Affiliate's) overall capital (including as a result of any reduction in the rate of return on capital brought about by more capital being required to be allocated by such Finance Party);

(ii) an additional or increased cost; or

(iii) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by a Finance Party or any of its Affiliates to the extent that it is attributable to the undertaking, funding or performance by such Finance Party of any of its obligations under any Finance Document or any participation of such Finance Party in the Loan or Unpaid Sum.

10.2 **Increased Cost claims**

(a) A Finance Party (other than the Agent) intending to make a claim pursuant to Clause 10.1 (*Increased Costs*) shall notify the Agent of the event giving rise to the claim, following which the Agent shall promptly notify the Company.

(b) Each Finance Party (other than the Agent) shall, as soon as practicable after a demand by the Agent, provide a certificate confirming the amount of its Increased Costs.

10.3 **Exceptions**

Clause 10.1 (*Increased Costs*) does not apply to the extent any Increased Cost is:

(a) attributable to a Tax Deduction required by law to be made by an Obligor;

(b) attributable to a FATCA Deduction required to be made by a Party;

(c) compensated for by Clause 9.3 (*Tax indemnity*) (or would have been compensated for under Clause 9.3 (*Tax indemnity*) but was not so compensated solely because any of the exclusions in paragraph (a) of Clause 9.3 (*Tax indemnity*) applied); or

(d) attributable to the wilful breach by the relevant Finance Party or its Affiliates of any law or regulation.

10.4 **Mitigation**

(a) Each Finance Party shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 5.1 (*Illegality*), Clause 9 (*Tax Gross-up and Indemnities*) or Clauses 10.1 to 10.3 above, including:

(i) providing such information as the Borrower may reasonably request in order to permit the Borrower to determine its entitlement to claim any exemption or other relief (whether pursuant to a double taxation treaty or otherwise) from any obligation to make a Tax Deduction; and

(ii) in relation to any circumstances which arise following the date of this Agreement, transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Transaction Obligor under the Finance Documents.

10.5 **Limitation of liability**

(a) The Borrower shall, within 10 Business Days of demand, promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a direct result of steps taken by it under Clause 10.4 (*Mitigation*).

(b) A Finance Party is not obliged to take any steps under Clause 10.4 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so could reasonably be expected to be prejudicial to it.

10.6 **Conduct of business by the Finance Parties**

No provision of this Agreement will:

(a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;

(b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or

(c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

11. OTHER INDEMNITIES

11.1 Currency indemnity

(a) If any sum due from an Obligor under the Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(i) making or filing a claim or proof against that Obligor; or

(ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within 10 Business Days of demand, indemnify each Finance Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

(b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

11.2 Other indemnities

The Borrower shall (or shall procure that an Obligor will), within 10 Business Days of demand, indemnify each Finance Party against any cost, loss or liability incurred by that Finance Party as a direct result of:

(a) the occurrence of any Event of Default;

(b) any information produced or approved by any Transaction Obligor being or being alleged to be misleading and/or deceptive in any material respect;

(c) a failure by an Obligor to pay any amount due under a Finance Document on its due date or in the relevant currency, including any cost, loss or liability arising as a result of Clause 22 (*Sharing among the Finance Parties*); or

(d) the Loan (or part of the Loan) not being prepaid in accordance with a notice of prepayment given by or on behalf of the Borrower.

11.3 Indemnity to the Agent

The Borrower shall within 10 Business Days of demand, indemnify the Agent against any cost, loss or liability incurred by the Agent (acting reasonably) as a result of:

(a) investigating any event which it reasonably believes is an Event of Default;

(b) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised; or

(c) instructing lawyers, accountants, tax advisers, surveyors or other professional advisers or experts as permitted under this Agreement.

12. COSTS AND EXPENSES

12.1 Transaction expenses

The Borrower shall, within 10 Business Days of demand, pay the Agent the amount of all costs and expenses (including legal fees) reasonably incurred by the Agent in connection with the negotiation, preparation, printing, execution and syndication of:

(a) this Agreement and any other documents referred to in this Agreement; and

(b) any other Finance Documents executed after the date of this Agreement.

12.2 Amendment costs

If:

(a) a Transaction Obligor requests an amendment, waiver or consent; or

(b) an amendment is required pursuant to Clause 23.9 (*Change of currency*),

the Borrower shall, within 10 Business Days of demand, reimburse the Agent for the amount of all costs and expenses (including legal fees) reasonably incurred by the Agent in responding to, evaluating, negotiating or complying with that request or requirement.

12.3 Enforcement costs

The Borrower shall, within 10 Business Days of demand, pay to each Finance Party the amount of all costs and expenses (including legal fees) incurred by that Finance Party in connection with the enforcement of, or the preservation of any rights under, any Finance Document.

SECTION 7

GUARANTEE

13. GUARANTEE AND INDEMNITY

13.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Finance Party punctual performance by the Borrower of all the Borrower's payment obligations under the Finance Documents;

(b) undertakes with each Finance Party that whenever the Borrower does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(c) agrees with each Finance Party that if any payment obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 13 if the amount claimed had been recoverable on the basis of a guarantee.

13.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

13.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 13 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

13.4 Waiver of defences

The obligations of each Guarantor under this Clause 13 will not be affected by an act, omission, matter or thing which, but for this Clause 13, would reduce, release or prejudice any of its obligations under this Clause 13 (without limitation and whether or not known to it or any Finance Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, execute, take up or enforce, any rights against, or security over assets of, any

Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;

(g) any insolvency or similar proceedings; or

(h) this Agreement or any other Finance Document not being executed by or binding upon any other party.

13.5 **Immediate recourse**

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 13. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

13.6 **Appropriations**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

(b) hold in a suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 13,

in each case, unless and until such moneys are sufficient in aggregate to discharge in full all amounts then due and payable under this guarantee or any other Finance Document.

13.7 **Deferral of Guarantors' rights**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise or otherwise enjoy the benefit of any right which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 13:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any other guarantor of or provider of security for any Obligor's obligations under the Finance Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 13.1 (*Guarantee and indemnity*);

(e) to exercise any right of set-off against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If any Guarantor shall receive any benefit, payment or distribution in relation to any such right it shall hold that benefit, payment or distribution (or so much of it as may be necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be paid in full) on trust for the Finance Parties, and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 23 (*Payment Mechanics*).

13.8 **Release of Guarantors' right of contribution**

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of this Agreement then on the date such Retiring Guarantor ceases to be a Guarantor:

(a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and

(b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

13.9 **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

13.10 **Executed as a deed**

Each Guarantor executes this Agreement as a deed. The Parties intend this Agreement to bind the Guarantors as deeds, and they shall take effect as deeds, even though the other Parties execute this Agreement under hand.

SECTION 8

(a) Subject to this Clause 18 and to 19 (*Debt Purchase Transactions*), a Lender (the "**Existing Lender**") may:

(i) assign any of its rights; or

(ii) transfer by novation any of its rights and obligations,

under the Finance Documents to a bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the "**New Lender**").

(b) For the avoidance of doubt, a Lender may without the consent of any Transaction Obligor make such arrangement as such Lender thinks fit for any person to participate in funding or maintaining any part of the Loan.

18.2 Conditions of assignment or transfer

(a) The consent of the Transaction Obligors is not required for any assignment or transfer by any Existing Lender pursuant to this Clause 18.

(b) A transfer will be effective only if the procedure set out in Clause 18.5 (*Procedure for transfer*) is complied with.

(c) Other than in the case of an assignment permitted by paragraph (a) of Clause 19.1 (*Permitted Debt Purchase Transactions*), an assignment will be effective only if the procedure and conditions set out in Clause 18.6 (*Procedure for assignment*) are complied with.

(d) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms that:

(i) the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or before the date on which the transfer or assignment becomes effective in accordance with this Agreement; and

(ii) it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

18.3 Assignment or transfer fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Agent (for its own account) a fee of USD3,500.

18.4 Limitation of responsibility of Existing Lenders

(i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents or any other documents;

(ii) the financial condition of any Transaction Obligor;

(iii) the performance and observance by any Transaction Obligor of its obligations under the Finance Documents or any other documents; or

(iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law are excluded.

(b) Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

(i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities (including the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender in connection with any Finance Document; and

(ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.

(c) Nothing in any Finance Document obliges an Existing Lender to:

(i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 18; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Finance Documents or otherwise.

18.5 **Procedure for transfer**

(a) Subject to the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

(b) The Agent shall not be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender unless it is satisfied that it has completed all "know your customer" and other similar procedures that it is required (or deemed desirable by a Finance Party) to conduct in relation to the transfer to such New Lender.

(c) On the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and their respective rights against one another under the Finance Documents shall be cancelled (being the "**Discharged Rights and Obligations**");

(ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;

(iii) the Agent, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Agent and the Existing Lender shall each be released from further obligations to each other under the Finance Documents; and

(iv) the New Lender shall become a Party as a "**Lender**".

(d) Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Agent to enter into and deliver any duly completed Transfer Certificate on its behalf.

(e) The procedure set out in this Clause 18.5 shall not apply to any right or obligation under any Finance Document (other than this Agreement) if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of transfer of such right or obligation or prohibit or restrict any transfer of such right or obligation, unless such prohibition or restriction shall not be applicable to the relevant transfer or each condition of any applicable restriction shall have been satisfied.

18.6 **Procedure for assignment**

(a) Subject to the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*), an assignment may be effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

(b) The Agent shall not be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender unless it is satisfied that it has completed all "know your customer" and other similar procedures that it is required (or deems desirable) to conduct in relation to the assignment to such New Lender.

(c) On the Transfer Date:

(i) the Existing Lender will assign absolutely to the New Lender the rights under the Finance Documents expressed to be the subject of the assignment in the Assignment Agreement;

(ii) the Existing Lender will be released by each Transaction Obligor and the other Finance Parties from the obligations owed by it (the "**Relevant Obligations**") and expressed to be the subject of the release in the Assignment Agreement;

(iii) if the assignment relates only to part of the Existing Lender's participation in the outstanding Loan, that part will be separated from the Existing Lender's participation in the outstanding Loan, made an independent debt and assigned to the New Lender as a whole debt;

(iv) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations; and

(v) the Borrower's execution of the Assignment Agreement as agent for the Transaction Obligors will constitute notice to the Transaction Obligors of the assignment.

(d) Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Agent to enter into and deliver any duly completed Assignment Agreement on its behalf.

(e) Lenders may utilise procedures other than those set out in this Clause 18.6 to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with Clause 18.5 (*Procedure for transfer*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 18.2 (*Conditions of assignment or transfer*).

(f) The procedure set out in this Clause 18.6 shall not apply to any right or obligation under any Finance Document (other than this Agreement) if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of assignment of such right or release or assumption of such obligation or prohibit or restrict any assignment of such right or release or assumption of such obligation, unless such prohibition or restriction shall not be applicable to the relevant assignment, release or assumption or each condition of any applicable restriction shall have been satisfied.

18.7 **Copy of Transfer Certificate, Assignment Agreement to Borrower**

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrower a copy of that Transfer Certificate or Assignment Agreement.

18.8 **Existing consents and waivers**

A New Lender shall be bound by any consent, waiver, election or decision given or made by the relevant Existing Lender under or pursuant to any Finance Document prior to the coming into effect of the relevant assignment or transfer to such New Lender.

18.9 **Exclusion of Agent's liability**

In relation to any assignment or transfer pursuant to this Clause 18, each Party acknowledges and agrees that the Agent shall not be obliged to enquire as to the accuracy of any representation or warranty made by a New Lender in respect of its eligibility as a Lender.

18.10 **Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 18, each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including:

(a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

(b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

(i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or

(ii) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

18.11 **Pro Rata settlement**

(a) If the Agent has notified the Lenders that it is able to distribute interest payments on a "*pro rata* basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 18.5 (*Procedure for transfer*) or any assignment pursuant to Clause 18.6 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

(i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six-monthly intervals after the first day of that Interest Period); and

(ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:

(A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender;

(B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 18.11, have been payable to it on that date, but after deduction of the Accrued Amounts; and

(C) any amendment or waiver that has the effect of changing or which relates to the Accrued Amounts or the date of payment of the Accrued Amounts shall not be made without the prior consent of the Existing Lender.

(b) In this Clause 18.11, references to "**Interest Period**" shall be construed to include a reference to any other period for accrual of fees.

(c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 18.11 but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents. Any such Existing Lender may rely on this Clause 18.11 subject to Clause 1.4 (*Third party rights*) and the provisions of the Third Parties Ordinance.

20.1 **Assignments and transfers by Transaction Obligors**

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents, except with the prior written consent of all the Lenders.

20.2 **Additional Guarantors**

(a) The Borrower shall ensure that each of its Restricted Subsidiaries which is required to become a Future Subsidiary Guarantor under Section 4.5 (*Further Subsidiary Guarantors*) of Schedule 8 (*Covenants*) becomes an Additional Guarantor under the Loan in accordance with this Clause. That Restricted Subsidiary shall become an Additional Guarantor if:

(i) the Borrower delivers to the Agent a duly completed and executed Accession Letter; and

(ii) the Agent has received all the documents listed in, and appearing to comply with, the requirements of Schedule 2 (*Conditions Precedent Required to be Delivered by an Additional Guarantor*); and

(iii) each relevant Finance Party has completed all "know your customer" checks or other similar checks under all applicable laws and regulations referred to in paragraph (c) of Clause 15.3 (*"Know your customer" checks*),

in each case, in respect of that Restricted Subsidiary.

(b) The Agent shall notify the Borrower and the Lenders promptly upon receiving all the documents and other evidence listed in, and appearing to comply with the requirements of, Schedule 2 (*Conditions Precedent Required to be Delivered by an Additional Guarantor*). The relevant member of the Group will become an Additional Guarantor upon the giving of such notification by the Agent, whereupon such Additional Guarantor shall be bound by the provisions of this Agreement.

(c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

20.3 **Repetition of Representations**

Delivery of an Accession Letter constitutes confirmation by the relevant Additional Guarantor that the Repeating Representations are true and correct in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

20.4 **Resignation of a Guarantor**

(a) The Borrower may request that a Guarantor ceases to be a Guarantor by delivering to the Agent a Resignation Letter.

(b) Subject to Paragraph (c) of Section 4.5 (*Further Subsidiary Guarantors*) and Section 4.6 (*Release of the Subsidiary Guarantees*) of Schedule 8 (*Covenants*), the Agent shall accept a Resignation Letter and notify the Borrower and the Lenders of its acceptance if the Agent receives an instruction from the Borrower to release the guarantee provided by such Guarantor in accordance with Paragraph (c) of Section 4.5 (*Further Subsidiary Guarantors*) and Section 4.6 (*Release of the Subsidiary Guarantees*) of Schedule 8 (*Covenants*).

SECTION 10

THE FINANCE PARTIES

21. ROLE OF THE AGENT

21.1 Appointment of the Agent

(a) Each Lender appoints the Agent to act as its agent under and in connection with the Finance Documents.

(b) Each Lender authorises the Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

21.2 Instructions

(a) The Agent shall:

(i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by:

(A) all Lenders if the relevant Finance Document stipulates the matter is an all-Lender decision;

(B) the Super Majority Lenders if the relevant Finance Document stipulates the matter is a Super Majority Lender decision;

(C) the Specified Majority Lenders if the relevant Finance Documents stipulates the matter is a Specified Majority Lender decision; and

(D) in all other cases, the Majority Lenders; and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above.

(b) The Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion. The Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.

(c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.

(d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may

include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.

(e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

(f) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document, unless the legal or arbitration proceedings relate to the perfection, preservation or protection of rights under the Security Documents or the enforcement of any Transaction Security.

21.3 **Duties of the Agent**

(a) The Agent's duties under the Finance Documents are solely mechanical and administrative in nature.

(b) Subject to paragraph (c) below, the Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.

(c) Without prejudice to Clause 18.7 (*Copy of Transfer Certificate, Assignment Agreement to Borrower*), paragraph (b) above shall not apply to any Transfer Certificate or any Assignment Agreement.

(d) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(e) If the Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(f) If the Agent is aware of the non-payment of any principal or other fee payable to a Finance Party (other than to the Agent) under this Agreement, it shall promptly notify the other Finance Parties.

(g) The Agent shall provide to the Borrower, within ten Business Days of a request by the Borrower (but no more frequently than once per calendar month), a list (which may be in electronic form) setting out the names of the Lenders as at the date of that request, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the transmission of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Agent to that Lender under the Finance Documents.

(h) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

21.4 **No fiduciary duties**

(a) Nothing in any Finance Document constitutes the Agent as a trustee or fiduciary of any other person.

(b) The Agent shall not be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

21.5 **Business with the Group**

The Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

21.6 **Rights and discretions of the Agent**

(a) The Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) assume that:

(A) any instructions received by it from the Majority Lenders, any Lender or any group of Lenders are duly given in accordance with the terms of the Finance Documents; and

(B) unless it has received notice of revocation, those instructions have not been revoked; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:

(i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 17.1 (*Non-payment*));

(ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised;

(iii) any notice or request made by the Borrower is made on behalf of and with the consent and knowledge of all the Transaction Obligors; and

(iv) no Notifiable Debt Purchase Transaction has been entered into, has been terminated or has ceased to be with an Obligor Affiliate.

(c) The Agent may engage, and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be necessary.

(e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Agent may act in relation to the Finance Documents through its officers, employees and agents.

(g) Unless a Finance Document expressly provides otherwise the Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.

(h) Notwithstanding any other provision of any Finance Document to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(i) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

21.7 **Responsibility for documentation**

The Agent is not responsible or liable for:

(a) the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Agent, an Obligor or any other person given in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

21.8 **No duty to monitor**

The Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

(c) whether any other event specified in any Finance Document has occurred.

21.9 **Exclusion of liability**

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document, other than by reason of its gross negligence or wilful misconduct; or

(iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including for negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document and any officer, employee or agent of the Agent may rely on this paragraph (b) subject to Clause 1.4 (*Third party rights*) and the provisions of the Third Parties Ordinance.

(c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Agent to conduct:

(i) any "know your customer" or other procedures in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender or for any Affiliate of any Lender,

on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any such procedures or check it is required to conduct and that it shall not rely on any statement in relation to such procedures or check made by the Agent.

(e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document shall be limited to the amount of actual loss which has been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

21.10 **Lenders' indemnity to the Agent**

Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Agent, within 10 Business Days of demand, against any cost, loss or liability (including for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 23.10 (*Disruption to payment systems etc.*), notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent under the Finance Documents (unless the Agent has been reimbursed by an Obligor pursuant to a Finance Document).

21.11 **Resignation of the Agent**

(a) The Agent may resign and appoint one of its Affiliates acting through an office in Hong Kong as successor by giving notice to the other Finance Parties and the Borrower.

(b) Alternatively, the Agent may resign by giving 30 days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders (after consultation with the Borrower) may appoint a successor Agent.

(c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 30 days after notice of resignation was given, the retiring Agent (after consultation with the Borrower) may appoint a successor Agent (acting through an office in Hong Kong).

(d) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents. The Company shall, within 10 Business Days of demand, reimburse the retiring Agent for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.

(e) The Agent's resignation notice shall only take effect upon the appointment of a successor.

(f) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e)

above) but shall remain entitled to the benefit of Clause 11.3 (*Indemnity to the Agent*) and this Clause 21 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations among themselves as they would have had if such successor had been an original Party.

(g) After consultation with the Borrower, the Majority Lenders may, by notice to the Agent, require it to resign in accordance with paragraph (b) above. In this event, the Agent shall resign in accordance with paragraph (b) above.

(h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents:

(i) the Agent fails to respond to a request under Clause 9.7 (*FATCA information*) and the Borrower or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Agent pursuant to Clause 9.7 (*FATCA information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Agent notifies the Borrower and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Borrower or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Borrower or that Lender, by notice to the Agent, requires it to resign.

21.12 **Confidentiality**

(a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

(c) The Agent shall not be obliged to disclose to any Finance Party any information supplied to it by the Borrower or any Affiliates of the Borrower on a confidential basis and for the purpose of evaluating whether any waiver or amendment is or may be required or desirable in relation to any Finance Document.

21.13 **Relationship with the Lenders**

(a) The Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

(i) entitled to or liable for any payment due under any Finance Document on that day; and

(ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

(b) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and (where communication by electronic mail or other electronic means is permitted under Clause 24.5 (*Electronic communication*)) electronic mail address and/or any other information required to enable the transmission of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address (or such other information), department and officer by that Lender for the purposes of Clause 24.2 (*Addresses*) and paragraph (a)(ii) of Clause 24.5 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

21.14 **Credit appraisal by the Lenders**

Without affecting the responsibility of any Transaction Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to the Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(c) whether that Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the transactions contemplated by the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(d) the adequacy, accuracy and/or completeness of any other information provided by the Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document.

21.15 **Deduction from amounts payable by the Agent**

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and

apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

21.16 **Amounts paid in error**

(a) If the Agent pays an amount to another Party and within 10 Business Days of the date of payment the Agent notifies that Party that such payment was an Erroneous Payment then the Party to whom that amount was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

(b) Neither:

(i) the obligations of any Party to the Agent; nor

(ii) the remedies of the Agent,

(whether arising under this Clause 21.16 or otherwise) which relate to an Erroneous Payment will be affected by any act, omission, matter or thing which, but for this paragraph (b), would reduce, release or prejudice any such obligation or remedy (whether or not known by the Agent or any other Party).

(c) All payments to be made by a Party to the Agent (whether made pursuant to this Clause 21.16 or otherwise) which relate to an Erroneous Payment shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

(d) In this Agreement, "**Erroneous Payment**" means a payment of an amount by the Agent to another Party which the Agent determines (in its sole discretion) was made in error.

21.17 **Management time of the Agent**

Any amount payable to the Agent under Clause 11.2 (*Other indemnities*) and 11.3 (*Indemnity to the Agent*) and Clause 12 (*Costs and Expenses*) shall include the costs of utilising the Agent's management time as agreed in accordance with the relevant Fee Letter, and is in addition to any fee paid or payable to the Agent under Clause 8 (*Fees*).

22. SHARING AMONG THE FINANCE PARTIES

22.1 **Payments to Finance Parties**

If a Finance Party (a "**Recovering Finance Party**") receives or recovers (whether by set-off or otherwise) any amount from a Transaction Obligor other than in accordance with Clause 23 (*Payment Mechanics*) (a "**Recovered Amount**") and applies that amount to a payment due under the Finance Documents then:

(a) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery to the Agent;

(b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 23 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and

(c) the Recovering Finance Party shall, within 10 Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 23.5 (*Partial payments*).

22.2 **Redistribution of payments**

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 23.5 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

22.3 **Recovering Finance Party's rights**

(a) On a distribution by the Agent under Clause 22.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

(b) If and to the extent that the Recovering Finance Party is not able to rely on its rights under paragraph (a) above, the relevant Obligor shall be liable to the Recovering Finance Party for a debt equal to the Sharing Payment which is immediately due and payable.

22.4 **Reversal of redistribution**

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**");

(b) at the time of the request by the Agent under paragraph (a) above, the Sharing Finance Party will be subrogated to the rights of the Recovering Finance Party in respect of the relevant Redistributed Amount; and

(c) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

22.5 **Exceptions**

(a) This Clause 22 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause 22, have a valid and enforceable claim against the relevant Obligor.

.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

(i) it notified that other Finance Party of the legal or arbitration proceedings; and

(ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

SECTION 11

ADMINISTRATION

23. PAYMENT MECHANICS

23.1 Payments to the Agent

(a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.

(b) Payment shall be made to such account as the Agent specifies.

23.2 Distributions by the Agent

(a) Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 23.3 (*Distributions to an Obligor*) and Clause 23.4 (*Clawback*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party.

(b) The Agent shall distribute payments received by it in relation to all or any part of the Loan to the Lender indicated in the records of the Agent as being so entitled on that date **provided that** the Agent is authorised to distribute payments to be made on the date on which any transfer becomes effective pursuant to Clause 18 (*Changes to the Lenders*) to the Lender so entitled immediately before such transfer took place regardless of the period to which such sums relate.

23.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

23.4 Clawback

(a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) If the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

23.5 Partial payments

(a) If the Agent receives (i) a payment that is insufficient to discharge all the amounts then due and payable by a Transaction Obligor under the Finance Documents or (ii) any Subordination

Recovery, the Agent shall apply that payment towards the obligations of the Transaction Obligors under the Finance Documents in the following order:

(i) **first**, in or towards payment *pro rata* of any unpaid amount owing to the Agent under the Finance Documents;

(ii) **secondly**, in or towards payment *pro rata* of any accrued interest (including accrued but uncapitalised PIK Interest), fee (other than as provided in paragraph (i) above) or commission due but unpaid under the Finance Documents;

(iii) **thirdly**, in or towards payment *pro rata* of any principal due but unpaid under this Agreement; and

(iv) **fourthly**, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.

(b) The Agent shall, if so directed by the Majority Lenders, vary the order set out in paragraphs (a)(ii) to (a)(iv) above.

(c) Paragraphs (a) and (b) above will override any appropriation made by a Transaction Obligor.

23.6 **No set-off by Transaction Obligors**

All payments to be made by a Transaction Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

23.7 **Business Days**

Unless otherwise specified in a Finance Document, any payment under the Finance Documents which is due to be made on a day that is not a Business Day shall be made on the next Business Day and, if so made, shall have the same force and effect as if made on the original due date and no interest will accrue for the intervening period.

23.8 **Currency of account**

(a) Subject to paragraphs (b) to (d) below, the Base Currency is the currency of account and payment for any sum due from an Obligor under any Finance Document.

(b) A repayment of the Loan or Unpaid Sum or a part of the Loan or Unpaid Sum and the payment of any accrued interest on the Loan or Unpaid Sum shall be made in the currency in which the Loan or Unpaid Sum is denominated, pursuant to this Agreement, on its due date.

(ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).

(b) If a change in any currency of a country occurs, the Finance Documents will, to the extent the Agent (acting reasonably and after consultation with the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

23.10 **Disruption to payment systems etc.**

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Borrower that a Disruption Event has occurred:

(e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 23.10; and

25. **CALCULATIONS AND CERTIFICATES**

If, at any time, any provision of a Finance Document is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

27. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Finance Party, any right or remedy under a Finance Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Finance Documents. No election to affirm any Finance Document on the part of any Finance Party shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in each Finance Document are cumulative and not exclusive of any rights or remedies provided by law.

28. AMENDMENTS AND WAIVERS

28.1 **Consents**

(h) giving effect to a Permitted Pari Passu Secured Indebtedness (including permitting the Agent and the Common Security Agent or, as the case may be, the Tiered Security Agent to enter into any amendments to the Security Documents, the Intercreditor Agreements or this Agreement and take any other action necessary to permit the creation and registration of Security on the Common Security Collateral, the Tiered Security Collateral and the ICL Collateral to secure Permitted Pari Passu Secured Indebtedness, each in accordance with and as permitted by this Agreement),

may be made by the Borrower and the Agent (and if applicable, the Security Agent) without the consent of any Lender.

28.3 **Super Majority-Lender matters**

(f) a change to the Borrower or Guarantors other than in accordance with Clause 20 (*Changes to the Obligors*);

(g) any provision which expressly requires the consent of the Super Majority Lenders;

(k) (other than as permitted by the provisions of any Finance Document, the Deed of Undertaking and Subordination and the Scheme Creditor CVR Deed) any provision of an Intercreditor Agreement in a manner which adversely affects the Lenders,

shall not be made without the prior consent of the Super Majority Lenders.

28.4 **Other exceptions**

(a) An amendment or waiver which relates to the rights or obligations of the Agent (in its capacity as such) may not be effected without the consent of the Agent.

(b) A Fee Letter may be amended or waived with the agreement of the Agent and the Borrower

28.5 **Miscellaneous**

(a) The Agent may (or in the case of any Security Document or any Intercreditor Agreement, instruct the relevant Security Agent to) effect, on behalf of any Finance Party, any amendment or waiver permitted by this Clause 28.

(b) Without prejudice to the other provisions of this Agreement, each Transaction Obligor, by way of its execution of this Agreement or the relevant Finance Document, agrees to any such amendment or waiver permitted by this Clause 28 which is agreed to by the Obligors' Agent. This includes any amendment or waiver which would, but for this paragraph (b), require the consent of all of the Obligors or Transaction Obligors.

28.6 **Excluded Commitments**

If any Lender fails to respond in writing to either consent to or reject a request for a consent, waiver or amendment of or in relation to any term of any Finance Document or any other vote of Lenders under the terms of this Agreement within five Business Days of that request being made, unless the Borrower and the Agent agree to a longer time period in relation to such request:

(a) its Commitment(s) shall not be included for the purpose of calculating the Total Commitment(s) under the Facility when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments has been obtained to approve that request; and

(b) its status as a Lender shall be disregarded for the purpose of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve that request.

28.7 **Replacement of Lender**

(a) If:

(i) any Lender becomes a Non-Consenting Lender (as defined in paragraph (d) below); or

(ii) an Obligor becomes obliged to repay any amount in accordance with Clause 5.1 (*Illegality*) or to pay additional amounts pursuant to Clause 9.2 (*Tax gross-up*) or Clause 9.3 (*Tax indemnity*) to any Lender,

then the Borrower may, on 10 Business Days' prior written notice to the Agent and such Lender, replace such Lender by requiring such Lender to (and, to the extent permitted by law, such Lender shall) transfer pursuant to Clause 18 (*Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement to an Eligible Institution which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "**Replacement Lender**") which confirms its willingness to assume and does assume all the obligations of the transferring Lender in accordance with Clause 18 (*Changes to the Lenders*) for a purchase price in cash payable at the time of transfer in an amount equal to the outstanding principal amount of such Lender's participation in the outstanding Loan and all accrued interest (including accrued but uncapitalised PIK Interest) and such other amounts payable in relation thereto under the Finance Documents. If a Lender is required to transfer rights and obligations pursuant to this Clause 28.7 but fails to do so within three Business Days of being required to do so that Lender's Commitment and/or participation shall not be included for the purpose of calculating the Total Commitments or participations under the Facility when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained in respect of a request for a consent, waiver, amendment of or in relation to any of the terms of any Finance Documents or other vote of Lenders under the terms of this Agreement.

(b) The replacement of a Lender pursuant to this Clause 28.7 shall be subject to the following conditions:

(i) the Borrower shall have no right to replace the Agent or Security Agent;

(ii) neither the Agent nor the Lender shall have any obligation to the Borrower to find a Replacement Lender;

(iii) in the event of a replacement of a Non-Consenting Lender such replacement must take place no later than 60 days after the date on which that Lender is deemed a Non-Consenting Lender; and

(iv) the Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (a) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer.

(c) A Lender shall perform the checks described in paragraph (b)(iv) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (a) above and shall notify the Agent and the Borrower when it is satisfied that it has complied with those checks.

(d) In the event that:

(i) the Borrower or the Agent (at the request of the Borrower) has requested the Lenders to give a consent in relation to, or to agree to a waiver or amendment of, any provisions of the Finance Documents;

(ii) the consent, waiver or amendment in question requires the approval of all Lenders, the Specified Majority Lenders or the Super Majority Lenders; and

(iii) Lenders whose Commitments aggregate more than 50 per cent. of the Total Commitments (or, if the Total Commitments have been reduced to zero, aggregated more than 50 per cent. of the Total Commitments prior to that reduction) have consented or agreed to such waiver or amendment,

then any Lender who does not and continues not to consent or agree to such waiver or amendment shall be deemed a "**Non-Consenting Lender**".

(iii) appointed by any Finance Party or by a person to whom paragraph (i) or (ii) above applies to receive communications, notices, information or documents delivered pursuant to the Finance Documents on its behalf (including any person appointed under paragraph (b) of Clause 21.13 (*Relationship with the Lenders*));

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

(C) in relation to paragraphs (v), (vi) and (vii) above, the person to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of that Finance Party, it is not practicable so to do in the circumstances;

(c) to any person appointed by that Finance Party or by a person to whom paragraph (b)(i) or (b)(ii) above applies to provide administration or settlement services in respect of one or more of the Finance Documents including in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this paragraph (c) if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Borrower and the relevant Finance Party; and

29.4 **Inside information**

Each of the Finance Parties acknowledges that some or all of the Confidential Information is or may be price-sensitive information and that the use of such information may be regulated or prohibited by applicable legislation including securities law relating to insider dealing and market abuse and each of the Finance Parties undertakes not to use any Confidential Information for any unlawful purpose.

29.5 **Notification of disclosure**

Each of the Finance Parties agrees (to the extent permitted by law and regulation) to inform the Borrower:

(a) of the circumstances of any disclosure of Confidential Information made pursuant to paragraph (v) of Clause 29.2 (*Disclosure of Confidential Information*) except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and

(b) upon becoming aware that Confidential Information has been disclosed in breach of this Clause 29.

29.6 **Continuing obligations**

The obligations in this Clause 29 are continuing and, in particular, shall survive and remain binding on each Finance Party for a period of 12 months from the earlier of:

(a) the date on which all amounts payable by the Obligors under or in connection with this Agreement have been paid in full and all Commitments have been cancelled or otherwise cease to be available; and

(b) the date on which such Finance Party otherwise ceases to be a Finance Party.

30. **COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

SECTION 12

31. GOVERNING LAW

(a) This Agreement is governed by the laws of Hong Kong.

(b) Without prejudice to paragraph (a) above, Clause 16.1 (*Covenants*), Schedule 8 (*Covenants*) and Schedule 9 (*Additional Events of Default*) of this Agreement and any non-contractual obligations arising out of or in connection with those Clause and Schedules will be interpreted in accordance with the laws of the State of New York.

32. ENFORCEMENT

(a) The courts of Hong Kong have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including any dispute regarding the existence, validity or termination of this Agreement) (a "**Dispute**").

(b) The Parties agree that the courts of Hong Kong are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

(b) Each Obligor expressly agrees and consents to the provisions of this Clause 32.2, and [ ] agrees and consents to act as the process agent of each Obligor (other than any Obligor incorporated in Hong Kong) in accordance with this Clause 32.2 and by each relevant Transaction Obligor in accordance with the corresponding provisions in any other Finance Document, and accepts its appointment as agent for service of process under each such provision.

(c) If any person appointed as process agent under this Clause 32.2 is unable for any reason so to act, the Borrower (on behalf of all the relevant Transaction Obligors) must immediately (and in any event within ten days of the event taking place) appoint another agent on terms acceptable to the Agent. Failing this, the Agent may appoint another process agent on behalf of the relevant Transaction Obligors for this purpose.

32.3 **Waiver of immunities**

(c) Any release of Collateral or ICL Collateral made in compliance with this Section 4.4 shall not be deemed to impair the Lien under the Security Documents or the ICL Assignment Deed or the Collateral or ICL Collateral thereunder in contravention of the provisions of this Agreement, the Security Documents or the ICL Assignment Deed.

(d) No purchaser or grantee of any property or rights purporting to be released herefrom shall be bound to ascertain the authority of the Agent to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority; nor shall any purchaser or grantee of any property or rights permitted by this Agreement to be sold or otherwise disposed of by the Company and the Subsidiary Guarantors be under any obligation to ascertain or inquire into the authority of the Company or any Subsidiary Guarantor to make such sale or other disposition.

4.5 Further Subsidiary Guarantors

(b) Each Restricted Subsidiary directly holding a new project outside the PRC in which investments have been made from the Offshore Annual Budget Withholding or any other Restricted Subsidiary that guarantees the Loan after the date of this Agreement is referred to as a "**Future Subsidiary Guarantor**" and, upon execution of the applicable Accession Letter, shall be a "**Subsidiary Guarantor**."

(c) In the case of a Subsidiary Guarantor with respect to which the Company or any of its Restricted Subsidiaries is proposing to sell, whether through the sale of existing shares or the issuance of new shares, no less than 20% of the Capital Stock of such Subsidiary Guarantor, the Company may concurrently with or after the consummation of such sale or issuance of Capital Stock, (A) instruct the Agent to release the Subsidiary Guarantees provided by such Subsidiary Guarantor and each of its Restricted Subsidiaries organized outside the PRC, and upon such release such Subsidiary Guarantor and its Restricted Subsidiaries organized outside the PRC will become "**New Non-Guarantor Restricted Subsidiaries**" (such that each New Non-Guarantor Restricted Subsidiary will no longer be a Guarantor) and (B) instruct the Collateral Agent to (i) discharge the pledge of the Capital Stock granted by each such New Non-Guarantor Restricted Subsidiary (if relevant) and (ii) discharge the pledge of Capital Stock made by the Company or any Subsidiary Guarantor over the shares it owns in such New Non-Guarantor Restricted Subsidiary (if relevant), (in each case, without any requirement to seek the consent or approval of the Lenders), provided that after the release of such Subsidiary Guarantees, the Consolidated Assets of all Restricted Subsidiaries organized outside the PRC (other than Exempted Subsidiaries or Listed Subsidiaries) that are not a Subsidiary Guarantor (including the New Non-Guarantor Restricted Subsidiaries) do not account for more than 20% of Total Assets. A Subsidiary Guarantee of a Subsidiary Guarantor may only be released pursuant to this paragraph (c) if as of the date of such proposed release, no document exists that is binding on the Company or any of the Restricted Subsidiaries that would have the effect of (x) prohibiting the Company or any of the Restricted Subsidiaries from releasing such Subsidiary Guarantee or (y) requiring the Company or such Subsidiary Guarantor to deliver or keep in place a guarantee of other Indebtedness of the Company by such Subsidiary Guarantor.

4.6 Release of the Subsidiary Guarantees

(a) A Subsidiary Guarantee given by a Subsidiary Guarantor shall be released upon:

(i) repayment in full of the Loan;

(ii) the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Agreement;

(iii) the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Agreement (including Sections 2.6, 2.10, 2.12, 2.13, 2.14 and 3.1) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted

Subsidiary and (B) the net proceeds from such sale or disposition are used for the purposes permitted or required by this Agreement;

(iv) in the case of a Subsidiary Guarantor that becomes a New Non-Guarantor Restricted Subsidiary, in compliance with the terms of this Agreement; or

(v) when such Subsidiary Guarantor no longer Guarantees, or the Guarantee provided by such Subsidiary Guarantor is concurrently released with respect to, any Scheme Instruments and/or any Permitted Pari Passu Secured Indebtedness in compliance with the terms of this Agreement; *provided*, that each of the Agent and the Collateral Agent shall comply with a release request if the conditions precedent to such release set forth in this Agreement and the Security Documents have been complied with, as evidenced by an Officers' Certificate from the Company, and the Agent and the Collateral Agent shall take all actions necessary to effect and evidence such release in accordance with the terms of this Agreement and the Security Documents, as applicable. In the exercise of their duties, the Agent and the Collateral Agent shall not be responsible for the verification of the accuracy or completeness of the Officers' Certificate submitted to it by the Company and is entitled to rely exclusively on, and take action based on the information contained in, the Officers' Certificate.

(b) No release and discharge of the Subsidiary Guarantee shall be effective against the Agent, or the Lenders (i) if a Default or Event of Default shall have occurred and be continuing under this Agreement as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Agent an Officers' Certificate stating that all conditions precedent provided for in this Agreement and the Security Documents relating to such release and discharge have been complied with and that such release and discharge is authorized and permitted under this Agreement and the Security Documents. At the request of the Company, the Agent shall execute and deliver an instrument evidencing such release and discharge.

FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF COUNTRY GARDEN HOLDINGS COMPANY LIMITED

(Incorporated in the Cayman Islands with limited liability)

Disclaimer of Opinion

We were engaged to audit the consolidated financial statements of Country Garden Holdings Company Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") set out on pages 111 to 221, which comprise the consolidated statement of financial position as at 31 December 2024, consolidated income statement, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including material accounting policy information.

We do not express an opinion on the consolidated financial statements of the Group. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements. In all other respects, in our opinion, the consolidated financial statements have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

Basis for Disclaimer of Opinion

Scope limitation relating to the assessment on the appropriateness of the going concern basis of preparing the Consolidated Financial Statements

We draw attention to note 2.1(iii) to the consolidated financial statements, which mention that the Group incurred a loss attributable to owners of the Company of approximately RMB32.8 billion for the year ended 31 December 2024. As at 31 December 2024, the Group had net current liabilities of approximately RMB25.9 billion and total debt of approximately RMB253.5 billion, out of which approximately RMB226.8 billion was included in current liabilities, while its total cash (including cash and cash equivalents and restricted cash) amounted to approximately RMB29.9 billion. As at 31 December 2024, the Group had certain indebtedness, including senior notes, corporate bonds, convertible bonds and bank and other borrowings, with an aggregated carrying amount of approximately RMB188.2 billion that were defaulted or cross-defaulted. The above events or conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's ability to continue as a going concern and, therefore, that the Group may not be able to realise its assets and discharge its liabilities in the normal course of business.

In view of the above circumstances, the directors of the Company (the "Directors") have been undertaking a number of plans and measures to mitigate the liquidity pressure and improve its financial position, details of which are set out in note 2.1(iii) to the consolidated financial statements. To assess the appropriateness of the going concern basis, the management of the Group prepared a cash flow forecast ("Cash Flow Forecast"), which takes into account the effects of the success in implementing and completing the aforesaid plans and measures as scheduled notwithstanding the inherent uncertainties associated with the outcome of these plans and measures. In particular, the positive outcome of the Cash Flow Forecast is significantly influenced by the success of the proposed restructuring plan for the Group's offshore liabilities (the "Proposed Debt Restructuring"). Based on the result of the Cash Flow Forecast, the Directors are of the opinion that the Group will have sufficient working capital to meet its financial obligations as and when they fall due in the foreseeable future and therefore, the Group has the ability to continue as a going concern and will continue its operations for at least 12 months from 31 December 2024. Accordingly, the Directors are of the view that it is appropriate to prepare the consolidated financial statements on a going concern basis.

In respect of the Proposed Debt Restructuring, we were advised by management that the Group is still engaging in active and constructive dialogues with its creditors to implement a holistic restructuring plan, however, no definite agreements have been reached between the Group and the relevant creditors. Accordingly, we were unable to obtain sufficient appropriate audit evidence that we considered necessary to evaluate the Group's ability to implement and complete the Proposed Debt Restructuring to the extent necessary based on the Cash Flow Forecast.

In view of the above scope limitation, there were no other alternative procedures that we could perform to satisfy ourselves that the Group would be able to implement its plans and measures, as a result, we were unable to obtain sufficient appropriate evidence we considered necessary to conclude whether the use of the going concern basis of accounting to prepare the consolidated financial statements is appropriate.

Should the Group fail to achieve the above-mentioned plans and measures, it might not be able to continue to operate as a going concern, and adjustments would have to be made to write down the carrying values of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise, and to reclassify non-current assets and non-current liabilities as current assets and current liabilities, respectively. The effect of these adjustments has not been reflected in the consolidated financial statements.

Responsibilities of Directors for the Consolidated Financial Statements

The directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our responsibility is to conduct an audit of the Group's consolidated financial statements in accordance with Hong Kong Standards on Auditing issued by the HKICPA and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements.

We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

2 Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

(i) Compliance with Hong Kong Financial Reporting Standards ("HKFRSs") and the Hong Kong Companies Ordinance

The consolidated financial statements of the Group have been prepared in accordance with applicable HKFRSs and disclosure requirements under the Hong Kong Companies Ordinance Cap. 622.

(ii) Historical cost convention

(iii) Going concern basis

For the year ended 31 December 2024, the Group recorded a loss of RMB35,145 million and a loss attributable to owners of the Company of RMB32,835 million. As at 31 December 2024, the Group had net current liabilities of RMB25,865 million and borrowings in the forms of senior notes, convertible bonds, corporate bonds and bank and other borrowings amounted to RMB253,488 million in aggregate, of which RMB226,795 million were included in current liabilities, while the Group's cash and cash equivalents amounted to RMB6,362 million and restricted cash amounted to RMB23,535 million.

As at 31 December 2024, an aggregate amount of RMB188,193 million of the Group's indebtedness was defaulted or cross-defaulted. In addition, a winding-up petition dated 27 February 2024 was filed by one of the Group's creditors (the "Petitioner") at the High Court of the Hong Kong Special Administrative Region against the Company, in relation to the non-payment of a term loan facility between the Petitioner as lender and the Company as borrower in the principal amount of approximately HK$1.6 billion, plus accrued interest. The hearing of the Petition is adjourned to 26 May 2025.

All of the above events and conditions indicated the existence of material uncertainties which may cast significant doubt on the Group's ability to continue as a going concern.

In view of such circumstances, the directors of the Company have given careful consideration to the future liquidity and performance of the Group and its available sources of financing in assessing whether the Group will have sufficient financial resources to continue as a going concern for at least 12 months from 31 December 2024, taking into account the following plans and measures:

(a) The Group will actively resolve its phased liquidity pressure by adopting various debt management measures, including:

- during the year, the Group successfully negotiated with the bondholders of certain domestic corporate bonds to adjust part of the principal and interest due in 2024 under the original overall extension plan to be repaid between March and June 2025, while continuing to promote comprehensive and long-term debt solutions;

- the Group, together with its financial advisers, has been actively pushing forward a proposed restructuring of the offshore liabilities of the Group and has announced the key terms of its restructuring proposal on 9 January 2025. The Group is actively engaging with its major creditors to negotiate the restructuring terms, aiming to reach an agreement as soon as practicable;

2 Summary of material accounting policies *(Continued)*

2.1 Basis of preparation *(Continued)*

(iii) Going concern basis *(Continued)*

(b) The Group will continue to actively adjust its sales activities to respond to market changes and capture demands. The Group believes after undergoing adjustments, the PRC real estate market is expected to usher in new development opportunities. Therefore, the Group will adhere to the refined control of "one strategy for one real estate project", and formulate reasonable sales prices and supply plans by taking into account the actual situation of the local market and each project, in order to achieve its budgeted sales volume and cash collection;

(c) The Group will closely monitor the progress of construction of its property development projects according to the delivery plans, maintain continuous communication with major contractors and suppliers, and negotiate payment arrangements to ensure construction progress is completed as planned;

(d) The Group will actively respond to various supportive policies of the national and local governments, revitalise resources through all kinds of acquisition and reserve policies, and consider disposing of assets when necessary to generate more cash inflows; and

(e) The Group will adapt to current market changes and operational focus, continue to optimise its organisational structure and strictly control various non-core and non-essential operating expenses, to improve operational efficiency continuously.

The directors of the Company have reviewed the Group's cash flow projections, which covers a period of not less than 12 months from 31 December 2024. The directors of the Company are of the opinion that, considering the anticipated cash inflows to be generated from the Group's operations taking into account reasonably possible changes in operation performance, its cost control measures, as well as the above-mentioned plans and measures, the Group will be able to meet its financial obligations as and when they fall due within twelve months from 31 December 2024. Accordingly, these consolidated financial statements have been prepared on a going concern basis.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.1 Basis of preparation *(Continued)*

***(iii) Going concern basis** (Continued)*

Notwithstanding the above, material uncertainties exist as to whether the Group is able to achieve its plans and measures as described above. Whether the Group will be able to continue as a going concern would depend upon the following:

(a) Successful progression and completion of the above-mentioned debt management measures, which will be subject to various external conditions that are beyond the Group's control, including but not limited to the proposed restructuring of the offshore liabilities of the Group, possible material adverse changes in the market during the process and fulfilment of legal or regulatory requirements;

(b) Successful implementation of the plans and measures to achieve its budgeted sales volume and timely collection of the relevant sales proceeds;

(c) Successful monitoring of the progress of construction of its property development projects according to the delivery plans, conducting commercial negotiations with major contractors and suppliers under acceptable commercial and credit terms, and completing products for delivery to customers as planned;

(d) Successful activating resources and disposing of assets; and

(e) Successful implementation of various measures to further streamline organisational structures and to strictly control various non-core and non-essential operating expenses, to improve operational efficiency.

Should the Group be unable to complete the proposed offshore debt restructuring plan and continue to operate as a going concern, adjustments would have to be made to write down the carrying values of the Group's assets to their recoverable amounts, to provide for further liabilities which might arise and to reclassify non-current assets and non-current liabilities as current assets and current liabilities respectively. The effects of these adjustments have not been reflected in these consolidated financial statements.

2 Summary of material accounting policies *(Continued)*

2.1 Basis of preparation *(Continued)*

(iv) New and amended standards adopted by the Group

In the current year, the Group has adopted all the new and revised HKFRSs issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), that are relevant to its operations and effective for its accounting year beginning on 1 January 2024. HKFRSs comprise Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKAS") and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's consolidated financial statements and amounts reported for the current year and prior years.

The Group has not applied the new and revised HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new and revised HKFRSs but is not yet in a position to state whether these new and revised HKFRSs would have a material impact on its results of operations and financial position.

2.2 Subsidiaries

2.2.1 Consolidation

A subsidiary is an entity (including a structured entity) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

(i) Business combinations

The Group applies the acquisition method to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

The Group recognises any non-controlling interest in the acquiree on an acquisition-by-acquisition basis. Non-controlling interests in the acquiree that are present ownership interests and entitle their holders to a proportionate share of the entity's net assets in the event of liquidation are measured at either fair value or the present ownership interests' proportionate share in the recognised amounts of the acquiree's identifiable net assets. All other components of non-controlling interests are measured at their acquisition date fair value, unless another measurement basis is required by HKFRSs.

Acquisition-related costs are expensed as incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.2 Subsidiaries *(Continued)*

2.2.1 Consolidation (Continued)

(i) Business combinations (Continued)

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is re-measured to fair value at the acquisition date. Any gains or losses arising from such re-measurement are recognised in profit or loss.

Any contingent consideration to be transferred by the Group is recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognised in profit or loss. Contingent consideration that is classified as equity is not remeasured, and its subsequent settlement is accounted for within equity.

The excess of the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the fair value of the identifiable net assets acquired is recorded as goodwill. If the total of consideration transferred, non-controlling interest recognised and previously held interest measured is less than the fair value of the net assets of the subsidiary acquired in the case of a bargain purchase, the difference is recognised directly in profit or loss.

Intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. When necessary, amounts reported by subsidiaries have been adjusted to conform with the Group's accounting policies.

(ii) Changes in ownership interests in subsidiaries without change of control

Transactions with non-controlling interests that do not result in loss of control are accounted for as equity transactions — that is, as transactions with the owners in their capacity as owners. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

2 Summary of material accounting policies *(Continued)*

2.2 Subsidiaries *(Continued)*

2.2.1 Consolidation (Continued)

(iii) Disposals of subsidiaries

When the Group ceases to have control, any retained interest in the entity is re-measured to its fair value at the date when control is lost, with the change in carrying amount recognised in profit or loss. The fair value is the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. It means the amounts previously recognised in other comprehensive income are reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable HKFRSs.

2.2.2 Separate financial statements

Investments in subsidiaries are accounted for at cost less impairment. Cost also includes direct attributable costs of investment. The results of subsidiaries are accounted for by the Company on the basis of dividend received and receivable.

Impairment testing of the investments in subsidiaries is required upon receiving dividends from these investments if the dividend exceeds the total comprehensive income of the subsidiary in the period the dividend is declared or if the carrying amount of the investment in the separate financial statements exceeds the carrying amount in the consolidated financial statements of the investee's net assets including goodwill.

2.3 Associates

An associate is an entity over which the Group has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting. Under the equity method, the investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the date of acquisition. On acquisition of the investment, any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows:

- Goodwill relating to an associate is included in the carrying amount of the investment. Amortisation of that goodwill is not permitted.

- Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the associate's profit or loss in the period in which the investment is acquired.

If the ownership interest in an associate is reduced but significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income is reclassified to profit or loss where appropriate.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.3 Associates *(Continued)*

The Group's share of post-acquisition profit or loss is recognised in profit or loss, and its share of post-acquisition movements in other comprehensive income is recognised in other comprehensive income with a corresponding adjustment to the carrying amount of the investment. When the Group's share of losses in an associate equals or exceeds its interest in the associate, including any other unsecured receivables, the Group does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the associate.

The Group determines at each reporting date whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount adjacent to 'share of results of associates' in profit or loss.

Profits and losses resulting from upstream and downstream transactions between the Group and its associate are recognised in the Group's financial statements only to the extent of unrelated investor's interests in the associates. Unrealised losses are eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of associates have been changed where necessary to ensure consistency with the policies adopted by the Group.

Gain or losses on dilution of equity interest in associates are recognised in profit or loss.

2.4 Joint arrangements

Investments in joint arrangements are classified as either joint operations or joint ventures depending on the contractual rights and obligations of each investor. The Group has assessed the nature of its joint arrangements and determined them to be joint ventures. On acquisition of the investment, any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows:

- Goodwill relating to a joint venture is included in the carrying amount of the investment. Amortisation of that goodwill is not permitted.

- Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the joint venture's profit or loss in the period in which the investment is acquired.

Joint ventures are accounted for using the equity method. Under the equity method of accounting, interests in joint ventures are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses and movements in other comprehensive income. When the Group's share of losses in a joint venture equals or exceeds its interests in the joint ventures (which includes any long-term interests that, in substance, form part of the Group's net investment in the joint ventures), the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the joint ventures.

2 Summary of material accounting policies *(Continued)*

2.4 Joint arrangements *(Continued)*

The Group determines at each reporting date whether there is any objective evidence that the investment in the joint venture is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the joint venture and its carrying value and recognises the amount adjacent to 'share of results of joint ventures' in profit or loss.

Unrealised gains on transactions between the Group and its joint ventures are eliminated to the extent of the Group's interests in the joint ventures. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of the joint ventures have been changed where necessary to ensure consistency with the policies adopted by the Group.

2.5 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the executive directors of the Company that make strategic decisions.

2.6 Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates (the "functional currency"). The consolidated financial statements are presented in RMB which is the Company's functional currency and the Group's presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss, except when deferred in equity as qualifying cash flow hedges or qualifying net investment hedges.

Foreign exchange gains and losses that relate to cash and cash equivalents are presented in the consolidated income statement within 'finance costs — net'. Foreign exchange gains and losses that relate to borrowings are presented in the consolidated income statement within 'finance costs — net', except when capitalised on the basis set out in note 2.25. All other foreign exchange gains and losses are presented in the consolidated income statement within 'other income and losses — net'.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.6 Foreign currency translation *(Continued)*

(iii) Group companies

The results and financial positions of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- Assets and liabilities for each statement of financial position presented are translated at the closing rate at the date of that statement of financial position;
- Income and expenses for each consolidated income statement and consolidated statement of comprehensive income are translated at average exchange rates (unless this average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
- All resulting exchange differences are recognised in other comprehensive income.

2.7 Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and any impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to profit or loss during the financial period in which they are incurred.

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their cost to their residual values over their estimated useful lives, as follows:

Buildings and land	20–40 years
Machinery	5–10 years
Transportation equipment	4–10 years
Furniture, fitting and equipment	5–8 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount (note 6).

2 Summary of material accounting policies *(Continued)*

2.7 Property, plant and equipment *(Continued)*

Construction in progress represents the direct costs of construction incurred of property, plant and equipment less any impairment losses. No provision for depreciation is made on construction in progress until such time the relevant assets are completed and put into use. Construction in progress is reclassified to the appropriate category of property, plant and equipment when completed and ready for use.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognised within 'other income and losses — net' in the consolidated income statement.

2.8 Investment properties

Investment properties, principally freehold office buildings, are held for long-term rental yields and are not occupied by the Group. Investment property is initially measured at cost, including related transaction costs and where applicable borrowing costs. Subsequently, they are carried at fair value.

Fair value is based on active market prices, adjusted, if necessary, for any difference in the nature, location or condition of the specific asset. If the information is not available, the Group uses alternative valuation methods such as recent prices on less active markets or discounted cash flow projections. Changes in fair values are recorded in profit or loss as part of a valuation gain or loss.

If an item of owner-occupied property becomes an investment property because its use has changed, any difference resulting between the carrying amount and the fair value of this item at the date of transfer is treated in the same way as a revaluation under HKAS 16. Any resulting increase in the carrying amount of the property is recognised in profit or loss to the extent that it reverses a previous impairment loss, with any remaining increase recognised in other comprehensive income and increase directly to equity in revaluation surplus within equity. Any resulting decrease in the carrying amount of the property is initially charged in other comprehensive income against any previously recognised revaluation surplus, with any remaining decrease charged to profit or loss. For a transfer from completed properties held for sale or properties under development to investment properties that will be carried at fair value, any difference between the fair value of the property at that date and its previous carrying amount shall be recognised in profit or loss.

The Group shall transfer a property from investment property to property under development when it commences related development with a view to sale. For a transfer from investment property that is carried at fair value to property under development, related property under development shall be recognised at fair value at the transfer date.

2.9 Intangible assets

(i) Goodwill

Goodwill arises on the acquisition of subsidiaries represents the excess of the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the fair value of the identified net assets acquired.

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to each of the cash-generating units ("CGUs"), or groups of CGUs, that is expected to benefit from the synergies of the combination. Each unit or group of units to which the goodwill is allocated represents the lowest level within the entity at which the goodwill is monitored for internal management purposes. Goodwill is monitored at the operating segment level.

Goodwill impairment reviews are undertaken annually or more frequently if events or changes in circumstances indicate a potential impairment. The carrying value of the CGUs containing the goodwill is compared to the recoverable amount, which is the higher of value in use and the fair value less costs of disposal. Any impairment is recognised immediately as an expense and is not subsequently reversed.

(ii) Computer software

Acquired computer software programmes are capitalised on the basis of the costs incurred to acquire and bring to use the specific software. These costs are amortised over the estimated useful lives of 5 to 10 years on a straight-line basis. Costs associated with maintaining computer software programmes are recognised as an expense as incurred.

(iii) Research and development expenses

Research and development expenditures that do not meet the capitalised criteria are recognised as an expense as incurred. Development costs previously recognised as an expense are not recognised as an asset in a subsequent period.

2.10 Leases

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group.

Contracts may contain both lease and non-lease components. The Group has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

The Group leases various properties. These property lease agreements do not impose any covenants, but leased properties may not be used as security for borrowing purposes.

2 Summary of material accounting policies *(Continued)*

2.10 Leases *(Continued)*

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable by the Group under residual value guarantees;
- the exercise price of a purchase option if the Group is reasonably certain to exercise that option; and
- payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value in a similar economic environment with similar terms and conditions.

To determine the incremental borrowing rate, the Group:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received;
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases held by the Group, which does not have recent third party financing; and
- makes adjustments specific to the lease, e.g. term, country, currency and security.

If a readily observable amortising loan rate is available to the individual lessee (through recent financing or market data) which has a similar payment profile to the lease, then the group entities use that rate as a starting point to determine the incremental borrowing rate.

The Group is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed and adjusted against the right-of-use asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.10 Leases *(Continued)*

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liabilities;
- any lease payments made at or before the commencement date less any lease incentives received;
- any initial direct costs; and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and vehicles and low-value assets leases are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less without a purchase option. Low-value assets comprise IT equipment and small items of office furniture.

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term.

2.11 Impairment of non-financial assets

Assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

2 Summary of material accounting policies *(Continued)*

2.12 Financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income ("OCI"), or through profit or loss); and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or OCI. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition and measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at FVTPL, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed in the consolidated income statement.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

2.12 Financial assets *(Continued)*

***(ii) Recognition and measurement** (Continued)*

Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair value through other comprehensive income: Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in 'other income and losses — net'. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or financial assets at FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognised in profit or loss and presented net in the consolidated income statement within 'other income and losses — net' in the period in which it arises. Interest income from these financial assets is included in the 'finance income'.

Equity instruments

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at FVTPL are recognised in 'other income and losses — net' in profit or loss as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured at financial assets at FVOCI are not reported separately from other changes in fair value.

2 Summary of material accounting policies *(Continued)*

2.13 Impairment of financial assets and contract assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and financial assets at FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 3(a)(iii) details how the Group determines whether there has been a significant increase in credit risk.

For contract assets and trade receivables, the Group applies the simplified approach permitted by HKFRS 9 — Financial instruments ("HKFRS 9"), which requires expected lifetime losses to be recognised from initial recognition of the receivables.

2.14 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

2.15 Properties under development

Properties under development are stated at the lower of cost and net realisable value. Net realisable value is determined by reference to the sale proceeds of properties sold in the ordinary course of business, less applicable variable selling expenses and the anticipated costs to completion, or by management estimates based on prevailing marketing conditions.

Development cost of property comprises cost of land use rights, construction costs, depreciation of machinery and equipment, borrowing costs capitalised for qualifying assets and professional fees incurred during the development period. On completion, the properties are transferred to completed properties held for sale.

Properties under development are classified as current assets when the construction of the relevant properties commences unless the construction period of the relevant property development project is expected to complete beyond normal operating cycle.

Costs to fulfill a contract primarily comprise the land use right cost directly related to an existing contract that will be used to satisfy performance obligations in the future. The costs to fulfill a contract are recorded in properties under development if they are expected to be recovered. The amount is amortised on a systematic basis, consistent with the pattern of revenue recognition of the contract to which the asset relates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.16 Completed properties held for sale

Completed properties remaining unsold at year end are stated at the lower of cost and net realisable value.

Cost comprises development costs attributable to the unsold properties.

Net realisable value is determined by reference to the sale proceeds of properties sold in the ordinary course of business, less applicable variable selling expenses, or by management estimates based on prevailing marketing conditions.

2.17 Inventories

Inventories are stated at the lower of cost or net realisable value. Cost is determined using the weighted average method. Net realisable value is the estimated selling price in the ordinary course of business, less applicable variable selling expenses and the anticipated costs to completion.

2.18 Trade and other receivables

Trade receivables are amounts due from buyers for properties sold or services performed in the ordinary course of business. If collection of trade and other receivables is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets.

Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method.

Other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

2.19 Contract related assets and contract liabilities

Upon entering into a contract with a buyer, the Group obtains rights to receive consideration from the buyer and assumes performance obligations to transfer goods or provide services to the buyer. The combination of those rights and performance obligations gives rise to a net asset or a net liability depending on the relationship between the remaining rights and the performance obligations. The contract is an asset and recognised as contract related assets if the measure of the remaining rights exceeds the measure of the remaining performance obligations. Conversely, the contract is a liability and recognised as contract liabilities if the measure of the remaining performance obligations exceeds the measure of the remaining rights.

The Group recognises the incremental costs of obtaining a contract with a buyer as contract acquisition cost within contract related assets if the Group expects to recover those costs.

2 Summary of material accounting policies *(Continued)*

2.20 Cash and cash equivalents

Cash and cash equivalents includes cash in hand and at banks, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

2.21 Share capital

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Where any group company purchases the Company's equity share capital (treasury shares), the consideration paid, including any directly attributable incremental costs (net of income taxes), is deducted from equity attributable to the owners of Company until the shares are cancelled or reissued. Where such shares are subsequently reissued, any consideration received, net of any directly attributable incremental transaction costs and the related income tax effect is included in equity attributable to the owners of Company.

2.22 Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to construction of hotel properties are included in non-current liabilities as deferred government grants and are credited to profit or loss on a straight-line basis over the expected lives of the related assets when they are completed and ready for use.

2.23 Trade and other payables

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade payables are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

2.24 Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the end of the reporting period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.25 Borrowing costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Borrowing costs include interest expense, finance charges in respect of finance lease and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. The exchange gains and losses that are adjustments to interest costs include the interest rate differences between borrowing costs that would be incurred if the entity had borrowed funds in its functional currency, and the borrowing costs actually incurred on foreign currency borrowings. Such amounts are estimated based on forward currency rates at the inception of the borrowings.

When the construction of the qualifying assets takes more than one accounting period, the amount of foreign exchange differences eligible for capitalisation is determined for each annual period and is limited to the difference between the hypothetical interest amount for the functional currency borrowings and the actual interest incurred for foreign currency borrowings. Foreign exchange differences that did not meet the criteria for capitalisation in previous years should not be capitalised in subsequent years.

2.26 Senior notes

Senior notes issued by the Company that contain both liability and early redemption option (which is not closely related to the host contract) are classified separately into respective items on initial recognition. At the date of issue, both the liability and early redemption option components are recognised at fair value.

In subsequent periods, the debt component of the senior notes is carried at amortised cost using the effective interest method. The early redemption option is measured at fair value with changes in fair value recognised in profit or loss.

Transaction costs that relate to the issue of the senior notes are allocated to the liability and early redemption option components in proportion to their relative fair values. Transaction costs relating to the early redemption option are charged to profit or loss immediately. Transaction costs relating to the debt component are included in the carrying amount of the liability portion and amortised over the period of the senior notes using the effective interest method.

2 Summary of material accounting policies *(Continued)*

2.27 Convertible bonds

The fair value of the liability portion of a convertible bond is determined using a market interest rate for a non-convertible bond with similar terms. This amount is recorded as a liability on an amortised cost basis until conversion or maturity of the bonds. The remaining of the proceeds is allocated to the conversion option. This is recognised and included in shareholders' equity or derivative liability according to the conversion feature embedded. Any directly attributable transaction costs are allocated to the liability and equity or derivative liability component in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a convertible bond is measured at amortised cost using the effective interest method. The equity component of a convertible bond is not re-measured subsequent to initial recognition except on conversion or expiry. The derivative liability component of a convertible bond is measured at fair value with changes in fair value recognised in profit or loss.

2.28 Current and deferred income tax

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(i) Current income tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the date of statement of financial position in the countries where the Company and its subsidiaries operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.28 Current and deferred income tax *(Continued)*

(ii) Deferred income tax

Inside basis differences

Deferred income tax is recognised, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill, the deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the date of statement of financial position and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Outside basis differences

Deferred income tax liabilities are provided on taxable temporary differences arising from investments in subsidiaries, associates and joint arrangements, except for deferred income tax liability where the timing of the reversal of the temporary difference is controlled by the Group and it is probable that the temporary difference will not reverse in the foreseeable future. Generally, the Group is unable to control the reversal of the temporary difference for associates. Only when there is an agreement in place that gives the Group the ability to control the reversal of the temporary difference in the foreseeable future, deferred tax liability in relation to taxable temporary differences arising from the joint venture's or associate's undistributed profits is not recognised.

Deferred income tax assets are recognised on deductible temporary differences arising from investments in subsidiaries, associates and joint arrangements only to the extent that it is probable the temporary difference will reverse in the future and there is sufficient taxable profit available against which the temporary difference can be utilised.

(iii) Offsetting

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

2 Summary of material accounting policies *(Continued)*

2.29 Employee benefits

Pension obligations

A defined contribution plan is a pension plan under which the Group pays fixed contributions into a separate fund. The Group has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

The Group contributes on a monthly basis to various defined contribution benefit plans organised by the relevant governmental authorities. The Group has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due. Assets of the plans are held and managed by government authorities and are separated from those of the Group.

2.30 Share-based payments

The Group operates a number of equity-settled, share-based compensation plans, under which the Group receives services from employees as consideration for equity instruments (including shares options and awarded shares) of the Group. The fair value of the employee services received in exchange for the grant of the equity instruments is recognised as an expense. The total amount to be expensed is determined by reference to the fair value of the equity instruments granted:

- including any market performance conditions (for example, an entity's share price);
- excluding the impact of any service and non-market performance vesting conditions (for example, profitability, sales growth targets and remaining an employee of the entity over a specified time period); and
- including the impact of any non-vesting conditions.

Non-market performance and service conditions are included in assumptions about the number of equity instruments that are expected to vest. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied.

In addition, in some circumstances employees may provide services in advance of the grant date and therefore the grant date fair value is estimated for the purposes of recognising the expense during the period between service commencement period and grant date.

The grant by the Company over its equity instruments to the employees of subsidiaries in the Group is treated as a capital contribution. The fair value of employee services received, measured by reference to the grant date fair value, is recognised over the vesting period as an increase to investments in subsidiaries, with a corresponding credit to equity in the parent entity accounts.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies *(Continued)*

2.30 Share-based payments *(Continued)*

At the end of each reporting period, the Group revises its estimates of the number of equity instruments that are expected to vest based on the non-marketing performance and service conditions. It recognises the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity.

When the share options are exercised, the Company issues new shares. The proceeds received net of any directly attributable transaction costs are credited to share capital.

2.31 Provisions and contingent liabilities

Provisions are recognised when: the Group has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. It can also be a present obligation arising from past events that is not recognised because it is not probable that outflow of economic resources will be required or the amount of obligation cannot be measured reliably.

A contingent liability is not recognised but is disclosed in the notes to the financial statements. When a change in the probability of an outflow occurs so that outflow is probable, it will then be recognised as a provision.

2.32 Financial guarantee contract liabilities

Financial guarantee contract liabilities are initially recognised at fair value and subsequently measured at the higher of:

- the loss allowance; and
- the amount initially recognised less cumulative amortisation recognised in profit or loss over the terms of the guarantee contracts.

2 Summary of material accounting policies *(Continued)*

2.33 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable for the sales of properties and provision of services in the ordinary course of the Group's activities. Revenue is shown, net of discounts and after eliminating sales with the Group companies. The Group recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Group's activities, as described below.

Revenue from contracts with customers

Revenues are recognised when or as the control of the asset is transferred to the buyer. Depending on the terms of the contract and the laws that apply to the contract, control of the asset may transfer over time or at a point in time. Control of the asset is transferred over time if the Group's performance:

- provides all of the benefits received and consumed simultaneously by the buyer; or
- creates and enhances an asset that the buyer controls as the Group performs; or
- do not create an asset with an alternative use to the Group and the Group has an enforceable right to payment for performance completed to date.

If control of the asset transfers over time, revenue is recognised over the period of the contract by reference to the progress towards complete satisfaction of that performance obligation. Otherwise, revenue is recognised at a point in time when the buyer obtains control of the asset.

If contracts involve the sale of multiple services, the transaction price will be allocated to each performance obligation based on their relative stand-alone selling prices. If the stand-alone selling prices are not directly observable, they are estimated based on expected cost plus a margin or adjusted market assessment approach, depending on the availability of observable information.

(i) Sales of properties and rendering of technology-enabled construction services

For property sales contract for which the control of the property is transferred at a point in time, revenue is recognised when the buyer obtains the physical possession or the legal title of the completed property and the Group has present right to payment and the collection of the consideration is probable.

In determining the transaction price, the Group adjusts the promised amount of consideration for the effect of a financing component if it is significant.

2.33 Revenue recognition *(Continued)*

Revenue from contracts with customers *(Continued)*

(i) Sales of properties and rendering of technology-enabled construction services (Continued)

For rendering of technology-enabled construction services, usually there is only one single performance in a contract, the Group's performance creates or enhances an asset or work in progress that the buyer controls as the asset is created or enhanced, thus the Group satisfies a performance obligation and recognises revenue over time, by reference to completion of the specific transaction assessed on the basis of the actual costs incurred up to the end of the reporting period as a percentage of total estimated costs for each contract.

(ii) Hotel operation

Revenue from hotel operation is recognised in the accounting period in which the services are rendered.

Revenue from other sources

Rental income

Rental income from properties leasing under operating leases is recognised on a straight-line basis over the lease terms.

2.34 Interest income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

2.35 Dividend income

Dividend income is recognised when the right to receive payment is established.

2.36 Dividend distribution

Dividend distribution to the Company's shareholders is recognised as a liability in the Group's and the Company's financial statements in the period in which the dividends are approved by the Company's shareholders or directors of the Company, where appropriate.

3 Financial risk management

The Group conducts its operations mainly in the PRC and is subject to special considerations and significant risks. These include risks associated with, among others, the political, economic and legal environment, influence of national authorities over pricing regulation and competition in the industry.

The Group's activities expose it to a variety of financial risks: market risk (mainly included foreign exchange risk, cash flow and fair value interest rate risk), credit risk and liquidity risk. The Group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance. The property industry is highly sensitive to the economic environment in the PRC, which will affect the volumes of property transactions and selling prices. The Group mainly relies on sales of properties and debt financing to fund its operations. The Group has alternative plans (refer to note 3(a)(iv)) to monitor liquidity risk should there be significant adverse changes on the Group's cash flow projections.

(a) Financial risk factors

(i) Foreign exchange risk

The Group's businesses are principally conducted in RMB. The majority of its assets is denominated in RMB. The majority of its non-RMB assets and liabilities are bank deposits and borrowings denominated in Hong Kong Dollar ("HKD") and United States Dollar ("USD"). The Group is subject to foreign exchange risk arising from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the functional currency of the relevant group entity.

The Group currently does not have a foreign currency hedging policy in respect of foreign currency transactions, assets and liabilities. The Group will monitor its foreign currency exposure closely and will consider hedging significant foreign currency exposure should the need arise.

(ii) Cash flow and fair value interest rate risk

The Group's interest rate risk arises from interest-bearing bank deposits, senior notes, corporate bonds, convertible bonds, bank and other borrowings and lease liabilities. Bank deposits, bank and other borrowings issued at variable rates expose the Group to cash flow interest-rate risk. Senior notes, corporate bonds and convertible bonds issued at fixed rates expose the Group to fair value interest rate risk.

The Group analyses its interest rate exposure on a dynamic basis. Various scenarios are simulated taking into consideration including refinancing, renewal of existing positions and alternative financing. Based on these scenarios, the Group calculates the impact on profit or loss of a defined interest rate shift. For each scenario, the same interest rate shift is used for all currencies. The scenarios are run only for financial liabilities that represent the major interest-bearing positions. The Group applies interest rate swaps to mitigate exposures arising from the fluctuation in interest rate.

The exposure of the Group's total borrowings (notes 20, 21, 22 and 23) and lease liabilities to interest rate changes and the contractual maturity dates of the total borrowings at the end of the year are as follows:

	2024 RMB million	2023 RMB million
Variable rate borrowings	**129,110**	132,912
Fixed rate borrowings and lease liabilities		
— repricing or maturity dates:		
1 year or less	**110,342**	91,980
1–2 years	**11,997**	9,938
2–5 years	**4,003**	15,450
Over 5 years	**552**	1,373
	256,004	251,653

As at 31 December 2024, borrowings of the Group which were bearing at floating rates amounted to approximately RMB129,110 million (2023: RMB132,912 million). As at 31 December 2024, should the interest rate be increased/decreased by 50 basis points with all other factors remain unchanged and without taking into account interest capitalisation, the finance costs of the Group would be increased/decreased by approximately RMB646 million (2023: RMB665 million).

(iii) Credit risk

The Group is exposed to credit risk in relation to its trade and other receivables, contract assets, wealth management products and cash deposits with banks.

The carrying amounts of trade and other receivables, contract assets, wealth management products, restricted cash and cash and cash equivalents represent the Group's maximum exposure to credit risk in relation to financial assets.

To manage this risk, bank deposits and wealth management products are mainly placed or entered with state-owned financial institutions and reputable banks which are all high-credit-quality financial institutions. The Group has policies in place to ensure that sales are made to buyers with an appropriate financial strength and appropriate percentage of down payments. It also has other monitoring procedures to ensure that follow-up action is taken to recover overdue debts. For properties that are still under construction and the buyers choose to pay by bank mortgage, the Group typically provides guarantees to banks in connection with the buyers' borrowing of mortgage loans to finance their purchases of the properties. If a buyer defaults on the payment of its mortgage during the term of the guarantee, the bank holding the mortgage may demand the Group to repay the outstanding amount under the loan and any accrued interest thereon. Under such circumstances, the Group is able to retain the buyer's deposits and sell the property to recover any amounts paid by the Group to the bank. Unless the selling price would drop by more than the buyer's deposits received, the Group may not be in a loss position in selling those properties out. In this regard, the directors of the Company consider that the Group's credit risk is largely mitigated. In addition, the Group reviews regularly the recoverable amount of each individual trade receivables and contract assets to ensure that adequate impairment losses are made for irrecoverable amounts. The Group has no significant concentrations of credit risk, with exposure spread over a large number of counterparties and buyers.

The Group has arranged bank financing for certain buyers of property units and provided guarantees to secure obligations of such buyers for repayments. Detailed disclosure of these guarantees is made in note 36.

For other receivables, management makes periodic collective assessments as well as individual assessment on the recoverability of other receivables based on historical settlement records, past experience and available forward-looking information.

(a) Financial risk factors *(Continued)*

(iii) Credit risk (Continued)

The Group considers the probability of default upon initial recognition of, a financial asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information. In particular, the following indicators are incorporated:

- internal credit rating;
- external credit rating;
- actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations;
- actual or expected significant changes in the operating results of the borrower;
- significant increases in credit risk on other financial instruments of the same borrower; and
- significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in the Group and changes in the operating results of the borrower.

i. Trade and other receivables (excluding deposits for acquisitions of companies and prepayments) and contract assets

The Group applies the simplified approach to provide for expected credit losses ("ECL") prescribed by HKFRS 9, which permits the use of the lifetime expected loss provision for contract assets and trade receivables.

The Group applies the 12 months expected losses approach to provide for expected credit losses prescribed by HKFRS 9 for other receivables (excluding deposits for acquisitions of companies and prepayments) when there has been no significant increase in credit risk of other receivables since initial recognition. If significant increase in credit risk of other receivables has occurred since initial recognition, then impairment is measured as lifetime expected credit loss according to HKFRS 9 three-stage approach.

ii. Financial guarantees

The Group applies the 12 months expected credit losses approach to provide for expected credit losses prescribed by HKFRS 9 for financial guarantees when there has been no significant increase in credit risk since the initial recognition of the financial guarantees. As at 31 December 2024, the management has performed an impairment assessment and concluded that there had been no significant increase in credit risk since the initial recognition of the financial guarantees. Accordingly, the loss allowance for financial guarantees provided by the Group is measured at an amount equal to 12 months expected credit losses.

(iv) Liquidity risk

Management aims at maintaining sufficient cash to meet funding requirement for operations and monitors rolling forecasts of the Group's cash on the basis of expected cash flow. The directors of the Company have prepared cash flow projections for the year ending 31 December 2025. Key assumptions used in the preparation of the cash flow projections for the year ending 31 December 2025 are included in note 2.1(iii).

The Group has a number of alternative plans to mitigate the potential impacts on anticipated cash flows should there be significant adverse changes in economic environment (note 2.1(iii)). The Group will base on its assessment of the relevant future costs and benefits to pursue such options as appropriate. The directors of the Company consider that the Group will be able to maintain sufficient financial resources to meet its operation needs.

The table below analyses the Group's non-derivative financial liabilities and net-settled derivative financial liabilities into relevant maturity grouping based on the remaining period at the date of the statement of financial position to the contractual maturity date. Derivative financial liabilities are included in the analysis if their contractual maturities are essential for an understanding of the timing of the cash flows. The amounts disclosed in the table are the contractual undiscounted cash flows and included interest (based on the earliest date on which the Group is required to pay, if applicable).

(b) Capital management

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to optimise the capital structure, the Group may adjust the amount of dividends paid to shareholders, buy back of shares, issue new shares or sell assets.

The Group monitors capital on the basis of the capital gearing ratio. This ratio is calculated by dividing the net debt by total capital. Net debt equals to total debt (representing bank and other borrowings, senior notes, corporate bonds and convertible bonds) net of total cash (including cash and cash equivalent and restricted cash). Total capital is calculated by adding total equity and net debt.

(c) Fair value estimation

The table below analyses financial instruments carried or presented at fair value, by level of the inputs to valuation techniques used to measure fair value. The different levels are defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the assets or liabilities, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the assets or liabilities that are not based on observable market data (that is, unobservable inputs) (level 3).

(i) Financial instruments in level 2

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation techniques used to derive level 2 fair values

For Level 2 financial assets at FVOCI and FVTPL, fair values are generally obtained through the use of valuation methodologies with observable market inputs.

(ii) Financial instruments in level 3

The following table presents the changes in level 3 instruments for the year ended 31 December 2024:

4 Critical accounting estimates and judgements

Critical judgments in applying accounting policies

In the process of applying accounting policies, the Directors have made the following judgements that have the most significant effect on the amounts recognised in the consolidated financial statements (apart from those involving estimations, which are dealt with below).

Going concern consideration

In the process of applying Group's accounting policies, apart from those involving estimations, management has prepared the consolidated financial statements on the assumption that Group will be able to operate as a going concern in the coming year, which is a critical judgement that has the most significant effect on the amounts recognised in the consolidated financial statements. The assessment of the going concern assumption involves making a judgement by the Directors, at a particular point of time, about the future outcome of events or conditions which are inherently uncertain. The Directors consider that the Group has the capability to continue as a going concern and the major events or conditions, which may give rise to business risks, that may individually or collectively cast a significant doubt upon the going concern assumption are set out in note 2.1(iii) to the consolidated financial statements.

Key sources of estimation of uncertainty

Estimates and judgements used in preparing the consolidated financial statements are evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Group makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant effect on the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Estimates for net realisable value of properties under development and completed properties held for sale

The Group assesses the carrying amounts of properties under development and completed properties held for sale according to their net realisable values based on the realisability of these properties. Net realisable value for properties under development is determined by reference to management's estimates of the selling price based on prevailing market conditions, less applicable variable selling expenses and the anticipated costs to completion. Net realisable value for completed properties held for sale is determined by reference to management's estimates of the selling price based on prevailing market conditions, less applicable variable selling expenses.

(b) Estimated impairment of trade and other receivables

The Group estimates loss allowance for expected credit losses for trade receivables and other receivables resulting from expected cash shortfalls. The Group bases the estimates on the information about past events, current conditions and forecasts of future economic conditions. The Group's historical credit loss experience and forecast of economic conditions may not be representative of a counterparty's actual default in the future. If the above conditions were to change, actual provisions would be varied than estimated.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

4 Critical accounting estimates and judgements *(Continued)*

Key sources of estimation of uncertainty *(Continued)*

(c) Current and deferred income tax

Significant judgements are required in determining the provision for income tax. There are many transactions and calculations for which the ultimate determination is uncertain during the ordinary course of business. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such difference will impact the income tax and deferred income tax provision in the period in which such determination is made.

Deferred income tax assets relating to certain temporary differences and tax losses are recognised when management considers to be probable that future taxable profit will be available against which the temporary differences or tax losses can be utilised. The outcome of their actual utilisation may be different.

(d) Land appreciation taxes

PRC land appreciation tax is levied at progressive rates ranging from 30% to 60% on the appreciation of land value, being the proceeds of sales of properties less deductible expenditures including land cost, borrowing costs and all property development expenditures.

The subsidiaries of the Group engaging in property development business in the PRC are subject to land appreciation taxes, which have been included in the income tax expenses. However, the implementation of these taxes varies amongst various PRC cities and the Group has not finalised its land appreciation tax returns with various tax authorities for certain projects. Accordingly, judgement is required in determining the amount of land appreciation and its related taxes payable. The Group recognises these liabilities based on management's best estimates. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax expenses and provisions of land appreciation taxes in the period in which such determination is made.

5 Revenue and segment information

The executive directors of the Company review the Group's internal reporting in order to assess segment performance and allocate resources. The executive directors of the Company have determined the operating segments based on these reports.

During the year, the executive directors of the Company concluded that the Group only has two reportable segments — Property development and Technology-enabled construction. The Others segment mainly includes property investment and hotel operation, which are individually and collectively insignificant for segment reporting purposes.

The executive directors of the Company assess the performance of the operating segments based on a measure of segment results, adjusted by excluding changes in fair value of derivative financial instruments and including share of results of joint ventures and associates.

5 Revenue and segment information *(Continued)*

Segment assets consist primarily of property, plant and equipment, intangible assets, right-of-use assets, investment properties, financial assets at FVOCI, financial assets at FVTPL, properties under development, completed properties held for sale, inventories, investments in joint ventures, investments in associates, receivables, prepaid income tax, contract assets and contract acquisition costs and operating cash. They exclude deferred income tax assets. Segment liabilities consist primarily of operating liabilities. They exclude current income tax liabilities, senior notes, corporate bonds, convertible bonds, bank and other borrowings, derivative financial instruments and deferred income tax liabilities.

Capital expenditure mainly comprises additions to property, plant and equipment (note 6), intangible assets and right-of-use assets, excluding those arising from business combinations.

Revenue consists of the following:

	2024 RMB million	2023 RMB million
Sales of properties	**245,719**	391,251
Rendering of technology-enabled construction services	**3,432**	5,391
Rental income	**1,051**	1,077
Others	**2,554**	3,296
	252,756	401,015

Sales between segments are carried out according to the terms and conditions agreed by the respective segments' management.

The Group's revenue is mainly attributable to the market in Mainland China and over 90% of the Group's non-current assets are located in Mainland China. No geographical information is therefore presented.

The Group has a large number of customers, none of whom contributed 10% or more of the Group's revenue.

As at 31 December 2024, investment properties with net book value of RMB1,219 million (2023: RMB1,383 million) were pledged as collateral for the Group's bank and other borrowings (note 23).

The Group's policy is to recognise change of fair value hierarchy levels as of the date of the event or change in circumstances that caused the change. At 31 December 2024 and 2023, the Group only had investment properties measured at level 3 valuation.

Valuation processes of the Group

The Group's investment properties were valued at transfer or business acquisition dates, and at 31 December 2024 and 2023 by an independent and professionally qualified valuer who hold recognised relevant professional qualifications and have recent experience in the locations and segments of the investment properties valued. For all investment properties, their current use equates the highest and best use.

Discussions of valuation processes and results are held between management and the valuers on a semi-annual basis, in line with the Group's interim and annual reporting dates.

At each half year-end, management:

- Verifies all major inputs to the independent valuation reports;
- Assesses property valuations movements when compared to the prior year valuation reports; and
- Holds discussions with the independent valuer.

Valuation techniques

Valuations are based on:

(i) Income capitalisation approach taking into account the current rents of the property interests and the reversionary potentials of the tenancies, term yield and reversionary yield are then applied respectively to derive the market value of the property; or

(ii) Residual method of valuation which is commonly used in valuing development sites by establishing the market value of the properties on an "as-if" completed basis with appropriate deduction on land and construction costs, professional fees, contingency, marketing and legal costs, and interest payments to be incurred as well as anticipated developer's profits.

There were no changes to the valuation techniques during the year.

Leasing arrangements

The investment properties are generally leased to tenants under operating leases with rentals payable monthly. There are no other variable lease payments that depend on an index or rate.

Although the Group is exposed to changes in the residual value at the end of the current leases, the Group typically enters into new operating leases and therefore will not immediately realise any reduction in residual value at the end of these leases. Expectations about the future residual values are reflected in the fair value of the properties.

For minimum lease payments receivable on leases of investment properties, refer to note 38(b).

On 5 December 2018, the 2023 Convertible Bonds were issued. The conversion price was subsequently modified to HKD10.21 per share as a result of payment of dividend in 2021. The initial value of the liability component was calculated using a market interest rate for an equivalent non-convertible bond of the Company. As at 31 December 2024, the fair value of the embedded financial derivative of convertible bond was nil (2023: RMB60 million).

The 2023 Convertible Bonds are guaranteed by the Company and certain subsidiaries of the Group and secured by the equity interests in certain subsidiaries of the Group.

Interest expenses on the liability component of the 2023 convertible bonds are calculated by applying the effective interest rate of 4.50% (2023: 11.84%) per annum to the liability component.

During the year ended 31 December 2024, there has been no conversion of the 2023 Convertible Bonds. As at 31 December 2024, the 2023 Convertible Bonds were defaulted.

The liability component is subsequently stated at amortised cost until conversion or maturity of the bond. The residual amount, representing the value of the equity conversion component, is accounted for as a conversion option reserve included in other reserves.

Interest expenses on the liability component of the 2026 convertible bonds are calculated using the effective interest method, applying the effective interest rate of 7.78% (2023: 7.78%) per annum.

Illustrative Allocation Scenarios – Scheme Creditor Who Has Elected Option 1

A hypothetical Scheme Creditor A holds Scheme Consideration Claims equal to an amount of USD 1 million. Scheme Creditor A elects to exchange all its Scheme Consideration Claims into Option 1

Scenario 1-1 (Total Option 1 Election Amount Has All Been Accepted)

Scheme Creditor A's Scheme Consideration Claims	1,000,000
Scheme Creditor A's Option 1 Election Amount **[A]**	1,000,000
Option 1 Valid Offer Price (For Every USD 1 Scheme Consideration Claims) **[B]**	0.1
Scheme Creditor A's Option 1 Scheme Consideration – Cash [C]=[A]*[B]	**100,000**

- In **Scenario 1-1**, Option 1 Cap (i.e. USD 200 million cash consideration) is not exceeded. **Scheme Creditor A is entitled to receive USD 100,000 cash under Option 1 and will not be reallocated to Option 2**

Scenario 1-2 (Max Cash Available Under Option 1 Does Not Allow All Option 1 Election Amount To Be Accepted)

Scheme Creditor A's Scheme Consideration Claims	1,000,000
Scheme Creditor A's Option 1 Election Amount **[A]**	1,000,000
Option 1 Valid Offer Price (For Every USD 1 Scheme Consideration Claims) (1) **[B]**	0.1

Option 1 Cap Exceeded **(If [C]>[D], then "Yes")**	**Yes**
*Option 1 Pro Rata Proportion **[E]=[A]/[C]***	*0.040%*
Scheme Creditor A's Option 1 Scheme Consideration – Cash [F]=[B]*[D]*[E]	**80,000**
Reallocation to Option 2	**Yes**
Scheme Creditor A's Option 1 (Oversubscribed Portion)(2) **[G]=[A]-[F]/[B]**	200,000
Scheme Creditor A's Option 2 Scheme Consideration – MCB(A) [H]=[G]	**200,000**

- In **Scenario 1-2**, Total Option 1 Election Amount is USD 2.5 billion which translates to a total of Option 1 tender cash consideration of USD 250 million(1). However, the maximum cash available under Option 1 is only USD 200 million. Therefore, Scheme Creditor A's Option 1 Election Amount will be partially exchanged into cash consideration under Option 1 and its Option 1 (Oversubscribed Portion) will be reallocated to Option 2. In this case, **Scheme Creditor A will receive USD 80,000 cash under Option 1 and USD 200,000 MCB(A) under Option 2**

Note: Currency Unit: USD

(1) Assume the Option 1 Valid Offer Price of all Option 1 Scheme Creditors for every USD 1 Scheme Consideration Claims is USD 0.1

(2) Assume Total Option 1 (Oversubscribed Portion) does not exceed the Option 2 Cap

Illustrative Allocation Scenarios – Scheme Creditor Who Has Elected Option 2

A hypothetical Scheme Creditor A holds Scheme Consideration Claims equal to an amount of USD 1 million. Scheme Creditor A elects to exchange all its Scheme Consideration Claims into Option 2

Scenario 2-1 (Total Option 2 Election Amount is Below the Remaining Option 2 Cap)

Scheme Creditor A's Scheme Consideration Claims	1,000,000
Scheme Creditor A's Option 2 Election Amount **[A]**	1,000,000
Scheme Creditor A's Option 2 Scheme Consideration – MCB(A) [B]=[A]	**1,000,000**

- In **Scenario 2-1**, the Remaining Option 2 Cap is not exceeded. **Scheme Creditor A is entitled to receive USD 1 million MCB(A) under Option 2 and will not be reallocated to Option 3**

Scenario 2-2 (Total Option 2 Election Amount is Above the Remaining Option 2 Cap)

Scheme Creditor A's Scheme Consideration Claims	1,000,000
Scheme Creditor A's Option 2 Election Amount **[A]**	1,000,000
Option 2 Cap **[B]**	2,000,000,000
Total Option 1 (Oversubscribed Portion) **[C]**	500,000,000
Remaining Option 2 Cap **[D]=[B]-[C]**	1,500,000,000
Total Option 2 Election Amount **[E]**	2,000,000,000
Remaining Option 2 Cap Exceeded **(If [E]>[D], then "Yes")**	**Yes**
*Option 2 Pro Rata Proportion **[F]=[A]/[E]***	*0.050%*
Scheme Creditor A's Option 2 Scheme Consideration - MCB(A) [G]=[D]*[F]	**750,000**
Reallocation to Option 3	**Yes**
Scheme Creditor A's Option 2 (Oversubscribed Portion)(1) **[H]=[A]-[G]**	250,000

Scheme Creditor A's Option 3 Scheme Consideration – MTI [J]=[H]*33%	**82,500**

- In **Scenario 2-2**, Total Option 2 Election Amount exceeds Remaining Option 2 Cap. In such case, Scheme Creditor A is entitled to receive the remaining MCB(A) under Option 2 on a pro-rata basis with all Option 2 Scheme Creditors who select Option 2, and its Option 2 (Oversubscribed Portion) will be reallocated to Option 3(1). Therefore, **Scheme Creditor A will receive USD 917,500 MCB(A) under Option 2 and 3, and USD 82,500 MTI under Option 3**

Note: Currency Unit: USD

(1) Assume the sum of Total Option 3 Election Amount and Total Option 2 (Oversubscribed Portion) does not exceed the Option 3 Cap

Illustrative Allocation Scenarios – Scheme Creditor Who Has Elected Option 3

A hypothetical Scheme Creditor A holds Scheme Consideration Claims equal to an amount of USD 1 million. Scheme Creditor A elects to exchange all its Scheme Consideration Claims into Option 3

Scenario 3-1 (Total Option 3 Election Amount is Below the Option 3 Cap)

*Option 3 Pro Rata Proportion **[D]=[A]/[C]***	*0.010%*
Scheme Creditor A's Option 3 Scheme Consideration – MCB(A) [E]=[B]*[D]*67%	**550,070**
Scheme Creditor A's Option 3 Scheme Consideration – MTI [F]=[B]*[D]*33%	**270,930**
Reallocation to Option 4	**Yes**
Scheme Creditor A's Option 3 (Oversubscribed Portion) **[G]=[A]-[E]-[F]**	179,000
